EXTRACT FROM THE LEGISLATIVE REORGANIZATION ACT OF 1946,  
PUBLIC LAW 601, 79TH CONGRESS, AS AMENDED

Standing Committees of the Senate

SEC. 102. Rule XXV of the Standing Rules of the Senate is amended to read as follows:

"RULE XXV

"Standing Committees

"(1) The following standing committees shall be appointed at the commencement of each Congress, with leave to report by bill or otherwise on matters within their respective jurisdictions:

"(h) Committee on Finance, to which committee shall be referred all proposed legislation, messages, petitions, memorials, and other matters relating to the following subjects:

"1. Bonded debt of the United States, except as provided in the Congressional Budget Act of 1974.

"2. Customs, collection districts, and ports of entry and delivery.

"3. Deposit of public moneys.

"4. General revenue sharing.

"5. Health programs under the Social Security Act and health programs financed by a specific tax or trust fund.

"6. National social security.

"7. Reciprocal trade agreements.

"8. Revenue measures generally, except as provided in the Congressional Budget of 1974.

"9. Revenue measures relating to the insular possessions.

"10. Tariffs and import quotas, and matters related thereto.

"11. Transportation of dutiable goods."

SENATE COMMITTEE HEARING PROCEDURE

SEC. 133A. (a) Each standing, select, or special committee of the Senate (except the Committee on Appropriations) shall make public announcement of the date, place, and subject matter of any hearing to be conducted by the committee on any measure or matter at least one week before the commencement of that hearing unless the committee determines that there is good cause to begin such hearing at an earlier date.

(b) Each hearing conducted by each standing, select, or special committee of the Senate (except the Committee on Appropriations) shall be open to the public except when the committee determines that the testimony to be taken at that hearing may relate to a matter of national security, may tend to reflect adversely on the character or reputation of the witness or any other individual, or may divulge matters deemed confidential under other provisions of law or Government regulation. Whenever any such hearing is open to the public, that hearing may be broadcast by radio or television, or both, under such rules as the committee may adopt.

(c) Each standing, select, or special committee of the Senate (except the Committee on Appropriations) shall require each witness who is to appear before the committee in any hearing to file with the clerk of the committee, at least one day before the date of the appearance of that witness, a written statement of his proposed testimony unless the committee chairman and the ranking minority member determine that there is good cause for the failure of the witness to file such a statement in compliance with this subsection. If so requested by any such committee, the staff of the committee shall prepare for the use of the members of the committee before each day of hearing before the committee a digest of the statements which have been so filed by witnesses who are to appear before the committee on that day.

(d) After the conclusion of each day of hearing, if so requested by any such committee, the staff shall prepare for the use of the members of the committee a summary of the testimony given before the committee on that day. After approval by the chairman and the ranking minority member of the committee, each such summary may be printed as a part of the committee hearings if such hearings are ordered by the committee to be printed.

(e) Whenever any hearing is conducted by any such committee of the Senate (except the Committee on Appropriations) upon any measure or matter, the minority on the committee shall be entitled, upon request made by a majority of the minority members to the chairman before the completion of such hearing, to call witnesses selected by the minority to testify with respect to the measure or matter during at least one day of hearing thereon.

(f) Whenever any such committee of the Senate (except the Committee on Appropriations) has reported any measure, by action taken in conformity with the requirements of section 133(d) of this Act, no point of order shall lie with respect to that measure on the ground that hearings upon that measure by the committee were not conducted in accordance with the provisions of this section.

COMMITTEE POWERS

SEC. 134. (a) Each standing committee of the Senate, including any subcommittee of any such committee, is authorized to hold such hearings, to sit and act at such times and places during the sessions, recesses, and adjourned periods of the Senate, to require by subpoena or otherwise the attendance of such witnesses and the production of such correspondence, books, papers, and documents, to take such testimony and to make such expenditures (not in excess of \$10,000 for each committee during any Congress) as it deems advisable. Each such committee may make investigations into any matter within its jurisdiction, may report such hearings as may be had by it, and may employ stenographic assistance at a cost not exceeding 25 cents per hundred words. The expenses of the committee shall be paid from the contingent fund of the Senate upon vouchers approved by the chairman.

# PRESIDENTIAL MESSAGES AND EXECUTIVE COMMUNICATIONS REFERRED TO COMMITTEE ON FINANCE

NINETY-SIXTH CONGRESS

TITLE AND DATE REFERRED TO COMMITTEE

Jan. 15, 1979

Message from the President—Transmitting 10 new deferrals of budget authority. (Jointly referred to Committees on Appropriations; the Budget; Agriculture, Nutrition, and Forestry; Foreign Relations; Energy and Natural Resources; Finance; Small Business; and Indian Affairs.) (PM No. 3.)

Jan. 15, 1979

Message from the President—Transmitting a proposal for legislation to extend until Sept. 30, 1979, the authority of the Secretary of the Treasury under sec. 303(d) of the Tariff Act of 1930 to waive the application of countervailing duties. (PM No. 5.) (H. Doc. 96-34.)

Jan. 15, 1979

Communication from the Acting Chairman, Agricultural Technical Advisory Committee for Trade Negotiations on Fruits and Vegetables, transmitting, pursuant to law, the committee's report on the Agreement on Trade Matters Between the United States and the United Mexican States. (EC No. 116.)

Jan. 15, 1979

Communication from the Secretary of Health, Education, and Welfare, transmitting, pursuant to law, the final report on the "advantages and disadvantages" of extending coverage under title XVIII of the Social Security Act to urban or rural comprehensive mental health centers and to centers for treatment of alcoholism and drug abuse. (EC No. 117.)

Jan. 15, 1979

Communication from the President, transmitting, pursuant to law, a report setting forth his decision that import relief for the domestic bicycle tire and tube industry is not in the national economic interest, and explaining the reasons for his decision. (EC No. 118.) (H. Doc. 96-30.)

Jan. 15, 1979

Communication from the Chairman, The Renegotiation Board, transmitting, pursuant to law, the Board's annual report for fiscal year ending Sept. 30, 1978. (EC No. 119.)

Jan. 15, 1979

Communication from the Chairman, The Renegotiation Board, reporting, pursuant to law, pertaining to the Board's annual report (EC No. 120.)

Jan. 15, 1979

Communication from the Special Representative for Trade Negotiations, transmitting, pursuant to law, reports of the Industry Sector Advisory Committees on the United States-Indian Tropical Products Agreement, which was concluded on July 26, 1978. (EC No. 121.)

Jan. 15, 1979

Communication from the Secretary of Health, Education, and Welfare, transmitting, pursuant to law, the Department's fourth report on State medical program compliance with sec. 1903(g) of the Social Security Act. (EC No. 122.)

Jan. 15, 1979

Communication from the President, transmitting, pursuant to law, a report setting forth his determination that import relief for the U.S. artificial bait and flies industry is not in the national economic interest and explaining the reasons for his decision. (EC No. 123.) (H. Doc. 96-31.)

Jan. 15, 1979

Communication from the President, transmitting, pursuant to law, a report setting forth his decision that import relief on unwrought, unalloyed copper is not in the national economic interest, and explaining the reasons for his decision. (EC No. 124.) (H. Doc. 96-29.)

Jan. 15, 1979

Communication from the President, transmitting, pursuant to law, a report setting forth his determination to provide import relief for the U.S. high carbon ferrochromium industry and explaining the reasons for his decision. (EC No. 125.) (H. Doc. 96-28.)

Jan. 15, 1979

Communication from the Vice Chairman, United States International Trade Commission, transmitting, pursuant to law, its sixteenth quarterly report on trade between the United States and the nonmarket economy countries. (EC No. 126.)

**PRESIDENTIAL MESSAGES AND EXECUTIVE COMMUNICATIONS REFERRED TO COMMITTEE  
ON FINANCE—Continued**

**TITLE AND DATE REFERRED TO COMMITTEE—Continued**

Jan. 15, 1979

Communication from the President, transmitting, pursuant to law, a report setting forth his decision to modify the import relief recommendation of the United States International Trade Commission by proclaiming increased tariffs of 15 percent on iron or steel bolts, nuts, and large screws for a three-year period and giving the reasons for his decision. (EC No. 127.) (H. Doc. 96-32.)

Jan. 15, 1979

Communication from the President, transmitting proposals relating to international trade. (EC No. 128.) (H. Doc. 96-33.)

Jan. 15, 1979

Communication from the Acting Chairman, The Renegotiation Board, transmitting, pursuant to law, the Board's report covering the fiscal year ending Sept. 30, 1978. (EC No. 129.)

Jan. 15, 1979

Communication from the Secretary of the Treasury, transmitting, pursuant to law, a report entitled "Combined Statement of Receipts, Expenditures and Balances of the United States Government for the fiscal year ending Sept. 30, 1978." (EC No. 130.)

Jan. 15, 1979

Communication from the Director, Office of Management and Budget, transmitting, pursuant to law, a cumulative report on rescissions and deferrals, December 1978. (Jointly referred to Committees on Appropriations; Agriculture, Nutrition, and Forestry; Armed Services; Commerce, Science, and Transportation; Foreign Relations; Human Resources; Energy and Natural Resources; the Judiciary; Finance; and Governmental Affairs.) (EC No. 303.)

Jan. 15, 1979

Communication from the Comptroller General of the United States, commenting, pursuant to law, on the President's First Special Message for Fiscal Year 1979. (Jointly referred to Committees on Appropriations; the Budget; Agriculture, Nutrition, and Forestry; Commerce, Science, and Transportation; Armed Services; Human Resources; Energy and Natural Resources; the Judiciary; Foreign Relations; Finance; and Governmental Affairs.) (EC No. 304.)

Jan. 15, 1979

Communication from the Director, Office of Management and Budget, transmitting, pursuant to law, a cumulative report of rescissions and deferrals, November 1978. (Jointly referred to Committees on Appropriations; the Budget; Agriculture, Nutrition, and Forestry; Commerce, Science, and Transportation; Armed Services; Human Resources; Energy and Natural Resources; the Judiciary; Foreign Relations; Finance; and Governmental Affairs.) (EC No. 305.)

Jan. 15, 1979

Communication from the Director, Office of Management and Budget, transmitting, pursuant to law, a cumulative report of rescissions and deferrals, January 1979. (Jointly referred to Committees on Appropriations; the Budget; Agriculture, Nutrition, and Forestry; Armed Services; Commerce, Science, and Transportation; Energy and Natural Resources; Finance; Foreign Relations; Governmental Affairs; and Human Resources.) (EC No. 309.)

Jan. 18, 1979

Communication from the Chairman, National Commission on Unemployment Compensation, transmitting, pursuant to law, the Commission's interim report. (EC No. 328.)

Jan. 18, 1979

Communication from the Fiscal Assistant Secretary, Department of the Treasury, transmitting, pursuant to law, a statement of liabilities and other financial commitments of the U.S. Government as of Sept. 30, 1978. (EC No. 329.)

Jan. 18, 1979

Communication from the Chairman, U.S. International Trade Commission, transmitting, a draft of proposed legislation to provide authorization of appropriations for the U.S. International Trade Commission for fiscal year 1980. (EC No. 330.)

Jan. 18, 1979

Communication from the Comptroller General of the United States, reporting, pursuant to law, on the Presidents' third special message for fiscal year 1979 that was transmitted to the Congress pursuant to the Impoundment Control Act of 1974. (Jointly referred to Committees on Appropriations; the Budget; Foreign Relations; Agriculture, Nutrition, and Forestry; Energy and Natural Resources; Finance; Small Business; and Indian Affairs.) (EC No. 340.)

Jan. 18, 1979

Communication from the Chairman and Executive Director, Pension Benefit Guaranty Corporation, transmitting, pursuant to law, its third annual report. (Jointly referred to Committees on Finance and Human Resources.) (EC No. 347.)

Jan. 23, 1979

Message from the President—Report on the Operation of the Automotive Products Trade Act (PM No. 13) (Committee Print 96-4.)

**PRESIDENTIAL MESSAGES AND EXECUTIVE COMMUNICATIONS REFERRED TO COMMITTEE  
ON FINANCE—Continued**

To amend the Social Security Act by adding thereto a new title XXI which will provide insurance against the costs of catastrophic illness, by replacing the medical program with a Federal medical assistance plan for low-income people, and by adding a new title XV thereto which will encourage and facilitate the availability, through private insurance carriers of basic health insurance at reasonable premium charges, and for other purposes.

### SUMMARY

#### Catastrophic Health Insurance

##### PART A—PUBLIC PLAN

###### ELIGIBILITY

All legal residents in the United States not covered by the private plan described in pt. B below.

###### BENEFITS

Federally administered trust fund pays for medical bills after a family has incurred \$2,000 of medical bills in a year. Hospital costs would be paid for after a person has incurred 60 days of hospital costs. The \$2,000 deductible and the 60-day deductible are entirely separate. If a person were to meet the hospital deductible alone he would be eligible only for the hospital benefits. If a family were to meet only the \$2,000 deductible, it would be eligible only for medical benefits.

###### ADMINISTRATION

Program would be administered by the Health Care Financing Administration parallel to the administration of Medicare.

###### FINANCING

Employers would be liable for a tax of 1 percent on payroll. However, a tax credit equal to 50 percent of this amount paid would be allowed.

##### PART B—PRIVATE INSURANCE OPTION

###### ELIGIBILITY

An employer could elect to have all of his employees and their dependents covered under a qualified private catastrophic insurance plan as an alternative to coverage under the public plan.

###### BENEFITS

Private catastrophic plan would have benefits identical to those in the public plan. Benefits beyond those required could be sold by private insurers.

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

S. 350—Continued

## SUMMARY—Continued

## Catastrophic Health Insurance—Continued

## PART B—PRIVATE INSURANCE OPTION—Continued

## ADMINISTRATION

Private catastrophic plan would be administered by a qualified private insurance company of the employer's choice.

## FINANCING

Employer's premium for private catastrophic would be deducted from his 1 percent payroll tax liability. The employer would be eligible for the tax credit of 50 percent of his 1 percent payroll tax liability.

## Medical Assistance Plan

Replaces medicaid with a uniform national program of medical benefits for low-income persons administered by the Health Care Financing Administration.

## ELIGIBILITY

All persons now receiving medicaid benefits.

All individuals and families having an annual income at or below the following levels:

\$3,000 for an individual;

\$4,200 for a two-person family;

\$4,800 for a three-person family;

\$5,400 for a four-person family; and

\$400 additional for each additional family member.

Families with incomes above these levels would become eligible if they spend enough on medical care to reduce their income to the eligibility levels. Thus, a family of four with \$6,000 would become eligible if it spent \$600 for medical care.

## BENEFITS

Provides hospital care for up to 60 days and all skilled nursing facility care, intermediate facility care and home health services.

Covers physicians services, X-ray, laboratory, prenatal and well-baby care, family planning counseling services and supplies, periodic screening, diagnosis and treatment for children under 18, inpatient mental health care consists of active care and treatment in a medically accredited institution and outpatient care in a qualified community health center. Outpatient psychiatric services would be limited to five visits related to "crisis" intervention, and additional visits could be authorized upon finding that in their absence the patient would require institutionalization or be severely dysfunctional.

The plan would also pay the \$8.20 monthly (effective July 1, 1978) Part B medicare premium for persons eligible for this title.

## COPAYMENTS AND DEDUCTIBLES

Copayment is \$3 for each of first 10 visits to doctor per family (but no copayments for visits for well-baby care and family planning services).

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

## S. 350—Continued

## SUMMARY—Continued

## Medical Assistance Plan—Continued

## PAYMENTS TO HEALTH CARE PROVIDERS AND ADMINISTRATION

- Same as medicare (reasonable costs for institutions, reasonable charges for physician).
- Payments made under the program would have to be accepted as payment in full, and there could be no additional charges to patient.
- Benefits reduced to patients by \$250 if they have failed to enroll in an employer-employee plan in which employer pays 75 percent or more of the premium cost.

## FINANCING

- States would have to pay no more than they did for medicaid in the year prior to this title's effective date plus one-half of what they paid for medical services for those not covered by medicaid. Thus States would be held harmless against costs or caseloads.

## Private Health Insurance

- Establishes a voluntary certification program for private basic health insurance to encourage the availability of adequate private health insurance.
- Insurer could submit policy to HEW Secretary for certification. Certification is based on adequacy of coverage, conditions of eligibility, actual availability. Certified policies would be advertised as such.

## CRITERIA FOR CERTIFICATION OF POLICIES

- Must provide 60 days of hospital care and coverage of medical bills up to \$2,000. (This meshes with catastrophic plan.)

## LIMITS ON DEDUCTIBLES AND COPAYMENTS

- Ban on exclusions, waivers of liability and waiting periods in group policies, and with respect to individual policies, a limit on medical exclusion to preexisting pregnancy and waiting periods for other preexisting conditions to not more than 90 days.
- At least one annual open enrollment period.
- Reasonable rates of benefit payments to premiums defined in terms of average ratios for group policies generally written by insurers.

## INCENTIVES TO PROVIDE CERTIFIED POLICIES

- For 3 years from effective date to act, Secretary of HEW studies progress of insurers in making certified policies actually and generally available to the population.
- After that time no insurer could serve as a medicare carrier or intermediary unless it offered one or more certified policies to the general public in each geographic or service area in which it did business.
- Additionally, at that time, Secretary of HEW would be authorized to make basic coverage available at cost through social security in any area of the country where certified basic health insurance was not available.

## INSURANCE POOLING

- Contains an antitrust exemption under which insurers could enter into contracts or arrangements for the sole purpose of establishing insurance "pool" arrangements in order to offer to the general public certified health insurance policies. Such pools allow proportionate sharing of risks and rewards.

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

S. 351

Feb. 6, 1979

Feb. 6, 1979.—Statement of Senator Long introducing this bill (Congressional Record S1130).

Mr. Long

Feb. 9, 1979.—Referred to Office of Management and Budget and Departments of the Treasury and Health, Education, and Welfare. Mar. 27, 28, and 29, 1979.—Public hearings.

and Messrs. Cannon, Hatfield, Inouye, Mathias, Melcher, Percy, Pressler, Stafford, Stone, Talmadge, and Young

To amend the Social Security Act by adding thereto a new title XXI which will provide insurance against the costs of catastrophic illness and by adding a new title XV thereto which will encourage and facilitate the availability, through private insurance carriers, of basic health insurance at reasonable premium charges, and for other purposes.

## SUMMARY

## Catastrophic Health Insurance

## PART A—PUBLIC PLAN

## ELIGIBILITY

All legal residents in the United States not covered by the private plan described in part B below.

## BENEFITS

Federally administered trust fund pays for medical bills after a family has incurred \$2,000 of medical bills in a year. Hospital costs would be paid for after a person has incurred 60 days of hospital costs. The \$2,000 deductible and the 60-day deductible are entirely separate. If a person were to meet the hospital deductible alone he would be eligible only for the hospital benefits. If a family were to meet only the \$2,000 deductible, it would be eligible only for medical benefits.

## ADMINISTRATION

Program would be administered by the Health Care Financing Administration parallel to the administration of medicare.

## FINANCING

Employers would be liable for a tax of 1 percent on payroll. However, a tax credit equal to 50 percent of this amount paid would be allowed.

## PART B—PRIVATE INSURANCE OPTION

## ELIGIBILITY

An employer could elect to have all of his employees and their dependents covered under a qualified private catastrophic insurance plan as an alternative to coverage under the public plan.

## BENEFITS

Private catastrophic plan would have benefits identical to those in the public plan. Benefits beyond those required could be sold by private insurers.

S. 351—Continued

SUMMARY—Continued

PART B—PRIVATE INSURANCE OPTION—Continued

ADMINISTRATION

Private catastrophic plan would be administered by a qualified private insurance company of the employer's choice.

FINANCING

Employer's premium for private catastrophic would be deducted from his 1 percent payroll tax liability. The employer would be eligible for the tax credit of 50 percent of his 1 percent payroll tax liability.

Private Health Insurance

Establishes a voluntary certification program for private basic health insurance to encourage the availability of adequate private health insurance.

Insurer could submit policy to HEW Secretary for certification. Certification is based on adequacy of coverage, conditions of eligibility, actual availability. Certified policies would be advertised as such.

CRITERIA FOR CERTIFICATION OF POLICIES

Must provide 60 days of hospital care and coverage of medical bills up to \$2,000. (This meshes with catastrophic plan.)

LIMITS ON DEDUCTIBLES AND COPAYMENTS

Ban on exclusions, waivers of liability and waiting periods in group policies, and with respect to individual policies, a limit on medical exclusion to preexisting pregnancy and waiting periods for other preexisting conditions to not more than 90 days.

At least one annual open enrollment period.

Reasonable rates of benefit payments to premiums defined in terms of average ratios for group policies generally written by insurers.

INCENTIVES TO PROVIDE CERTIFIED POLICIES

For 3 years from effective date to act, Secretary of HEW studies progress of insurers in making certified policies actually and generally available to the population.

After that time no insurer could serve as a medicare carrier or intermediary unless it offered one or more certified policies to the general public in each geographic or service area in which it did business.

Additionally, at that time, Secretary of HEW would be authorized to make basic coverage available at cost through social security in any area of the country where certified basic health insurance was not available.

INSURANCE POOLING

Contains an antitrust exemption under which insurers could enter into contracts or arrangements for the sole purpose of establishing insurance "pool" arrangements in order to offer to the general public certified health insurance policies. Such pools allow proportionate sharing of risks and rewards.

| To provide for the reform of the administrative and reimbursement procedures currently employed under the medicare and medicaid programs, and for other purposes. |  | <i>(See action on H.R. 934)</i>   |

### SUMMARY

#### Criteria for Determining Reasonable Cost of Hospital Services

The bill modifies the method of reimbursement for hospitals under the medicare and medicaid programs. Under the new method, to be effective with hospital reporting periods that begin after June 30, 1980, reimbursement for most of a hospital's inpatient routine costs (essentially costs other than such ancillary expenses as laboratory, X-ray, pharmacy, etc.) would be related to a target rate based on similar costs incurred by comparable hospitals.

#### Payments to Promote Closing and Conversion of Underutilized Facilities

The bill provides for including in hospital reasonable cost payments, reimbursement for capital and increased operating costs associated with the closing down or conversion to approved use of underutilized bed capacity or services in nonprofit short-term hospitals. In the case of for-profit short-term hospitals, reimbursement would be limited to increased operating costs. This would include costs which might not be otherwise reimbursable because of payment "ceilings", severance pay, "mothballing" and related expenses.

#### Federal Participation in Hospital Capital Expenditures

The bill provides for changes to be made in the current law limitations on medicare and medicaid payments related to hospital capital expenditures, linking the procedure more closely to the Federal health planning law (Public Law 93-641) by requiring that the designated planning agency (the State Health Planning and Development Agency as designated under sec. 1521 of the Public Health Service Act) approve capital expenditures in excess of \$150,000 as a condition of medicare and medicaid reimbursement for both capital and direct operating costs associated with those expenditures. Regulations developed by the Department to implement this section should allow for speedy replacement of capital plant and equipment in certain emergency situations.

#### Agreements by Physicians to Accept Assignment of Claims

The bill provides incentives for physicians to accept assignments for all their medicare claims. Under the bill there would be "participating" physicians, a concept employed by many Blue Shield plans.

#### Hospital Associated Physicians

The bill preserves the eligibility of radiologists, pathologists and anesthesiologists to be paid by medicare and medicaid on a fee-for-service basis for patient care services which they personally perform or personally direct. Services which the physician may perform for the hospital as an executive, educator or supervisor would be reimbursed only through the hospital insurance program on a reasonable cost basis. Percentage or lease arrangements would ordinarily not be recognized for medicare and medicaid reimbursement purposes to the extent they exceed what would have been paid to an employed physician.

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

S. 505★—Continued

## SUMMARY—Continued

**Use of Approved Relative Value Schedules**

The bill authorizes the Secretary to approve the use of terminology systems and relative value schedules by physicians in billing medicare, medicaid and for other purposes.

**Teaching Physicians**

The bill would extend, from Oct. 1, 1978 to Oct. 1, 1979, the implementation date for section 227.

**Certain Surgical Procedures Performed on an Ambulatory Basis**

The bill would permit medicare reimbursement on the basis of an all-inclusive rate to free-standing ambulatory surgical centers and to physicians performing surgery in their offices for a listed group of surgical procedures.

**Criteria for Determining Reasonable Charge for Physicians' Services**

The bill provides for the calculation of statewide median charges (in any State with more than one locality) in addition to prevailing charges in the locality. To the extent that any prevailing charge in a locality was more than one-third higher than the statewide median charge for a given service, it would not be automatically increased each year. This provision would not reduce any prevailing charges currently in effect. However, it would operate, to the extent given charges exceed the statewide average by more than one-third, to preclude automatically increasing those charges.

The bill would also permit new physicians in localities, designated by the Secretary as physician shortage areas, to establish their customary charges at the 75th percentile of prevailing charges (rather than the 50th) as a means of encouraging doctors to move into these communities. It would also permit doctors presently practicing in shortage areas to move up to the 75th percentile on the basis of their actual fee levels.

**Payment for Certain Antigens Under Part B of Medicare**

The bill amends current law to permit payment under medicare for the preparation by an allergist of a reasonable supply of antigens dispensed or administered under the supervision of a physician.

**Payment on Behalf of Deceased Individuals**

The bill would permit payment by medicare to be made to the spouse or other legal representative of a deceased medicare beneficiary on the basis of a nonreceipted bill.

**Hospital Providers of Long-Term Care Services**

The bill establishes a simplified cost reimbursement formula which would permit small rural hospitals to avoid the requirement for separate patient placement within the facility and separate cost finding.

**Reimbursement Rates Under Medicaid for Skilled Nursing Facilities and Intermediate Care Facilities**

The bill allows States the option, when computing reimbursement rates under medicaid to a SNF or ICF, to include reasonable allowances for the facility in the form of incentive payments related to efficient performance.

TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

S. 505★—Continued

**SUMMARY—Continued****Medicaid Certification and Approval of Skilled Nursing and Intermediate Care Facilities**

The bill would establish a uniform health care facility certification process for medicare and medicaid long-term care facilities.

**Visits Away From Institution by Patients of Skilled or Intermediate Care Facilities**

The bill provides that visits outside of the SNF or ICF would not necessarily constitute conclusive proof that the individual is no longer in need of the services of the SNF or ICF.

**Notification to State Officials**

The bill provides that if the Secretary notifies a State of any audits, quality control performance reports, deficiencies, or changes in Federal matching payments under programs authorized under the act, simultaneous notification would also be made to the Governor of the State and the respective chairmen of the legislative and appropriation committees of that State's legislature having jurisdiction over the affected program.

**Repeal of Section 1867**

In view of the establishment of other advisory groups, and the Secretary's authority to establish ad hoc advisory bodies, the bill would terminate HIBAC.

**Procedure for Determining Reasonable Cost and Reasonable Charge**

The bill provides, except under certain specified circumstances, that reimbursement to contractors, employees or related organizations, consultants, or subcontractors at any tier would not be recognized where compensation or payments (in whole or part, in cash or kind) as based upon percentage arrangements.

**Ambulance Service**

The bill provides medicare reimbursement for ambulance services to a more distant hospital where the nearest hospital lacks the necessary staff. Also, it is intended that the ambulance benefit be extended to cover patients who require ambulance transportation to receive radiation therapy in clinics in areas where the treatment is not available in a hospital.

**Grants to Regional Pediatric Pulmonary Centers**

The bill authorizes up to \$5 million annually for grants to public or nonprofit private regional pediatric pulmonary centers which are part of (or affiliated with) institutions of higher learning.

**Applicability of Human Experimentation Provision for Medicare and Medicaid**

The bill waives requirements of the human experimentation statute which may otherwise be held applicable for purposes of medicare and medicaid.

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

S. 505★—Continued

## SUMMARY—Continued

**Disclosure of Aggregate Payments to Physicians**

The bill prohibits the Secretary of HEW from routinely releasing medicare information, and provides that State agencies shall not be required to release medicaid information relating to amounts paid to physicians under their respective programs, except as otherwise specifically required by Federal law.

**Resources of Medicaid Applicant To Include Assets Disposed of at Substantially Less Than Fair Market Value**

The bill requires States to deny eligibility for medicaid in cases where an otherwise eligible aged, blind, or disabled person disposes of significant assets by giving them away or selling them for substantially less than their fair market value in order to establish medicaid eligibility.

**Rate of Return on Net Equity for For-Profit Hospitals**

The bill changes the allowed rate of return on for-profit hospitals' net equity. The new rate of return multiplier would be:  $2\frac{1}{2}$  times for hospitals entitled to an incentive payment under the incentive reimbursement system in sec. 2 of the bill; 2 times for hospitals that are reimbursed only their reasonable costs; and  $1\frac{1}{2}$  times for hospitals with costs in excess of their routine cost limits.

**Deductible Not Applicable to Expenses for Certain Independent Laboratory Tests**

The bill waives the \$60 deductible in applying the special laboratory billing procedure.

**Payment for Laboratory Services Under Medicaid**

The bill allows a State to purchase laboratory services for its medicaid population through competitive bidding arrangements for a 3-year experimental period.

**Confidentiality of PSRO Data**

The bill provides for the confidentiality of PSRO information that identifies an individual patient, practitioner, provider, supplier or reviewer.

**Repeal of 3-Day Hospitalization Requirement and 100-Visit Limitation for Home Health Services**

The bill removes the provision in existing law that limits medicare home health benefits to 100 visits per spell of illness under part A and 100 visits per year under part B. In addition, the bill removes the requirement that a beneficiary has to be an inpatient in a hospital for at least 3 days before he can qualify for part A home health benefits.

**Payment for Durable Medical Equipment**

The bill establishes a new reimbursement methodology for medical equipment. Reasonable charges for durable medical equipment would be calculated on a prospective basis and would take into account, in addition to the customary charges, the acquisition costs of the equipment, appropriate overhead (considering the level of delivery services and other necessary services provided by the supplier), and a reasonable margin of profit.

TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

S. 505★—Continued

**SUMMARY—Continued****Development of Uniform Claims Forms for Use Under Health Care Programs**

The bill requires HEW to adopt, to the extent feasible, standardized claims forms for medicare and medicaid within 2 years of enactment. Such forms could vary in a given State for medicaid if the Secretary determined that, in that State, a uniformed national medicare-medicaid claims forms could not be utilized.

**Coordinated Audits Under the Social Security Act**

The bill requires that, if an entity provides services reimbursable on a cost-related basis under title XVIII and titles XIX or V, audits of books, accounts, and records of that entity for purposes of the State programs are to be coordinated through common audit procedures with audits performed for the purposes of reimbursement under title XVIII.

**Encouragement for Health Care of Philanthropic Support**

The bill provides a statutory base for this policy.

**Study of Availability and Need for Skilled Nursing Services Under Medicare and Medicaid**

The bill directs the Secretary of Health, Education, and Welfare to conduct a study of the availability and need for skilled nursing facility services under the medicare and medicaid programs.

**Coverage Under Medicare of Certain Dentist's Services**

The bill extends the coverage of dental services under medicare to include any services performed by a doctor of dental surgery or of dental medicine which he is legally authorized to perform in cases where the services would be covered if performed by a physician.

**Coverage Under Medicare of Optometrist's Services With Respect to Aphakia**

The bill provides that services related to aphakia and within the scope of optometric practice be reimbursable under pt. B of medicare when provided by optometrists.

**Renewal of Benefits**

The bill directs the Secretary to review current procedures for applying the benefit-renewal criteria to make sure that they are not too restrictive.

**State Medicare "Buy-In"**

The bill would give the States that wish to do so an additional period of 12 months in which they could elect to make the necessary coverage arrangements.

#### COMMITTEE ACTION

July 30, 1979.—Reported favorably to the Senate (S. Rept. 96-273) with an amendment in the nature of a substitute. The amendment authorizes a two-part program. Under part I, targeted fiscal assistance would be distributed to local governments with unemployment rates of 6 percent or above for fiscal years 1979 and 1980. For fiscal year 1979, \$150 million would be distributed under this program. For fiscal year 1980, \$340 million would be provided. Based on the administration's latest unemployment forecast, approximately \$200 million more would be distributed under the countercyclical part of the program during fiscal year 1980.

If national unemployment equaled or exceeded 6.5 percent, part II of the program would be effective and would distribute \$125 million per quarter plus \$30 million for each 0.1 percent by which the national rate of unemployment exceeded 6.5 percent. These funds would be distributed to State and local governments with unemployment of 6 percent or more. Under this part of the program authorized funding would be limited to \$1 billion. Under each of these parts of the program eligible governments would have to be entitled to a minimum of \$10,000 for fiscal year 1979, or \$2,500 per quarter in fiscal year 1980. An amount equal to 1 percent of the funds distributed would be set aside for payments to the Territories. No unit of government would be eligible for targeted fiscal assistance or countercyclical fiscal assistance unless the per capita income level for that government was below 150 percent of the national average. However, special exceptions would be made for Alaska and Hawaii.

For those units of government which would receive less than \$10,000 in any single payment, such distributions would be sent out in conjunction with quarterly general revenue sharing payments.

#### SENATE ACTION

Aug. 3, 1979.—Passed by the Senate, by rollcall vote (No. 251) of 69 yeas, 23 nays (Congressional Record S11570), after taking the following action on amendments thereto:

##### *Adopted:*

*Bellmon UP amendment No. 507*, striking the fiscal year 1979 authorization for the "standby" antirecession fiscal assistance program and the targeted fiscal assistance program, by rollcall vote (No. 248) of 51 yeas, 34 nays (Congressional Record S11572).

##### *Rejected*

*Bellmon UP amendment No. 508*, striking "Subtitle B Targeted Fiscal Assistance", by rollcall vote (No. 249) of 31 yeas, 59 nays (Congressional Record S11576); and

*Bellmon UP amendment No. 509, modified*, raising the general unemployment trigger for local jurisdictions from 6 to 7 percent, by rollcall vote (No. 250) of 31 yeas, 61 nays (Congressional Record S11581).

#### HOUSE ACTION

Sept. 5, 1979.—Referred to Government Operations Committee.

Jan. 31, 1980.—Government Operations Committee discharged from further consideration.

Jan. 31, 1980.—Passed House amended by including text of H.R. 5980 which had been passed earlier the same date.

## CONFERENCE ACTION

S. 570

Mar. 7, 1979

Mr. Nelson

and Messrs. Javits, Kennedy, Metzenbaum, Moynihan, Pell, Ribicoff, Riegle, Tsongas, and Williams

To establish voluntary limits on the annual increases in total hospital expenses, and to provide for mandatory limits on the annual increases in hospital inpatient revenues to the extent that the voluntary limits are not affected.

