STATEMENT OF THE MANAGERS ON THE PART OF THE HOUSE

The managers on the part of the House at the conference on the disagreeing votes of the two Houses on the amendments of the Senate to the bill (H.R. 9862) to continue for 2 years the existing suspension of duties on certain lathes used for shoe last roughing or for shoe last finishing, submit the following statement in explanation of the effect of the action agreed upon by the conferees and recommended in the accompanying conference report:

The bill as passed by both the House and the Senate provides a 2-year extension (until August 7, 1962) of the existing suspension of duties on copying lathes used for making rough or finished shoe lasts from models of shoe lasts and capable of producing more than one size shoe last from a single size model of a shoe last.

The Senate amendment to the text of the bill added a new section 2 to the bill. Subsection (a) of the new section 2 continues (subject to the limitation contained in the new sec. 2(b)) until the close of June 30, 1963, the existing suspension of duty on casein and lactarene. Under subsection (b) of the new section 2 as passed by the Senate, the suspension of duty would not apply to casein imported for use for human food or for conversion to such use. This limitation applied, subject to such regulations as the Secretary of the Treasury shall prescribe, to imports entered for consumption or withdrawn from warehouse for consumption after the expiration of 30 days following the date of the enactment of the bill.

Under the conference agreement section 2(a) as passed by the Senate is retained. Under the conference agreement, however, section 2(b) provides (as a substitute for the limitation in sec. 2(b) as passed by the Senate) that the suspension of duty is not to apply with respect to sodium caseinate, sodium phospho-caseinate, or other caseinates, any of the foregoing of which casein or lactarene is the component material of chief value.

The Senate amendment to the title of the bill conformed the title to the Senate action in adding the new section 2. The House recedes.
