Re: Nomination of Neal Wolin to Deputy Secretary of Treasury

Senate Finance Committee Chairman Max Baucus (D-Mont.) issued the following brief statement today following confirmation of Neal Wolin to be Deputy Secretary of Treasury. From Chairman Baucus:

"I congratulate Mr. Wolin on his confirmation and I know his presence will be welcomed by colleagues at the Treasury Department. Economic recovery is as pressing today as it ever was, and American taxpayers are depending on Treasury to stay focused, and track spending to protect taxpayer interests every step of the way. I expect to work closely with Mr. Wolin and will depend on him to provide Congress with frequent progress reports. "