(Bill:

- (a) directs the Secretary of Health, Education, and Welfare to establish annual voluntary limits on increases in hospital expenses;
- (b) directs the Secretary, by July 1 of each year, to determine if the voluntary limits applicable to the previous year had been met;
- (c) permits the Secretary to exempt from the application of mandatory limits all the hospitals in a State if and for so long as the Secretary found that the State had in effect a State mandatory hospital cost containment program as broad as the Federal program, received satisfactory assurances that the State program would treat all insurers (including medicare and medicaid), patients, and hospital employees equitably, and either determined that the average increase in hospital expenses in the State in the previous year did not exceed the State's voluntary limit by more than one percent, or received satisfactory assurances that the average increase would not exceed the State's voluntary limit and found that the State program met any other conditions that the Secretary prescribed;
- (d) permits the Secretary to exempt from the application of mandatory limits hospitals engaged in certain experiments or demonstrations;
- (e) applies mandatory limits to each hospital's inpatient charges (and to the reimbursement payable to a hospital by each insurer, including government insurers, paying on a cost basis), calculated on a per admission basis;
- (f) makes appropriate reductions in the charges (and reimbursement) for the base accounting period in the case of the discontinuation of any inpatient hospital services, but would waive the reduction if the appropriate State health planning and development agency determined that the services should be discontinued;
- (g) specifies the calculation of the annual mandatory percentage limit applicable to a hospital;
- (h) provides for payments under medicare, medicaid, and the maternal and child health programs to comply with the limits in the bill (or limits established by a State program in a State exempted by the Secretary from the Federal program);
- (i) subjects each private cost payer (and each hospital) to an excise tax equal to 150 percent of the amount of reimbursement from the cost payer in excess of the mandatory limit for a hospital's accounting period;

Jan. 31, 1980.—House insisted on its amendments, requested a conference with the Senate, and named the following conferees: Messrs. Brooks, Fountain, Fascell, Moorhead of Pennsylvania, English, Aspin, Weiss, Synar, Horton, Wydler, Brown of Ohio, and Mrs. Snowe.

Mar. 7, 1979.—Jointly referred to Committees on Finance and Labor and Human Resources.

Mar. 7, 1979.—Statement of Senator Nelson introducing this bill (Congressional Record S2205).

Mar. 19, 1979.—Referred to Office of Management and Budget and Departments of the Treasury and Health, Education, and Welfare.

Apr. 3, 1979.—Favorable report from Department of Health, Education, and Welfare.

June 13, 1979.—Ordered favorably reported by Committee on Labor and Human Resources, with amendments.

July 27, 1979.—Favorable report from Office of Management and Budget.

## TITLE AND DESCRIPTION

ACTION

## S. 570—Continued

## (Bill—Continued)

- (j) permits the Secretary to exclude a hospital from the medicare, medical, or maternal and child health program if the hospital changed its admissions practices so as to reduce its proportion of patients who pay amounts (or for whom amounts are paid) that are less than the hospital's inpatient charges;
- (k) establishes a Hospital Cost Containment Commission of 15 members appointed by the Secretary;
- (l) authorizes the Secretary to make adjustments in applying the provisions of the bill to hospital accounting periods of less than 1 year;
- (m) authorizes the Secretary to prescribe regulations to carry out the provisions of the bill; and
- (n) provides definitions and related matters, for purposes of the bill, "hospitals" would not include hospitals in existence for less than 3 years, long-term care hospitals, Federal hospitals, health maintenance organization hospitals, and small nonmetropolitan hospitals.)

## S. 589

Mar. 8, 1979

Mr. Bentsen  
and Messrs. Church, DeConcini, Hayakawa, and Javits

To restore the deductibility of expenses for attending certain conventions in Mexico and Canada.

Mar. 8, 1979.—Statement of Senator Bentsen introducing this bill (Congressional Record S2393).

Mar. 13, 1979.—Referred to Office of Management and Budget and Departments of the Treasury and State.

July 20, 1979.—Public hearing.

## S. 591

Mar. 8, 1979

Mr. Dole  
and Messrs. Bayh, Bentsen, Cranston, Danforth, Javits, Moynihan, Ribicoff, and Schweiker

To amend title XVI of the Social Security Act with respect to presumptive disability, earned income to sheltered workshops, benefits for individuals who work despite a severe medical impairment, and the exclusion of certain work expenses in determining substantial activity.

## (Bill:

- (a) allows presumptive disability for persons once disabled and receiving SSI benefits if the person left the SSI rolls to work and found it necessary to quit and return to the SSI rolls;
- (b) provides that earnings received in sheltered workshops be deemed as earned income;
- (c) allows disabled persons to continue receiving benefits after their earnings reach the level of substantial gainful activity;
- (d) permits medical benefits to certain handicapped persons whose earnings exceed the break-even point; and order to work, to disregard costs of attendant care and certain medical devices in determining substantial gainful activity.)
- (e) allows a disabled individual who requires assistance in

TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

S. 748—Continued

## SUMMARY

## PART 1. MEDICARE IMPROVEMENTS

- A. Provides for unlimited hospital coverage without coinsurance.
- B. Eliminates co-pay for physicians' services and certain other medical services after \$5,000 of incurred expenses.
- C. Other improvements including expansion of skilled nursing facility benefits, home health benefits, mental health coverage and certain drugs.

## PART 2. EMPLOYMENT-RELATED PRIVATE CATASTROPHIC HEALTH INSURANCE PROGRAM

- A. Employers must offer employees catastrophic health insurance with at least the following provisions:
  - 1. Unlimited inpatient hospital benefits after 60 days of hospitalization.
  - 2. Coverage of expenses for certain medical services after \$5,000 incurred.
- B. Employer must offer coverage of spouse and dependent unmarried children up through age of 25.
- C. Employer must provide coverage of widow/widower of covered employee for up to 3 months after death of covered employee.
- D. Employer must continue to offer coverage to a terminated employee for up to 3 months after termination.
- E. Employees may choose not to participate.
- F. Employer may require employee contributions but no more than 25 percent of the premium cost.
- G. Individual and employee tax deductions may only be claimed if the requisite catastrophic coverage is included in the health benefit package.
- H. A refundable tax credit, starting at 50 percent and phasing out over 5 years, is available to employers with significant increases in payroll costs as a result of providing the catastrophic coverage.
- I. Employers not offering the required catastrophic insurance protection would be penalized.

## PART 3. RESIDUAL MARKET CATASTROPHIC HEALTH INSURANCE PROGRAM

- A. HEW enters into agreements with insurance carriers for them to make available approved catastrophic health insurance plans.
- B. The premiums are subsidized on a sliding scale for low-income individuals and families.
- C. All individuals with no other catastrophic coverage are able to participate.
- D. Policies cover at a minimum (A) all inpatient hospital bills after 60 days of hospitalization in a year, or (B) all expenses for certain covered services after \$5,000 incurred expenses or (C) all inpatient hospital services and expenses for certain covered services after the individual or family has expended 15 percent of income out of pocket for these services.
- E. Medicaid has to cover all inpatient hospitalization after 60 days of hospitalization, and medical services as currently required for States Medicaid program after \$5,000 of incurred expenses for these services.

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

## S. 965—Continued

- (e) provides the recipients of assistance would not be allowed to have resources of more than \$1,750 for the family unit, unless the unit of two or more persons contains an individual age 60 or over, in which case the unit could have resources of not more than \$3,000;
- (f) mandates the AFDC-U program and expand it to cover both parents;
- (g) gives States that do not presently have an AFDC-U program the option of extending medical coverage to AFDC-U families;
- (h) requires States to maintain benefit levels at the level paid in March 1979;
- (i) provides that for fiscal year 1981, no State would be required to pay more than 95 percent of its AFDC expenditures in fiscal year 1980 (in each of the next 4 years, the 96 percent figure would be raised one percentage point);
- (j) reimburses States for 90 percent of the costs of planning and establishing mechanized claims processing and information retrieval systems that are compatible with such systems for medicaid, Title XX and food stamp programs;
- (k) makes an additional Federal payment to States whose dollar error rate and negative case action error rate are each less than 4 percent;
- (l) requires the Secretary to design an application form for national use which would include a statement of the applicant's rights, a description in understandable terms of civil and criminal penalties which the applicant would be subject to for making false statements, and the provisions needed to implement the child support enforcement program;
- (m) distributes \$500 million in interim fiscal relief in fiscal year 1980 to all States, including the District of Columbia, Puerto Rico, Guam, and the Virgin Islands; and
- (n) directs the Secretary to report to Congress within 1 year of the enactment of this act his findings and recommendations on the desirability and feasibility of raising the combined food stamp and AFDC national minimum benefit to 100 percent of the poverty level and the combined maximum benefit above 100 percent of poverty minimal cost.)

S. 966

Apr. 10, 1979

Mr. Cranston (by request)

To amend the Social Security Act to strengthen and improve the program of Federal support for foster care of needy dependent children, to establish a program of Federal support to encourage adoptions of children with special needs, and for other purposes.

(Bill:

- (a) increases funds for the child welfare services program, by entitling States to payment of the full amount authorized to be appropriated; and
- (b) establishes a new program of Federal support for foster care and adoptions.)

Apr. 10, 1979.—Statement of Senator Cranston introducing this bill (Congressional Record S4348).

May 15, 1979.—Referred to Office of Management and Budget and Departments of the Treasury and Health, Education, and Welfare.

June 5, 1979.—Favorable report from Department of Health, Education, and Welfare.

Sept. 24, 1979.—Public hearing.

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

S. 966—Continued

## AMENDMENTS

**Aug. 3, 1979**  
**No. 1**  
**(392)**

(Cranston, Moynihan, Riegle) In the nature of a substitute, revising the existing federally-supported foster care system for dependent and neglected children, establishing an adoption assistance program to encourage the adoption of children with special needs, and revising the existing federally-supported child welfare services program.

**S. 983** **Apr. 23, 1979**

Mr. Mathias

To regulate and foster commerce among the States by providing a system for the taxation of interstate commerce.

Apr. 23, 1979.—Statement of Senator Mathias introducing this bill (Congressional Record S4464).

Apr. 30, 1979.—Referred to Office of Management and Budget and Departments of the Treasury and Commerce.

June 24, 1980.—Public hearing.

**S. 987** **Apr. 23, 1979**

Mr. Leahy  
and Messrs. Durkin and Stafford

To amend the Internal Revenue Code of 1954 to clarify the treatment of certain individuals engaged in the harvesting of timber for purposes of employment taxes.  
(Provides that timbermen be treated as independent contractors and not employees for purposes of employment taxes.)

Apr. 23, 1979.—Statement of Senator Leahy introducing this bill (Congressional Record S4470).

Apr. 26, 1979.—Referred to Office of Management and Budget and Departments of the Treasury and Health, Education, and Welfare.

**S. 989** **Apr. 24, 1979**

Mr. Bentsen

To amend the aggregation rules of sec. 402 of the Internal Revenue Code of 1954 to permit a taxpayer to roll over a complete distribution from a money purchase pension plan even if there is no such distribution from another pension plan of the same employer in which the taxpayer is a participant.  
(Provides that employees who participate in both a money purchase pension plan and another pension plan of the same company but who receive a distribution from only the money purchase plan would be allowed to rollover the distribution into an individual retirement account or another retirement plan.)

Apr. 24, 1979.—Statement of Senator Bentsen introducing this bill (Congressional Record S4504).

Apr. 30, 1979.—Referred to Office of Management and Budget and Department of the Treasury.

Dec. 4 and 5, 1979.—Public hearings.

**S. 990** **Apr. 24, 1979**

Mr. DeConcini

To provide that the Internal Revenue Service may not implement certain proposed rules relating to guidelines for the determination of whether private schools have discriminatory policies until the enactment into law of provisions relating to such guidelines.

Apr. 24, 1979.—Statement of Senator DeConcini introducing this bill (Congressional Record S4504).

Apr. 27, 1979.—Public hearing.

Apr. 30, 1979.—Referred to Office of Management and Budget and Department of the Treasury.

## ACTION

## TITLE AND DESCRIPTION

(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

S. 1070

May 3, 1979

Mr. Percy

and Messrs. Armstrong, Bellmon, Burdick, Byrd of Virginia, Cannon, Cranston, Ford, Garn, Hatch, Hatfield, Hayakawa, Hollings, Humphrey, Laxalt, Matsunaga, Melcher, Nunn, Randolph, Roth, Schweiker, Thurmond, Young, and Zorinsky

To provide a 3-year residency requirement for aliens receiving supplementary security income benefits and to require every alien admitted for permanent residence to have a sponsor who will contract to support him for 3 years, or to have other means of support.

May 3, 1979.—Statement of Senator Percy introducing this bill (Congressional Record S5295).

May 11, 1979.—Referred to Office of Management and Budget and Departments of the Treasury and Health, Education, and Welfare.

S. 1076★

May 3, 1979

Mr. Williams (by request)  
and Messrs. Javits and Long

To amend the Employee Retirement Income Security Act of 1974 and the Internal Revenue Code of 1954, as amended, for the purpose of improving retirement income security under private multiemployer pension plans by strengthening the funding requirements for those plans, authorizing plan preservation measures for financially troubled multiemployer pension plans, and revising the manner in which the pension plan termination insurance provisions apply to multiemployer plans.

May 3, 1979.—Jointly referred to Committees on Finance and Labor and Human Resources.

May 3, 1979.—Statement of Senator Williams introducing this bill (Congressional Record S5308).

## COMMITTEE ACTION

May 9, 1979.—Referred to Office of Management and Budget and Departments of the Treasury and Labor.

Mar. 18, 1980.—Public hearing.

Mar. 24, 1980.—Ordered favorably reported by Committee on Labor and Human Resources.

June 12, 1980.—Committee on Finance ordered reported as follows:

## STATEMENT OF POLICY

The committee agreed to state that the policy of the act is to protect the interests of participants and beneficiaries in multiemployer plans and to provide a financially self-sufficient program for the guarantee of employee benefits under multiemployer plans.

## WITHDRAWAL LIABILITY—EMPLOYER WITHDRAWAL FROM PLAN

a. *Partial withdrawals.*—The committee agreed to adopt the contribution decline definition of partial withdrawal contained in H.R. 3904 with modifications. Under the committee provision, a partial withdrawal would occur (1) if a 70-percent decline in the employer's contribution base continues for 3 consecutive plan years; or (2) if an employer who is required to contribute to a plan under several collective bargaining agreements ceases to have an obligation to contribute (but continues to work) under at least one but not all of the agreements. The committee also agreed that in the Great Lakes maritime industry a company's contribution base must decline by more than 75 percent over 3 consecutive plan years before it will be deemed to have partially withdrawn from a multiemployer plan.

A rule imposing partial withdrawal liability in the case of the closing of a business facility was contained in both S. 1076 and H.R. 3904 (though they differed somewhat). The committee agreed not to impose a partial withdrawal liability based on such a facility closing rule.

b. *Transferor liability.*—The committee agreed to adopt the rule contained in S. 1076 which imposes continuing withdrawal liability on a transferring corporation for transfers of corporate assets and agreed to instruct the PBGC to study the whole area of transfers and to report to the Congress any cases of abuse, together with recommendations.

c. *Exception for the 1950 United Mine Workers plan.*—The committee agreed to provide a limited exception from withdrawal liability for the 1950 United Mine Workers plan provided that the plan meets a special strict funding requirement.

## Summary of Bill as Introduced

## STATEMENT OF POLICY

The stated policy of S. 1076 is to alleviate problems which tend to discourage the maintenance and growth of multiemployer plans.

## WITHDRAWAL LIABILITY—EMPLOYER WITHDRAWAL FROM PLAN

Under the bill, an employer who totally or partially withdraws from a multiemployer pension plan generally is liable for a portion of the plan's unfunded obligations as of the time of the withdrawal. Special provisions are included which relieve employers in the building and construction or entertainment industry from this withdrawal liability in specified circumstances. A plan can provide a *de minimus* exception for relatively small liabilities. The bill has a basic method for computing withdrawal liability (that is, for both complete withdrawals and partial withdrawals) as well as several alternative methods which a plan could adopt.

## COMPUTATION OF WITHDRAWAL LIABILITY

Under the bill, an employer's withdrawal liability is a share of the plan's unfunded benefit obligations. The plan's determination of liability is presumptively correct.

The annual amount of withdrawal liability an employer has to pay is generally determined by multiplying the average rate at which it contributed during the five years preceding the withdrawal by the employer's average contribution base (e.g., hours of service) during the five-year period (payments are not generally required for more than 20 years).

The PBGC is to establish a reinsurance fund in which participating plans may insure payment of uncollectible withdrawal

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

## S. 1076★—Continued

## Summary of Bill—Continued

## COMPUTATION OF WITHDRAWAL LIABILITY—Continued

liability. Groups of plans in an industry are permitted to establish a private withdrawal liability payment fund as a collective pool for the payment of certain elements of withdrawal liability.

## DE MINIMIS RULE

Where the withdrawal liability of an employer (computed before any pro rata reduction in the case of a partial withdrawal) is less than the greater of (a) \$25,000, or (b) three-quarters of one percent of the plan's unfunded benefit obligations (not to exceed \$200,000), the bill does not impose any withdrawal liability on the employer, unless the plan provides otherwise. The *de minimis* rule does not apply in the case of a mass withdrawal from a plan. Also, the rule is mandatory (i.e., cannot be waived or changed by the plan) in the case of a withdrawal due to the death of an employer who is a sole proprietor.

## REORGANIZATION—ACCRUED BENEFIT ADJUSTMENTS

Under the bill, certain plan benefits (including benefits being paid to retirees) could be eliminated by a plan in "reorganization" because of financial distress.

## MINIMUM CONTRIBUTION REQUIREMENT BENEFIT INCREASES

The minimum contribution requirement is increased by the cost of all benefit increases adopted by a plan in reorganization.

## MINIMUM CONTRIBUTION REQUIREMENT—SPECIAL TESTS

The bill limits the funding requirement for a plan in reorganization to the sum of the amount usually required by the minimum funding standard plus 5 percent of that amount for each year the plan has been in reorganization. The bill does not include an asset replenishment test or an asset-benefit test.

## GUARANTEES

The bill eliminates the PBGC guarantee of benefit levels in effect less than 5 years before a reduction of benefits by a plan in reorganization or before the termination of a multiemployer plan. Also benefits eliminated or canceled because of the cessation of an employer's contribution to the plan are not to be guaranteed by the PBGC.

The guarantees for monthly (up to \$15) in excess of the first \$5 per year of service are 80 percent for plans which meet specified funding requirements and 70 percent for plans which do not meet the funding requirements.

## PREMIUMS

Under the bill, the annual per-participant premium would be increased to \$1.00 for the 2 years after enactment and by \$.40 every 2 years thereafter, to a maximum of \$2.60 for the ninth and succeeding years. The PBGC could accelerate the premium increases to \$2.60 after 5 years and \$3.40 in the tenth and succeeding years.

## COMMITTEE ACTION—Continued

WITHDRAWAL LIABILITY—EMPLOYER WITHDRAWAL  
FROM PLAN—Continued

- d. *Expansion of construction industry exception.*—The committee agreed to apply the construction and entertainment industry exception to multiemployer plans in any industry or part thereof in which (as in the construction industry), in the judgment of the PBGC, the plan will suffer no damage to its contribution base, and any such withdrawing employer posts an adequate bond (not to exceed withdrawal liability). If, in the judgment of the PBGC, there is not substantial injury to the contribution base, the bond shall be cancelled.
- e. *Provision for West Coast Longshore labor plan.*—The committee agreed to delete the provision of H.R. 3904 which, with respect to a West Coast longshore labor plan (1) prescribes the method for computing withdrawal liability, and (2) requires the PBGC to define the term "employer."

## COMPUTATION OF WITHDRAWAL LIABILITY

- a. *Base for computation of withdrawal liability.*—The committee agreed to base an employer's withdrawal liability on a plan's unfunded vested benefits.
- b. *Base years taken into account to determine an employer's annual withdrawal liability payment.*—The committee agreed to adopt a rule under which an employer's annual withdrawal liability payment is determined by reference to the average contribution base for the high 2 years within the last five years and the rate of contribution is similarly determined.
- c. *Cap on duration of withdrawal liability payments.*—The committee agreed to limit withdrawal liability payments to 20 years, as in S. 1076.
- d. *Employer ability to challenge withdrawal liability determinations.*—The committee agreed to adopt rules under which (1) a plan's determination of withdrawal is not presumed correct, (2) disputes as to withdrawal liability are subject to compulsory and binding arbitration, and (3) an employer is required to pay withdrawal liability, as determined by a plan, pending the resolution of such a dispute but failure to pay an installment pending resolution of a dispute would not accelerate the payment of liability.
- e. *Temporary waiver of withdrawal liability payments.*—The committee agreed to require a plan, upon approval of the Internal Revenue Service, to temporarily waive the payment of withdrawal liability by an employer in financial distress. The Service would approve such waiver requests where it determined that the waiver was in the best interest of the plan's participants and beneficiaries. A petition for a waiver could be filed with the Service by either the plan or the employer. No approval would be required where the plan on its own decides to grant a temporary waiver.
- f. *Disclosure of information relating to potential withdrawal liability.*—The committee agreed that a plan should be required to furnish, free of charge, the information necessary to permit an employer to compute its liability, but that if the employer wishes the plan to actually make the computation, the employer would be charged for it.
- g. *Withdrawal liability payment funds.*—The committee agreed to permit plans to establish a withdrawal liability payment fund to insure all the withdrawal liability of contributing plans rather than just unattributable liability, provided that the fund pays the liability to plans in a lump sum.

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

S. 1076★—Continued

## COMMITTEE ACTION—Continued

## DE MINIMIS RULE

- a. *Mandatory de minimis*.—The committee agreed to adopt a *de minimis* rule which a plan could not waive and under which the *de minimis* amount would be the lesser of three-fourths of one percent of a plan's unfunded obligations, \$50,000, or 2 times the employer's average contributions during the five years preceding its withdrawal.
- b. *Discretionary de minimis rule—dollar cap*.—The committee agreed to adopt a \$150,000 cap on the amount which a plan may provide as a *de minimis* amount of withdrawal liability.
- c. *Phaseout of de minimis amounts as withdrawal liability increases*.—The committee agreed to adopt a phaseout of the mandatory *de minimis* rule, dollar-for-dollar, as an employer's withdrawal liability, determined without regard to the *de minimis* rule, exceeds \$100,000. In the case of the discretionary *de minimis* rule, the committee agreed that the phaseout could be dollar-for-dollar to the extent such withdrawal liability exceeds \$150,000.

## WITHDRAWAL LIABILITY

- a. *Effective date*.—The committee agreed that the effective date after which an employer would incur withdrawal liability would be Apr. 28, 1980. Any work force reduction occurring before Apr. 28, 1980 would neither be used to trigger partial withdrawal liability after the effective date nor be used to increase an employer's withdrawal liability for a withdrawal which occurs after Apr. 28, 1980.
- b. *Special exception for seagoing industry*.—The committee agreed to impose withdrawal liability, effective May 3, 1979, for employers who withdraw from multiemployer plans covering employees in the seagoing industry. The committee agreed to insert in the committee report a statement explaining that this retroactivity will only apply in the seagoing industry due to a specific problem.
- c. *Dollar limitations on withdrawal liability*.—The committee agreed to improve the following dollar limitations on employer withdrawal liability in certain specified circumstances:
  1. Where the withdrawal liability is incurred and the employer is liquidated in an insolvency proceeding, liability would be limited to net worth.
  2. In the case of an individual (sole proprietor or partner), the liability would not reach personal assets (e.g., personal residence) exempt under the bankruptcy law.
  3. Where all or substantially all of the assets of an employer are sold to an unrelated party, withdrawal liability would be limited to the greater of (1) 30 percent of the selling price, or (2) the liability attributable to the employer's employees for sales of \$3 million or less. For sales which exceed \$3 million, the 30 percent limitation would be gradually increased so that it will reach 80 percent for sales exceeding \$18 million.

## REORGANIZATION—ACCRUED BENEFIT ADJUSTMENTS

The committee agreed to eliminate the authority of a plan to reduce benefits earned by employees merely because the plan is in reorganization.

## MINIMUM CONTRIBUTION REQUIREMENT BENEFIT INCREASES

The committee agreed to require financially-distressed plans to fund currently for benefit increases.

S. 1076★—Continued

## COMMITTEE ACTION—Continued

## MINIMUM CONTRIBUTION REQUIREMENT—SPECIAL TESTS

The committee agreed to adopt the 7 percent safe harbor test and delete the replenishment test and the asset-benefit test.

## GUARANTEES

The committee agreed to a PBGC guarantee level of 100 percent of the first \$5 of monthly benefits per year of service, 45 percent of the next \$15 of monthly benefits per year of service for plans which meet specified funding requirements, and 65 percent for plans which do not meet the funding requirements.

## PREMIUMS

The committee agreed to adopt a phase-in of the \$2.60 premium, with the PBGC being required to increase the premium automatically to \$2.60 if it projects that for any years its assets are less than twice what it paid out in the prior year to former participants in terminated plans. The committee also agreed to direct the PBGC to conduct a study and report to the Congress on the pros and cons of a graduated premium structure based on risk.

## ACTUARIAL STANDARDS

The committee agreed to adopt a rule which would require an actuary to disclose events which could have a material adverse impact on a plan and trends which are not assumed to continue in the future.

## MISCELLANEOUS MULTIEMPLOYER PLAN PROVISIONS

- a. *Union-mandated withdrawals.*—The committee agreed to require the PBGC to study the subject of union-mandated withdrawals from multiemployer plans to determine whether special rules are necessary and, if the PBGC determines that they are, to make recommendations with respect to such rules.
- b. *Study on collective bargaining on pension benefits.*—The committee agreed to require the PBGC to study the feasibility of requiring employers and unions to bargain over both benefits and contributions and to provide the committee with recommendations within 3 years.
- c. *Partition of plans before effective date.*—The committee agreed to provide the PBGC with discretion to partition multiemployer plans from which an employer or employees withdrew before the effective date of the bill. The committee also agreed to make it clear that where the PBGC decides to partition such a plan and is thereby forced to take on responsibility for the insolvent part of the plan, the benefits of retirees at the time of partition would be guaranteed to the extent provided under the law in effect before enactment of the bill.
- d. *Mistaken contributions.*—The committee agreed that in the case of a mistaken contribution to a multiemployer plan, such contribution may be returned within six months after the plan administrator determines that the contribution was made by a mistake of fact or law (except in the case of a mistake of law relating to plan disqualification).
- e. *Expiration of multiemployer program.*—The committee agreed that the multiemployer plan pension insurance provisions would expire on June 30, 1983. The committee authorized the staff to make the necessary technical changes to conform the various aspects of the insurance program to this decision.

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

S. 1076★—Continued

## COMMITTEE ACTION—Continued

## MISCELLANEOUS ERISA PROVISIONS

- a. *Church pension plans.*—The committee agreed that the current definition of church plan would be continued without reference to dates. The definition would be clarified to include plans maintained by a pension board maintained by a church. The definition of the term "employee" of a church would be expanded to include, for example, a church minister in the exercise of his ministry (regardless of the source of his compensation) and certain former church plan participants. In addition, a notice and correction procedure for the amendment of church plans would be created.
- b. *Businesses sold to State government.*—The committee agreed to allow an employer who sells its business to a State government to claim a current tax deduction for contributing to its single employer plan the amount necessary to avoid PBGC liability.
- c. *Severance pay and supplemental income plans.*—The committee agreed to give the Secretary of Labor the discretion not to treat certain severance pay plans and supplemental income plans as pension plans under ERISA. The plans would be treated as welfare plans.
- d. *Hawaii and California prepaid health care laws.*—The committee agreed that if an employer maintains a health insurance plan for its employees, the laws of the States of Hawaii and California with regard to that health insurance plan would not be preempted by ERISA insofar as they do not relate to matters thoroughly regulated under ERISA (e.g., reporting, disclosure and fiduciary responsibility), and provided that such States do not attempt to impose tax liability on insurance premiums or benefits.

## FURTHER COMMITTEE ACTION

July 24, 1980.—Committee on Finance modified its earlier action and ordered the bill reported with the following modifications:

## DOLLAR LIMITATION ON WITHDRAWAL LIABILITY

The Committee agreed that where an employer incurs withdrawal liability, and the employer is liquidated in an insolvency proceeding, 50 percent of the liability is limited to the employer's net worth. The remaining 50 percent of the liability is an unsecured claim against the employer.

## DOLLAR LIMITATION ON WITHDRAWAL LIABILITY FOR SALE OF ASSETS

The Committee agreed that where all or substantially all of the assets of an employer are sold to an unrelated party, withdrawal liability is limited to the greater of (1) 30 percent of the selling price, or (2) the liability attributable to the employer's employees for sales of \$2 million or less. For sales which exceed \$2 million, the 30 percent limitation is gradually increased so that for sales exceeding \$10 million it reaches 80 percent of the excess.

## GAO STUDY OF EFFECTS OF THE BILL

The Committee agreed that the multiemployer insurance provisions do not expire and that the General Accounting Office is required to conduct a study of the effects of the bill on (1) parties affected by the bill (e.g., participants, employers, and unions), and (2) the self-sufficiency of the PBGC insurance fund, and report to the Congress no later than June 30, 1985. Congressional hearings on the study and GAO recommendations are also required.

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

S. 1076★—Continued

## FURTHER COMMITTEE ACTION—Continued

## DEFINITION OF PARTIAL WITHDRAWAL

The Committee agreed that if an employer ceases to contribute to a multiemployer plan for work performed at a facility, and continues to perform work at that facility of the type covered by the plan, the employer will be considered to have partially withdrawn from the plan.

## EXPANSION OF THE CONSTRUCTION INDUSTRY EXCEPTION

The Committee agreed that the construction and entertainment industry exception to the imposition of withdrawal liability will be extended to the trucking industry under certain circumstances.

## SPECIAL PARTIAL WITHDRAWAL LIABILITY RULE FOR RETAIL FOOD INDUSTRY

The Committee agreed that an employer contributing to a multiemployer plan in the retail food industry will be considered to have partially withdrawn from the plan if there is a 35-percent decline in the employer's contribution base.

## STATE PREPAID HEALTH CARE LAWS

The Committee agreed that if an employer maintains a health insurance plan for its employees in the State of Hawaii, the law of that State with regard to that health insurance plan generally will not be preempted by ERISA.

## BILL REPORTED

July 24, 1980.—Reported jointly by Committees on Finance and Labor and Human Resources (no written report).

(See action on H.R. 3904)

S. 1078

May 7, 1979

Mr. Javits

and Messrs. Domenici, Goldwater, McGovern, Metzenbaum, Pell, Ribicoff, and Williams

To amend the Internal Revenue Code of 1954 to provide for the taxation of artists' income and estates.

(Bill:

- (a) permits the estate of an artist to receive a credit against estate-taxes for donations of the artist's works to the Federal Government or certain institutions created by the Federal Government;
- (b) provides a credit of 30 percent of the fair market value for contributions of an artist's work to a charitable organization; and
- (c) permits an artist to elect a presumption that an activity is engaged in for profit, and not just a hobby, if he makes a profit in 2 of 10 years.)

May 7, 1979.—Statement of Senator Javits introducing this bill (Congressional Record S5435).

May 11, 1979.—Referred to Office of Management and Budget and Department of the Treasury.

Oct. 22, 1979.—Public hearing.

| To amend title II of the Social Security Act to provide that the waiting period for disability benefits shall not be applicable in the case of a disabled individual suffering from a terminal disease.   |   |  |
| S. 1204★  | May 22, 1979  | May 22, 1979.—Statement of Senator Ribicoff introducing this bill (Congressional Record S6406).  |
| Mr. Ribicoff<br>and Messrs. Baucus, Bradley, Danforth, Heinz, Javits, Mathias, Moynihan, Randolph, and Weicker  |   | June 4, 1979.—Referred to Office of Management and Budget and Departments of the Treasury and Health, Education, and Welfare.<br>June 11, 1979.—Favorable report from Department of Health, Education, and Welfare.<br>June 25, 1979.—Public hearing.<br>July 30, 1979.—Reported favorably to the Senate (S. Rept. 96-274) with amendments which:  |
| To strengthen and improve medical services to low-income children and pregnant women, and for other purposes.<br>(Bill:   |   | (a) increase the ceiling on Federal funding for the medical aid programs in Puerto Rico, the Virgin Islands, and Guam, deletes the existing 50-percent limit on the Federal medical assistance percentage rate applicable to these jurisdictions, and provides for Federal matching to the new ceilings to be determined by a formula based on per capita income and extends the proposal to include the Northern Marianas;  |
| (a) replaces current program for early and periodic screening, diagnosis, and treatment with a child health assessment program;   |   | (b) make additional children eligible for medical aid coverage, increases the proportionate share of the costs of health assessments and outpatient treatment for medical aid children which is paid for by the Federal Government, provides incentives for more successful operation of health assessment and follow-up programs by the States, assures that all types of eligible health care practitioners and agencies may serve as CHAP providers for medical aid children, and |
| (b) establishes a minimum income level for eligibility in all States and extends coverage to children and pregnant women in two-parent families; and  |   | (c) provide for penalties (in the form of reduced matching of administrative costs) for States which do not meet minimum performance standards in their health assessment programs (CHAP), and bonuses in the form of increased matching for medical aid administrative costs, for those that perform exceptionally well.  |
| (c) provides financial incentives to States and health care providers to improve delivery of health care to children.)  |   |  |
| <b>AMENDMENTS</b>   |   |  |
| Aug. 2, 1979<br>No. 1<br>(390)  | (Cranston, Biden, Bradley, Chafee, Church, Culver, Hatfield, Hollings, Inouye, Javits, Kennedy, Leahy, Levin, McGovern, Matsunaga, Metzenbaum, Moynihan, Pell, Randolph, Riegle, Sarbanes, Stafford, Tsongas, Weicker, Williams) Mandates medical aid coverage of low-income women who are pregnant with their first child. |  |
| Sept. 18, 1979<br>No. 2<br>(443)  | (Javits, Bayh, Burdick, Cohen, Cranston, DeConcini, Hatfield, Heinz, Hollings, Johnston, Leahy, Levin, Metzenbaum, Mathias, Morgan, Pell, Randolph, Riegle, Sarbanes, Stafford, Tsongas, Weicker, Williams) Includes coverage under the CHAP program for certain mental health services.                                    |  |

#### AFDC AMENDMENTS

##### AMOUNT OF BENEFITS AND INCOME DISREGARDS

Establishes a national minimum payment level which, when added to food stamps, would provide purchasing power of no less than 65 percent of the poverty level.

##### AID TO DEPENDENT CHILDREN OF UNEMPLOYED PARENTS

Permits States to provide aid to dependent children because of the unemployment of the father and mother.

##### REQUIREMENT COVERAGE OF CHILD AND CERTAIN ADULTS

Provides coverage for families with dependent children because of the unemployment of a parent, for pregnant women who would not otherwise be eligible for AFDC until the birth of the child, for children who meet the statutory definition of dependent child, and for both parents in incapacity and unemployment cases.

## TITLE AND DESCRIPTION

**ACTION**  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

S. 1290—Continued

## AFDC AMENDMENTS—Continued

## FOOD STAMP PROGRAM

Sets out in detail the definition of income and resources.

## FISCAL RELIEF FOR STATES

Reduces States costs for AFDC benefits by 10 percent and guarantees that States, for the next 5 years, would spend no more than 95 percent of the amount spent in fiscal year 1979, indexed to reflect changes in the CPI.

## SSI AMENDMENTS

Replaces food stamps with an additional cash payment for certain SSI recipients;  
Denies eligibility for SSI and medicaid, for a specified period of time when an individual disposes of resources having an uncompensated value in excess of \$3,000 with 2 years of application;  
Provides for the adjustment of an initial retroactive OASDI payment to reimburse the SSI program for benefits paid during the period of the OASDI determination; and  
Provides for the determination of SSI eligibility and benefit amount on a retrospective basis.

## ADDITIONAL AMENDMENTS TO PUBLIC ASSISTANCE PROGRAMS

Includes limits on the time within which a State must file claims for Federal reimbursement, amendments to the financing provisions applicable to the territories, amendment to the Immigration and Nationality Act to require legally enforceable support agreements for certain aliens (other than refugees) entering the United States, in order to reduce the likelihood of their dependency upon State and Federal welfare programs, and amendments to the Social Security Act and Internal Revenue Code to assure the availability of carefully limited income information, with appropriate safeguards and penalties for misuse, to this department and to State agencies administering welfare programs.

S. 1292

June 7, 1979

Mr. Bentsen

To amend the Internal Revenue Code of 1954 with respect to punitive damages received by private litigants in antitrust actions. (Provides that gross income does not include any punitive damages received or accrued by the taxpayer as a result of any antitrust civil action to which the taxpayer is a party.)

June 12, 1979.—Referred to Office of Management and Budget and Department of the Treasury.

## TITLE AND DESCRIPTION

**ACTION**  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

S. 1332—Continued

## SUMMARY OF BILL

1. Beginning with Fiscal Year 1981, a Federal block grant system will replace the current open-ended Federal matching of the State costs for aid to families with dependent children (AFDC).

2. The Federal block grant will be:

(a) A fixed amount based on the AFDC funds the State received in Fiscal Year 1979, plus;

(b) To all States a portion of \$1 billion in fiscal relief allocated on the basis of the State's population, plus; and

(c) To the 17 States with the lowest average per capita income, a portion of \$400 million, distributed on the basis of a formula that factors in their average per capita income and population, to be used solely to increase the basic AFDC benefit.

3. The Federal block grant will be:

(a) Adjusted automatically so that the States will not have to bear the entire cost of inflation;

(b) Adjusted automatically when State population changes; and

(c) Temporarily augmented if the State experiences very high unemployment.

4. The block grant may be used for social welfare purposes. Savings resulting from better administration, reduction in fraud and error, successful placement of welfare recipients in employment and other improvements will be wholly retained by the States and may be used to reduce State welfare costs and improve benefits for the truly needy.

5. The States will be permitted complete discretion to require work as a condition of AFDC eligibility.

6. A five-year, eight-State demonstration project will be established to test the State's ability to create their own family welfare program as an alternative to AFDC without regard to Federal requirements and limitations. The eight States participating shall include Pennsylvania (to assure the inclusion of at least one Northern industrial State), Mississippi (to assure the inclusion of at least one Southern rural State), and six additional States to be selected by lot from among States desiring to participate.

7. Beginning in Fiscal Year 1986, the block grant, after adjustments for inflation, population changes, and high unemployment, will be reduced each year by 2 percent. This permits the Federal budget to share the States' anticipated reductions in waste.

S. 1334

June 21, 1979

Mr. Hatfield

and Messrs. Armstrong, Cranston, Levin, McGovern, Melcher, Nunn, Riegle, Stevens, and Stewart

To amend the Internal Revenue Code of 1954 to allow a credit against tax for contributions of certain crops by farmers to certain tax-exempt organizations.

June 21, 1979.—Statement of Senator Hatfield introducing this bill (Congressional Record S8250).

July 2, 1979.—Referred to Office of Management and Budget and Departments of the Treasury and Agriculture.

Apr. 25, 1980.—Public hearing.

| <p>S. 1517</p> <p>July 13, 1979</p> <p>Mr. Dole</p> <p>To amend the Internal Revenue Code of 1954 to impose an energy development surtax on the net taxable oil income from domestic crude oil.</p> | <p>July 13, 1979.—Statement of Senator Dole introducing this bill (Congressional Record S9430).</p> <p>July 20, 1979—Referred to Office of Management and Budget and Department of the Treasury.</p> |

### Summary of Bill

#### IMPOSITION OF TAX

The Energy Development Surtax is imposed on the first seller of taxable crude oil removed from a domestic lease.

#### RATE OF SURTAX

A surtax shall be imposed in the amount of 80 percent of the net taxable oil income.

#### NET TAXABLE OIL INCOME

Net taxable oil income is the gross income from the sale of all taxable crude oil reduced by the "small producers exemption," the "pre-decontrol price deduction," and the "proportionate production expenses" of the first seller.

The small producers exemption is equal to the total price on the lowest priced 3,000 barrels per day of crude oil during the taxable year. The small producers exemption must be allocated among related parties.

The "pre-decontrol price deduction" is an amount equal to the income which would have been received by the first seller if the oil was sold at its pre-decontrol price on May 31, 1979, adjusted monthly for inflation.

The "proportionate production expenses" is an amount of qualified production expenses multiplied by the ratio of the gross income from the first sale of oil over the pre-decontrol price deduction. Qualified production expenses include amounts paid or incurred by the first seller, including operating and maintenance expenses, general and administrative costs, taxes, and well workovers.

#### PRODUCTION INCENTIVE CREDIT

A "production incentive credit" for qualified domestic exploration and development of oil and gas may be used to offset the amount of the energy surtax. The production incentive credit is an amount equal to one-third of the "qualified development costs" over the "production base." Qualified development costs included intangible drilling expenses, geological and geophysical costs, expenditures for the construction of depreciable assets used from the development of oil and oil shale, expenditures for lease equipment and other costs for drilling and equipping wells. The production base is the average of the highest three out of the last five taxable years preceding the year for which the base determination is being made. The taxpayer in calculating the production base shall include only one-half of his qualified development costs for exploration and development of certain Alaskan oil and crude oil from the Continental Shelf areas.

#### PRODUCTION INCENTIVE CREDIT CARRYOVER

If the production incentive credit exceeds the Energy Development Surtax in any one taxable year, one-half of the credit can be carried forward into the next taxable year.

The payment and the filing of the return for the Energy Development Surtax shall be not later than the 15th day of the third month following the close of the taxable period.

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

## S. 1571★—Continued

- (d) allows the prorating of the energy tax credit among joint ventures;
- (e) makes the energy credit available against taxes paid the previous year;
- (f) allows homeowners a tax credit for investments in photovoltaics;
- (g) makes the drilling of the well for geothermal resources eligible for the energy tax credit;
- (h) provides energy tax credit for business;
- (i) provides a 30 percent tax credit for all solar, wind, and geothermal applications;
- (j) includes hydroelectricity as an "alternative energy property";
- (k) extends the energy tax credit to utilities and others for the installation of all wind and solar equipment;
- (l) extends the energy tax credit to utilities and industries for the purchase and installation of generation equipment;
- (m) makes heat pumps eligible for the residential conservation credit and the energy tax credit for business;
- (n) provides tax credits for increased alcohol content in gasohol;
- (o) provides an investment tax credit for van pooling by third parties or owner-operators; and
- (p) provides an effective date of July 20, 1979.)

S. 1579 July 26, 1979

Mr. Boren  
and Messrs. Armstrong, Long, and McClure

To amend title IV of the Social Security Act to provide for a demonstration program of block grants to States in lieu of Federal matching for aid to families with dependent children.

July 26, 1979.—Statement of Senator Boren introducing this bill (Congressional Record S10658).  
July 31, 1979.—Referred to Office of Management and Budget and Departments of the Treasury and Health, Education, and Welfare.

S. 1582 July 26, 1979

Mr. Cannon (by request)

Airport and Airway Revenue Act of 1979.

July 20, 1979.—Statement of Senator Cannon introducing this bill (Congressional Record S10680).  
Aug. 3, 1979.—Referred to Office of Management and Budget and Departments of the Treasury and Transportation.

S. 1587★ July 26, 1979

Mr. McClure  
and Messrs. Lugar and Young

To provide economic incentives for the production of alcohol fuels and for the construction and operation of alcohol fuel production facilities; to establish a system to assure a constant supply of stock for the operation of such production facilities; to encourage and promote alcohol fuels, alcohol fuel blends and related research, and for other purposes.

July 26, 1979.—Statement of Senator McClure introducing this bill (Congressional Record S10660).  
Aug. 3, 1979.—Referred to Office of Management and Budget and Departments of the Treasury and Energy.

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

**S. 2560** Apr. 15, 1980 Apr. 15, 1980.—Statement of Senator Nelson introducing this bill (Congressional Record S3658).  
**Mr. Nelson** Apr. 18, 1980.—Referred to Office of Management and Budget and Department of the Treasury.  
 and Messrs. Boren, Durkin, and Stewart  
 To amend the Internal Revenue Code of 1954 to provide for the exclusion from taxation of interest earned on deposits which are used for residential mortgage lending purposes.

**S. 2570** Apr. 16, 1980 Apr. 16, 1980.—Statement of Senator Johnston introducing this bill (Congressional Record S3700).  
**Mr. Johnston** Apr. 22, 1980.—Referred to Office of Management and Budget and Departments of the Treasury and Energy.  
 To authorize the President to establish a program to reduce and order the demand for motor fuel during a severe energy supply interruption.

**S. 2574★** Apr. 16, 1980 Mar. 6 and May 21, 1980.—Public hearings.  
**Mr. Long** Apr. 16, 1980.—Statement of Senator Long introducing this bill (Congressional Record S3770).  
 and Mr. Moynihan Apr. 22, 1980.—Referred to Office of Management and Budget and Department of the Treasury.  
 To authorize an extension and amendment of the revenue sharing program to provide general purpose fiscal assistance to local governments, and for other purposes.

## AMENDMENTS

Nov. 17, 1980 (Melcher) Eliminates the requirement that  
 No. 1 Indian tribes and Alaskan Native villages give  
 (2621) assurances that revenue sharing funds will be  
 expended for members of the tribe or village  
 residing in certain county areas.

Nov. 18, 1980 (Exon) Provides a pilot program under which  
 No. 2 5 States would receive a State government  
 (2624) allocation equal to the amount of the reduction  
 in categorical grants elected by them.

Sept. 30, 1980.—Reported favorably to the Senate (S. Rept. 96-1009), as follows:

- (a) continues general revenue sharing entitlements to local units of government for 5 more years;
- (b) continues the present provisions relating to the distribution of funds;
- (c) retains the current auditing requirement but gives the Secretary of the Treasury authority to waive the requirement in certain circumstances;
- (d) eliminates the annual use report requirement but directs the Secretary of the Treasury to report to Congress on the fiscal impact of revenue sharing funds on State and local governments; and
- (e) adds a new title authorizing a countercyclical fiscal assistance program with payments to State and local governments during periods of economic recession.

(See H.R. 7112)

**S. 2581** Apr. 17, 1980 Apr. 17, 1980.—Statement of Senator Church introducing this bill (Congressional Record S3883).  
**Mr. Church** Apr. 23, 1980.—Referred to Office of Management and Budget and Department of the Treasury.  
 and Messrs. Baucus, Bayh, Biden, Bumpers, Cohen, Durenberger, Durkin, Javits, Levin, McGovern, Pell, Sarbanes, and Thurmond  
 To amend title 5 of the United States Code and the Internal Revenue Code of 1954 to provide certain benefits to individuals held hostage in Iran and to similarly situated individuals.

ment Security) of the Social Security Act to establish a Federal Employees Compensation Account in the Unemployment Trust Fund. Prohibits the Secretary of Labor from certifying State unemployment compensation laws which do not conform with these provisions. Amends title XVI (Supplemental Security Income) of the Social Security Act to include the resources sold at less than fair market value (to establish eligibility for benefits) in determining the individual's resources. Amends title XX (Grants to States for Services) of such act to exclude child day care services from Federal day care regulations. Amends title XI (General Provisions) of such act to establish ceilings for fiscal years 1970 and thereafter on payments to Puerto Rico, the Virgin Islands, and Guam. Amends title II (Old Age, Survivors and Disability Insurance) of such act to: (1) reallocate OASDI taxes; (2) limit retroactive benefits, (3) exclude prisoners from specified benefits, and (4) suspend benefits to prisoners in specified circumstances. Amends title XVIII (Medicare) of such act to set forth criteria for determining the reasonable cost of hospital services. Amends title XI (General Provisions) of such act to establish the Health Facilities Costs Commission to study the reimbursement of hospitals under medicare and medicaid. Amends title XVIII and title XIX (medicaid) of such act to prohibit providers of services from increasing amounts due from any individual, organization, or agency to offset reductions made based on the reasonable cost of hospital services. Amends title XI of such act to direct the Secretary of Health and Human Services to establish a Hospital Transitional Allowance Board to make payments to applicant hospitals to promote closings and conversions of underutilized facilities. Directs the Secretary to require coordinated audits of entities providing services under titles V (Maternal and Child Health) XVIII, and XIX of such Act. Amends title XVIII of such Act to prohibit program payments in excess of the provider's proportional share of the costs, unless higher proportional payments are justified. Amends title XI of such Act to authorize reimbursement for inappropriate inpatient hospital services in specified circumstances. Amends title XVIII of such Act to authorize payments for detoxification facility services if such services are required on an inpatient basis. Amends title XI of such act to require Professional Standards Review Organizations to give priority to reviewing routine hospital admission testing, preoperative hospital stays, and elective admissions when services are not available. Amends title XVIII of such Act to direct the Secretary to specify those surgical procedures and preoperative medical services be performed safely either on an inpatient basis or on an ambulatory basis. Provides for payments for such procedures and services. Sets forth criteria for determining the reasonable charges for physicians' services. Amends title XI of such to exclude specified items in determining the reasonable costs and charges of health services. Directs the Secretary to issue regulations limiting the amount of costs or charges that will be considered reasonable for outpatient services. Amends title XVIII of such act prohibit payments where payments can be made under liability insurance. Amends title XIX of such Act to set forth restrictions on the choice by recipients of medical service provided for by the State. Requires laboratory services to meet specified requirements. Directs the Secretary to withhold periodic interim payments to hospitals under title XVIII to make

the lag time for such reimbursements equal to that for hospitals not receiving such reimbursement. Amends title XIX of such act to withhold disputed payments to States until a final determination has been made. Requires the States to develop methods for determining reasonable rates for payment of skilled nursing and intermediate care facilities. Amends title XVIII of such act to impose limits on home health agency reimbursements. Requires reasonable physicians' charges to be determined as of the fiscal year in which the service is rendered. Directs the Secretary of the Treasury to delay transferring funds from the general fund into the Federal Old-Age and Survivors Insurance Trust Fund, Federal Disability Insurance Trust Fund, or Federal Hospital Insurance Trust Fund.

#### Subtitle A

#### Taxation of Foreign Investment in United States Real Property—

Amends the Internal Revenue Code to impose on a nonresident alien or foreign corporation a tax of 28 percent of the excess over \$5,000 (if any) of the net capital gains realized by the taxpayer during the taxable year from the sale of United States real property interest. Defines "U.S. real property interest" as either:

- (1) an interest in real property located in the United States; or
- (2) any interest (other than solely as a creditor) in any corporation, partnership, or trust which was in a U.S. real property holding organization (a business entity in which a controlling interest is held by ten or fewer individuals and of which U.S. real property interests constitute more than 50 percent of the fair market value of the organization) for up to five years prior to such sale. Includes within the term "interest in real property" fee ownership and co-ownership of land or improvements thereon, leaseholds of land or improvements, and options to acquire such leaseholds of land or improvements. States that nonrecognition provisions shall not apply to amounts realized on such sales, except as prescribed by the Secretary of the Treasury. Requires individuals who acquire a U.S. real property interest from a nonresident alien or a foreign corporation to withhold an amount equal to 28 percent of the amount realized on the transaction. Provides an exemption from such withholding requirement if: (1) the buyer knows the seller is a foreign person, or the seller of a property interest provides the buyer with notice which indicates that any tax liability with respect to the sale has been satisfied or does not exist; (2) the transaction involves the acquisition of stock in a corporation which is effected through the medium of an organized securities exchange; or (3) the transac-

<sup>1</sup> This bill was not referred to the Finance Committee.

## TITLE AND DESCRIPTION

ACTION

REFER TO DAILY CONGRESSIONAL RECORD)

## S. 2939★—Continued

## Subtitle A—Continued

tion involves the sale of property used as a single family principal residence and the amount realized upon disposition does not exceed \$150,000. Allows a credit against the income tax for any tax so withheld. Requires any entity holding United States real property interests to file an informational return for the calendar year in which such interests are held. Requires every entity making a return to furnish an informational statement, as prescribed by the Secretary, to each person who at any time during such year held an interest in such entity. Provides civil penalties for organizations which fail to file such returns. Overrides, for taxable years after Dec. 31, 1984, tax treaties which would exempt foreign investors from the requirements established by this act. Permits the Internal Revenue Service to inspect the books and records of a taxpayer to insure compliance with the requirements of this act without regard to any restrictions on IRS inspections otherwise imposed by law.

## Subtitle B

**Inclusion in Wages of FICA Taxes Paid by Employer**—Includes in a taxpayer's wages the old-age, survivors, and disability insurance and hospital insurance taxes paid by the taxpayer's employer, unless such wages are for domestic service in the employer's private home, or for agricultural labor.

## Subtitle C

**Telephone Tax**—Extends the two percent telephone tax through 1981.

## Subtitle D

**Cash Management**—Requires any large corporation (which had taxable income of at least \$1,000,000 for any of the three immediately preceding years) to pay at least 50 percent of its current year tax as estimated tax. Includes any minimum tax in such estimated tax payments. Increases from 80 percent to 85 percent the amount of estimated tax that must be paid to avoid penalties for underpayment.

## Subtitle E

**Import Duty on Certain Imports of Ethyl Alcohol**—Amends the Appendix to the Tariff Schedules of the United States to impose an import duty on ethyl alcohol imported for use as fuel.

## Subtitle F

**Amendments Relating to Crude Oil Windfall Profit Tax**—Allows a credit against or refund of crude oil windfall profit taxes to any qualified royalty owner for any portion of such tax paid in connection with qualified royalty production between Feb. 29, 1980 and Jan. 1, 1981. Limits such credit to \$1,000. Provides for allocation of such credit among family members, and among stockholders in qualified family farm corporations. Denies an income tax deduction where such credit or refund is allowable. Reduces the adjusted base price of crude oil for purposes of computing the windfall profit tax by a multiple of .008 for fiscal year 1981.

## HOUSE BILLS REFERRED TO COMMITTEE

### TITLE AND DESCRIPTION

### ACTION (ALL CONGRESSIONAL RECORD PAGE NUMBERS REFER TO DAILY CONGRESSIONAL RECORD)

**H.R. 934★**

**May 17, 1979**

**For the relief of Brian Hall and Vera W. Hall.**

(Provides that the claimants do not have to pay capital gains tax on the sale of their old residence.)

**May 21, 1979.**—Referred to Office of Management and Budget and the Department of the Treasury.

### COMMITTEE ACTION

**Dec. 10, 1979.**—Reported favorably to the Senate (S. Rept. 96-471), amended as follows:

#### PRIVATE RELIEF PROVISIONS

(a) Provides that claimants Brian and Vera Hall will not have to pay on capital gains tax on the sale of their old residence.

#### PROVISIONS RELATING TO HOSPITALS

(a) Establishes a new method of reimbursement for routine operating costs for hospitals under the medicare and medicaid programs. The new mechanism to be effective July 1, 1980, would provide for incentive reimbursement—rewarding hospitals whose routine operating costs are below average, and penalizing hospitals whose routine operating costs are substantially above average;

(b) provides for including in payments to short-term hospitals, reimbursement for increased operating costs and, in the case of non-profit institutions, for increased capital costs associated with the closing down or conversion to approved use of underutilized bed capacity or services;

(c) includes several changes in the current law limitations on medicare and medicaid payments related to certain capital expenditures by health care facilities and home health agencies;

(d) changes the allowed rate of return on for-profit hospitals' net equity, which under present law is equal to 1½ times the current rate of return on social security trust funds. The new rate of return multiplier would be: 2½ times for hospitals entitled to an incentive payment under the incentive reimbursement system in sec. 202 of the bill; 2 times for hospitals that are reimbursed only their reasonable costs; and 1½ times for hospitals with costs in excess of their routine cost limits;

(e) provides for medicare, medicaid and the maternal and child health programs to share findings from a single audit where these programs reimburse the same entity on the basis of its reasonable costs;

(f) excludes certain charitable donations for the purpose of de-

(g) authorizes the Secretary to apply medicare standards to rural care and medicaid;

(g) authorizes the Secretary to apply medicare standards to rural hospitals more flexibly to take into account the availability of qualified personnel, the scope of services furnished, and the economic impact of structural standards which, if rigidly applied, would result in unreasonable financial hardship for a rural hospital; but only to the extent that such differential application of the standards does not adversely affect the health and safety of patients;

(h) recognizes podiatrists, acting within the scope of their practice, for purposes of physician certification and participation as physicians in utilization review under medicare;

(i) provides that medicare would not reimburse any institution for a disproportionate share of costs until evidence is produced which justifies a specific adjustment under given circumstances for given facilities;

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 934★—Continued

## COMMITTEE ACTION—Continued

## PROVISIONS RELATING TO HOSPITALS—Continued

(j) provides that in certain cases medicare and medicaid payments to hospitals be made at the average skilled nursing facility, intermediate care-facility or detoxification facility payment rate (as appropriate), rather than the higher hospital rate, for patients medically determined by PSRO reviewers to need the lower level of care rather than acute hospital care. The bill also authorizes that benefits be provided and payment be made under medicare to qualified nonhospital inpatient detoxification facilities;

(k) authorizes a program of grants and loans to facilitate the conversion of surplus acute care hospital beds to long-term care beds in public and nonprofit hospitals; and

(l) directs PSROs to review areas of frequent overutilization (such as diagnostic tests routinely provided on admission without a physician's order and weekend elective admissions and preoperative stays for elective procedures in excess of one day) to assure that payment is made under medicare and medicaid only when such services are medically appropriate.

## PROVISION RELATING TO SKILLED NURSING FACILITIES, INTERMEDIATE CARE FACILITIES, AND HOME HEALTH

(a) Permits a simplified cost reimbursement formula for medicare and medicaid reimbursement for small rural hospitals that wish to use acute care beds for long-term care services during periods of excess bed capacity;

(b) authorize the Secretary (1) to validate, where he deems it necessary, State determinations on the eligibility of SNFs and ICFs under medicaid and to make independent and binding determinations on their participation and (ii) to impose intermediate sanctions less severe than decertification when such facilities have been found to be out of compliance;

(c) prohibits the Secretary from imposing numerical limits on the number of home visits which might be made by skilled nursing home or intermediate care patients under medicaid;

(d) directs the Secretary of HEW to conduct a study of the availability and need for skilled nursing facility services under the medicare and medicaid programs and of the desirability and feasibility of requiring such facilities that wish to participate in one program to participate in both;

(e) directs the Secretary to review the present criteria for renewing benefits for skilled nursing care to assure that they are not too restrictive;

(f) repeals existing medicare provisions authorizing, by type of diagnosis, presumed periods of coverage for skilled nursing facilities and home health services;

(g) repeals section 219 of the Social Security Amendments of 1972 so as to allow States, subject to certain requirements, to develop their own payment systems for skilled nursing facilities and intermediate care facilities; and

(h) removes the requirement in existing law that limits medicare home health benefits to 100 visits under part A and 100 visits under part B and the requirement that a beneficiary has to be an inpatient in a hospital for at least three days before he can qualify for part A home health benefits. Other provisions related to home health services under medicare and medicaid would: (i) change the plan of care requirements to allow physician assistants and nurse practitioners in rural areas to establish plans of care and to require that plans of care include programs for patient education; (ii) establish guidelines for determining the direct and indirect incurred

CARE FACILITIES, AND HOME HEALTH—continued

costs of home health services; (iii) establish demonstration projects for utilization review of home health services; (iv) permit payment for home health services provided in adult day care centers; and (v) redesignate "home health aides" as "homemaker-home health aides".

## PROVISIONS RELATING TO MEDICAL AND OTHER HEALTH SERVICES

(a) Includes incentives for physicians to accept assignment by expediting payment of claims from "participating" physicians--i.e., physicians who accept assignment for all their medicare services. It also authorizes five to ten pilot projects to experiment with ways of encouraging physicians to accept assignments;

(b) authorizes the Secretary to initiate the development and approve the use of terminology systems and relative value schedules by physicians in billing medicare, medicaid, and for other purposes;

(c) extends for an additional year (until October 1, 1970) the date for implementation of sec. 227 of P.L. 92-603 relating to reimbursement of teaching physicians. It also provides an alternate reimbursement method for teaching teams in hospitals which do not qualify for fee-for-service reimbursement for medical services under medicare;

(d) permits medicare reimbursement to be made to free-standing ambulatory surgical centers and physicians performing surgery in their offices for use of surgical facilities needed to perform a listed group of surgical procedures;

(e) modifies existing medicare criteria for determining reasonable charges for physician's services;

(f) prohibits the Secretary from routinely releasing medicare information, and provides that State agencies shall not be required to release medicaid information, relating amounts paid to physicians under the respective programs, except as otherwise specifically required by Federal law;

(g) amends present law to provide for direct payment under medicare to allergists for preparation of a reasonable supply of antigens which would be dispensed or administered by or under the supervision of another physician;

(h) includes a technical change that would permit payment by medicare for care directly to the spouse or other legal representative of a deceased medicare beneficiary on the basis of a non-receipted bill. Under present law, medicare can only pay where the physician accepts an assignment or where the family has actually paid the bill. Thus, in some cases where a physician refuses an assignment, families have encountered difficulty in raising sufficient cash to pay the bill in order to be eligible for payment by medicare;

(i) repeals the existing medicare requirement that a physician establish a detailed plan of treatment for speech pathology services;

(j) requires the Department of HEW to conduct a study of the present methods of reimbursement for durable medical equipment and to recommend changes that are appropriate. The Secretary would be required to submit a report on this study within 12 months of enactment;

(k) waives the \$60 medicare deductible in applying special laboratory billing procedures under medicare;

(l) waives the medicare Part B \$60 deductible with respect to services provided in rural health clinics;

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 934★—Continued

## COMMITTEE ACTION—Continued

PROVISIONS RELATING TO MEDICAL AND OTHER HEALTH  
SERVICES—continued

(m) recognizes comprehensive outpatient rehabilitation facilities as "providers of services" under the medicare program if they meet specific conditions of participation;

(n) permits payment for ambulance services to a more distant hospital when the nearest hospital does not have staff qualified to undertake the required care. Ambulance transportation to receive radiation therapy and other specialized services could also be covered under certain circumstances;

(o) extends the coverage of dental services under medicare to include any services performed by a doctor of dental medicine or dental surgery which he is legally authorized to perform in cases where the services would be covered if performed by a physician. The bill also would provide that payments would be made under medicare for inpatient hospital stays that are justified because of the severity of the dental procedure;

(p) authorizes medicare part B reimbursement to optometrists for services related to aphakia which are within the scope of licensed optometric practice, and which are covered under present law when provided by a physician;

(q) deletes the requirement for chiropractic coverage that a subluxation be demonstrated to exist through an X-ray. Under the bill, other clinical findings would suffice in lieu of an X-ray;

(r) eliminates the present exclusion under medicare of services related to the treatment of plantar warts; and

(s) requires the newly established Health Facilities Cost Commission to give priority to the development of limitations on reimbursement for hospital outpatient service costs. Further, the Secretary is required to issue regulations providing for the establishment of such limitations.

## MISCELLANEOUS PROVISIONS

(a) Protects the confidentiality of certain kinds of PSRO information that identify an individual patient, provider, practitioner, supplier, or reviewer except in specified cases;

(b) provides, except under certain specified circumstances, that compensation paid to contractors, employees or related organizations, consultants, or subcontractors at any tier would not be recognized for medicare-medicaid reimbursement purposes where the payments (in whole or part, in cash or kind) are based upon percentage arrangements;

(c) terminates the Health Insurance Benefits Advisory Council;

(d) requires HEW to adopt, to the extent feasible, standardized claims forms for medicare and medicaid within 2 years of enactment;

(e) provides that medicare would not be the payor of first resort in cases where the patient is involved in an accident and his care can be paid for under liability coverage of the individual who was at fault;

(f) provides that adverse decisions of the Provider Reimbursement Review Board involving actions brought jointly by several providers may be appealed to the Federal district court for the group's headquarters office (or for the appellant having the most money at issue, if the group is not under common ownership) is located;

(g) permits States to deny medicaid eligibility for up to 1 year in cases where an aged, blind, or disabled person qualifies by dis-

posing of significant assets by either giving them away or selling them for less than fair market value in order to establish medicaid eligibility:

(h) allows a State to purchase laboratory services and medical devices for its medicaid population through competitive bidding or other arrangements for a 3-year experimental period;

(i) gives States which do not currently have a "buy-in" agreement with medicare for all medicaid eligibles an additional 12 months to enter into such arrangements;

(j) extends for 2 years (until October 1, 1982) the period when increased Federal matching is available for funding of State medicaid fraud control units;

(k) provides that Federal medicaid funds may not be drawn upon until they are actually needed by the State to pay providers and practitioners;

(l) provides that if the Secretary notifies a State of any audits, quality control performance reports, deficiencies, or changes in Federal matching payments under the Social Security Act, simultaneous notification would also be made to the Governor of the State and the respective chairmen of the legislative and appropriation committees of that State's legislature having jurisdiction over the program affected;

(m) waives requirements of the human experimentation statute which may otherwise be held applicable with respect to coverage, copayments, deductibles or other limitations on payment for services for purposes of medicare and medicaid;

(n) authorizes the disclosure of medicaid information to governmental agencies that have legal authority to conduct medicaid audits;

(o) provides for demonstration programs in up to 12 States to formerly train AFDC recipients as homemaker/home health aides;

(p) authorizes up to \$5 million annually for grants to public or nonprofit private regional pediatric pulmonary centers which are part of (or affiliated with) an institution of higher learning;

(q) provides that the Administrator of the Health Care Financing Administration would be appointed by the President with the advice and consent of the Senate;

(r) requires local Professional Standards Review Organizations (PSRO's) to formally involve health care practitioners who hold independent hospital admitting privileges in the review of care ordered or rendered by these practitioners; and

(s) expands the membership of the National Professional Standards Review Council to include a doctor of dental surgery or dental medicine and a registered nurse.

H.R. 1147★

Mar. 5, 1979

To extend temporarily the authority of the Secretary of the Treasury to waive the imposition of countervailing duties.

## SUMMARY OF HOUSE BILL

(Extends the authority of the Secretary of the Treasury to waive countervailing duties under section 303 of the Tariff Act of 1930 to the earliest of the following dates: (a) The date on which either House of Congress defeats on a vote of final passage the domestic implementing bill for the subsidy/countervailing duties law.)

Mar. 6, 1979.—Referred to Office of Management and Budget, International Trade Commission, Special Representative for Trade Negotiations, and Departments of the Treasury, State, Commerce, and Agriculture.

Mar. 19, 1979.—Public hearing.

Mar. 22, 1978.—Reported favorably to the Senate (S. Rept. 96-45), without amendment.

Mar. 28, 1979.—Passed by the Senate, without amendment, by roll-call vote (No. 30) of 82 yeas, 15 nays (Congressional Record S3574).

Apr. 3, 1979.—Signed by the President.

(Public Law 95-6)

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 1147★—Continued

## SUMMARY OF HOUSE BILL—Continued

tervalling duty code; (b) the date of enactment of such implementing bill; or (c) September 30, 1979.

The authority would apply retroactive to January 3, 1979, the date when the previous waiver authority expired. Waivers existing as of January 2, 1979, which would continue in effect, and any future waivers made during the period of the waiver authority extension, would be subject to the existing conditions in the law for granting waivers. All waivers would be subject to the existing congressional override provisions under which either House of Congress by majority vote may disapprove a waiver. If an override resolution is adopted, imports covered by that resolution become subject to countervailing duties immediately.)

## AMENDMENTS

Mar. 22, 1979  
No. 1  
(115) (Dole, Armstrong, Bellmon, Byrd of Virginia, Exon, Ford, Helms, Jepsen, Lugar, McClure, Melcher, Wallop, Zorinsky) Repeals the carry-over basis provisions of the Tax Reform Act of 1976.

H.R. 1212★

Sept. 11, 1979

For the relief of the University of Florida, Gainesville, Fla.

## SUMMARY

(Provides for the admission free of duty of 49 Carillon bells (including accompanying parts and accessories) for the use of the University of Florida, Gainesville, Fla., such bells being produced by Koninklijke Eysbouts, R.V., Asten, and provides for a refund of the duty if previously paid.)

## DEPARTMENTAL REPORTS

Sept. 13, 1979.—Referred to Office of Management and Budget, International Trade Commission, Special Representative for Trade Negotiations, and Departments of the Treasury, State, and Commerce.

Oct. 2, 1979.—Report from the Department of State (no objection).

(See H.R. 3122 for action re: Relief of University of Florida.)

## COMMITTEE ACTION

Dec. 10, 1979.—Reported favorably to the Senate (S. Rept. 96-532), amended as follows:

TAX TREATMENT OF GAIN ON SALE OF U.S. REAL PROPERTY  
BY FOREIGN INVESTORS

Subjects foreign investors to tax at a rate equal to one-third of the equivalent taxation on gains on the sale or other disposition of U.S. real property. (When added together to similar taxes imposed at a rate equal to one-third of the equivalent taxation under committee amendments to H.R. 2297 and H.R. 1119, the three provisions would subject foreign investors to the full tax on the sale or other disposition of U.S. real estate.)

## REFORESTATION TAX INCENTIVES AND TRUST FUND

Allows the regular 10-percent investment credit and seven-year amortization for up to \$10,000 of forestation or reforestation expenditures by a private timber owner each year and establishes a trust fund for the reforestation of public lands, to be funded with up to \$30 million each year from existing tariff revenues from imported lumber and plywood.

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 1212★—Continued

## COMMITTEE ACTION—Continued

## EMPLOYEE STOCK OWNERSHIP PLAN PROVISIONS

## CASH DISTRIBUTION OPTION AND PUT OPTION FOR STOCK BONUS PLANS

Provides that a qualified stock bonus plan may distribute cash to a participant entitled to a distribution, subject to the participant's right to demand that benefits be distributed in the form of stock. If a stock bonus plan provides for cash distributions and if stock which is distributed is not readily tradable on an established market, the participant would have the right to require the employer to repurchase the stock.

AVAILABILITY OF ADDITIONAL INVESTMENT CREDIT PERCENTAGE FOR  
TAX CREDIT EMPLOYEE STOCK OWNERSHIP PLANS OF PUBLIC UTILITIES

Allows a public utility an additional investment tax credit of up to one and one-half percent if the utility makes a contribution equal to the amount of additional investment tax credit to a tax credit employee stock ownership plan even if the utility is required to flow through the regular investment tax credit. Similarly, the regular credit would not be denied because the additional credit is required to be flowed through.

## SPECIAL LIMITATION FOR EMPLOYEE STOCK OWNERSHIP PLANS

Provides that the increase in the limitation on annual additions to a participant's account under a tax credit employee stock ownership plan or employee stock ownership plan would be the lesser of (1) the usual limitation on annual additions to a participant's account, or (2) the amount of employer securities (or cash used to acquire such securities) contributed to the plan.

VALUATION OF EMPLOYER SECURITIES IN TAX CREDIT EMPLOYEE  
STOCK OWNERSHIP PLANS

Provides that the value of employer securities listed on a national exchange contributed to a tax credit employee stock ownership plan would be the average of the closing prices of such securities for the 20 consecutive trading days immediately preceding the date of contribution to the plan.

PARTICIPATION OF SUBSIDIARY CORPORATION IN A TAX CREDIT  
EMPLOYEE STOCK OWNERSHIP PLAN

Provides that a corporation which is a second-tier subsidiary of a parent corporation and which is at least 50-percent owned by a first-tier subsidiary of a parent corporation may, if the parent corporation owns 100 percent of the first-tier subsidiary, use stock of the parent corporation in its tax credit employee stock ownership plan.

RETIREMENT SAVINGS BY TAX CREDIT EMPLOYEE STOCK OWNERSHIP  
PLAN PARTICIPANTS

Provides that the minimum coverage requirements for tax credit employee stock ownership plans would be changed in the event that such a plan is the only tax-qualified plan maintained by an employer. If employees are permitted to elect out of such a tax credit employee stock ownership plan for the purpose of establishing IRAs, the tax credit employee stock ownership plan would not fail to meet the minimum coverage requirements of the Code if the plan benefits at least 50 percent of all employees, and if the total allocations under the plan are equal to no more than two percent of the compensation of participating employees.

## OTHER TAX PROVISIONS

TRANSFERS OF PROVEN OIL AND GAS PROPERTIES TO A  
CONTROLLED CORPORATION

Permits proven oil and gas properties to be transferred by an individual to his or her controlled corporation, without the loss of the percentage depletion deduction, if the depletable quantity must be allocated between the transferor and the corporation after the transfer.

EXTENSION OF TIME TO AMEND GOVERNING INSTRUMENTS  
OF CHARITABLE SPLIT-INTEREST TRUSTS

Extends for two years, until December 31, 1980, the time to amend, or commence judicial proceedings to amend, instruments of both charitable lead trusts or charitable remainder trusts which were executed before December 31, 1977, in order to conform such instruments to the 1969 Act requirements for a charitable deduction to be allowed for income, gift, or estate tax purposes.

## CHANGE OF TIME FOR PAYING EXCISE TAX ON FISHING EQUIPMENT

Sets the time for payment of the excise tax on fishing equipment according to the following schedule:

*For articles sold during the quarter*

| <i>ending—</i>    | <i>Payment of the tax is due by—</i> |
|-------------------|--------------------------------------|
| December 31.....  | March 31.                            |
| March 31.....     | June 30.                             |
| June 30.....      | September 21.                        |
| September 30..... | According to Treasury Regulations.   |

## ELECTION OF ALTERNATE ESTATE TAX VALUATION

Permits the election of alternate valuation on a timely filed estate tax return or the first late return filed. This provision would apply generally to estates of decedents dying after December 31, 1977. The amendment also includes a transitional rule applicable to estates of decedents dying before January 1, 1978.

## CERTAIN DISTRIBUTIONS FROM MONEY PURCHASE PENSION PLANS

Allows an employee (or spouse of an employee) who receives a total distribution from a money purchase pension plan to roll over the distribution to an IRA or to another qualified plan even though the employer also maintains a defined benefit pension plan covering the employee and a total distribution is not made from the defined benefit plan in the same taxable year. If the recipient rolls over a total distribution from a money purchase pension plan and, in a subsequent taxable year, receives a total distribution from a defined benefit pension plan maintained by the employer, the later plan distribution could be rolled over tax-free but would not otherwise be eligible for the favorable income tax treatment accorded lump sum distributions.

EXTENSION OF CASH AND DEFERRED PLAN RULES TO SALARY REDUCTION  
ARRANGEMENTS UNDER MONEY PURCHASE PENSION PLANS

Provides that salary reduction arrangements under money purchase pension plans which were in existence on June 27, 1974, would be included under the 1978 Revenue Act rules applicable to cash-and-deferred arrangements under profit-sharing and stock bonus plans. However, the percentage-of-compensation contribution formula in money purchase pension plans in existence on June 27, 1974, may not be higher than it was on that date.

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 1212★—Continued

## COMMITTEE ACTION—Continued

## OTHER TAX PROVISIONS—Continued

ELIMINATION OF WITHHOLDING TAX ON PENSIONS PAID TO CERTAIN  
NONRESIDENT ALIENS

Expands the statutory exemption from tax for pensions and annuities by making it available to an individual if (1) the recipient's country of residence grants a substantially equivalent exclusion to citizens and residents of the United States or (2) the recipient's country of residence is a "beneficiary developing country" under section 502 of the Trade Act of 1974.

VOTING RIGHTS PASS THROUGH REQUIREMENT FOR DEFINED  
CONTRIBUTION PLANS

Repeals the provision of present law which, after December 31, 1970, would require certain defined contribution plans which hold more than 10 percent of their assets in employer securities to pass through voting rights to participants on major corporate issues.

## CAFETERIA PLANS AND DEFERRED COMPENSATION

Permits a cafeteria plan to include deferred compensation under the rules applicable to cash or deferred profit-sharing and stock bonus plans.

## FURTHER COMMITTEE ACTION

Apr. 30, 1980.—Provisions incorporated in H.R. 2492 with a modification in the reforestation provision so that it would not be subject to a point of order under the Congressional budget procedures.

(See H.R. 2192)

H.R. 1319★

Sept. 11, 1979

To extend the period for duty-free entry of a 3.60-meter telescope and associated articles for the use of the Canada-France-Hawaii Telescope Project at Mauna Kea, Hawaii.

Sept. 13, 1979.—Referred to Office of Management and Budget, International Trade Commission, Special Representative for Trade Negotiations, and Departments of the Treasury, State, and Commerce.

Oct. 15, 1979.—Report from the International Trade Commission (analysis).

Oct. 30, 1979.—Favorable report from Department of State.

Nov. 7, 1979.—Report from Department of Commerce (no objection).

(See H.R. 3122 for action re: Duty free entry of a telescope.)

## COMMITTEE ACTION

Dec. 13, 1979.—Reported favorably to the Senate (S. Rept. 96-499), amended as follows:

TAX TREATMENT OF GAIN ON SALE OF U.S. REAL PROPERTY BY  
FOREIGN INVESTORS

Subjects foreign investors to tax at a rate equal to one-third of the equivalent taxation on gains on the sale or other disposition of U.S. real property. (When added together to similar taxes imposed at a rate equal to one-third of the equivalent taxation under committee amendments to H.R. 2297 and H.R. 1212, the three provisions would subject foreign investors to the full tax on the sale or other disposition of U.S. real estate.)

## OTHER PROVISIONS

## TAX TREATMENT OF EMPLOYEES OF CHARITIES WORKING ABROAD

Allows individuals meeting the foreign residence or presence tests who perform "qualified charitable services" in less developed countries to elect, in lieu of the deduction for excess foreign living costs, an exclusion of \$20,000 from gross income on the same basis as employees residing in camps in hardship areas.

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 1319★—Continued

## COMMITTEE ACTION—Continued

## OTHER PROVISIONS—Continued

## METHOD OF DEPRECIATION FOR RAILROAD TRACK ASSETS

Specifically provides for the use of the retirement-replacement-betterment method of accounting for railroad track assets as an acceptable method of depreciation for Federal income tax purposes even if the ICC changes its requirements for rate-making purposes. The provisions would be effective for taxable years ending after December 31, 1953 (the general effective date of the Internal Revenue Code of 1954).

EXTENSION OF TRANSITIONAL RULE FOR CERTAIN SERVICES PROVIDED  
BY A PRIVATE FOUNDATION AS TRUSTEE

Provides that, for taxable years beginning after December 31, 1979, and on or before December 31, 1980, the furnishing of services by a private foundation to a disqualified person is not an act of self-dealing if (1) the services are furnished in the capacity of trustee for an irrevocable trust established prior to October 9, 1969, designating the private foundation as trustee; (2) the foundation may not, under the laws of the State of its incorporation, act as trustee of a trust other than one in which it possesses a beneficial interest; (3) the private foundation receives compensation from the trust for the services performed as trustee which is reasonable in light of the facts and circumstances; and (4) the disqualified person attained that status solely because of the operation of a trust instrument which was irrevocable prior to October 9, 1969. The provision would apply to the Hormel Foundation, incorporated in Minnesota, and certain trusts of which it is trustee.

TAX TREATMENT UNDER THE RHODE ISLAND INDIAN CLAIMS  
SETTLEMENT ACT

Generally provides that the Rhode Island Indian Claims Settlement Act and related settlement lands will not be subject to any form of Federal, State, or local taxation (except for income-producing activities occurring on the settlement lands) and provides that, for Federal income tax purposes, any sale or disposition of private settlement lands pursuant to the terms and conditions of the settlement agreement is to be treated as an involuntary conversion. This would permit the sellers to defer gain on the sale to the extent allowed by Code section 1033.

H.R. 1543★

June 4, 1979

To improve the operation of the adjustment assistance programs for workers and firms under the Trade Act of 1974.

## SUMMARY

(Broadens the coverage of workers and firms who may become eligible for adjustment assistance benefits, removes certain inequities in existing law with respect to such coverage, liberalizes adjustment assistance benefits to workers and firms, contains provisions to accelerate the certification process and delivery of benefits, and introduces industrywide studies and technical assistance.)

June 6, 1979.—Referred to Office of Management and Budget, International Trade Commission, Special Representative for Trade Negotiations and Departments of the Treasury, State, Commerce, Agriculture, and Labor.

July 6, 1979.—Report from the Office of Management and Budget (suggests amendment).

July 6, 1979.—Report from Department of State (defers to Departments of Commerce and Labor).

Oct. 19, 1979.—Report from the Office of Management and Budget (suggests amendment).

## COMMITTEE ACTION

July 9, 1979.—Public hearing.

Oct. 30, 1979.—Reported favorably to the Senate (S. Rept. 96-385), amended as follows:

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 1543★—Continued

## COMMITTEE ACTION—Continued

## AMENDMENTS

- Dec. 11, 1979**  
**No. 1**  
**(899)**  
(DeLoeini, Chiles, Domenici, Nunn, Schmitt)  
Allows Federal law enforcement agencies easier access to tax information in nontax criminal investigations.
- Dec. 14, 1979**  
**No. 2**  
**(1584)**  
(Bellmon) Restricts coverage for suppliers.
- Dec. 14, 1979**  
**No. 3**  
**(1585)**  
(Bellmon) Eliminates retroactive eligibility provided in section 101, "Special Treatment of Certain Certifications and Petitions."
- Dec. 14, 1979**  
**No. 4**  
**(1586)**  
(Bellmon) Provides, that trade readjustment allowances not be paid until unemployment insurance has been exhausted, and that the amount of such allowance be the same as unemployment insurance amounts.

## RETROACTIVE ELIGIBILITY FOR WORKER BENEFITS

Requires the Secretary of Labor to reconsider worker petitions for certification of eligibility to apply for adjustment assistance and worker applications for such assistance if (1) the petition was filed between Apr. 3, 1975, and November 1, 1977, and (2) the petition or application was denied because the worker or workers' last total or partial separation from employment did not occur within one year prior to the filing date of the petition (but did occur after October 3, 1974). This provision is intended to provide trade adjustment assistance to workers who were unaware of the provision in the Trade Act which denies benefits to any worker if his last total or partial separation from employment occurred more than one year before the filing date of a petition for certification. The bill would require the Secretary to apply an 18-month, rather than 1-year, rule to any petition or application he reconsiders, except that total or partial separations occurring prior to October 3, 1974, would not be covered.

## GROUP ELIGIBILITY REQUIREMENTS

Extends eligibility to apply for adjustment assistance to workers in firms whose sales or production "threaten" to decline absolutely. However, benefits would not become payable until the actual decline in sales or production took place. Eligibility would also be extended to workers employed by a firm which does not produce articles like or directly competitive with imports, but which does supply articles or services to firms producing such like or directly competitive articles which are affected by imports, which increases in those imports contribute importantly to unemployment or threat thereof, and to a decline in sales or production, or threat thereof, in the supplying firm.

## EMPLOYMENT WITH MORE THAN ONE FIRM

Provides that employment with several firms which have been certified for adjustment assistance or whose workers have been so certified could qualify a worker for assistance.

## TIME LIMITATION ON WORKER BENEFITS

Provides that a worker in training may receive trade adjustment allowances for up to 104 weeks. A worker over 60 may receive allowances for the shorter of 104 weeks or the period until he becomes 62 years old.

## ELIGIBILITY REQUIREMENTS FOR FIRMS

Extends eligibility to apply for adjustment assistance to firms whose sales or production "threaten" to decline absolutely. However, benefits other than certain technical assistance would not become payable until the actual decline in sales or production took place. H.R. 1543, as amended, also would extend adjustment assistance to firms which, under specified conditions, supply component parts or other articles, or services, essential to the production, transport or storage of import-impacted articles.

## FINANCIAL ASSISTANCE TO FIRMS

Raises the ceiling on the Government share of the cost of technical assistance supplied to a firm from 75 to 90 percent; the interest rate on direct loans provided as adjustment assistance would be lowered by removing the existing surcharge for administrative expenses and possible loan losses and by providing an alternative

## TITLE AND DESCRIPTION

## FINANCIAL ASSISTANCE TO FIRMS—Continued

interest rate; the ceiling on direct loans to any firm would be raised from one to three million dollars; the ceiling on Government aggregate liability for guarantees on loans to any one firm would be raised from three to five million dollars; and interest rate subsidies would be authorized to reduce interest paid by borrowers on guaranteed loans.

## SENATE ACTION

- Nov. 6, 1979.—Referred to Senate Appropriations Committee, not to exceed 15 days, to be discharged from further consideration, if not reported by that date.  
Dec. 3, 1979.—Senate Appropriations discharged from further consideration. Ordered placed on the Senate Calendar.

H.R. 2297★

Sept. 11, 1979

To continue until the close of June 30, 1982, the existing suspension of duties on synthetic rutile.

- Sept. 13, 1979.—Referred to Office of Management and Budget, International Trade Commission, Special Representative for Trade Negotiations, and Departments of the Treasury, State, and Commerce.  
Oct. 15, 1979.—Report from the International Trade Commission (analysis).  
Oct. 2, 1979.—Report from the Department of State (no objection).  
Nov. 7, 1979.—Report from Special Representative for Trade Negotiations (no objection).  
Nov. 30, 1979.—Report from the Department of Commerce (no objection).  
(See H.R. 3122 for action re: Duty suspension of synthetic rutile.)

## COMMITTEE ACTION

- Dec. 15, 1979.—Reported favorably to the Senate (S. Rept. 96-504), amended as follows:

TAX TREATMENT OF GAIN ON SALE OF U.S. REAL ESTATE BY  
FOREIGN INVESTORS

Subjects foreign investors to tax at a rate equal to one-third of the equivalent taxation on gains on the sale or other disposition of U.S. real property. Foreign investors also would be taxed at this rate on gains realized through the sale or exchange of an interest in a corporation, trust, or partnership which was formed or availed of to hold U.S. real property interests. Reporting requirements would be established to identify when taxable transactions had occurred. The tax would be collected through withholding requirements and related enforcement provisions. (When added together to similar taxes imposed at a rate equal to one-third of the equivalent taxation under committee amendments to H.R. 1319 and H.R. 1212, the three provisions would subject foreign investors to the full capital gains tax on the sale or other disposition of U.S. real property.)

## OTHER PROVISIONS

## WITHHOLDING TAX ON INTEREST PAID TO FOREIGN INVESTORS

Repeals the 30-percent withholding tax on interest paid to foreign investors on portfolio indebtedness. The withholding tax on interest paid to foreign investors would generally be limited to situations where the foreign investor is related to the U.S. obligor or where the foreign investor is controlled by U.S. persons. Obligations, the interest on which is exempt under the bill, would also be exempt from U.S. estate and gift tax.

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 2297★—Continued

## COMMITTEE ACTION—Continued

## OTHER PROVISIONS—Continued

EXCEPTION TO PRIVATE FOUNDATION "SELF-DEALING" RULES FOR  
CONTINUATION OF CERTAIN LEASING ARRANGEMENTS

Provides a permanent exception from the "self-dealing" rules under Code section 4941 in certain circumstances where a private foundation leases office space from a disqualified person, if the lease is pursuant to a binding contract in effect on October 9, 1969 (or renewals thereof) and if at the time of execution the lease was not disadvantageous to the foundation. For the lease to qualify for this exception, the space must be leased to the foundation on a basis no less favorable than that on which such space would be made available in an arm's-length transaction, and the leased space must be in a building in which there are tenants who are not disqualified persons.

This provision would apply to the Moody Foundation of Galveston, Texas, and any other private foundation leasing arrangement meeting the specific requirements of the bill.

H.R. 2471★

To authorize appropriations for the U.S. International Trade Commission and U.S. Customs Service for fiscal year 1980, and for other purposes.

(Authorizes appropriations of \$14,150,000 for FY 1980 for the International Trade Commission and \$466,857,000 for the Customs Service.)

Jan. 23, 1980.—Ordered placed on the Senate calendar.

(See also action taken on S. 1132 and S. 2697)

H.R. 2492★

Feb. 20, 1980

To extend until July 1, 1984, the duty suspension on crude feathers and downs.

Oct. 15, 1979.—Referred to Office of Management and Budget, International Trade Commission, Special Representative for Trade Negotiations, and Departments of the Treasury, State, and Commerce.

Oct. 31, 1979.—Report from the International Trade Commission (analysis).

Nov. 21, 1979.—Report from the Department of Commerce (no objection).

Nov. 30, 1979.—Report from the Department of State (no objection).

Feb. 1, 1980.—Report from the Office of Management and Budget (no objection).

Mar. 13, 1980.—Report from the International Trade Commission (analysis).

Apr. 14, 1980.—Report from the Department of State (no objection).

## COMMITTEE ACTION

Feb. 5, 1980.—Public hearing.

May 6, 1980.—Reported favorably to the Senate (S. Rept. 96-634), incorporating the committee amendment to H.R. 1212 with a modification in the reforestation provision so that it would not be subject to a point of order under the congressional budget procedures. See H.R. 1212 for a description of the amendment.

(Provisions relating to feathers and downs included in H.R. 3122, P.L. 96-467.)

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 2534★

## SENATE ACTION

To provide for a temporary increase in the public debt.  
(Provides for a combined permanent and temporary limit on the public debt of \$830 billion for the period through Sept. 30, 1979.)

## AMENDMENTS

Mar. 20, 1979  
No. 1  
(110)

(Armstrong) Provides individual income tax reductions for calendar years 1981-1984 of about 6 percent per year if: (1) total Federal outlays agreed to in the second concurrent budget resolution do not exceed 20.5 percent of the GNP for fiscal year 1981, 20 percent for fiscal year 1982, 19.5 percent for fiscal year 1983, and 19.0 percent for 1984; (2) Federal outlays do not exceed total revenues estimated in the budget resolution for fiscal year 1981; total Federal outlays as contained in the budget resolution do not exceed the amount of Federal outlays during the preceding fiscal year by the rate of inflation plus 1 percent.

Mar. 20, 1979  
No. 2  
(111)

(Dole, Armstrong, Simpson) Provides that after fiscal year 1980, the statutory debt limit cannot be increased above the level in effect May 1, 1980, unless the second concurrent budget resolution provides for a balanced or surplus budget or more than two-thirds of the Members of the House and Senate present and voting approve a budget resolution providing for a budget deficit.

Mar. 20, 1979  
No. 3  
(112)

(Packwood) Requires that if the President submits a budget which could result in an increase in the total permanent and temporary debt limit above the amount in effect on September 30, 1980, or where the President's proposed budget would result in a deficit, then an alternate budget providing for a balanced budget would also have to be submitted. The alternate budget would be required to be submitted at the same time and in the same manner and form as the President's proposed budget.

Mar. 20, 1979  
No. 4  
(113)

(DeConcini) Requires the President, after the close of each fiscal year, to determine the amount of any excess Federal outlays over receipts for the fiscal year and submit to the Congress by special message the rate of the income tax surtax necessary to cover the deficit. The income tax surtax could be suspended in the case of grave national emergency by a concurrent resolution agreed to by two-thirds of the Members of the House and Senate present and voting.

Mar. 15, 1979.—Ordered held at the desk.

Mar. 21, 22, 26, and 27, 1979.—Considered and passed by the Senate, by rollcall vote (No. 28) of 62 yeas, 33 nays (Congressional Record S3456), after taking the following action on amendments thereto:

**Adopted:**

*Long amendment No. 124*, adding to amendment No. 116 a section requiring the Budget Committees to report to Congress a balanced Federal budget, by rollcall vote (No. 22) of 57 yeas, 42 nays (Mar. 27, Congressional Record S3434);

*Long amendment No. 116*, identical to amendment No. 124 above, by voice vote (Mar. 27, Congressional Record S3437);

*Dole amendment No. 111*, providing that after fiscal year 1980, the statutory debt limit cannot be increased above the level in effect May 1, 1980, unless certain conditions are met, by rollcall vote (No. 24) of 96 yeas, 2 nays (Mar. 27, Congressional Record S3438); and

*Packwood UP amendment No. 54*, requiring that the President submit both a balanced and alternate budget, by rollcall vote (No. 25) of 93 yeas, 2 nays (Mar. 27, Congressional Record S3438).

**Tabled:**

*Dole amendment No. 117*, changing the two-thirds requirement to a three-fifths requirement, and (2) adding a new section at the end of the bill containing the same language as amendment No. 116, by rollcall vote (No. 20) of 46 yeas, 44 nays (Mar. 26, Congressional Record S3317);

*DeConcini UP amendment No. 53*, prohibiting deficit financing, by rollcall vote (No. 23) of 86 yeas, 3 nays (Mar. 27, Congressional Record S3434);

*Moynihan amendment No. 118*, requiring that consideration be given to the impact of equal per capita expenditure levels when balancing the budget, by rollcall vote (No. 25) of 69 yeas, 28 nays (Mar. 27, Congressional Record S3439); and

*Armstrong amendment No. 110*, providing income tax reductions contingent upon limitations on Federal spending, by rollcall vote (No. 27) of 61 yeas, 33 nays (Mar. 27, Congressional Record S3445).

## HOUSE ACTION

Apr. 2, 1979.—House agreed to Senate amendments.

## BILL SIGNED

Apr. 2, 1979.—Signed by the President.

(Public Law 96-5)

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

## H.R. 2531★—Continued

## AMENDMENTS—Continued

- Mar. 22, 1979  
No. 5  
(116) (Long, Bellmon, Bentsen, Byrd of West Virginia, Chiles, Cranston, Exon, Ford, Hart, Magnuson, Nelson, Nunn, Packwood, Stewart) Provides that the budget committees shall report, by Apr. 15, 1979, a fiscal year budget for 1981 that shall be in balance, and also a fiscal year budget for 1982 that shall be in balance, and by Apr. 15, 1980, a fiscal year budget for 1981 that shall be in balance, and by Apr. 15, 1981, a fiscal year budget for 1982 that shall be in balance; and the budget committees shall show the consequences of each budget on each budget function and on the economy, setting forth the effects on revenues, spending, employment, inflation, and national security.
- Mar. 22, 1979  
No. 6  
(117) (Dole) Modifies amendment No. 111 by: (1) changing the two-thirds requirement to a three-fifths requirement, and (2) adding a new section at the end of the bill containing the same language as amendment No. 116.
- Mar. 26, 1979  
No. 7  
(118) (Moynihan) Requires that the Congress, in considering balanced budgets for fiscal years 1981 and 1982 (as provided for in amendment 116) "shall maintain, as nearly as possible, equal per capita expenditure levels among the several States adjusted for differing costs of living, and shall maintain equal per capita expenditure levels among the territories and possessions of the United States which bear the same ratio to the per capita expenditure levels for the several States as the per capita expenditure levels for such territories and possessions for fiscal year 1979 bear to the per capita expenditure levels for the several States for that fiscal year."
- Mar. 26, 1979  
No. 8  
(119) (Moynihan) Requires that the President and the Congress, in considering balanced budgets for fiscal years 1981 and 1982 (as provided for in amendment 116) "shall, in the course of reducing Federal outlays and expenditures, allocate such reductions among the several States on an equitable basis in order to insure that some States are not required to sacrifice more than others simply because of the nature of the Federal programs being carried out within those States."
- Mar. 26, 1979  
No. 9  
(120) (Moynihan) Requires that the Budget Committees, in developing balanced budgets for fiscal years 1981 and 1982 (as provided for in amendment 116), report on the impact of expenditure reductions on (1) the distribution of Federal funds among States and regions; (2) urban, suburban, and rural areas; and (3) States and political subdivisions as related to variations in unemployment, tax effort, cost of living, age distribution within the population, and proportion of population living in poverty.

### SUMMARY OF HOUSE BILL

(Provides a countercyclical meat import formula which will:

- (a) permit more imports of meat over the cattle cycle than would be permitted under the current law;
- (b) permit greater imports of meat when domestic supplies are low and consumer prices are high;
- (c) permit smaller imports of meat when domestic supplies are abundant and consumer prices low; and
- (d) provide for Presidential authority to increase meat quotas or suspend them under certain emergency conditions or when certain data indicate a "turn" in the cattle cycle.)

### AMENDMENTS

(Public Law 96-177)

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)**H.R. 2759★**

To establish an interim procedure for the orderly development of hard mineral resources in the deep seabed, pending adoption of an international regime relating thereto, and for other purposes. (Title IV, within the Finance Committee's jurisdiction imposes an excise tax on the removal from the deep seabed of nodules containing manganese, nickel, cobalt, or copper.)

June 11, 1980.—Held at the desk in the Senate and placed on the calendar.

June 23, 1980.—Passed Senate amended (without amendment to title IV).

June 25, 1980.—House agreed to Senate amendments.

June 28, 1980.—Signed by the President.

(Public Law 96-283)

**H.R. 2797★**

July 18, 1979

To make technical corrections related to the Revenue Act of 1976

July 20, 1979.—Referred to Office of Management and Budget and Department of the Treasury.

## LIST OF PROVISIONS

**A. Technical Amendments to the Revenue Act of 1978:**

1. Coordination of amendments made by the Revenue Act of 1978 and the Energy Tax Act of 1978.
2. Technical amendments relating to individual income tax reductions and extensions:
  - a. Eligibility for earned income credit for persons claiming section 913 deductions;
  - b. Treatment of earned income credit as earned income under AFDC and SSI;
  - c. Correction of effective date for advance payment of earned income credit;
  - d. Clerical amendment to earned income credit; and
  - e. Relationship of section 85 of the Code to railroad unemployment compensation.
3. Technical amendments relating to deferred compensation and ESOP provisions:
  - a. Extension of deferred compensation rules to certain rural electric cooperatives and their trade organizations;
  - b. Nondiscriminatory participation requirement for cafeteria plans;
  - c. Effective date of cafeteria plan provisions;
  - d. Clerical amendments relating to normalization of the investment tax credit for contributions to an ESOP;
  - e. Effective dates for ESOPs and leveraged employee stock ownership plans;
  - f. Definition of qualifying employer security for leveraged employee stock ownership plans;
  - g. Nonrecognition of gain or loss on contribution to ESOP;
  - h. Leveraged employee stock ownership plans may distribute cash in certain cases;
  - i. Matched employer and employee contributions must stay in plan;
  - j. Coordination of deduction for estate tax attributable to income in respect of a decedent and income tax on lump sum distributions from retirement plans; and
  - k. Clerical amendment relating to voting rights on employer securities held by qualified plans and other clerical amendments.

## COMMITTEE ACTION

Nov. 7, 1979.—Public hearing.

Dec. 13, 1979.—Reported favorably to the Senate (S. Rept. 96-498), amended to include the following list of provisions:

**A. Technical Amendments to the Revenue Act of 1978:**

1. Coordination of amendments made by the Revenue Act of 1978 and the Energy Tax Act of 1978.
2. Technical amendments relating to individual income tax reductions and extensions:
  - a. Eligibility for earned income credit for persons claiming section 913 deductions;
  - b. Treatment of earned income credit as earned income under AFDC and SSI;
  - c. Correction of effective date for advance payment of earned income credit;
  - d. Clerical amendment to earned income credit; and
  - e. Relationship of section 85 of the Code to railroad employment compensation.
3. Technical amendments relating to deferred compensation and ESOP provisions:
  - a. Extension of deferred compensation rules to certain rural electric cooperatives and their trade organizations;
  - b. Deferral of effective date of deduction timing rules relating to deferred compensation payments to independent contractors;
  - c. Nondiscriminatory participation requirement for cafeteria plans;
  - d. Effective date of cafeteria plan provisions;
  - e. Employee stock ownership plan name change;
  - f. Clerical amendments relating to normalization of the investment tax credit for contributions to a tax credit employee stock ownership plan;
  - g. Effective dates for tax credit employee stock ownership plans and employee stock ownership plans;
  - h. Definition of qualifying employer security for employee stock ownership plans;
  - i. Nonrecognition of gain or loss on contribution to tax credit employee stock ownership plans;
  - j. Employee stock ownership plans may distribute cash in certain cases;
  - k. Matched employer and employee contributions must stay in plan;

COMMITTEE ACTION—Continued

## LIST OF PROVISIONS—Continued

## A. Technical Amendments to the Revenue Act of 1978—Continued

## 4. Technical amendments relating to retirement plans:

- a. Exclusion of certain employees from participation in simplified employee pensions;
- b. Exemption from FICA and FUTA taxes for employer contributions to simplified employee pensions;
- c. Clarification of rules relating to excess contributions to simplified employee pensions;
- d. Contributions to simplified employee pensions after age 70½;
- e. Coordination of H.R. 10 plans and subchapter S corporation plans with simplified employee pensions;
- f. Clerical amendments relating to simplified employee pensions;
- g. Special limits on benefits under certain defined benefit pension plans;
- h. Limitations for certain collectively bargained pension plans;
- i. Clerical amendment regarding tax-sheltered annuities;
- j. Effective date of section 403(b) annuity rollovers and transitional rule for payments received in 1978;
- k. Clerical amendments regarding IRAs;
- l. Spousal rollovers;
- m. Extension of transitional rule relating to removal of five-year requirement for a rollover; and
- n. Clerical amendments regarding IRAs.

## 5. Technical amendments relating to tax shelter provisions:

- a. Correction of attribution rules for at risk provision;
- b. Clarification of recapture rules of at risk provision;
- c. Clarification of limitation on recapture of losses under at risk provision;
- d. Waiver of controlled group rule where there is substantial leasing activity; and
- e. Certain clerical amendments to procedural provisions.

## 6. Technical amendments relating to the investment credit:

- a. Clarification of normalization provisions for purposes of investment tax credit;
- b. Clerical amendment to special rules for energy property;
- c. Coordination of investment credit rules for pollution control equipment;
- d. Treatment of noncorporate lessors for purposes of the investment credit for rehabilitation expenditures; and
- e. Coordination of regular investment credit for rehabilitation expenditures with energy investment credit.

## 7. Technical amendments relating to the targeted jobs credit and the WIN credit:

- a. Rules for work incentive credit and targeted jobs credit for cooperatives;
- b. Correction of expiration date of targeted jobs credit;
- c. Clarification of effective date for election of jobs credit;
- d. Clarification of effective date for newly targeted groups under jobs credit;
- e. Clarification of transitional rule for fiscal year taxpayers claiming jobs credit;

## A. Technical Amendments to the Revenue Act of 1978—Continued

## 3. Technical amendments relating to deferred compensation—Continued

- l. Amount of matching employer contributions to a tax credit employee stock ownership plan;
- m. Time for contribution of matching employer contributions to a tax credit employee stock ownership plan;
- n. Time for establishing a tax credit employee stock ownership plan;
- o. Definition of employer securities for tax credit employee stock ownership plan and employee stock ownership plan purposes;
- p. Voting rights for participants in employee stock ownership plans;
- q. Coordination of deduction for estate tax attributable to income in respect of a decedent and income tax on lump sum distributions from retirement plans;
- r. Unrealized appreciation in employer securities; and
- s. Clerical amendment relating to voting rights on employer securities held by qualified plans and other clerical amendments.

## 4. Technical amendments relating to retirement plans:

- a. Exclusion of certain employees from participation in simplified employee pensions;
- b. Exemption from FICA and FUTA taxes for employer contributions to simplified employee pensions;
- c. Clarification of rules relating to excess contributions to simplified employee pensions;
- d. Contributions to simplified employee pensions after age 70½;
- e. Coordination of H.R. 10 plans and subchapter S corporation plans with simplified employee pensions;
- f. Integration of simplified employee pensions with Social Security;
- g. Penalty for failure to file reports;
- h. Aggregation of simplified employee pensions;
- i. Clerical amendments relating to simplified employee pensions;
- j. Special limits on benefits under certain defined benefit pension plans;
- k. Limitations for certain collectively bargained pensions plans;
- l. Clerical amendment regarding tax-sheltered annuities;
- m. Effective date of section 403(b) annuity rollovers and transitional rule for payments received in 1978;
- n. Clerical amendments regarding IRAs;
- o. Spousal rollovers;
- p. Extension of transitional rule relating to removal of five-year requirement for a rollover;
- q. Clerical amendments regarding IRAs; and
- r. Correction of cross references in Code section 401(a).

## 5. Technical amendments relating to tax shelter and partnership provisions:

- a. Correction of attribution rules for at risk provision;
- b. Clarification of recapture rules of at risk provision;
- c. Clarification of limitation on recapture of losses under at risk provision;

Apr. 1, 1980.—Signed by the President.

(Public Law 96-222)

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 3091★

To extend for 1 year the provisions of law relating to the business expenses of State legislators.

(Extends, for 1 additional year, the effective date for the tax treatment of travel expenses incurred by State legislators while away from home to taxable years beginning before January 1, 1979.)

## SENATE ACTION

Mar. 28, 1979.—Ordered held at the desk.

Mar. 28, 1979.—Passed by the Senate, by voice vote (Congressional Record S3580), after adopting a Long UP amendment No. 56 which:

- (a) makes permanent, provision for Federal matching of costs incurred by States for providing services to non-AFDC families assisting them in obtaining child support from absent families;
- (b) restores permanently, the authority of States to use social services funds to pay the costs of employing welfare recipients in child care jobs; and
- (c) reinstates and makes permanent, temporary provisions of law relating to the use of title XX funds for certain services to alcoholics and drug addicts.

## CONFERENCE ACTION

Apr. 10, 1979.—House disagreed to Senate amendment.

Apr. 24, 1979.—Senate insisted on its amendment, requested a conference with the House, and named the following conferees: Messrs. Long, Talmadge, Moynihan, Boren, Dole, and Packwood.

Apr. 26, 1979.—House insisted on its disagreement to the Senate amendment, agreed to a conference, and named the following conferees: Messrs. Ullman, Rostenkowski, Corman, Rangel, Conable, and Rousselot.

Dec. 19, 1979.—Conference report filed in the House (H. Rept. 96-718) with the conferees having taken the following action:

## BUSINESS EXPENSES OF STATE LEGISLATORS

Both House and Senate versions contain a provision extending for 1 year the provisions of law relating to the business expenses of State legislators.

## CHILD SUPPORT ENFORCEMENT FOR NON-AFDC FAMILIES

Conference agreement follows the Senate amendment, except the authority for Federal matching funds would be effective only for the period Oct. 1, 1978 through Mar. 31, 1980.

## PROVISIONS RELATING TO AUTHORITY TO HIRE WELFARE RECIPIENTS AS CHILD CARE WORKERS

Conference agreement follows the Senate amendment, except the authority to use title XX funds to make grants to qualified child day care providers would be effective only for the period Oct. 1, 1978 through Mar. 31, 1980, and the tax credit for hiring welfare recipients would apply only with respect to taxable years beginning after Dec. 31, 1978 and before Jan. 1, 1980.

## TITLE XX SERVICES TO ALCOHOLICS AND DRUG ADDICTS

Conference agreement follows the Senate amendment, except the authority for the title XX matching funds would be available only for the period Oct. 1, 1978 through Mar. 31, 1980.

Dec. 10, 1979.—Conference report agreed to by the House, by voice vote (Congressional Record H12331).

Dec. 20, 1979.—Senate agreed to conference report, by voice vote (Congressional Record S10341).

Jan. 2, 1980.—Signed by the President.

H.R. 3122★

Sept. 11, 1979

Relating to the tariff treatment of certain articles.

## SUMMARY

(Bill:

- (a) eliminates the duty on certain dyeing and tanning materials;
- (b) suspends duty on wood excelsior, including excelsior pads and wrappings, until July 1, 1981;
- (c) suspends duty on imports of nitrocellulose until June 30, 1980;
- (d) suspends duty on 2-methyl-4-chlorophenol until June 1, 1981;
- (e) temporarily reduces duty on high aluminum content ceramic insulators used in spark plugs, until July 1, 1981; and
- (f) extends previously expired suspension of duty on zinc ore until July 1, 1981.)

Sept. 13, 1979.—Referred to Office of Management and Budget, International Trade Commission, Special Representative for Trade Negotiations, and Departments of the Treasury, State, Commerce, and Agriculture

Oct. 23, 1979.—Report from the International Trade Commission (analysis).

## COMMITTEE ACTION

Dec. 11, 1979.—Reported favorably to the Senate (S. Rept. 96-474), amended as follows:

(1) *Certain dyeing and tanning materials.*—Provides for permanent duty-free treatment of certain dyeing and tanning materials of vegetable origin.

(2) *Wood excelsior.*—Suspends the duty applicable to most-favored-nation (MFN) imports of wood excelsior from the date of enactment through June 30, 1981.

(3) *Soluble nitrocellulose.*—Suspends the duty applicable to MFN imports of soluble nitrocellulose from the date of enactment through June 30, 1980.

(4) *2-methyl-4-chlorophenol.*—Suspends the duty applicable to MFN imports of 2-methyl-4-chlorophenol from the date of enactment through June 30, 1981.

(5) *Certain ceramic insulators.*—Reduces the duty on MFN imports of certain ceramic insulators used in spark plugs to 4 percent from the date of enactment through June 30, 1981.

(6) *Certain forms of zinc.*—Reinstates the suspension of duty on MFN imports of certain forms of zinc through June 30, 1981. The suspension would apply retroactively, upon timely request, to such articles entered, or withdrawn from warehouse, for consumption after June 30, 1978.

(7) *Carillon bells.*—Provides for permanent duty-free treatment of MFN imports of carillon and similar tuned bells (in sets containing more than 34 bells) after the date of enactment, and for retroactive duty-free treatment with respect to specific carillon bells already entered for the use of Wake Forest University and the University of Florida.

(8) *Telescope project.*—Continues duty-free treatment from June 30, 1980, through June 30, 1982, with respect to the importation of a telescope and other articles for the use of the Canada-France-Hawaii telescope project in Hawaii.

(9) *Synthetic rutile.*—Reinstates the suspension of duty on MFN imports of synthetic rutile. The suspension would terminate at the close of June 30, 1982, and would apply retroactively, upon timely request, to imports entered, or withdrawn from warehouse, for consumption after June 30, 1979.

(10) *Tantalum/columbium concentrates.*—Provides for permanent duty-free treatment of MFN imports of synthetic tantalum/columbium concentrates.

(11) *Cobalt alloys.*—Provides for suspension of duty on MFN imports of unwrought alloys of cobalt containing, by weight, 76 percent or more but less than 99 percent cobalt, from the date of enactment through June 30, 1982.

(12) *Bicycle parts.*—Extends through June 30, 1983 the existing suspension of duties on MFN imports of certain bicycle parts.

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 3122★—Continued

## COMMITTEE ACTION—Continued

(13) *Manganese ore*.—Reinstates the suspension of duty on MFN imports of manganese ore through June 30, 1982. The suspension would apply retroactively, upon timely request, to such imports entered, or withdrawn from warehouse, for consumption after June 30, 1979.

(14) *Model household furnishings and accessories*.—Creates a new item in the Tariff Schedules of the United States (TSUS) for model household furnishings and accessories which would provide an 8 percent *ad valorem* duty for MFN imports and 45 percent *ad valorem* duty for non-MFN imports.

(15) *Rubber*.—Amends the definition of "rubber" in the headnotes of the TSUS to preserve existing Customs Service practice relating to the classification of products as rubber or as containing rubber.

(16) *Technical corrections*.—Corrects four technical errors in the Trade Agreements Act of 1979.

(17) *Roof tiles for the Chinese Cultural and Community Center, Philadelphia, Pa.*—Permits a one-time duty-free entry of roof tiles from the People's Republic of China for the use of the Chinese Cultural and Community Center in Philadelphia, Pa.

(18) *Certain field glasses, opera glasses, and binoculars*.—Provides for suspension of duties on MFN imports of fieldglasses, opera glasses, and prism binoculars from the date of enactment through December 31, 1981.

## FURTHER COMMITTEE ACTION

Apr. 30, 1980.—Committee agreed to offer text of H.R. 2492, H.R. 3317 and H.R. 3755 as passed by the House as committee amendments on the floor to H.R. 3122. (See below.)

## SENATE ACTION

Oct. 1, 1980.—Passed by the Senate, by voice vote (Congressional Record S14238-S14245), after agreeing to the committee amendment and Byrd of West Virginia (for Long), UP amendment No. 1724, modifying the committee amendment as follows:

## Modified Provisions

- (a) *Certain forms of zinc*.—Reinstates the suspension of duty on MFN imports of certain forms of zinc through June 30, 1984 (rather than June 30, 1981 as originally reported);
- (b) *Manganese ore*.—Provides for duty-free treatment of manganese ore imported after June 30, 1979 and on or before Dec. 31, 1979 (after Dec. 31, 1979, permanent duty-free treatment is applicable to these ores as a result of a tariff concession made in the MTN); and
- (c) *Model household furnishings and accessories*.—Deletes this provision; and
- (d) *Certain field glasses, opera glasses, and binoculars*.—Provides for permanent duty-free treatment (rather than a temporary suspension as originally reported).

## SENATE ACTION—Continued

## New Provisions

- (a) *Crude feathers and downs (text of H.R. 2492 as passed the House)*.—Provides for suspension of duties on MFN imports of crude feathers and downs from the date of enactment through June 30, 1984;
- (b) *Ohio Wesleyan University (text of H.R. 3317 as passed the House)*.—Provides duty-free entry of a pipe organ and accompanying parts and accessories for Ohio Wesleyan University;
- (c) *St. Paul's Episcopal Church, Riverside, Conn. (text of H.R. 3755 as passed the House)*.—Provides duty-free entry of components for a pipe organ for St. Paul's Episcopal Church;
- (d) *Steel wire (text of H.R. 4309 as passed the House)*.—Provides for a change in definition of steel wire so as to exclude the "cut to length" products from that definition; and
- (e) *U.S. Customs Service duties at deepwater ports*.—Clarifies the duties of the U.S. Customs Service at deepwater ports.

## HOUSE ACTION

Oct. 2, 1980.—House agreed to Senate amendments.

## BILL SIGNED

Oct. 17, 1980.—Signed by the President.

Public Law 96-467

H.R. 3236★

Sept. 11, 1979

To amend title II of the Social Security Act to provide better work incentives and improved accountability in the disability insurance program, and for other purposes.

## SUMMARY

## LIMITATION ON TOTAL FAMILY BENEFITS

In the case of disabled workers who become entitled to a disability insurance benefit in the future, a limit would be established on the maximum amount of total benefits that may be paid to workers and their dependents. The limit would be 80 percent of a worker's average indexed monthly earnings (AIME) or 150 percent of

Sept. 13, 1979.—Referred to Office of Management and Budget and Departments of the Treasury and Health, Education, and Welfare.

## COMMITTEE ACTION

Oct. 9 and 10, 1979.—Public hearings.

Nov. 8, 1979.—Reported favorably to the Senate (S. Rept. 96-408) amended as follows:

## DISABILITY INSURANCE

## LIMIT ON FAMILY BENEFITS

Limits total DI family benefits to an amount equal to the smaller of 85 percent of the worker's AIME or 160 percent of the worker's

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 3236★—Continued

## SUMMARY—Continued

## LIMITATION ON TOTAL FAMILY BENEFITS—Continued

primary insurance amount (PIA), whichever is lower (but with a minimum guarantee of 100 percent of the PIA).

## VARIABLE DROP-OUT YEARS FOR YOUNGER DISABLED WORKERS

The number of years of low or no earnings that can be dropped in computing a disabled worker's benefits who becomes entitled in the future would vary by the age of the worker, according to the following schedule:

| Worker's age:      | Number of dropout years |
|--------------------|-------------------------|
| Under 27.....      | 0                       |
| 27 through 31..... | 1                       |
| 32 through 36..... | 2                       |
| 37 through 41..... | 3                       |
| 42 through 46..... | 4                       |
| 47 and over.....   | 5                       |

The provision would also credit 1 dropout year for each year in which the worker provides principal care of a child under age 6. In no case could the number of dropout years exceed 5.

## WORK INCENTIVES

To stimulate more disabled beneficiaries to return to work despite their impairments, your committee's bill would:

- (a) Provide that the same trial work period applicable to disabled workers would be provided to disabled widowers;
- (b) Deduct extraordinary impairment-related work expenses, attendant care costs, and the cost of medical devices and equipment from his earnings for purposes of determining if a disabled person were engaging in substantial gainful activity (SGA);
- (c) Extend the present 9-month trial work period to 24 months. In the last 15 months of the 24-month period, the individual would not receive benefits if he earned over the SGA amount, but would retain his eligibility for benefits if he finds he must return to the disability rolls.
- (d) Extend Medicare coverage for an additional 36 months to disabled beneficiaries who return to substantial gainful work; and
- (e) Eliminate the second 24-month Medicare waiting period where a person again becomes disabled and entitled to benefits.

## DISABILITY DETERMINATIONS AND REVIEW OF STATE AGENCY

## ALLOWANCES

Authority would be granted to the Secretary to establish, through regulations, procedures and performance standards for the States to follow in the disability determination process. States would be given the option of (1) continuing to administer the program in compliance with these regulations, or (2) turning over administration to the Federal Government.

Also, the Secretary would be required to review State agency determinations before the payment of benefits and must review the following percentages of allowances: at least 15 percent in fiscal year 1980; at least 35 percent in fiscal year 1981; and at least 65 percent in fiscal year 1982 and thereafter.

## COMMITTEE ACTION—Continued

## DISABILITY INSURANCE—Continued

## LIMIT ON FAMILY BENEFITS—Continued

PIA. Under the provision no family benefit would be reduced below 100 percent of the worker's primary benefit. The limitation would be effective only with respect to individuals who first become entitled to benefits on or after January 1, 1980, based on disabilities that began after calendar year 1978.

The Secretary would be required to report to the Congress by January 1, 1985 on the effect of the limitation on benefits and of other provisions of the bill.

## REDUCTION IN DROPOUT YEARS

Includes a provision, which would apply to all disabled workers who first become entitled after 1979, that would exclude years of low earnings (or no earnings) in the computation of benefits according to the following schedule:

| Worker's age:      | Number of dropout years |
|--------------------|-------------------------|
| Under 32.....      | 1                       |
| 32 through 36..... | 2                       |
| 37 through 41..... | 3                       |
| 42 through 46..... | 4                       |
| 47 and over.....   | 5                       |

The provision would become effective in January 1980.

## MEDICARE WAITING PERIOD

Eliminates the requirement that a person who becomes disabled a second time must undergo another 24-month waiting period before medicare coverage is available to him. The amendment would apply to workers becoming disabled again within 60 months, and to disabled widows and widowers and adults disabled since childhood becoming disabled again within 84 months. In addition, where a disabled individual was initially on the cash benefit rolls, but for a period of less than 24 months, the months during which he received cash benefits would count for purposes of qualifying for medicare coverage if a subsequent disability occurred within those time periods.

## EXTENSION OF MEDICARE FOR DI BENEFICIARIES

Extends medicare coverage for an additional 36 months after cash benefits cease for a worker who is engaging in substantial gainful activity but has not medically recovered.

## SUPPLEMENTAL SECURITY INCOME

## BENEFITS FOR SSI RECIPIENTS WHO PERFORM SUBSTANTIAL GAINFUL ACTIVITY

Includes an amendment which provides that a disabled individual who loses his eligibility for regular SSI benefits because of performance of substantial gainful activity SGA would become eligible for a special benefit status which would entitle him to cash benefits equivalent to those he would be entitled to receive under the regular SSI program. Persons who receive these special benefits would be eligible for medical and social services on the same basis as regular SSI recipients. States would have the option of supplementing the special Federal benefits. When the individual's earnings exceeded the amount which would cause the cash benefits to be reduced to zero (\$481 at the present time), the special benefit status would be terminated for purposes of eligibility for

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 3236★—Continued

## SUMMARY—Continued

## REHABILITATION EXPENDITURES

Replaces the current Beneficiary Rehabilitation Program with a program of disability trust fund reimbursements for vocational rehabilitations which meet performance standards based on return to the labor market. A State could receive twice the State's share of the cost of rehabilitation services if those services result in the disabled beneficiary engaging in substantial gainful activity or employment in a sheltered workshop for 12 continuous months. Also, monthly benefits would continue to be paid to people who have medically recovered if they are still in an approved vocational rehabilitation program, if the Social Security Administration determines that continuing in such a program will increase the probability of the person going off the benefit rolls permanently.

## PERIODIC REVIEW OF DISABILITY DETERMINATIONS

Each beneficiary on the rolls, unless a finding has been made that his disability is permanent, would be reviewed at least once every 3 years.

## PAYMENT FOR EXISTING MEDICAL EVIDENCE

The social security trust funds would reimburse non-Federal institutions and physicians for medical evidence of record that they submitted to support claims for disability benefits.

## DETAILED DECISION NOTICES

Notices to claimants for benefits would provide a brief statement of the pertinent law and regulations, a concise summary of the evidence and reason for the decision.

## PAYMENT FOR CERTAIN TRAVEL EXPENSES

The social security trust funds would pay for reasonable costs of travel for claimants to obtain required medical examinations, and for claimants and their witnesses and representatives to reconsideration interview, and hearings. Previously, these amounts have been authorized under annual appropriations acts.

## AMENDMENTS

- Dec. 3, 1979  
No. 1  
(731)  
(Percy, Armstrong, Burdick, Byrd of Virginia, Cannon, Cranston, Ford, Garn, Hatch, Hatfield, Hayakawa, Hollings, Huddleston, Humphrey, Jackson, Laxalt, Matsunaga, Nunn, Randolph, Roth, Schweiker, Stevens, Thurmond, Welcker, Young, Zorinsky) Provides that aliens who cannot provide evidence of self-sufficiency would have to be sponsored by an individual who agrees to support them, if necessary, for up to 3 years after the date of entry at a level equal to the SSI benefit level.
- Dec. 5, 1979  
No. 2  
(740)  
(Bayh) Eliminates the 5-month waiting period in the case of any disabled individual where death is expected within the next 12 months.
- Dec. 5, 1979  
No. 3  
(741)  
(Bellmon) Limits total family benefits to the lesser of 80 percent of average indexed monthly earnings or 130 percent of the worker's benefit.

## COMMITTEE ACTION—Continued

## SUPPLEMENTAL SECURITY INCOME—Continued

## BENEFITS FOR SSI RECIPIENTS WHO PERFORM SUBSTANTIAL GAINFUL ACTIVITY—Continued

medical and social services, unless the Secretary found (1) that termination of eligibility for these benefits would seriously inhibit the individual's ability to continue his employment, and (2) the individual's earnings were not sufficient to allow him to provide for himself a reasonable equivalent of the cash and other benefits that would be available to him in the absence of earnings.

## EMPLOYMENT IN SHELTERED WORKSHOPS

Provides that earnings received in sheltered workshops and work activities centers would be considered as earned income, rather than unearned income, for purposes of determining SSI benefits. This would assure that individuals with earnings from these kinds of activities would have the advantage of the earned income disregards provided in law for earnings from regular employment.

## DEEMING OF PARENTS' INCOME TO DISABLED OR BLIND CHILDREN

Provides that for purposes of SSI eligibility determination, the "deeming" of parents' income and resources would be limited to disabled or blind children under 18 regardless of student status. Those individuals who on the effective date of the provision are age 18 and over are receiving benefits at that time and would be protected against loss of benefits due to this change.

## PROVISIONS RELATING TO THE TITLE II AND TITLE XVI DISABILITY PROGRAMS

## TERMINATION OF BENEFITS FOR PERSONS IN VOCATIONAL REHABILITATION PROGRAMS

Provides that disability benefits would not be terminated due to medical recovery if the beneficiary is participating in an approved vocational rehabilitation program which the Social Security Administration determines will increase the likelihood that the beneficiary may be permanently removed from the disability rolls.

## DEDUCTION OF IMPAIRMENT-RELATED WORK EXPENSES

Includes a provision to permit the deduction of costs of impairment-related work expenses, attendant care costs, and the cost of medical devices, equipment, and drugs and services (necessary to control an impairment) from earnings for purposes of determining whether an individual is engaging in substantial gainful activity. This deduction would be made both in the case where the individual pays the costs himself, and where the cost is paid by a third party. The Secretary of HEW would be given authority to specify in regulations the type of care, services, and items that may be considered necessary to enable a disabled person to engage in SGA, and the amount of earnings to be excluded subject to such reasonable limits based on actual, prevailing costs as the Secretary would prescribe.

## REENTITLEMENT TO BENEFITS

Provides that for purposes of the DI and SSI programs the present 9-month trial work period would be extended to 24 months. In the last 12 months of the 24-month period the individual would not receive cash benefits, but could automatically be reinstated to active benefits status if a work attempt fails. The bill also provides that the same trial work period would be applicable to disabled widow(er)s.

No. 4  
(742) (Bellmon) Terminates committee provision relating to Federal-State relationship in the disability determination process.
- Dec. 5, 1979  
No. 5  
(743) (Bellmon) Provides that new evidence of disability may be submitted only up to the point of State agency decision.
- Dec. 5, 1979  
No. 6  
(744) (Bellmon) Requires that workers under age 55 be found disabled only if their inability to work could be determined entirely on the basis of the severity of their medical condition. Consideration of vocational factors (age, education, work experience) would be permitted only for workers age 55 or over.
- Dec. 5, 1979  
No. 7  
(745) (Nelson, Huddleston) The amendment, in the event that Federal assumption of the disability determination process became necessary in a State, (1) would require that former State agency employees who are capable of performing duties in the process be given a preference over all other persons for filling appropriate new Federal positions and (2) would prohibit the Department from undertaking review of disability claims until he finds that the State had made fair and equitable arrangements to protect the interests of those State employees who are not hired as Federal employees.
- Dec. 6, 1979  
No. 8  
(749) (Bayh) Eliminates the 5-month waiting period in the case of any disabled individual where death is expected within the next 12 months.
- Dec. 13, 1979  
No. 9  
(1440) (Helms) Defers the effective date of change (until 1982), of the committee's provision which ended the exemption from social security taxes of the employers' payment of an employee's share of the social security tax.
- Dec. 13, 1979  
No. 10  
(1441) (Helms) Similar to amendment 1440 but defers the effective date of change until 1983, and continues permanently the exemption from social security taxes of compensation provided in the form of an employer payment of employee social security taxes for all employers who had begun this practice by the end of 1982.
- Dec. 13, 1979  
No. 11  
(1442) (Helms, Armstrong, Hatch, Thurmond) Deletes the committee provision relating to exemption from social security tax on employer payment of employee share.

## COMMITTEE ACTION—Continued

## PROVISIONS RELATING TO THE TITLE II AND TITLE XVI DISABILITY PROGRAMS—Continued

## ADMINISTRATION BY STATE AGENCIES

Requires that disability determinations be made by State agencies according to regulations or other written guidelines of the Secretary.

## FEDERAL REVIEW OF STATE AGENCY DETERMINATIONS

Reinstitutes a review procedure used by SSA until 1972 under which most State disability allowances were reviewed prior to the payment of benefits. The committee bill provides for preadjudicative Federal review of at least 15 percent of allowances and denials in fiscal year 1981, 35 percent in 1982, and 65 percent in years thereafter.

## PERIODIC REVIEW OF DISABILITY DETERMINATIONS

Requires that unless there has been a finding that an individual's disability is permanent, there would have to be a review of the case at least once every 3 years to determine continuing eligibility.

## OTHER ADMINISTRATIVE CHANGES

Includes a number of provisions intended to strengthen administrative practices particularly in regard to the handling of initial claims and cases denied which are under appeal. These provisions would:

1. Require that notices of disability denial be provided to claimants expressed in language understandable to the claimant, which include a discussion of the evidences of record and the reasons why the disability claim is denied.

2. Authorize the Secretary to pay all non-Federal providers for costs of supplying medical evidence of record in title II claims as is done in title XVI (SSI) claims.

3. Provide permanent authority for payment of the travel expenses of claimants (and their representatives in the case of reconsiderations and ALJ hearings) resulting from participation in various phases of the adjudication process.

4. Eliminate the provision in present law which requires that cases which have been appealed to the district court be remanded by the court to the Secretary upon motion by the Secretary. Instead, remand would be discretionary with the court, and only on motions by the Secretary where "good cause" was shown.

5. Continue the provision of present law which gives the court discretionary authority to remand cases to the Secretary, but add the requirement that remand for the purpose of taking new evidence be limited to cases in which there is a showing that there is new evidence which is material and that there was good cause for failure to incorporate it into the record in a prior proceeding.

6. Modify present law with respect to court review to provide that the Secretary's determinations with respect to facts would be final unless found to be arbitrary and capricious.

7. Foreclose the introduction of new evidence with respect to an application after the decision is made at the administrative law judge hearing level. At the present time new evidence may be introduced until all levels of administrative review have been exhausted (through the Appeals Council).

8. Require the Secretary to submit a report to Congress by July 1, 1980, recommending appropriate case processing time limits for the various levels of adjudication.

No. 17  
(1628) (Metzenbaum, Eagleton, Kennedy, McGovern, Williams) Deletes committee provisions relating to limitation on total family benefits in disability cases and reduction in number of dropout years for younger disabled workers.
- Jan. 30, 1980  
No. 18  
(1645) (Bellmon) Requires increased review of administrative law judge decisions.
- Jan. 30, 1980  
No. 19  
(1646) (Javits, Cranston, Metzenbaum, Ribicoff) Allows higher total family benefits than the committee bill for disabled workers who have primary benefits in the range of \$283 to \$487 per month.

## AFDC WORK REQUIREMENT

Provides that AFDC recipients who are not exempt from registration by law would be required, as a condition of continuing eligibility for AFDC, to register for, and participate in, employment search activities, as a part of the WIN program. The amendment would require the provision of such social and supportive services as are necessary to enable the individual actively to engage in activities related to finding employment, and for a period thereafter, as are necessary and reasonable to enable him to retain employment. In addition, it would allow States to match the Federal share for social and supportive services with in-kind goods and services, instead of being required to make only a cash contribution. The amendment would provide for locating manpower and supportive services together to the maximum extent feasible, eliminate the requirement for a 60-day counseling period before assistance can be terminated, and authorize the Secretaries of Labor and Health, Education, and Welfare to establish the period of time during which an individual will continue to be ineligible for assistance in the case of a refusal without good cause to participate in a WIN program. The amendment would also clarify the treatment of earned income derived from public service employment.

## MATCHING FOR AFDC ANTI-FRAUD ACTIVITIES

Anti-fraud activities for costs incurred (1) by the welfare agencies in the establishment and operation of one or more identifiable fraud control units; (2) by attorneys employed by the State or local welfare agencies (but only for the costs identifiable as AFDC anti-fraud activities); and (3) by attorneys retained under contract (such as the office of the State attorney).

## USE OF IRS TO COLLECT SUPPORT FOR NON-AFDC FAMILIES

Extends IRS's collection responsibilities to non-AFDC child support enforcement cases, subject to the same certification and other requirements that are now applicable in the case of families receiving AFDC.

## SAFEGUARDING INFORMATION

Present law provides in part that State plans under title IV-A (AFDC) include safeguards which prevent disclosure of the name or address of AFDC applicants or recipients to any committee or a legislative body. HEW regulations include Federal, State, or local committees or legislative bodies under this provision. Under their guidelines, HEW exempts audit committees from this exclusion. Several States, however, do not honor the HEW exemption. The committee bill would modify this section of the act to clarify that any governmental agency (including any legislative body or component or instrumentality thereof) authorized by law to conduct an audit or similar activity in connection with the administration of the AFDC program is not included in the prohibition. The amendment would make similar changes with regard to audits under title XX of the Social Security Act.

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 3236★—Continued

## COMMITTEE ACTION—Continued

AID TO FAMILIES WITH DEPENDENT CHILDREN AND CHILD SUPPORT  
PROGRAMS—ContinuedFEDERAL MATCHING FOR CHILD SUPPORT DUTIES PERFORMED BY COURT  
PERSONNEL

Present law requires that State child support plans provide for entering into cooperative arrangements with appropriate courts and law enforcement officials to assist the child support agency in administering the program. Federal regulations are now written in such a way as to allow States to claim Federal matching for the compensation of district attorneys, attorneys general, and similar public attorneys and prosecutors and their staff. However, States may not receive Federal matching for expenditures (including compensation) for or in connection with judges or other court officials making judicial decisions, and other supportive and administrative personnel.

The committee bill would allow Federal matching for administrative expenses of the IV-D program. Matching would cover expenditures (including compensation) for judges or other persons making judicial determinations, and other support and administrative personnel of the courts who perform IV-D functions, but only for those functions specifically identifiable as IV-D functions. Current levels of spending in the State for these newly matched activities would have to be maintained. No matching would be available for expenditures incurred before January 1, 1980.

## CHILD SUPPORT MANAGEMENT INFORMATION SYSTEM

Increases the rate of matching to 90 percent for the costs of developing and implementing this system. The cost of operating such systems would continue at the 75 percent matching rate. Under the amendment, the Office of Child Support Enforcement would be required, on a continuing basis, to provide technical assistance to the States and would have to approve the State system as a condition of Federal matching. Continuing review of the State systems would also be required.

## AFDC MANAGEMENT INFORMATION SYSTEM

Increases the rate of matching to 90 percent for the costs of developing and implementing the computer information systems and to 75 percent for their operation, provided the system meets the requirements imposed by the amendment.

## CHILD SUPPORT REPORTING AND MATCHING PROCEDURES

Prohibits advance payment of the Federal share of State administrative expenses for a calendar quarter unless the State has submitted a complete report of the amount of child support collected and disbursed for the calendar quarter which ended 6 months earlier. The amendment would also allow the Department of Health, Education, and Welfare to reduce the amount of the payments to the State by the Federal share of child support collections made but not reported by the State.

## ACCESS TO WAGE INFORMATION FOR CHILD SUPPORT PROGRAM

Provides authority for the States to have access to earnings information in records maintained by the Social Security Administration and State employment security agencies for purposes of the child support program. The Labor Department and the Department of HEW would be authorized to establish necessary safeguards against improper disclosure of the information.

## OTHER PROVISIONS AMENDING THE SOCIAL SECURITY ACT

## RELATIONSHIP BETWEEN SOCIAL SECURITY AND SSI BENEFITS

Provides that an individual's entitlement under the two titles shall be considered as a totality so that if payment under title II is delayed and therefore results in a higher payment under title XVI, the adjustment made in the case of any individual would be the net difference in total payment.

## EXTENSION OF TERM OF THE NATIONAL COMMISSION ON SOCIAL SECURITY

Extends for three months the expiration date of the National Commission on Social Security and the terms of its members. Under the committee provision, the Commission's work and the terms of its members would end on April 1, 1981.

## FREQUENCY OF FICA DEPOSITS FROM STATE AND LOCAL GOVERNMENTS

Requires that FICA deposits from State and local governments be due 30 days after the end of each month.

## ALIENS UNDER SSI

Requires an alien to reside in the United States for 3 years before he would be eligible for SSI.

## DEMONSTRATION AUTHORITY TO PROVIDE SERVICES TO THE TERMINALLY ILL

Authorizes the Social Security Administration to participate in a demonstration project which has as its purpose to determine how to provide services needed by persons who are terminally ill and authorizes up to \$2 million a year to be used by the Social Security Administration for this purpose.

## DEMONSTRATION PROJECT

Authorizes the waiver of certain benefit requirements of titles II and XVIII (medicare) to allow demonstration projects by the Social Security Administration to test ways in which to stimulate a return to work by disability beneficiaries, with a report to Congress required by January 1, 1983. The bill would also provide demonstration authority to cover areas of the DI program beyond the purpose of stimulating a return to work (for example, the effects of lengthening the trial work period, altering the 24-month waiting period for medicare benefits, altering the way the program is administered, earlier referral of beneficiaries for rehabilitation, and greater use of private contractors, employers and others to develop, perform or otherwise stimulate new forms of rehabilitation).

In addition, the Secretary would be authorized to conduct experimental, pilot, or demonstration projects which, in his judgment, are likely to promote the objective or improve the administration of the SSI program.

The committee bill would authorize the Secretary to waive certain requirements of the human experimentation statute, but would require that the Secretary in reviewing any application for any experimental, pilot, or demonstration project pursuant to the Social Security Act must take into consideration the human experimentation law and regulations in making his decision on whether to approve the application.

OTHER PROVISIONS AMENDING THE SOCIAL SECURITY  
Act—ContinuedSOCIAL SECURITY TAX STATUS OF EMPLOYEE SOCIAL SECURITY  
TAXES PAID BY EMPLOYERS

Includes the amount of any employer payment of the employee share of social security taxes in the employee's taxable income for purposes of social security taxation. The amendment would not apply to situations in which the employee share of social security taxes are paid by an employer for an individual who is employed as a domestic.

## SENATE ACTION:

Dec. 6, 1979, Jan. 30 and 31, 1980.—Considered and passed by the Senate, by rollcall vote (No. 27), of 57 yeas, 1 nay (Jan. 3, Congressional Record S723), after taking the following action on amendments thereto:

**Amendments Adopted:**

*Long UP amendment No. 860*, providing for voluntary certification of Medicare supplemental health insurance policies, by voice vote (Dec. 6, Congressional Record S17776); and

*Long (for Talmadge) UP amendment No. 861*, relating to Federal review of State agency disability determinations, by voice vote (Dec. 6, Congressional Record S17781).

*Percy amendment No. 731*, making the sponsors' affidavit of support of an alien a legally binding and enforceable agreement, by rollcall vote (No. 20), of 92 yeas, 0 nays (Jan. 30, Congressional Record S580);

*Baugh amendment No. 749 (modified)*, reducing the waiting period for disability benefits for the terminally ill, by rollcall vote (No. 19), of 70 yeas, 23 nays (Jan. 30, Congressional Record S592);

*Nelson amendment No. 745 (modified)*, providing employment protections for State employees who currently administer disability insurance in certain cases, by voice vote (Jan. 30, Congressional Record S590);

*Dole UP amendment No. 939 (to Baucus UP amendment No. 938)*, requiring a finding by the Secretary that State programs are inadequate before he implements certification program, by voice vote (Jan. 30, Congressional Record S640);

*Baucus UP amendment No. 938 (as amended by Dole UP amendment No. 939)*, providing for voluntary certification of Medicare supplemental health insurance policies, by voice vote (Jan. 30, Congressional Record S633);

*Thurmond UP amendment No. 941*, relating to inclusion in wages of FICA taxes paid by small business employers, State and local governments, and nonprofit organizations, by rollcall vote (No. 20), of 60 yeas, 27 nays (Jan. 31, Congressional Record S706); and

*Long UP amendment No. 942*, providing for review by the Secretary of decisions made by administrative law judges under the disability program, by voice vote (Jan. 31, Congressional Record S719).

**Amendments Rejected:**

*Wallop UP amendment No. 863*, eliminating child benefits for children 18 or older who attend postsecondary schools, by rollcall vote (No. 453), of 22 yeas, 65 nays (Dec. 6, Congressional Record S17783);

## SENATE ACTION—Continued

*Amendments Rejected—Continued*

*Schmitt UP amendment No. 934*, striking from the bill section relating to use of Internal Revenue Service to collect child support for non-AFD families, by rollcall vote (No. 21), of 28 yeas, 66 nays (Jan. 30, Congressional Record S609);

*Bellmon UP amendment No. 936*, in the nature of a substitute for the *Metschnbaum UP amendment No. 935*, relating to levels of benefits, by rollcall vote (No. 22), of 24 yeas, 70 nays (Jan. 30, Congressional Record S622);

*Javits UP amendment No. 937 (printed amendment No. 1646)*, relating to limitation on total family benefits in disability cases, by voice vote (Jan. 30, Congressional Record S631);

*Javits amendment No. 1646*, increasing the limit on middle income family benefits, by rollcall vote (No. 24), of 34 yeas, 50 nays (Jan. 31, Congressional Record S700); and

*Helms amendment No. 1442*, retaining the rights of employers to pay certain FICA taxes for employees, by rollcall vote (No. 25), of 42 yeas, 45 nays (Jan. 31, Congressional Record S725).

## CONFERENCE ACTION

Jan. 31, 1980.—Senate insisted on its amendments, requested a conference with the House, and named the following conferees: Messrs. Long, Talmadge, Ribicoff, Nelson, Baucus, Dole, Danforth, and Durenberger.

Mar. 26, 1980.—House disagreed to Senate amendments, agreed to a conference with the Senate and named the following conferees: Messrs. Ullman, Corman, Pickle, Jacobs, Cotter, Rangel, Archer, and Duncan of Tennessee.

May 13, 1980.—Conference report filed in the House (H. Rept. 96-944) with the conferees having taken the following action:

## TITLE I—PROVISIONS RELATING TO DISABILITY INSURANCE

## LIMIT ON FAMILY DISABILITY INSURANCE BENEFITS

The conferees agreed to limit DI family benefits to the smaller of 85 percent of the worker's average indexed monthly earnings (AIME), as in the Senate bill, or 150 percent of the worker's primary insurance amount (PIA), as in the House bill. The limitation is effective only with respect to individuals who first become entitled to benefits on or after July 1, 1980.

## REDUCTION IN DROPOUT YEARS

The conferees agreed to exclude years of low earnings in the computation of disability benefits according to the following schedule (as in the House bill):

| Worker's age:      | Number of<br>dropout years |
|--------------------|----------------------------|
| Under 27.....      | 0                          |
| 27 through 31..... | 1                          |
| 32 through 36..... | 2                          |
| 37 through 41..... | 3                          |
| 42 through 46..... | 4                          |
| 47 and over.....   | 5                          |

The provision also would allow a disabled worker to drop out additional years from the computation period if in those years there was a child (of such individual or his or her spouse) under age 3 living in the same household substantially throughout each such year and the disabled worker did not engage in any employment in each such year. Dropout years for periods of childcare would

## TITLE AND DESCRIPTION

H.R. 3236★—Continued

## CONFERENCE ACTION—Continued

TITLE I—PROVISIONS RELATING TO DISABILITY  
INSURANCE—Continued

## REDUCTION IN DROPOUT YEARS—Continued

be provided only to the extent that the combined number of child-care dropout years and dropout years provided under the regular schedule do not exceed 3.

The new schedule of dropout years applies to disabled workers who *first* become entitled to benefits after June 1980. The provisions continues to apply to a worker until his death unless before age 62 he ceases to be entitled to disability benefits for 12 continuous months.

The provision allowing childcare dropout years would be effective for monthly benefits payable for months after June 30, 1981.

The provision in present law which requires that at least 2 years of earnings be used in the benefit computation is retained.

## ELIMINATION OF SECOND MEDICARE WAITING PERIOD

The conferees eliminated the requirement that a person who becomes disabled a second time must undergo another 24-consecutive-month waiting period after becoming reentitled to benefits before medicare coverage is available to him. The amendment applied to workers becoming disabled again within 60 months, and to disabled widows or widowers and adults disabled since childhood becoming disabled again within 84 months. The provision would be effective 6 months after enactment.

## EXTENSION OF MEDICARE FOR AN ADDITIONAL 36 MONTHS

*House bill.*—The conferees accepted the provision extending medicare coverage for an additional 36 months after cash benefits cease for a worker who is engaging in substantial gainful activity but has not medically recovered. (The first 12 months of the 36-month period was part of the new 24-month trial work period. The conferees agreed to apply the new provision to disability beneficiaries whose disabilities have not been determined to have ceased prior to the 6th month after enactment.

FUNDING FOR VOCATIONAL REHABILITATION SERVICES FOR DISABLED  
INDIVIDUALS

The conferees agreed not to change the provisions of present law.

TITLE II—PROVISIONS RELATING TO DISABILITY BENEFITS UNDER  
THE SSI PROGRAM

## BENEFITS FOR INDIVIDUALS WHO ENGAGE IN EMPLOYMENT ACTIVITY

The conference agreement follows the Senate bill effective Jan. 1, 1981 with the addition of a pilot program under which States could provide medical and social services to certain persons with severe impairments whose earnings exceed the substantial gainful activity limits and who are not receiving SSI, special benefits, or medicaid.

Under this pilot program, for the purpose of assisting States in providing medical or social services to certain severely handicapped persons, \$18 million in Federal funds would be available to States on an entitlement basis for a 3-year period beginning Sept. 1, 1981. \$6 million would be available to States through the end of fiscal 1982. An additional \$6 million would be available for each of the two following fiscal years. Funds that are not

## TITLE AND DESCRIPTION

ACTION

## CONFERENCE ACTION—Continued

TITLE II—PROVISIONS RELATING TO DISABILITY BENEFITS UNDER  
THE SSI PROGRAM—ContinuedBENEFITS FOR INDIVIDUALS WHO ENGAGE IN EMPLOYMENT  
ACTIVITY—Continued

used during each of the first two years could be carried forward by the State.

Funds would be allocated among the States in proportion to the number of disabled SSI recipients aged 18 to 65. Prior to the start of each fiscal year, each State that does not intend to use its allocation would so certify to the Secretary of Health and Human Services. If a State certifies that it will not use all or some portion of its funds for any fiscal year or years, its allocation (or the unused portion thereof) for the period covered by the certification will be reallocated by the Secretary of HHS among States participating in the program that can make use of additional funds.

From the allocated funds, the Secretary of HHS would pay each State 75 percent of the costs of operating an approved plan for providing medical and social services to severely handicapped individuals who have earnings in excess of the substantial gainful activity limits and are not receiving SSI, special benefits or medical, if the State determines:

- (1) that the absence of these benefits would significantly inhibit the individual's ability to continue his employment; and
- (2) that the individual's earnings are not sufficient to allow him to provide for himself a reasonable equivalent of the cash and other benefits (SSI, medical and title XX) that would be available to him in the absence of those earnings.

(It is not intended that States would require an individual to obtain a determination as to the level of or potential eligibility for benefits which might be payable under the SSI, medical, and title XX programs in the absence of his earnings. Rather it is intended that each participating State would use generally available information concerning the benefits provided in that State under these programs to establish reasonable income limits to carry out this criterion.)

The State plan would have to include (1) a statement of intent to participate in the program; (2) a designation of the agency to administer the program; (3) a description of the eligibility criteria which the State will apply and the procedures for determining eligibility (which may not involve use of the Disability Determination Service which makes disability determinations for the DI and SSI programs unless it is not feasible to use any other agency for the pilot program); and (4) a description of the services which the State intends to provide under the program. The State may submit a separate State plan or it may incorporate this plan as an amendment to its State administrative plan submitted to HHS under title XX. Under the pilot program, States could provide medical and social services through their medical and social services programs (not limited by eligibility criteria and scope of services under titles XIX and XX) but would receive Federal matching for those services under this provision rather than under title XIX or XX. States could also provide services through some other mechanism if they found it appropriate.

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 3236★—Continued

## CONFERENCE ACTION—Continued

TITLE II—PROVISIONS RELATING TO DISABILITY BENEFITS UNDER  
THE SSI PROGRAM—ContinuedBENEFITS FOR INDIVIDUALS WHO ENGAGE IN EMPLOYMENT  
ACTIVITY—Continued

States would be required to provide a report to HHS addressing the operation and results, emphasizing the work incentive effects, of the pilot program. On the basis of State reports, HHS would be required to report to the Congress. The report would be due not later than Oct. 1, 1983; and should include, but not necessarily be limited to, relevant demographic information, earnings, employment information, and primary impairments of the individuals who received services under the pilot program, and the types of services they received. HHS would be required to publish final regulations to implement this program no later than nine months after the date of enactment.

## EMPLOYMENT IN SHELTERED WORKSHOPS

The conference agreement provides that remunerations received in sheltered workshops and work activities centers would be considered earned income and therefore qualify for the earned income disregard. The provision would be effective October 1980.

## DEEMING OF PARENTS' INCOME TO DISABLED OR BLIND CHILDREN

Under the conference agreement, the deeming of parents' income and resources would be limited to disabled or blind children under age 18, whether or not the person is in school or training. Children receiving SSI who, on the effective date of the provision, are age 18 to 21 would be protected against loss of benefits due to this change.

The provision would be effective October 1980.

TITLE III—PROVISIONS AFFECTING DISABILITY RECIPIENTS UNDER  
OASDI AND SSI PROGRAMS; ADMINISTRATIVE PROVISIONSTERMINATION OF BENEFITS FOR PERSONS IN VOCATIONAL  
REHABILITATION PROGRAMS

The conference agreement accepts the Senate extension of the provision to SSI beneficiaries, but adopts the House provision that the Commissioner will make the determination that benefits should be continued.

## TREATMENT OF EXTRAORDINARY WORK EXPENSES

The conferees adopted the Senate provision, but agreed that, for both programs, the disregard will be applied only where the individual paid the cost of the impairment related expense. In addition, impairment related work expenses would be disregarded in determining the monthly SSI payment of a disabled SSI recipient. It is the intent of the conferees that the regulations developed by the Secretary to carry out these provisions shall apply in a uniform manner to the determination of the amounts which may be deducted in both the DI and SSI programs. The provision is effective six months after enactment.

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS

## CONFERENCE ACTION—Continued

TITLE III—PROVISIONS AFFECTING DISABILITY RECIPIENTS  
UNDER OASDI AND SSI PROGRAMS; ADMINISTRATIVE  
PROVISIONS—ContinuedEXTENSION OF THE TRIAL WORK PERIOD—REENTITLEMENT TO  
BENEFITS

The conference accepted the provisions of the Senate bill, and agreed that the provision would be effective with respect to individuals whose disabilities have not been found to have terminated before the sixth month after enactment.

## ADMINISTRATION BY STATE AGENCIES

The conference agreement follows the Senate bill. The conference committee deleted the catch-all phrase of "any other rules designed to facilitate, or control, or assure the equity and uniformity of the State's disability determinations" as providing vague and unnecessary authority. The conference agreement provides that these changes will be effective beginning with the 12th month following the month in which the bill is enacted. Any State that has an agreement on the effective date of the amendment will be deemed to have given affirmative notice of wishing to make disability determinations under the regulations. Thereafter, it may give notice of termination which shall be effective no earlier than 180 days after the notice is given.

## PROTECTION OF STATE EMPLOYEES

The conference agreement follows the Senate bill except that the Secretary would not be required to provide a hiring preference to the administrator, deputy administrator, or assistant administrator (or comparable position) in the event that the Secretary found it necessary to assume the functions of a State agency. Although he would not be required to provide a preference to persons in those positions, he could do so if he determines that such action is appropriate. The effective date is the same as for the provision for administration of State agencies.

FEDERAL REVIEW OF STATE AGENCY DECISIONS—REVERSAL OF  
DECISIONS

The conference agreement follows the Senate schedule but provides (as in the House bill) for review only of allowances and continuances. The agreement follows the Senate bill as to granting authority to the Secretary to reverse denials.

The conference committee notes that the percentage requirements for preadjudicative review are nationwide requirements and that the Social Security Administration will determine whether they should be higher or lower on an individual State basis. The conferees also instruct the Secretary to report to the Ways and Means and Finance Committees by January 1982 concerning the potential effects on processing time and on the cost effectiveness of the requirement of the 65 percent review for fiscal year 1983, and thereafter. This provision is effective upon enactment.

## OWN-MOTION REVIEW OF ALJ DECISIONS

The conference agreement follows the Senate bill with a modification which strikes the language specifying what is to be included in the required report. The conferees believe the report should indicate the percentage of ALJ decisions being reviewed and

TITLE AND DESCRIPTION

ACTION

## CONFERENCE ACTION—Continued

TITLE III—PROVISIONS AFFECTING DISABILITY RECIPIENTS  
UNDER OASDI AND SSI PROGRAMS; ADMINISTRATIVE  
PROVISIONS—Continued

## OWN-MOTION REVIEW OF ALJ DECISIONS—continued

describe the criteria for selecting decisions to be reviewed. The conferees are concerned that there is no formal ongoing review of social security hearing decisions. The variance in reversal rates among ALJ's and the high overall ALJ reversals of determinations made at the prehearing level indicate that there is a need for such review. The conferees recognize that, at the hearing level, the claimant appears for the first time before a decision-maker and additional evidence is generally submitted. The conferees also recognize that there have been significant changes in State agency denial rates and that in certain areas the ALJ's and State agencies have been operating with different policy guidelines. The report should identify the effects of these factors as well as any differences in standards applied by ALJ's.

## INFORMATION TO ACCOMPANY SECRETARY'S DECISION

The conference agreement follows the Senate bill.

## LIMITATION ON COURT REMAND

The conference agreement includes the provision of the Senate and House bills effective upon enactment. The conferees have been informed that there are sometimes procedural difficulties which prevent the Secretary from providing the court with a transcript of administrative proceedings. Such a situation is an example of what could be considered "good cause" for remand. Where, for example, the tape recording of the claimant's oral hearing is lost or inaudible, or cannot otherwise be transcribed, or where the claimant's files cannot be located or are incomplete, good cause would exist to remand the claim to the Secretary for appropriate action to produce a record which the courts may review under 205(g) of the act. It is the hope of the conferees that remands on the basis of these breakdowns in the administrative process should be kept to a minimum so that persons appealing their decision are not unduly burdened by the resulting delay.

## TIME LIMITS FOR DECISIONS ON BENEFIT CLAIMS

The conferees accepted the provision of the House and Senate bills but with the Senate due date of July 1, 1980.

## PAYMENT FOR EXISTING MEDICAL EVIDENCE

The conference agreement follows the Senate bill and is effective 6 months after enactment.

## PAYMENT FOR CERTAIN TRAVEL EXPENSES

The conference agreement follows the Senate bill with a modification to include the limitation on air travel costs.

## PERIODIC REVIEW OF DISABILITY DETERMINATIONS

The conference agreement follows the Senate bill and is effective January 1982.

## CONFERENCE ACTION—Continued

TITLE III—PROVISIONS AFFECTING DISABILITY RECIPIENTS  
UNDER OASDI AND SSI PROGRAMS; ADMINISTRATIVE  
PROVISIONS—Continued

## REPORT BY SECRETARY

The conferees agreed to the Senate amendment, with the understanding that the report will address such questions as the work incentive effects of relevant provisions, administrative problems involved in the implementation and operation of the provisions, and cost and caseload impact with respect to both the DI and SSI programs. The report is due by January 1985.

## SCOPE OF FEDERAL COURT REVIEW—FINDINGS OF FACT

The conference agreement deletes the provisions of the Senate bill.

TITLE IV—PROVISIONS RELATING TO AFDC AND CHILD SUPPORT  
PROGRAMS

## AFDC WORK REQUIREMENT

The conferees agreed to the Senate provision, with amendments. The conference agreement provides that the criteria for appropriate work and training to which an individual may be assigned under sec. 432(b) (1), (2), and (3) shall apply in the case of work to which an individual may be referred as part of employment search programs conducted under the work incentive program. In other words, job referral under the new employment search provision would be limited to jobs that meet the current WIN regulations relating to appropriate employment. (Present regulations provide limits as to reasonable travel time, provision for necessary supportive services, requirements for wages, health and safety, and others.)

In addition, the conferees agreed to limit an individual's job search period to 8 weeks in 1 year, and added a requirement that there be timely reimbursement of any employment search expenses paid for by the individual.

Under the conference agreement, the provisions relating to termination of assistance and treatment of PSE earnings are effective upon enactment. Other provisions are effective Sept. 30, 1980.

## USE OF IRS TO COLLECT CHILD SUPPORT FOR NON-AFDC FAMILIES

The conferees agreed to the Senate provision, with an effective date of July 1, 1980.

SAFEGUARDS RESTRICTING DISCLOSURE OF CERTAIN INFORMATION  
UNDER AFDC AND SOCIAL SERVICES

The conference agreement includes the provisions of the Senate bill, except that disclosure of information containing names and addresses of individual recipients to the Committees on Finance and Ways and Means would not be authorized.

FEDERAL MATCHING FOR CHILD SUPPORT ACTIVITIES PERFORMED BY  
COURT PERSONNEL

The conferees agreed to the Senate provision, with an amendment deleting the authorization for compensation of judges or other officials making judicial decisions, but allowing the authorization for expenditures for their administrative or support personnel, such as the bailiff, stenographer, and court reporter. The provision is effective for expenditures after July 1, 1980.

TITLE IV—PROVISIONS RELATING TO AFDC AND CHILD SUPPORT  
PROGRAMS—Continued

## CHILD SUPPORT MANAGEMENT INFORMATION SYSTEM

The conferees agreed to the Senate amendment, with an effective date of July 1, 1981.

## AFDC MANAGEMENT INFORMATION SYSTEM

The conferees agreed to the Senate provision to increase to 90 percent the matching for the cost of developing and implementing computerized systems. The 90 percent matching includes the purchase or rental of computer equipment and software. However, the matching rate for operating such systems would remain at 50 percent. The provision is effective July 1, 1981.

## CHILD SUPPORT REPORTING AND MATCHING PROCEDURES

The conferees agreed to the Senate bill, with an effective date of Jan. 1, 1981.

## ACCESS TO WAGE INFORMATION FOR CHILD SUPPORT PROGRAM

Under the conference agreement, certain tax return information must be disclosed by the Social Security Administration to State and local child support enforcement agencies, as follows.

The conferees agreed to amend the Internal Revenue Code to provide that, upon written request, the Commissioner of Social Security shall directly disclose return information with respect to net earnings from self-employment, wages, and payments of retirement income to officers and employees of a State or local child support enforcement agency. Disclosure will be allowable only for purposes of, and to the extent necessary in, establishing and collecting child support obligations from, and locating individuals owing child support obligations.

Any agency receiving information must comply with conditions specified in current law for safeguarding information. Under these safeguards, information may be used on a computer in uncoded form if the computer is used only by the child support enforcement agency. If this information is used on computer systems shared with agencies which are not child support agencies, it must be introduced into the system and coded so that it is available only to officers and employees of the child support enforcement agency. Generally, disclosure to individuals other than officers and employees of the child support enforcement agency would not be authorized; however, the information may be disclosed to the taxpayer to whom the information pertains. This provision is effective on enactment.

In addition, the conferees agree to amend title III of the Social Security Act, Grants to States for Unemployment Compensation Administration, to require the State agency administering the unemployment compensation program to disclose directly, upon request and on a reimbursable basis, to officers or employees of any State or local child support enforcement agency any wage information contained in the records of of the State agency. The agency is also required to establish safeguards necessary, as determined by the Secretary of Labor in regulations) to insure that information is used only for purposes of establishing, and collecting child support obligations from, and locating, individuals owing such obligations. If the Secretary of Labor finds that the State

PROGRAM—continued

agency has failed to comply with requirements of this provision, he must notify the agency that further payments of administrative costs will not be made to the State until he is satisfied that there is no longer any such failure. The provision is effective July 1, 1980.

TITLE V—OTHER PROVISIONS RELATING TO THE SOCIAL SECURITY  
ACT

## RELATIONSHIP BETWEEN SOCIAL SECURITY AND SSI BENEFITS

The conference agreement follows the Senate bill effective with the 13th month after the month of enactment. The conferees do not intend that this adjustment of benefit amounts will have the effect of removing any individual on a retroactive basis from his status as an eligible individual under the SSI program.

EXTENSION OF THE TERM OF THE NATIONAL COMMISSION ON SOCIAL  
SECURITY

The conference agreement follows the Senate bill. The conferees request that the National Commission also examine and report on the serious administrative problems currently facing the Social Security Administration which include growing program responsibility without adequate staffing and the effect of the three reorganizations within the last five years.

DEPOSITING OF SOCIAL SECURITY CONTRIBUTIONS WITH RESPECT  
TO STATE AND LOCAL COVERED EMPLOYMENT

The conference agreement follows the Senate bill.

## ALIENS RECEIVING SSI

The conferees agreed that for purposes of eligibility for Supplemental Security Income (SSI) benefits, legally admitted aliens who apply for SSI benefits after September 30, 1980 will be deemed to have the income and resources of their immigration sponsors available for their support for a period of 3 years after their entry into the United States, unless the alien becomes blind or disabled after entry. Under the agreement the eligibility of such aliens for SSI will be contingent upon their obtaining the cooperation of their sponsors in providing the necessary information to Social Security to carry out this provision. The provision would not apply to any alien who is (1) admitted to the United States as a result of the application, prior to April 1, 1980, of the provisions of sec. 203(a)(7) of the Immigration and Nationality Act; (2) admitted to the United States as a result of the application, after March 31, 1980, of the provisions of sec. 207(c)(1) of such act; (3) paroled into the United States as a refugee under sec. 212(d)(5) of such act; or (4) granted political asylum by the Attorney General.

During the 3 years after entry into the United States, an alien may be eligible for SSI benefits only if his sponsor agrees to and does

## TITLE AND DESCRIPTION

## CONFERENCE ACTION—Continued

TITLE V—OTHER PROVISIONS RELATING TO THE SOCIAL SECURITY  
ACT—Continued

## ALIENS RECEIVING SSI—Continued

provide such information as the Secretary of Health and Human Services may require to carry out this provision. The alien and sponsor shall be jointly and severally liable to repay any SSI benefits which are incorrectly paid because of the sponsor's providing of misinformation or because of his failure to report, and any such incorrect payments which are not repaid would be withheld from any subsequent payments for which the alien or sponsor are otherwise eligible under the Social Security Act.

In deeming a sponsor's income to an alien under this provision, the alien's SSI benefit would be reduced by the amount of any income deemed to him. Income deemed to the alien would be considered unearned income and would thus result in a dollar-for-dollar reduction in benefits (subject to the \$20 a month unearned income exclusion). The amount to be deemed would be equal to the gross income of the sponsor and his spouse reduced by an amount equal to a full SSI benefit for the sponsor and an amount equal to one-half of a full SSI benefit for each other person for whom the sponsor is legally responsible. (Income of a child, e.g., AFDC or SSI payments, which is specifically provided to or on behalf of a child in the household of the sponsor would not be included.) Except for the deeming provision, the alien's SSI benefit would be computed in the same manner as under existing law except that in-kind support and maintenance received by an alien living in the household of the sponsor (or sponsor's spouse) shall not result in the application of the one-third reduction. Income in the form of support or maintenance in cash or kind by the sponsor (or sponsor's spouse) would not be counted as income or resources to the extent such income or resources is taken into account in determining the amount of income and resources to be deemed from the sponsor to the alien.

On the same basis, the assets of the sponsor and his spouse would be determined as under SSI. Any resources in excess of this amount allowable under SSI (\$1,500 if the sponsor is single, \$2,250 for a couple) would be considered to be resources of the alien in addition to whatever resources the alien has in his own right.

Under the conference agreement, an alien applying for SSI would be required to make available to the Social Security Administration any documentation concerning his income or resources or those of his sponsor (if he has one) which he provided in support of his immigration application. The Secretary of Health, and Human Services would also be authorized to obtain copies of any such documentation from other agencies (i.e., State Department or Immigration and Naturalization Service). The Secretary of HHS would also be required to enter into cooperative arrangements with the State Department and the Justice Department to assure that persons sponsoring the immigration of aliens are informed at the time of sponsorship that, if the alien applies for public assistance, the sponsorship affidavit will be made available to the public assistance agency and the sponsor may be required to provide further information concerning his income and assets in connection with the alien's application for assistance.

## CONFERENCE ACTION—Continued

TITLE V—OTHER PROVISIONS RELATING TO THE SOCIAL SECURITY  
ACT—ContinuedWORK INCENTIVE AND OTHER DEMONSTRATION PROJECTS UNDER  
THE DISABILITY INSURANCE AND SUPPLEMENTAL SECURITY IN-  
COME PROGRAMS

The conferees agreed to the provisions of the House and Senate bills with the exception of the Senate provision authorizing waiver of certain nonmedical requirements of the human experimentation statute. This latter provision was deleted.

With respect to SSI experiments, the Secretary would not be authorized to carry out any project that would result in a substantial reduction in any individual's total income and resources as a result of his participation in the project. The Secretary could not require an individual to participate in a project and would have to assure that the voluntary participation of individuals in any project is obtained through an informed written consent agreement which satisfies requirements established by the Secretary. The Secretary would also have to assure that any individual could revoke at any time his voluntary agreement to participate. The Secretary, to the extent feasible, would be required to include recipients under age 18. The Secretary would also be required to include projects necessary to ascertain the feasibility of treating alcoholics and drug addicts to prevent the onset of irreversible medical conditions which may result in permanent disability.

The new provisions would be applicable to both applicants and beneficiaries, and would be effective upon enactment.

## PROVISIONS RELATING TO THE TERMINALLY ILL

The conferees did not agree to the Senate provision eliminating the waiting period for persons with a terminal illness, but in lieu thereof agreed to a provision authorizing up to \$2 million a year to be used by SSA for the purpose of participating in a demonstration project relating to the terminally ill which is currently being conducted by the Department of Health and Human Services. The purpose of participation is to study the impact on the terminally ill of provisions of the disability programs administered by the Social Security Administration. It is expected that this demonstration authority and the resulting reports which will be made on demonstration projects will provide the information necessary to enable the Congress to amend the Social Security Act so as to provide the kinds of services most appropriate for individuals who are suffering from terminal illnesses.

VOLUNTARY CERTIFICATION OF MEDICARE SUPPLEMENTAL HEALTH  
INSURANCE

The conference agreement follows the Senate bill with the following modifications. The voluntary certification program would be effective July 1, 1982. To be certified under this program, a medicare supplemental policy (including any certificate issued thereunder) would have to: (a) meet or exceed the standards with respect to medicare supplemental policies set forth in the "NAIC Model Regulation to Implement the Individual Accident and Sickness Minimum Standards Act," as amended and adopted by the National Association of Insurance Commissioners on June 8, 1979 (including the standards relating to minimum benefit provisions, preexisting conditions limitations, full disclosure,

INSURANCE--continued

and requiring a no loss cancellation clause); and (b) be expected to pay benefits to subscribers (as estimated for the entire period for which rates are computed to provide coverage, on the basis of incurred claims experience and earned premiums for such period) equal to 75 percent of premiums in the case of group policies and 60 percent in the case of individual policies. (For purposes of determining whether the loss ratio requirement has been met under the voluntary certification program policies issued as a result of solicitations of individuals through the mails or by mass media advertising would be deemed to be individual policies.) The Secretary would be empowered to authorize the use of an emblem by an insurer, in accordance with conditions to be specified by the Secretary, to indicate that a policy has been certified as meeting the standards and requirements of the voluntary certification program. It is expected that one such condition will be a requirement that the insurer agree to notify policyholders of the loss of certification in the event the Secretary determines that the policy no longer satisfies the standards and requirements of the voluntary certification program. It is also expected that the Secretary act in a manner consistent with the will of the State to prevent unfair competition in the use of the emblem.

The voluntary certification program would not be applicable to any policy issued in any State which is determined to have implemented under State law a regulatory program that provides for the application of standards with respect to all medicare supplemental policies (as defined in the Senate bill) that are equal to or more stringent than the standards relating to medicare supplemental policies contained in the NAIC Model Regulation as amended and adopted on June 6, 1979; and the loss ratio requirements for individual or group policies applied under the voluntary certification program. Such determinations as to whether a State's regulatory program meets these standards and requirements would be made by a Supplementary Health Insurance Panel, appointed by the President, and consisting of four Insurance Commissioners (or Superintendents) and the Secretary. On or before Jan 1, 1981, the Panel would prepare a report (for inclusion in the report to be submitted by the Secretary on Jan. 1, 1982) to the appropriate Committees of the House and the Senate identifying those States that the Panel finds cannot be expected to have implemented a qualified regulatory program by July 1, 1981. The Federal voluntary certification program would be put into effect on July 1, 1982, in those States so identified by the Panel. Where a State which the Panel had expected to have implemented a qualified regulatory program by July 1, 1982, has not actually done so, the voluntary certification program would be applicable to such State until the panel determines and reports to the Secretary that the State has implemented an approved program. It is expected that the Panel will act promptly and that all determinations of the Panel would be promptly submitted to the Secretary for implementation.

Although the Panel's sole responsibility is to evaluate State regulatory programs against the test that the State program is at

TITLE V—OTHER PROVISIONS RELATING TO THE SOCIAL SECURITY  
Act—ContinuedVOLUNTARY CERTIFICATION OF MEDICARE SUPPLEMENTAL HEALTH  
INSURANCE—continued

least equal to the NAIC standards and the prescribed loss ratio requirement, the bill includes language referring to "more stringent" standards. However, this language was not included for use as a benchmark by the Panel, but rather only to avoid the implication of any intent to encourage States to limit their regulatory programs to the minimal level. On the contrary, the conferees' intent is to assure that States are encouraged to implement such regulatory programs as they determine are appropriate to their needs and that if a State regulatory program is at least equal to the standards and requirements provided for in the bill it would be approved by the Panel.

The delivery of a medicare supplemental policy by mail into a State which has not approved the sale of such a policy in the State would be subject to Federal criminal penalties unless such policy: (a) has been certified by the Secretary or approved by the State in which the policy is issued as meeting the standards and requirements of the voluntary certification program or the State's approved regulatory program, as the case may be, or has otherwise been deemed approved in accordance with provisions of the bill; and (b) the State into which the policy has been delivered has not specifically disapproved the policy for sale in the State.

The conferees have defined the place of issuance of a policy to be the State in which the policyholder resides in the case of an individual policy, and the State in which the holder of the master policy resides in the case of a group policy. The intent of the conferees is to allow an insurer to know which State its policy is considered to be issued in, and consequently to know whether it is issued in a State having an approved program. Nothing in this provision is intended to affect the rights of any State to regulate, in accordance with State law, policies which, under this definition, are considered to be issued in another State.

The Senate bill excluded group health policies of one or more employers or labor organizations from the definition of "medicare supplemental policy," and from the prohibition of knowingly selling a duplicative health insurance policy to a medicare-eligible individual, since such policies are not designed as supplemental policies and are sold to all age categories within the group's membership. The conferees recognize that many professional, trade and occupational associations also offer group health plans to their respective memberships. The intent is that such association, should not be treated differently than employers or labor organizations if the association: (a) is composed of individuals all of whom are actively engaged in the same profession, trade or occupation; (b) has been maintained in good faith for purposes other than the obtaining of insurance; and (c) has been in existence for at least two years prior to the date of its initial offering of such policy or plan to its members.

The Secretary's report on the results of the required study of State approaches to the regulation of supplementary policies would be submitted on Jan. 1, 1982; and the first of the periodic reports on the effectiveness of the voluntary certification program and the criminal penalties would be due July 1, 1982.

H.R. 3236★—Continued

## CONFERENCE ACTION—Continued

TITLE V—OTHER PROVISIONS RELATING TO THE SOCIAL SECURITY  
ACT—Continued

## INCLUSION IN WAGES OF FICA TAXES PAID BY THE EMPLOYER

The conferees agreed to delete this provision of the Senate bill. While the Senate amendment would narrow the scope of the present law exclusion from wages, the conferees are concerned that its enactment would lend countenance to expanded utilization of the remaining exclusion. The conferees believe that this is an important issue in its own right, deserving further study and consideration by the Congress. The result of the conferees' decision is that present law remains in force.

## VOTE ON CONFERENCE REPORT

May 22, 1980.—House agreed to the conference report, by rollcall vote (No. 253), of 389 yeas, 2 nays (Congressional Record S3974).

May 29, 1980.—Senate agreed to the conference report, by voice vote (Congressional Record S5944).

## COMMITTEE ACTION

Feb. 5, 1980.—Public hearing.

Apr. 30, 1980.—Committee agreed to offer the text of the bill as passed by the House as a committee amendment on the floor to H.R. 3122.

*(H.R. 3122 signed into law including House-passed text of H.R. 3317)*

Aug. 18, 1980.—Reported favorably to the Senate (S. Rept. 96-898), with an amendment in the nature of a substitute, as follows:

*Refund of tread rubber excise tax.*—Provides for a refund or credit of the manufacturers excise tax on tread rubber where the rubber is (1) wasted in the recapping process, (2) contained in a recapped tire the price of which is adjusted under a warranty, or (3) sold in conjunction with certain otherwise tax-exempt sales. Also imposes the tread rubber excise tax on the tread rubber in tires which are exported for recapping and subsequently imported into the United States.*Disclosure of tax returns to State audit agencies.*—Provides that any return or return information obtained by a State agency under current law would be open to inspection by and disclosure to employees of a State audit agency only for the purpose of auditing the agency which obtained the returns. Also includes a statement in its Committee report indicating its desire to have the General Accounting Office review the safeguard procedures established by State audit agencies and State tax authorities regarding the adequacy of such procedures for protecting the privacy of affected individuals.*Private relief measure.*—Provides for the private relief of Mrs. Jane M. Cathcart of Virginia relating to the replacement period for nonrecognition of gain on the sale of a personal residence.

## SENATE ACTION

Oct. 1, 1980.—Passed by the Senate by voice vote (Congressional Record S14033), after agreeing to the following amendments:

*Cranston UP amendment No. 1714*, restoring to wine, its previous excise tax treatment when it is used as an ingredient in blending distilled spirits and making cordials and brandies, by voice vote (Congressional Record S14031);*Byrd of West Virginia (for Church)*, UP amendment No. 1715, permitting SSI payments to residents of certain publicly owned institutions which are not operated at public expense, by voice vote (Congressional Record S14031); and*Baker (for Danforth)* UP amendment No. 1716, providing that the rules relating to the disallowance of certain expenses for entertainment, amusement, or recreation which were enacted as part of the Revenue Act of 1978 will not apply in those situations where the recipient must include these expenses in gross income as compensation for services rendered or as certain prizes or awards, by voice vote (Congressional Record S14032).

## FURTHER HOUSE ACTION

Dec. 10, 1980.—House agreed to Senate amendments with technical amendments and an amendment providing that the modified definition of public institution under the SSI program apply only to the Bonner's Ferry Restorium.

## FURTHER SENATE ACTION

Dec. 12, 1980.—Senate agreed to House amendments to Senate amendments.

H.R. 3434★

Aug. 7, 1979

## COMMITTEE ACTION

To amend the Social Security Act to make needed improvements in the child welfare and social services programs, to strengthen and improve the program of Federal support for foster care of needy and dependent children, to establish a program of Federal support to encourage adoptions of children with special needs, and for other purposes.

Sept. 24, 1979.—Public hearing.

Oct. 2, 1979.—Reported favorably to the Senate (S. Rept. 96-336) amended as follows:

## SUMMARY OF HOUSE BILL

## I. TITLE XX SOCIAL SERVICES

## STATUTORY CEILING ON FEDERAL FUNDS

The ceiling would be increased to \$3.1 billion beginning in fiscal 1980. (The ceiling is currently at \$2.9 billion and drops to \$2.5 billion September 30, 1979.)

## ADOPTION ASSISTANCE, FOSTER CARE AND CHILD WELFARE SERVICES

## SUBSIDIZED ADOPTIONS

Provides for a new subsidized adoption program with Federal matching.

## FOSTER CARE GRANTS

Places a ceiling on Federal matching beginning in fiscal year 1980, set at 20 percent above the 1978 level, with a 10 percent annual increase thereafter through 1984.

## CHILD WELFARE SERVICE GRANTS

Sets the Federal matching rate at a flat 75 percent.

## SPECIAL ALLOCATION FOR CHILD DAY CARE SERVICES

Of the total amount of funds available under the statutory ceiling, \$200 million would be available in fiscal 1980 and 1981 for child care with no State matching requirement.

## PROVISIONS RELATING TO SOCIAL SERVICES

## CEILING ON FEDERAL FUNDING

## GRANTS FOR HIRING WELFARE RECIPIENTS AS CHILD CARE WORKERS

Effective October 1, 1979, States could use their share of the \$200 million in child care funds for grants to employers who hire welfare recipients as child care workers.

Indexes the ceiling on Federal matching with the ceiling rising to \$2.7 billion in fiscal year 1980 and \$2.9 billion in fiscal 1981. Thereafter, the provision will result in annual increments of \$100 million until reaching a level of \$3.3 billion in fiscal year 1985. After reaching the \$3.3 billion level, the indexing provision would cease to operate unless extended by subsequent legislation.

## TITLE XX TRAINING FUNDS

For fiscal 1980 only, Federal matching funds for training would be limited to an amount equal to 3 percent of the State's fiscal 1980 allotment for funds under the statutory ceiling. States that received more Federal training funds in fiscal 1979 than 3 percent of their 1980 allotment could receive additional funds equal to two-thirds of the amount by which Federal training funds received in fiscal 1979 exceeded 3 percent of their 1980 allotment. Beginning in fiscal 1981, and for each year thereafter, States would be reimbursed only for those training expenditures that have been included in and approved by HEW as part of a State title XX training plan.

## SPECIAL ALLOCATION FOR CHILD CARE SERVICES

Makes \$200 million of the funds provided to the States in fiscal years 1980 and 1981 available for child care services, with no State matching requirement.

## CEILING ON TRAINING FUNDS

Establishes a limit, for 1 year (fiscal year 1980), on the amount of Federal matching funds available to the States for training.

## USE OF PRIVATE FUNDS FOR TRAINING

Permits the acceptance by the State of restricted private matching funds for training purposes in fiscal year 1980.

## CONSULTATION WITH LOCAL OFFICIALS

Beginning in fiscal 1981, States would be required, prior to publication of their proposed title XX plan, to give public notice of intent to consult with local elected officials and provide them the opportunity to present their views. The principal views of the local officials would have to be included in the proposed title XX plan.

## MULTIYEAR PLANNING

Includes a provision under which, beginning in fiscal year 1980, States would be permitted to use either a one-, two-, or three-year title XX program period, instead of the annual plan required under present law.

## CHOICE OF FISCAL YEAR

Allows a State the alternative of choosing the fiscal year used by its local subdivisions.

## MULTIYEAR PLANNING

States would be given the option of using a 1-, 2-, or 3-year title XX program period. The Secretary of HEW would have authority to require States that opt for a multi-year program period to make information about their plan available at times during the program period.

## EMERGENCY SHELTER FOR ADULTS

Provides that funds could be used for emergency shelter provided as a protective service to an adult in danger of physical or mental injury, neglect, maltreatment or exploitation.

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 3434★—Continued

## SUMMARY OF HOUSE BILL—Continued

## I. TITLE XX SOCIAL SERVICES—Continued

## PLAN REQUIREMENT FOR DISTRIBUTION OF FUNDS WITHIN THE STATE

States would be required to include in their title XX plan the criteria used to determine the nature and amount of services provided in each geographic area within the State.

## SERVICES TO ALCOHOLICS AND DRUG ADDICTS

The current temporary authority relating to the use of title XX funds for certain services provided to alcoholics and drug addicts would be made permanent, effective Oct. 1, 1979.

## EMERGENCY SHELTERS

Effective Oct. 1, 1979, title XX funds could be used for emergency shelter, for not in excess of 30 days in any 6 month period, provided as a protective service to an *adult* in danger of physical and mental injury, neglect, maltreatment or exploitation.

## TITLE XX GOALS

Language would be added stating that it is the purpose of title XX to meet social services needs which are not otherwise being met, particularly in areas of the State with special needs, in order to make available a comprehensive range of services to eligible beneficiaries.

## SOCIAL SERVICES ENTITLEMENT FOR PUERTO RICO, GUAM, THE VIRGIN ISLANDS AND THE NORTHERN MARIANAS

Beginning in fiscal year 1980, a separate title XX entitlement would be established in the following amounts:

|                        | <i>Millions</i> |
|------------------------|-----------------|
| Puerto Rico.....       | \$15.0          |
| Guam .....             | .5              |
| Virgin Islands.....    | .5              |
| Northern Marianas..... | .1              |
| <b>Total .....</b>     | <b>16.1</b>     |

## II. TITLE IV-B CHILD WELFARE SERVICES

## FEDERAL IV-B CHILD WELFARE SERVICES FUNDS

Two hundred and sixty-six million dollars per fiscal year would be available to States on an entitlement basis for IV-B child welfare services. (This would replace the present IV-B authorization of \$266 million for child welfare services which was funded at \$56.5 million in fiscal year 1979.)

The definition of "child welfare services" would be changed to place emphasis on services directed toward preventing the removal of children from their homes, reuniting children with their families, placing children in suitable adoptive homes if restoration to the family is not possible, as well as generally protecting and promoting the welfare of all children.

## COMMITTEE ACTION—Continued

## PROVISIONS RELATING TO SOCIAL SERVICES—Continued

## ENTITLEMENT FOR PUERTO RICO, GUAM, AND THE VIRGIN ISLANDS

Provides that, beginning in fiscal year 1980, a separate title XX entitlement amount would be established, as follows: Puerto Rico, \$15 million; Guam and the Virgin Islands, \$500,000; and the Northern Marianas, \$100,000.

## CHILD SUPPORT ENFORCEMENT SERVICES FOR NON-WELFARE FAMILIES

Establishes this authority on a permanent basis retroactive to Oct. 1, 1978.

## PROVISIONS RELATING TO AUTHORITY TO HIRE WELFARE RECIPIENTS AS CHILD CARE WORKERS

Restores the authority of the States to use social services funds under title XX to pay the costs of employing welfare recipients in child care jobs and makes this authority permanent, retroactive to Oct. 1, 1978. It would also make certain changes to conform and better coordinate it with the provisions under which employers obtain a tax credit for hiring welfare recipients by:

1. extending the authority to use title XX funds to reimburse the costs of hiring welfare recipients in child care jobs;
2. incorporating this authority as a permanent part of the basic title XX statute;
3. increasing the maximum per recipient annual combined tax credit and title XX reimbursement from \$5,000 to \$8,000—the same level of wages that is eligible for the new welfare recipient tax credit;
4. making the payment and credit available for part-time as well as full-time employment in child care jobs;
5. permitting the credit to be computed on the basis of the full wages including the part reimbursed under title XX—subject to a maximum combined tax credit and title XX payment not to exceed 100 percent of the first \$8,000 of wages; and
6. making the tax credit coverage applicable to the period between the date it previously expired (October 1, 1978) and the effective date of the new credit enacted last year (January 1, 1979).

## SERVICES TO ALCOHOLICS AND DRUG ADDICTS

Reinstates and makes permanent, retroactive to Oct. 1, 1978, temporary provisions of law relating to the use of title XX funds for certain services to alcoholics and drug addicts.

## OTHER SOCIAL SECURITY ACT PROVISIONS

## AFDC EARNINGS DISREGARD

Requires States to disregard the first \$70 earned monthly by an individual plus 40 percent of additional earnings. Child care expenses, subject to limitations prescribed by the Secretary, would be deducted before computing an individual's earned income. Other work expenses could not be deducted.

## INCENTIVE TO REPORT EARNINGS

Provides an incentive to report income by specifying that there would be no disregard of any earned income which the recipient has not reported to the State agency.

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 3434★—Continued

COMMITTEE ACTION—Continued

## SUMMARY OF HOUSE BILL—Continued

## INCOME OF STEPPARENTS

## II. TITLE IV-B CHILD WELFARE SERVICES—Continued

## TWO-STAGE ALLOTMENT OF NEW IV-B FUNDS

- (a) *First allotment.*—Beginning in fiscal year 1980 (Oct. 1, 1979), 40 percent of the new IV-B funds (\$84 million) would be available to States to enable them to improve and expand their IV-B services and to complete case reviews on all children in foster care. In order to continue receiving its share of the first allotment beyond fiscal 1981, a State would have to have in place all the foster care safeguards, procedures and services, except the preplacement preventive services (sec. 424) (c) (1)), required under sec. 424 of the Social Security Act as revised by this bill. (Summarized under item No. 16 below.)
- (b) *Second allotment.*—Beginning in fiscal 1981 (Oct. 1, 1980), a State would be eligible for its share of the remaining 60 percent of the new IV-B funds (\$125.5 million) after the State had (1) completed case reviews of all children who have been in foster care for over 6 months and submitted a report to the Secretary of HEW based on this review; (2) demonstrated that at least 40 percent of the amount of Federal IV-B funds received in excess of such funds received for fiscal 1979 would be spent for services aimed at keeping children with or returning them to their families; and (3) implemented the foster care safeguards, procedures, and services required under sec. 424. However, beginning in fiscal 1981, a State could receive its share of the second allotment when it met the first and second conditions listed above and had in place all the safeguards, procedures and services, except the preplacement preventive services (sec. 424(c)(1)), required under sec. 424. Such a State would have to have implemented the required preplacement preventive services by the end of the fiscal year following the fiscal year in which it began receiving its share of the second allotment in order to continue receiving second allotment funds.

## IV-B STATE MATCHING REQUIREMENT AND ALLOCATION FORMULA

- There would be a 25 percent State matching requirement for IV-B funds.
- IV-B funds would continue to be allocated according to the formula in present law. Each State would receive a uniform grant of \$70,000 a year, plus an additional amount varying directly with the number of children under age 21 and inversely with average per capita income.
- The provision in current law allowing reallocation of unused IV-B funds would be repealed.
- If so appropriated, IV-B funds allocated to a State for fiscal 1980 would remain available for use by the State through fiscal 1981.

## LIMITATIONS ON IV-B EXPENDITURES AND MAINTENANCE OF EFFORT REQUIREMENT

- A State would not receive more Federal IV-B funds for adoption assistance payments, foster care maintenance payments, and employment-related child day care services than the State's total fiscal 1979 IV-B allotment.
- A State could not spend less for child welfare services under IV-B and under title XX than the total amount of State expenditures for such services in fiscal 1979.

Requires States to take into account that part of the unearned income plus 80 percent of the earned income of a stepparent which exceeds the sum of: (1) the State standard of need for a family of the same composition as the stepparent and his dependents who are not receiving welfare (that is, those members of the household whom he claims as Federal personal income tax dependents but who are not in the AFDC recipient group); (2) amounts paid by him to dependents living elsewhere which are taken into account for Federal personal income tax purposes; and (3) alimony or child support payments made by him to persons not living in the household.

## PROBATED SHELTER ALLOWANCE WHEN AFDC HOUSEHOLD INCLUDES INELIGIBLE RELATIVES

Permits States, in computing the shelter cost component of the AFDC grant, to assume in effect that an ineligible relative in the AFDC household bears his proportionate share of the shelter expenses.

## SERVICES FOR DISABLED CHILDREN

Provides for the extension or an additional 3 years of the special referral and services program for disabled children who are receiving SSI benefits.

## PUBLIC ASSISTANCE EXPENDITURES IN PUERTO RICO, GUAM, AND THE VIRGIN ISLANDS

Provides for a permanent extension of the provisions providing an overall ceiling of \$78 million and a matching rate of 75 percent.

## LIMITATION ON PERIOD FOR STATE FILING OF CLAIMS UNDER THE SOCIAL SECURITY ACT

Includes a provision under which the Social Security Act would be amended effective Oct. 1, 1981 to limit the period of retroactivity for State claims to a full 2 years under the various titles of the act (that is, it would apply to expenditures for periods starting with fiscal year 1980).

## SENATE ACTION

Oct. 25 and 29, 1979.—Debated and passed by the Senate by voice vote (Congressional Record S15285), after taking the following action on amendments thereto:

*Amendments Adopted:*

- Hatfield UP amendment No. 664*, providing additional incentives for States to collect child support obligations, by voice vote (Oct. 25, Congressional Record S 15113);
- Schweiker UP amendment No. 665*, requiring of States, prompt installation of computerized medicaid management information systems (MMIS), by voice vote (Oct. 25, Congressional Record S 15121);
- Moynihan UP amendment No. 667*, clarifying the provision relating to the period within which certain claims must be filed by voice vote (Oct. 25, Congressional Record S 15127);
- Heinz UP amendment No. 669*, providing States the option, in determining the foster care funding limit, to use fiscal year 1979 data, by voice vote (Oct. 25, Congressional Record S 15133);

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

## H.R. 3431★—Continued

## SUMMARY OF HOUSE BILL—Continued

## II. TITLE IV—B CHILD WELFARE SERVICES—Continued

## FOSTER CARE PROTECTIONS, PROCEDURES AND SERVICES

In accordance with the two-stage allotment procedures and other conditions summarized above, additional Federal IV—B child welfare services funds would be made available to the States for the purpose of assisting and encouraging them to implement the services, procedures and protections necessary to provide and insure: (1) that no child will be placed in foster care, except in emergency situations, either voluntarily or involuntarily, unless services aimed at preventing the need for placement have been provided or refused by the family; (2) that no child will be involuntarily removed from his or her home, except on a short-term basis in emergency situations, unless there has been a judicial determination that the child should be removed; (3) that no child will be placed in foster care by the voluntary action of his or her parents unless a "voluntary placement agreement" has been signed by parents and agency; (4) that a child who has been removed from his or her home will be placed in the least restrictive family-like setting in which any special needs may be met, within reasonable proximity to his or her family and with relatives where appropriate; (5) that reunification services are made available to the child and his or her parents after removal from the home; (6) that there will be a written individualized case plan developed for each child placed in foster care, an administrative review of each case plan at least every 6 months, and a dispositional hearing by a court or court-appointed administrative body within 18 months of the child's placement; and (7) that a fair hearing be provided for any parent, foster parent, guardian or child who believes he or she has been aggrieved by any governmental action taken under this section.

## III. AFDC FOSTER CARE AND ADOPTION ASSISTANCE

## FEDERAL MATCHING FOR VOLUNTARILY PLACED AFDC FOSTER CARE CHILDREN

- (a) After the Secretary of HEW has determined that a State has in place all the protections, procedures and services required under sec. 424 (summarized in item No. 16), Federal AFDC matching funds would be available for foster care payments for an AFDC-eligible child who has been removed from his or her home pursuant to a voluntary placement agreement.
- (b) A child who was removed from his or her home prior to date of enactment of this bill without a judicial determination would become eligible for Federal matching funds for future foster care payments (1) after the State had implemented all the foster care protections, procedures and services, except for the preplacement preventive services (sec. 424(e)(1)), required under section 424, and (2) after a written individualized case plan had been prepared for the child and reviewed in accordance with the new section 408(e)(2) of the Social Security Act added by this bill.

## FEDERAL MATCHING FUNDS FOR FOSTER CARE IN CERTAIN PUBLIC INSTITUTIONS

Federal matching funds would be available for foster care provided in publicly-operated child care institutions which care for 25 or fewer children.

## SENATE ACTION—Continued

## Amendments Adopted—Continued

*Eagleton UP amendment No. 672*, delaying the date certain child support requirements become effective in the case of certain States, by voice vote (Oct. 25, Congressional Record S 15144);

*Cranston UP amendment No. 673*, adjusting the base year for foster care maintenance payment allotments to the States to include otherwise eligible children who were placed in homes with relatives, by voice vote (Oct. 25, Congressional Record S 15148);

*Cranston UP amendment No. 674*, providing continuing medical eligibility for certain recipients of Veterans' Administration pensions, by voice vote (Oct. 25, Congressional Record S 15149);

*Tsongas UP amendment No. 675*, holding harmless such funds as appropriated for fiscal year 1980 by State legislatures before Oct. 1, 1979, by voice vote (Oct. 25, Congressional Record S 15153);

*Moynihan UP amendment No. 676*, allowing Federal financial participation for an AFDC child in foster care after a judicial determination that a voluntary removal from the home was necessary for the welfare of the child, by voice vote (Oct. 25, Congressional Record S 15154);

*Long UP amendment No. 677*, making a technical change, by voice vote (Oct. 25, Congressional Record S 15156);

*Long UP amendment No. 692*, making technical changes in the bill, by voice vote (Oct. 29, Congressional Record S 15286); and

*Levin amendment No. 553*, providing adoption eligibility for SSI recipients; deleting the means test for adoption assistance; and providing full medical coverage for adopted children with special needs up to age 18, by rollcall vote (No. 374), of 60 yeas, 25 nays (Oct. 29, Congressional Record S 15286).

## Amendments Rejected:

*McClure UP amendment No. 666*, striking adoption assistance payments provisions from the bill, by rollcall vote (No. 371), of 13 yeas, 77 nays (Oct. 25, Congressional Record S 15124);

*Bellmon UP amendment No. 668*, establishing a \$2.9 billion ceiling for social services grants to the States, by rollcall vote (No. 372), of 37 yeas, 50 nays (Oct. 25, Congressional Record S 15129);

*Bellmon UP amendment No. 670*, consolidating the social services block grant program with the social services personnel training program, and consolidating the foster care, child welfare services, and adoption assistance programs; by rollcall vote (No. 373), of 26 yeas, 61 nays (Oct. 25, Congressional Record S 15134); and

*Bellmon amendment No. 558*, revising the ceiling for Federal foster care funding for the various States, by rollcall vote (No. 553) of 31 yeas, 57 nays (Oct. 29, Congressional Record S 15280).

## CONFERENCE ACTION

Oct. 29, 1979.—Senate insisted on its amendment, requested a conference with the House, and named the following conferees: Messrs. Long, Talmadge, Ribicoff, Moynihan, Boren, Dole, Heinz, and Roth.

Nov. 16, 1979.—House agreed to a conference with the Senate, and named the following conferees: Messrs. Ullman, Corman, Rangel, Brodhead, Conable, and Roussetot.

Apr. 23, 1980.—Conference report filed in the House (H. Rept. 96-900) with the conferees having taken the following action:

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 3434★—Continued

CONFERENCE ACTION—Continued

## SUMMARY OF HOUSE BILL—Continued

## Title I—Foster Care and Adoption Assistance

## II. AFDC FOSTER CARE AND ADOPTION ASSISTANCE—Continued

## ESTABLISHMENT OF A SEPARATE FOSTER CARE (AND ADOPTION ASSISTANCE) PROGRAM UNDER A NEW PART E OF TITLE IV OF THE SOCIAL SECURITY ACT

## FEDERAL MATCHING FUNDS FOR ADOPTION ASSISTANCE

States would be required to include an adoption assistance program as part of their AFDC program. Federal AFDC matching funds would be available for adoption assistance payments under the conditions and limitations described below.

*Eligibility of the Child.*—The assistance could be provided on behalf of an AFDC foster care-eligible child or an SSI-eligible child who has been determined by the State to have "special needs."

Special needs exists when the State has determined (1) that the child cannot or should not be returned to his or her own home; (2) that there is a specific condition (such as age; physical, mental, emotional, or medical handicap; or membership in a minority or sibling group) because of which it is reasonable to conclude the child cannot be placed without assistance; and (3), except where it would be contrary to the best interest of the child, efforts have been made to place the child without providing an adoption assistance payment.

*Amount of the Assistance.*—The amount of the adoption assistance payments, if any, would be determined by agreement between the adoptive parents and the administering agency, taking into consideration the economic circumstances of the adopting parents and the needs of the child. It would be subject to periodic adjustment upon a change in those circumstances. The amount of the payment could not exceed the amount which would have been paid had the child been in a foster family home in the State. However, it could initially include an amount to cover the non-recurring expenses associated with the adoption of the child.

Children for whom adoption assistance payments are made would be eligible for Medicaid on the same basis as AFDC and AFDC foster care children.

*Duration of the Assistance.*—Adoption assistance payments could continue until the child reaches age 18. In the case of a child with a physical or mental handicap, the State could continue assistance until age 21. It would cease before the child reached age 18 (or 21) if the State determines that the child was no longer receiving any support from the parents.

## IV. PUBLIC ASSISTANCE PAYMENTS TO TERRITORIAL JURISDICTIONS

## FEDERAL MATCHING FUNDS FOR AFDC, GAA AND APTD IN PUERTO RICO, GUAM AND THE VIRGIN ISLANDS

The current \$78 million funding level and 75 matching percent rate, provided for fiscal 1979 under Public Law 95-600, would be made permanent.

## AMENDMENTS

Oct. 9, 1979  
No. 1  
(507) (Schwelker) Requires prompt installation of computerized Medicaid management information systems (MMIS).

Under the conference agreement, the present IV-A AFDC foster care program would be shifted to a new title IV-E, as under the Senate bill, but would continue to be a required program as under current law. States could shift AFDC foster care from IV-A to the new title IV-E program as of October 1, 1980 and would be required to have made the transition by October 1, 1982. Authority for Federal IV-E foster care matching funds would be permanent, as under the House bill.

## NEW FOSTER CARE (AND ADOPTION ASSISTANCE) STATE PLAN REQUIREMENTS

## 1. ADMINISTRATION

The House recedes. The Senate bill provided that, in order for a State to be eligible for payments of foster care and adoption assistance under the new title IV-E, it must have a plan approved by the Secretary which provides that, in addition to certain State plan administrative requirements in current law, the agency responsible for administering the title IV-B child welfare program shall administer or supervise the administration of the new program.

## 2. DISCLOSURE OF INFORMATION

The conference agreement includes the provisions of the Senate bill, except that disclosure of information containing names and addresses of individual recipients to the Committee on Finance and Ways and Means would not be authorized. The conferees note that this limitation pertains only to names and addresses. As under existing law, the two committees would otherwise have full access to data and findings concerning the operations of these programs and would be able to request and receive the results of program audits. In addition, disclosure for the purposes of the independently conducted audits required by other provisions of this bill would be authorized.

## 3. REQUIRED AUDIT OR EVALUATION OF STATE'S FOSTER CARE, CHILD WELFARE SERVICES AND ADOPTION ASSISTANCE PROGRAMS

The House recedes with the understanding that the required independently conducted audit may be performed by a governmental agency.

## 4. HEARING PROCEDURES

The conference agreement provides that hearing procedures under the new IV-E program would be the same as under current IV-A law.

## 5. PROCEDURE AND REQUIREMENTS RELATED TO CHILDREN IN FOSTER CARE IN EXCESS OF 24 MONTHS

The House recedes with an amendment to the effective date. The State must establish its goals by October 1, 1982 for fiscal years beginning with fiscal 1984.

## CONFERENCE ACTION—Continued

## Title I—Foster Care and Adoption Assistance—Continued

NEW FOSTER CARE (AND ADOPTION ASSISTANCE) STATE PLAN  
REQUIREMENTS—Continued

## 6. CASE PLAN AND CASE REVIEW SYSTEM

The Senate recedes. The House bill specified that the case plan must be a written document which includes a description of the child's placement and its appropriateness; a plan, if necessary, for compliance with judicial determination requirements; and a plan of services which will be provided in order to improve family conditions and facilitate returning the child to his home, or which will facilitate other permanent placement of a child, or which will serve the needs of a child while in foster placement. In addition, it required a case review at least every six months by a court of competent jurisdiction or an administrative review.

## 7. PREVENTIVE AND REUNIFICATION SERVICES

The House recedes with an amendment which retains the current law requirement assuring that the child receives proper care. The conferees agreed to the Senate requirement beginning October 1, 1983.

8. FEDERAL SANCTIONS FOR NON-COMPLIANCE WITH STATE PLAN  
REQUIREMENTS

The House recedes. The Senate bill provided that if there is a finding by HEW of substantial failure to comply with the State plan requirements under the new part E of title IV for foster care and adoption assistance, HEW would reduce the Federal matching payments to the extent determined to be appropriate.

## CEILING ON FEDERAL MATCHING FOR FOSTER CARE

The house recedes with an amendment. Under the conference agreement, there would be a ceiling on Federal foster care matching funds for four years beginning with fiscal 1981.

States would have the following options in the determination of this ceiling:

1. The State's fiscal year 1978 Federal foster care funds increased by 33½ percent for fiscal year 1981, and increased by 10 percent per year thereafter.

2. The State's share of \$100 million relative to its population under 18.

3. Or, a State whose AFDC foster care caseload in fiscal year 1978 was below the 1978 national average AFDC foster care caseload (based on the percentage of children under 18 in AFDC foster care in the State and nationwide) could receive an amount for 1981, and for each year thereafter (1982-1984) that its foster care caseload remained below the 1978 national average caseload, determined as follows: for each year, the amount of Federal AFDC foster care matching funds the State received in 1978 would be increased (1) by the same percentage its AFDC foster care caseload had increased since 1978 not to exceed 10 percent per year from 1978 to the year in question) and (2) further increased by 33½ percent for fiscal year 1981 and by 10 percent per year thereafter. This option would not be available to a State once its foster care caseload equals or exceed the 1978 national average caseload.

Under all options, a State's base would include the cost of certain foster care provided by related persons and certain disputed claims, as in the Senate bill.

TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 3434★—Continued

## CONFERENCE ACTION—Continued

## Title I—Foster Care and Adoption Assistance—Continued

NEW FOSTER CARE (AND ADOPTION ASSISTANCE) STATE PLAN  
REQUIREMENTS—Continued

## CEILING ON FEDERAL MATCHING FOR FOSTER CARE—continued

The ceiling on Federal foster care funds would not be effective for fiscal year 1981 if IV-B child welfare services appropriations are less than \$103.5 million, for fiscal year 1982 if IV-B appropriations are less than \$220 million, and for fiscal years 1983 and 1984 if IV-B appropriations are less than \$266 million. Further, beginning with fiscal year 1981 for expenditures in fiscal year 1982, IV-B appropriations must be provided on an advance funding basis.

Federal foster care matching funds made available to a State under the ceiling which are not used for foster care maintenance could be used for IV-B child welfare services at the 75 percent Federal matching rate under the following conditions:

—A State that selected the ceiling option No. 3 described above could not transfer IV-E foster care funds to IV-B child welfare services.

—A State could not transfer from IV-E to IV-B more than an amount which, together with the IV-B funds it receives, exceeds its share of \$141 million under the IV-B allocation formula, unless and until it had implemented the foster care procedures and protections, except preplacement preventive services, required by section 103 of this bill in order for a State to receive additional IV-B child welfare services funds. (These required procedures and protections are described in the part of section 103 entitled "Requirements for Additional Federal IV-B Child Welfare Services Funds.") After Federal IV-B appropriations have equaled the authorized maximum of \$266 million for two consecutive years, a State could not transfer funds from IV-E to IV-B unless and until it had implemented all the foster care procedures and protections required for receipt of additional IV-B child welfare services funds, including a program of preplacement preventive services.

In any year there is no ceiling on Federal IV-E foster care funds because of inadequate IV-B appropriations, a State that opted for a ceiling in order to be able to transfer funds from IV-E to IV-B could not transfer more than an amount which, together with the IV-B funds it receives, exceeds the amount of IV-B funds it would have received if the IV-B appropriations for such year had been sufficient to require a ceiling on foster care funds in all States. Further, the State could not transfer from IV-E to IV-B more than an amount which, together with the IV-B funds it receives, exceeds its share of \$141 million under the IV-B allocation formula, unless and until it had implemented the foster care procedures and protections required in order for a State to receive additional IV-B child welfare service funds, except preplacement preventive services. When for any two fiscal years the amount of funds transferred from IV-E to IV-B plus direct IV-B funds has equaled the State's share of \$266 million (under the IV-B allocation formula), the State could no longer transfer funds from IV-E to IV-B unless and until it had implemented all the foster care procedures and protections required for receipt of additional IV-B child welfare services funds, including a program of preplacement preventive services.

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 3434★—Continued

## CONFERENCE ACTION—Continued

## Title I—Foster Care and Adoption Assistance—Continued

PROVISION OF PREVENTIVE SERVICES FOR CHILDREN PLACED AS A  
RESULT OF JUDICIAL DETERMINATION

The House recedes. The modification in the Senate bill would become effective October 1, 1983. (The conference agreement also provides for Federal funding for certain "voluntarily" placed children as described in the part of section 102 entitled "Children Voluntarily Placed in Foster Care.")

## DEFINITION OF FOSTER CARE MAINTENANCE PAYMENTS

The House recedes with the understanding that, in the case of foster family homes, payments for the costs of providing care to foster children are not intended to include reimbursement in the nature of a salary for the exercise by the foster family parent of ordinary parental duties.

FOSTER CARE MAINTENANCE PAYMENTS TO CHILDREN IN HOMES  
AND INSTITUTIONS

The Senate recedes. The House bill allowed matching for maintenance payments made to children in *public* institutions which accommodate no more than 25 children (but not including detention facilities, forestry camps, training schools, or any other facilities operated primarily for the detention of children who are delinquent). The change applied to children already in such institutions on the date of enactment and to those placed after enactment.

## FEDERAL MATCHING PROVISIONS FOR FOSTER CARE

The House recedes. The Senate bill provided for Federal matching under the new IV-E program according to the Medicaid matching formula.

## CHILDREN VOLUNTARILY PLACED IN FOSTER CARE

The Senate recedes with an amendment. The conference agreement provides that, in those States that have implemented the protections and procedures required by section 103 for receipt of additional IV-B child welfare services funds, including a program of preplacement preventive services, Federal foster care matching funds would be available until September 30, 1983 for children who have been voluntarily removed from their home (without a judicial determination), if such removal is pursuant to a voluntary placement agreement. The voluntary placement agreement must be revokable on the part of the parent unless the child welfare agency objects and obtains a judicial determination that the return of the child to the home would be contrary to the child's best interests. There would have to be a judicial determination of a voluntary placement within six months to the effect that such placement is in the best interests of the child. The Secretary of HEW would be required to report annually to the Congress on the number of children placed under this provision.

## CERTAIN VOLUNTARILY PLACED CHILDREN

The House recedes. The Senate bill provided that Federal matching under the new title IV-E would be allowed for a child who was voluntarily removed from the home and for whom there had been, at some time prior to October 1, 1978, a judicial determination that continuation in the home would have been contrary to the welfare of the child. Federal matching funds would become available from the date that case plan was prepared and a case

## TITLE AND DESCRIPTION

## CONFERENCE ACTION—Continued

## Title I—Foster Care and Adoption Assistance—Continued

## CERTAIN VOLUNTARILY PLACED CHILDREN—Continued

review was made regarding the child. The bill also authorized Federal matching under title IV-A until such time as a State had an approved plan under the new title IV-E for certain children voluntarily placed prior to October 1, 1979. Federal matching would be provided for AFDC foster care costs in the case of a child removed from the home on a voluntary basis where, prior to October 1, 1978, there was a judicial determination that continuation in the home would have been contrary to the welfare of such child. The date of voluntary removal would be deemed to be the date on which the court proceedings were initiated.

## PROVISION FOR STATE ADOPTION ASSISTANCE PROGRAM

The Senate recedes with an amendment. Under the conference agreement States would be required to establish an adoption assistance program under the new title IV-E no later than October 1, 1982.

## ELIGIBILITY FOR ADOPTION ASSISTANCE

The conference agreement provides that the Federal matching would be available for a child with "special needs" who was eligible for SSI, AFDC or AFDC foster care, including voluntarily placed children, as under the House bill. "Special needs" would be defined as in the Senate bill, modified by House language to provide examples of the kinds of factors or conditions that could constitute "special needs."

## ADOPTION ASSISTANCE AGREEMENT

The Senate recedes with an amendment providing that, effective October 1, 1983, States would be required to continue to comply with adoption assistance agreements regardless of whether the adoptive parents are or remain residents of the State, as in the House bill. Between enactment and October 1, 1983, HEW would be directed to develop interstate compacts with respect to adoption assistance agreements.

## AMOUNTS OF ADOPTION ASSISTANCE PAYMENTS

The House recedes. The conferees understand that some States already fund certain costs associated with adoption through the child welfare services program. This provision is not intended to prohibit funding for expenditures which are considered eligible for funding under present law, such as costs associated with the adoption of children who do not meet the requirements for adoption assistance under the new program established under title IV-E.

## DURATION OF ADOPTION ASSISTANCE

The conferees agreed that Federally matched adoption assistance could continue until the child reached 18, or until 21 in the case of a child with a mental or physical handicap, as in the House bill. Federally matched adoption assistance payments would stop if the State determines the parents are no longer supporting the child or are no longer legally responsible for supporting the child, as in the Senate bill.

## MEDICAID ELIGIBILITY FOR ADOPTED CHILDREN

The Senate recedes. The House bill provided that children receiving adoption assistance payments would be considered to be receiving AFDC and therefore would be categorically eligible for Medicaid.

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 3434★—Continued

## CONFERENCE ACTION—Continued

## Title I—Foster Care and Adoption Assistance—Continued

## FEDERAL MATCHING FOR ADOPTION ASSISTANCE

The conference agreement provides that Federal matching for adoption assistance would be permanent, as in the House bill, and would be based on the medicaid matching formula, as in the Senate bill.

## HEW RESPONSIBILITIES FOR STUDIES AND TECHNICAL ASSISTANCE

The House recesses. HEW would be authorized to provide technical assistance to States, and to conduct a study of the new IV-E program with a report to Congress, as in the Senate bill. The report would be due October 1, 1983.

## TITLE IV-B CHILD WELFARE SERVICES

REQUIREMENTS FOR ADDITIONAL FEDERAL IV-B CHILD WELFARE  
SERVICES FUNDS

In any year in which Federal IV-B appropriations exceed \$141 million, a State could not receive any IV-B funds in excess of its share of \$141 million unless it had implemented the following procedures and protections:

- conducted an inventory of children who have been in foster care for over 6 months
- implemented a statewide information system on children in foster care
- implemented a case review system for each child in foster care, which includes a 6 month review and 18 month dispositional hearing for each child. The case review system must be designed to achieve placement in the least restrictive setting and in close proximity to home, and to provide procedural safeguards for children, parents and foster care providers
- implemented a services program designed to assist children, where possible, to return to their homes.

Further, when Federal IV-B appropriations have equalled the authorized maximum of \$266 million for two consecutive years, a State would have its IV-B funds reduced, beginning with the succeeding fiscal year, to the share of \$56 million it received in fiscal year 1979, unless and until it had implemented the protections and procedures described above and, in addition, implemented a service program of preplacement preventive services designed to prevent the need for removing a child from his or her home.

## DEFINITION OF CHILD WELFARE SERVICES

The Senate recesses. The House bill changed the definition of "child welfare services" to public social services which are directed toward the accomplishment of the following purposes: (a) preventing or remedying or assisting in the solution of problems which may result in, the neglect, abuse, exploitation or delinquency of children; (b) protecting and promoting the welfare of all children, including handicapped, homeless, dependent, or neglected children; (c) preventing the unnecessary separation of children from their families by identifying problems, assisting families in resolving their problems, and preventing breakup of the family where the prevention of child removal is desirable and possible; (d) restoring to their families children who have been removed, by the provision of services to the child and family; (e) placing children in suitable adoptive homes, in cases where restoration to the biological family is not possible or appropriate; and (f) assur-

## CONFERENCE ACTION—Continued

## Title I—Foster Care and Adoption Assistance—Continued

ing adequate care of children away from their homes, in cases where the child cannot be returned home or cannot be placed for adoption.

## LIMITATIONS ON USE OF TITLE IV-B FUNDS

A State would be prohibited from using new IV-B funds for foster care maintenance payments, adoption assistance, and for child care that is needed only for employment, as in the House bill.

## PROHIBITION AGAINST REDUCTION OF STATE CHILD WELFARE EXPENDITURES

The Senate recedes with an amendment. Under the conference agreement, the reference to title XX would be omitted.

## FEDERAL MATCHING RATE FOR IV-B CHILD WELFARE SERVICES

The House recedes. The Senate bill was the same as the House bill but a State would be allowed to use State foster care expenditures to meet the 25 percent IV-B matching requirement.

## ADVANCE FUNDING OF TITLE IV-B

IV-B funds would be shifted to an advance funding basis as in the Senate bill beginning in fiscal year 1981 for expenditures to be made in 1982.

## CARRYOVER OF A STATE'S UNUSED TITLE IV-B CHILD WELFARE FUNDS

The Senate recedes. Under the House bill funds appropriated for fiscal year 1980 would remain available, to the extent provided in an appropriation act, through fiscal year 1981.

## REALLOCATION OF THE TITLE IV-B FUNDS

The House recedes. The Senate bill was the same as present law. Current law permits reallocation of funds not needed by one State to other States which the Secretary determines have need for such funds to carry out their State plans and which will be able to use such funds during the fiscal year. Reallocation is to take into consideration the population under age 21 of each State and the State per capita income.

## CHILD WELFARE PAYMENTS DIRECTLY TO INDIAN TRIBAL ORGANIZATIONS

The House recedes. The Senate bill provided authority for the Secretary of HEW to make payments from funds appropriated for title IV-B child welfare services directly to an Indian tribal organization in a State. The payments would come from the State's title IV-B allotment.

## Title II—Social Services

## CEILING ON FEDERAL XX FUNDS

The House recedes with an amendment requiring reallocation of any unused funds in fiscal year 1980.

## 100 PERCENT MATCHING FOR CHILD CARE; GRANTS TO HIRE WELFARE RECIPIENTS

Of the total amount of title XX funds available under the statutory ceiling, \$200 million would be available for child care in fiscal 1980 and 1981 with no State matching requirement, as in both the

## TITLE AND DESCRIPTION

ACTION  
 (CALL CONGRESSIONAL RECORD PAGE NUMBERS  
 REFER TO DAILY CONGRESSIONAL RECORD)

## CONFERENCE ACTION—Continued

## Title II—Social Services—Continued

House and Senate bills. In addition, authority for States to use title XX funds for grants for hiring welfare recipients as child day care workers would be made permanent with the modifications contained in the Senate bill. For fiscal years 1982 and thereafter, a State could receive up to 8 percent of its title XX allotment with no matching requirement if such allotment was used for child care services (including grants to hire welfare recipients) as provided under present law for the \$200 million earmarked for child care services.

## LIMITATION ON FUNDS FOR TITLE XX TRAINING

The conference agreement provides that for fiscal year 1980 and 1981, the ceiling specified in the Senate bill would be in effect. For fiscal 1982 and thereafter, there would be no specific ceiling, but States would be reimbursed only for those expenditures included in an HEW approved State training plan, as in the House bill.

## USE OF RESTRICTED PRIVATE FUNDS FOR TRAINING PROGRAMS

The House recedes with an amendment providing that States could accept restricted private matching funds in fiscal 1980 and fiscal 1981.

## EMERGENCY SHELTER

As in both the House and Senate bills, effective October 1, 1979, title XX funds could be used for emergency shelter, for not in excess of 30 days in any 6 month period, as a protective service to an adult in danger of physical or mental injury, neglect, maltreatment, or exploitation.

## MULTI-YEAR PLANNING: CHOICE OF FISCAL YEAR

Under the conference agreement, States would have the option of a multi-year title XX program period, as in both bills, and a local government fiscal year, as in the Senate bill, effective for program periods beginning after enactment.

## SOCIAL SERVICES FUNDING FOR TERRITORIES

The conference agreement maintains the current law provision which provides that the credit is not allowed for wages reimbursed by a grant. The conference agreement provides, however, for a special 100-percent credit with respect to unreimbursed wages paid to workers whose wages are reimbursed in whole or in part by funds made available under section 2007 (grants to hire welfare recipients as child care workers) of the Social Security Act. If the taxpayer elects to compute the credit using this rate, the credit with respect to any employee is limited to the least of: (1) \$6,000 minus the reimbursement with respect to this employee under section 2007, (2) \$3,000 (for the first year of employment) or \$1,500 (for the second year of employment), or (3) 50 percent (for the first year of employment) or 25 percent (for the second year of employment) of the sum of unreimbursed wages and the reimbursement under section 2007.

The conference agreement includes the Senate provision with regard to the eligibility of part-time child care workers for the credit. Regulations should define a minimum standard for part-time employment, such as 8 hours per week for the first 4 weeks of employment, to ensure that employees are eligible only if they have established a regular employment relationship with the employer.

## CONFERENCE ACTION—Continued

## Title II—Social Services—Continued

## SERVICES TO ALCOHOLICS AND DRUG ADDICTS

Both the House and Senate bills provided for making permanent a temporary provision of law which allows title XX funds to be used for certain rehabilitative services provided to alcoholics and drug addicts, and for limited funding of detoxification services provided in medical facilities.

## Title III—Other Social Security Act Provisions

FEDERAL FUNDING FOR NON-AFDC SUPPORT ENFORCEMENT  
PROGRAM

The House recedes. The Senate bill reinstated the provision for 75 percent Federal matching on a permanent basis.

## INCENTIVE TO REPORT EARNINGS UNDER AFDC PROGRAM

The House recedes. The Senate bill provided that the earnings disregards would not be applied to any earned income that is not reported on a timely basis (unless there is good cause).

## PRORATING OF SHELTER ALLOWANCE

The House recedes. The Senate bill permitted a State to prorate the shelter and utilities portion of the AFDC benefit in the case of a child who is living with a relative who is not himself an AFDC recipient so as to take account of that relative's presumed contribution to those shelter costs. The provision applies where the relative is not legally responsible for the AFDC child's support or where none of the legally responsible relatives living with the child is eligible for AFDC because such relative is being supported by another person or another program and where the total income of the household equals or exceeds the State standard of need for a unit that size or the total income of the unit cannot be determined.

## SERVICES FOR DISABLED AND BLIND CHILDREN RECEIVING SSI

The House recedes. The Senate bill extended the program from October 1, 1979 until September 30, 1982.

## PUBLIC ASSISTANCE PAYMENTS TO TERRITORIAL JURISDICTIONS

As in both the House and Senate bills, the temporary \$78 million funding level and 75 percent matching rate provided in fiscal 1979 for AFDC and assistance programs for the aged, blind and disabled in Puerto Rico, Guam and the Virgin Islands would be made permanent, effective October 1, 1979. (As of October 1, 1979, the funding level reverted to the permanent level of \$26 million and the matching rate reverted to 50 percent.)

## PERIOD WITHIN WHICH CERTAIN CLAIMS MUST BE FILED

The House recedes. The Senate bill provided that no payment may be made to a State with respect to any expenditure under the AFDC, medicaid, social services, and other Social Security Act programs unless the Secretary received a claim for Federal reimbursement from the State within a two-year period after expenditure: except, court-ordered retroactive payments, audit exceptions, adjustments to prior year costs, or where the Secretary determines there is good cause to waive the limit. The provision would be effective starting with fiscal year 1980 expenditures, except that the provision specified that there shall be no time limit on the payment of claims which have been filed prior to enactment and

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS

H.R. 3431★—Continued

## CONFERENCE ACTION—Continued

## Title III—Other Social Security Act Provisions—Continued

that claims for expenditures prior to fiscal year 1980 must be filed by December 31, 1980.

## INCENTIVES FOR STATES TO COLLECT CHILD SUPPORT OBLIGATIONS

The House recedes. The Senate bill retained provisions of present law, and, in addition, allowed States which enforce and collect child support within the State on their own behalf to receive the 15 percent incentive payment.

POSTPONEMENT OF IMPOSITION OF CERTAIN PENALTIES RELATING TO  
CHILD SUPPORT REQUIREMENTS

The conference agreed that the 5 percent penalty for failure to have an effective child support enforcement program in current law would not be imposed on any State before October 1, 1980. The conferees note that this provision should not be considered to prejudice in any way the ultimate disposition of penalties for prior years.

EXCHANGE OF INFORMATION ON TERMINATED OR SUSPENDED PROVIDERS  
UNDER MEDICARE AND MEDICAID PROGRAMS

The House recedes. The Senate bill required the Secretary of HEW to notify the State medicaid agency when individual practitioners or providers are suspended or terminated under the medicare program for making false statements, submitting excessive bills, or furnishing services in excess of needs (but not necessarily convicted of a criminal offense). The bill also required the State medicaid agency to promptly notify the Secretary of HEW whenever a provider of services or an individual practitioner is terminated, suspended or otherwise sanctioned or prohibited from participating under the medicaid program.

CONTINUATION OF MEDICAID ELIGIBILITY FOR CERTAIN RECIPIENTS OF  
VA PENSIONS

The House recedes with an amendment. There would be no transfer of funds from the VA; and, individuals who have already lost eligibility for SSI or AFDC because of the higher VA pension would be considered to have remained eligible for SSI and AFDC for the months between their transfer to VA benefits and the date that this amendment becomes effective with respect to them.

## Provisions Deleted by the Conference

The conference did not accept:

1. The House provision that would have required States, prior to publication of their title XX plan, to consult with local government officials.

2. The House provision that would have required States to specify in their title XX plan the criteria for the distribution of title XX funds within the State.

3. The House provision that would have added language to the title XX law stating it was the purpose of the program to meet social service needs not otherwise being met.

4. The Senate provision that would have changed the earnings disregards under the AFDC program.

5. The Senate provision that would have required States, in determining AFDC eligibility or benefits, to take into account certain amounts of a stepparent's income.

6. The Senate provision that would have required States to have computerized medicaid management information systems operational by July 1, 1981.

## VOTE ON CONFERENCE REPORT

June 13, 1980.—House agreed to conference report, by voice vote  
(Congressional Record H4980).

June 13, 1980.—Senate agreed to conference report, by voice vote  
(Congressional Record S6936).

## BILL SIGNED

June 17, 1980.—Signed by the President.

(Public Law 96-272)

H.R. 3464★

June 11, 1979

To amend title XVI of the Social Security Act to remove certain work disincentives for the disabled under the supplemental security income benefits program, and for other purposes.

## SUMMARY

## SUBSTANTIAL GAINFUL ACTIVITY DETERMINATION

Raises the SGA earnings limit (currently \$280 a month), to a level at which an individual's monthly countable earnings equal the basic Federal SSI benefit for that month.

## SSI PAYMENT DETERMINATION

Allows a "standard work related expense disregard" equal to 20 percent of gross earnings in the determination of a disabled individual's monthly SSI payment.

DISABILITY STATUS WITHOUT SSI PAYMENTS AND PRESUMPTIVE  
DISABILITY DETERMINATION

Allows a disabled SSI recipient to retain disability status, without receiving SSI payments, for 12 months following termination of SSI benefits due to earnings in excess of the SGA limit.

## SSI DEMONSTRATION PROJECTS

Authorizes Secretary of Health, Education, and Welfare to conduct experimental, pilot, or demonstration projects which, on his judgment, are likely to promote the objectives or improve the SSI program.

DEEMING OF PARENTS' INCOME TO DISABLED OR  
BLIND CHILDREN

Provides that, for purposes of SSI eligibility determination, the "deeming" of parents' income would be limited to disabled or blind children under 18 regardless of student status.

## DECISION NOTICES FOR SSI APPLICANTS

Requires Secretary of Health, Education, and Welfare to provide SSI applicants with a decision notice containing a citation of the pertinent law and regulations, a summary of the evidence, and the reasons for the decision on their application.

## SSI PAYMENTS DURING PARTICIPATION IN REHABILITATION PROGRAM

Provides that an SSI beneficiary could not be terminated due to medical recovery while he or she is participating in an approved vocational rehabilitation program which the Social Security Administration determines will increase the likelihood that the person may be permanently removed from the disability benefit rolls.

## COMMITTEE ACTION

Feb. 5, 1980.—Public hearing.

Apr. 30, 1980.—Committee agreed to offer the text of the bill as passed by the House as a committee amendment on the floor to H.R. 3122. (Subsequently enacted into law as part of H.R. 3122, P.L. 96-467)

Aug. 22, 1980.—Reported favorably to the Senate (S. Rept. 96-912), with an amendment in the nature of a substitute, which repeals the 2 percent excise tax on wagers, effective January 1, 1981. In addition, the occupational tax of \$500 per year on persons liable for the 2 percent excise tax on wagers and persons engaged in receiving wagers for such persons would be repealed as of January 1, 1981.

## SENATE ACTION

Dec. 13, 1980.—Considered by the Senate.

*(Provisions relating to tracker pipe organ included in H.R. 3122, P.L. 96-467)*

|   |
|---|
| <b>H.R. 3904★</b><br>To amend the Employee Retirement Income Security Act of 1974 and the Internal Revenue Code of 1954 to improve retirement income security under private multiemployer pension plans by strengthening the fund requirements for those plans, to authorize plan preservation measures for financially troubled multiemployer pension plans, and to revise the manner in which the pension plan termination insurance provisions apply to multiemployer plans, and for other purposes. |
|---|

May 29, 1980.—Ordered held at the desk.

## SENATE ACTION

July 29, 1980.—Passed by the Senate by rollcall vote (No. 327) of 81 yeas, 1 nay (Congressional Record S10169), after striking all after the enacting clause and inserting in lieu thereof the text of S. 1076 as reported to the Senate and described elsewhere in this calendar. Prior to this action Senate had agreed to the committee amendment in the nature of a substitute to S. 1076, as amended, and took action on additional amendments proposed as follows:

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 3901★—Continued

## Summary of Bill

## STATEMENT OF POLICY

The stated policy of the bill is to make specified changes in the pension rules applicable to multiemployer plans (1) to protect the interests of participants and beneficiaries in financially distressed multiemployer plans, and (2) to encourage the growth and maintenance of multiemployer plans.

## WITHDRAWAL LIABILITY—EMPLOYER WITHDRAWAL FROM PLAN

Under the bill, an employer who totally or partially withdraws from a multiemployer pension plan generally is liable for a portion of the plan's unfunded obligations as of the time of the withdrawal. Special provisions are included which relieve employers in the building and construction or entertainment industry from this withdrawal liability in specified circumstances. A plan can provide a *de minimis* exception for relatively small liabilities. The bill has a basic method for computing withdrawal liability (that is, for both complete withdrawals and partial withdrawals) as well as several alternative methods which a plan could adopt.

## COMPUTATION OF WITHDRAWAL LIABILITY

Under the bill, an employer's withdrawal liability is a share of the plan's unfunded benefit obligations. The plan's determination of liability is presumptively correct.

The annual amount of withdrawal liability payment by an employer is generally determined by multiplying the highest rate at which the employer contributed during the 10 years preceding the withdrawal by the employer's average contribution base (e.g., because of service) during the three consecutive years in the 10-year period which produce the highest average. Generally, the employer continues to make annual payments for 30 years or until the liability (including interest) is fully paid off. Where an employer defaults on a payment of withdrawal liability, the entire unpaid liability is accelerated and immediately due.

The PBGC is to establish a reinsurance fund in which participating plans may insure payment of uncollectible withdrawal liability. Groups of plans in an industry are permitted to establish a private withdrawal liability payment fund as a collective pool for the payment of certain elements of withdrawal liability.

## DE MINIMUS RULE

Where the withdrawal liability of an employer (computed before any pro rata reduction in the case of a partial withdrawal) is less than the greater of (a) \$25,000, or (b) three-quarters of one percent of the plan's unfunded benefit obligations, the bill does not impose any withdrawal liability on the employer, unless the plan provides otherwise. The *de minimis* rule does not apply in the case of a mass withdrawal from a plan.

## REORGANIZATION—ACCRUED BENEFIT ADJUSTMENTS

Under the bill, certain plan benefits (including benefits being paid to retirees) could be eliminated by a plan in "reorganization" because of financial distress. In particular, a plan could eliminate benefit increases made after Mar. 26, 1980, and within five years before the plan enters reorganization.

## Adopted:

*Williams UP amendment No. 1458*, making technical corrections in the reported amendment, by voice vote (Congressional Record S10107);

*Cranston UP amendment No. 1461*, assuring that motion picture industry members are not able to avoid all liability by reason of their mode of operations through multiple corporations, and limited partnerships, by voice vote (Congressional Record S10107);

*Schweiker UP amendment No. 1464*, exempting small construction firms from the affirmative action program and to provide for more careful judicial review of the program's regulations, by voice vote (Congressional Record S10150);

*Bentsen UP amendment No. 1465*, relating to the employees of South Bend Lathe regarding their loss of pension benefits, by voice vote (Congressional Record S10152);

*Nunn UP amendment No. 1460 (modified) (to Wallop UP amendment No. 1459)*, adding surface-mined clay operations as activities to which the Federal Mine Safety and Health Amendments Act of 1977 would not apply, by voice vote (Congressional Record S10133);

*Wallop UP amendment No. 1459 (as amended by Nunn UP amendment No. 1460)*, providing that the provisions of such act shall not apply to stone mining operations or to sand and gravel mining operations, by rollcall vote (No. 321) of 52 yeas, 37 nays (Congressional Record S10132);

*Wallop UP amendment No. 1462*, increasing the mandatory *de minimis* reduction ceiling from \$50,000 to \$100,000, by rollcall vote (No. 322) of 47 yeas, 42 nays (Congressional Record S10143);

*Boren UP amendment No. 1463*, exempting certain small businesses from the Occupational Safety and Health Act, by rollcall vote (No. 324) of 48 yeas, 36 nays (Congressional Record S10145);

*Chafetz UP amendment No. 1467*, amending the Federal Unemployment Tax Act with respect to the pension offset provision, by voice vote (Congressional Record S10158); and

*Domenici UP amendment No. 1469*, protecting the pension benefits of certain participants in multiemployer pension plans, by voice vote (Congressional Record S10164).

## Rejected:

*Pressler UP amendment No. 1466*, striking the provision providing a special effective date for the seagoing industry, by rollcall vote (No. 325) of 28 yeas, 51 nays (Congressional Record S10158); and

*Boren UP amendment No. 1468 (to Chafetz UP amendment No. 1467)*, including provisions relating to the unemployment compensation program, by voice vote agreed to a motion to table the amendment, by rollcall vote (No. 326) of 52 yeas, 33 nays (Congressional Record S10164).

## HOUSE ACTION

Aug. 25, 1980.—House agreed to Senate amendment with an amendment as follows:

## Deleted:

*Schweiker UP amendment No. 1464*, exempting small construction firms from the affirmative action program and to provide for more careful judicial review of the program's regulations;

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

## H.R. 3904★—Continued

## MINIMUM CONTRIBUTION REQUIREMENT BENEFIT INCREASES

The minimum contribution requirement of the bill does not reflect a part of the cost of limited benefit increases adopted by a financially-distressed plan in reorganization.

## MINIMUM CONTRIBUTION REQUIREMENT—SPECIAL TESTS

The bill provides an accelerated funding schedule, in the form of a minimum contribution requirement, for financially-distressed plans in reorganization. The bill provides a "safe harbor" under which the minimum contribution requirement alone will not require employer contributions to a plan for a year to increase by more than 7 percent (the "safe harbor test") of the contribution required for the previous year. The bill also includes an asset replenishment test and an asset-benefit test which can result in an addition to the minimum contribution requirement.

## GUARANTEES

The bill eliminates the PBGC guarantee of benefit levels in effect less than 5 years before a reduction of benefits by a plan in reorganization or before the termination of a multiemployer plan. Also, benefits eliminated or cancelled because of the cessation of an employer's contribution to the plan are not to be guaranteed by the PBGC.

Under the bill, the first \$5 of monthly basic benefits earned per year of a participant's service is generally to be fully guaranteed and 70 percent of the next \$15 of monthly basic benefits is generally to be guaranteed. The percentage for excess benefits is generally to be reduced to 60 percent under plans which did not meet specified funding requirements. The guarantees are to apply only in the event of the insolvency of a multi-employer plan. As under present law, the bill does not extend guarantees to plan benefits of certain substantial owners of an employer.

## PREMIUMS

Under the bill, the annual per-participant premium would be increased to \$1.00 for the two years after enactment and by \$.40 every two years thereafter, to a maximum of \$2.60 for the ninth and succeeding year.

## HOUSE ACTION—Continued

*Deleted—Continued*

*Nunn UP amendment No. 1460 (modified) (to Wallop UP amendment No. 1459)*, adding surface-mined clay operations as activities to which the Federal Mine Safety and Health Amendments Act of 1977 would not apply;

*Wallop UP amendment No. 1459 (as amended by Nunn UP amendment No. 1460)*, providing that the provisions of such act shall not apply to stone mining operations or to sand and gravel mining operations;

*Boren UP amendment No. 1463*, exempting certain small businesses from the Occupational Safety and Health Act.

*Modified:*

*Chafee UP amendment No. 1467*, amending the Federal Unemployment Tax Act, inserting a pension offset provision which would limit the pension-offset to those persons who are receiving pension or retirement income from an employer for whom they worked during their unemployment compensation base period or an employer who is chargeable for unemployment compensation benefits under the State law, and authorizing the States to limit the amount of the pension-offset to take into account employee contributions to the pension or retirement plan from which they are receiving benefits.

## FURTHER SENATE ACTION

Aug. 26, 1980.—Senate concurred in the House amendment to the Senate amendment with the following additional amendments:

(1) Matsunaga unprinted amendment No. 1530 (to Williams unprinted amendment No. 1538) restoring the waiver of pre-emption in the case of the Hawaiian Health Care Plan; and

(2) Williams unprinted amendment No. 1538 (as amended by Matsunaga unprinted amendment No. 1530), striking the unemployment compensation pension-offset provisions, and inserting the pension-offset provision adopted by the Senate as an amendment which would limit the pension-offset to those persons who are receiving pension or retirement income from an employer for whom he worked during their unemployment compensation base period or an employer who is chargeable for unemployment compensation benefits under the State law, and authorizing the States to limit the amount of the pension-offset to take into account employee contributions to the pension or retirement plan from which they are receiving benefits (Congressional Record S11665-S11676).

## CONFERENCE ACTION

Aug. 28, 1980.—House disagreed to the Senate amendments to the House amendment to the Senate amendment, requested a conference with the Senate, and named the following conferees: Messrs.: Perkins, Thompson, Brademas, Clay, Ashbrook, Er-lenborn, Ullman, Corman, Rangel, Brodhead, Conable, and Frenzel.

Sept. 8, 1980.—Senate insisted upon its amendments, agreed to a conference with the House and named the following conferees: Messrs.: Williams, Randolph, Metzenbaum, Schweiker, Javits, Long, Matsunaga, Boren, Dole, and Chafee.

Sept. 18, 1980.—Conference report agreed to by the House and Senate, as follows:

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 3904★—Continued

## CONFERENCE ACTION—Continued

## TREATMENT OF CERTAIN RETIREMENT BENEFITS

Provides that the pension offset requirement of existing law would only apply to pensions paid under plans maintained or contributed to by base period or chargeable employers. The Senate amendment also allows States to make limitations to take into account employee contributions identical to that contained in the House amendment.

## PREEMPTION

Provides no exemption from the preemption provision of section 514 of the Employee Retirement Income Security Act of 1974.

The Conferees do not imply a position as to the effect of section 514 of ERISA on the Hawaii Prepaid Health Care Law or other similar State laws, or as to correctness of any court decisions in this area.

## BILL SIGNED

Sept. 26, 1980.—Signed by the President.

(Public Law 96-364)

H.R. 3915★

To amend title IV of the Employee Retirement Income Security Act of 1974 to postpone for 10 months the date on which the corporation must pay benefits under terminated multiemployer plans.

June 5, 1979.—Ordered held at the Senate desk.

June 6, 1979.—Passed by the Senate, without amendment, by voice vote (Congressional Record S7013-7014).

June 19, 1979.—Signed by the President.

(Public Law 96-24)

## TITLE AND DESCRIPTION

H.R. 3919★

July 10, 1979

Crude Oil Windfall Profit Tax Act of 1979.

## SUMMARY

The bill imposes a 70-percent windfall profit tax on increases in domestic crude oil prices resulting from the deregulation of crude oil prices or from excessive increases in world oil prices. Revenues from the tax will be placed in an energy trust fund, which will finance spending on programs to solve the energy problem. Amounts in the trust fund will be available for purposes to be specified by law at a later date, subject to the usual authorization and appropriations process.

The windfall profit tax is an excise, or severance, tax applying to all crude oil produced in the United States according to its classification in one of three tiers. For oil in tier one, the tax is 70 percent of the difference between the actual selling price of the oil and the May 1979 lower tier, or old oil, ceiling price (which averaged just under \$6 per barrel), adjusted for inflation. The tier two tax is 70 percent of the difference between the actual selling price and the May 1979 upper tier, or new oil, ceiling price (which averaged just over \$13 per barrel), adjusted for inflation. The tier three tax is 70 percent of the difference between the actual selling price of the oil and \$16 per barrel, adjusted for inflation and for differences in quality and location. Special 50-percent rates apply to taxable Alaskan North Slope oil and to the first \$9 of windfall profit on newly discovered oil.

For oil subject to the 70-percent rate, the windfall profit subject to tax is reduced by the State severance taxes on the windfall profit.

To prevent the tax from burdening high-cost properties, the bill also limits the windfall profit subject to tax to 100 percent of the net income from a property.

The tier one tax applies to oil which had been controlled as lower tier oil prior to the President's phased decontrol program but which receives a higher price as a result of decontrol. This tier includes oil from "marginal" properties, which were given special treatment under the President's decontrol program. The quantity of oil subject to the tier one tax on a property is the amount of production from the property below an amount represented by a statutory decline curve. This decline curve initially equals the average daily production of lower tier oil from the property in the period October 1978-March 1979, and this base is reduced by 1½ percent per month beginning January 1979. This decline rate causes the tier one tax to phase out after July 1984. After July 1984, this oil will be taxed in tier two; that is, on price increases above the inflation-adjusted upper tier ceiling price.

The tier two tax applies to oil produced on a property in excess of the amount indicated by the tier one decline curve. Thus, the tier two tax base will include most oil which had been controlled as upper tier oil prior to the decontrol program as well as oil released to tier two through the 1½-percent monthly decline curve. Because of the decline curve, increases in production on old properties resulting from additional drilling, secondary recovery or other methods will generally be taxed under the more lenient tier two tax.

The tier three tax applies to stripper oil, newly discovered oil, a portion of oil produced on properties employing tertiary recovery techniques, and taxable Alaskan North Slope oil.

To maximize production incentives, the bill provides special treatment for certain categories of oil, including newly discovered oil, Alaskan oil, and oil produced from properties using qualified tertiary recovery methods.

## ACTION

(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

July 16, 1979.—Referred to Office of Management and Budget and Departments of the Treasury and Energy.

## COMMITTEE ACTION

July 10, 11, 12, 18, 19, and 31.—Public hearings.

Sept. 12, 18-21, 25-28, Oct. 2-5, 9-12, 16 and 17, 1980.—Executive sessions.

Nov. 1, 1979.—Reported favorably to the Senate (S. Rept. 96-394), amended as follows:

## WINDFALL PROFIT TAX

The windfall profit tax is an excise, or severance, tax on domestically produced crude oil. Taxable oil is taxed in one of three tiers. For each tier the taxable windfall profit is the difference between the selling price of the oil and a base price, minus an adjustment for the State severance tax on the windfall profit. The base price averages \$6 per barrel for tier 1, \$13 for tier 2, and \$15.30 for tier 3, each of which is adjusted for inflation. The tax rate applied to the windfall profit is 75 percent for tier 1 and 60 percent for tiers 2 and 3. Tier 1 consists of oil which would have been lower tier, or old, oil had previous price controls been continued, and it gradually phases into tier 2. Tier 2 consists of oil which would have been upper tier, or new, oil under the old price control regulations, plus some special categories like marginal and high water-cut oil. Tier 3 is stripper oil. There are exemptions from the tax for newly discovered oil, incremental tertiary oil, heavy oil, up to 1,000 barrels per day of stripper oil produced by independent producers, and interests owned by State and local governments, Indian tribes, schools and medical institutions.

Assuming a world oil price of \$30 in the fourth quarter of 1979 and oil price increases at the rate of inflation plus two percent, the Finance Committee substitute would raise \$138.2 billion between 1980 and 1990, compared to \$276.8 billion raised by the House bill.

## RESIDENTIAL TAX CREDITS

The principal residential energy credits are:

- (1) A 15-percent home insulation credit for heat pumps, efficient replacement furnaces, and wood stoves.
- (2) A 10-percent insulation credit for landlords.
- (3) An increase in the solar energy credit to 50 percent and an extension of the credit thru 1999.
- (4) 40-percent solar credit for landlords.
- (5) A 25-percent credit for replacement coal furnaces.

## BUSINESS ENERGY TAX INCENTIVES

The principal business energy incentives are:

- (1) An increase to 20 percent and extension through 1990 for the business energy credits for solar, wind and geothermal equipment and for equipment to burn nonwood biomass or process it into a solid fuel.
- (2) Expansion of the 20-percent energy credit to ocean thermal equipment and solar equipment used for process heat.
- (3) A 10-percent energy credit for small hydroelectric projects. Liberalized depreciation and a larger ADR repair allowance for this property.
- (4) A 10-percent energy credit for non-oil cogeneration equipment, industrial heat pumps, alumina electrolytic cells, and petroleum coke and pitch equipment.
- (5) Extension of certain energy investment credits to utilities.
- (6) A transition rule for the energy credits expiring in 1982.

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

## H.R. 3919★—Continued

## SUMMARY—Continued

Newly discovered oil generally is taxable in tier three but only to the extent its selling price exceeds a \$17 base price (instead of \$16). In addition, the first \$9 of windfall profit on newly discovered oil is taxable at a 50-percent rate (instead of 70 percent), and the inflation adjustment to the \$17 base price (as well as to the \$9 windfall profit eligible for the 50-percent rate) is set 2 percentage points above the generally applicable annual rate.

Oil from the Sadlerochit Reservoir in Alaska, which is now producing a large volume of oil, is taxed in the third tier, but at a 50-percent rate (instead of 70 percent). The base price for Sadlerochit oil is \$7.50 per barrel (compared to an average wellhead price of \$5.22 in 1978), adjust upwards for inflation and upward to the extent of any reductions in the real value of the Trans-Alaskan Pipeline System tariff. Oil from any other Alaskan reservoirs located North of the Arctic Circle, including those already discovered but not yet developed, is exempt from all tax.

A portion of oil produced on a property on which the producer uses qualifying tertiary recovery techniques is taxed in tier three. This portion equals the amount of production in excess of a decline curve which initially is based on a decline rate of one percent per month but accelerates to 2½ percent per month when use of the tertiary process begins.

Income from interests in oil production owned by State or local governments, or by public educational institutions, is exempt if the income is dedicated to public education.

The windfall profit tax is a deductible business expense under the income tax. In addition, gross income for purposes of determining percentage depletion is reduced by the amount of windfall profit.

The windfall profit tax is effective January 1, 1980. By January 1, 1983, the President is required to submit to Congress a study of the effects of both oil price decontrol and the windfall profit tax.

## AMENDMENTS

- July 16, 1979**  
No. 1  
(336) (Bentsen, Baucus, Bellmon, Boren, Dole, and Gravel) Provides a 3,000-barrel per day exemption for independent oil production.
- Aug. 3, 1979**  
No. 2  
(396) (Wallop, Bellmon, Boren, Cranston, Domenici, Gravel, Hayakawa, Schmitt, Simpson, Tower, Young) Exempts from the windfall profits tax, oil in which the Federal, State, or local governments own the economic interest, provided that the proceeds from the sale of the oil are used for public purposes.
- Sept. 7, 1979**  
No. 3  
(406) (Chafee) Imposes a 75-percent windfall profit tax on lower tier, upper tier, and Alaska oil but excludes newly discovered oil and incremental tertiary oil. The tax phases out by Jan. 1, 1990.
- Sept. 18, 1979**  
No. 4  
(440) (Bayh, Church, Jepsen, McGovern, Stewart) Grants the Secretary of the Treasury the authority to waive unnecessary regulations and simplify others which govern the procedures for operating a still to produce gasohol.

## COMMITTEE ACTION—Continued

## BUSINESS ENERGY TAX INCENTIVES—Continued

(7) Replacement of the excise tax exemption for gasohol with a 40-cent-per-gallon refundable income tax credit for domestically produced alcohol (other than alcohol derived from petroleum, natural gas, or coal), and a 10-cent-per-gallon credit for alcohol made from coal, if the alcohol is used or sold for use in gasohol.

(8) A \$3 per barrel production credit for coal liquefaction and gasification, unconventional natural gas, oil shale, tar sands, gas produced from biomass, steam produced from solid agricultural byproducts and processed wood fuel.

(9) Tax exemption for industrial development bonds for hydroelectric property and solid waste disposal facilities.

(10) Exemption for petroleum coke and pitch from the provisions denying the investment credit and accelerated depreciation to oil or gas boilers.

(11) Extension of the regular investment credit to all structural components eligible for the energy credit.

## LOWER INCOME ASSISTANCE

The committee substitute includes two specific assistance programs:

(1) Cash payments to SSI, AFDC, and food stamp recipients. A State, however, could elect to receive its share of these payments as a block grant.

(2) A tax credit for individuals based on home heating costs.

## TRUST FUNDS

One-half of the net revenue from the windfall profit tax is put in a Low-Income Energy Assistance Trust Fund.

One-fourth of the net revenues from the tax, up to a maximum of \$7.5 billion, is put into a transportation Trust Fund.

General revenues from oil price decontrol are put into a Taxpayer Trust Fund to finance a social security payroll tax freeze in 1981 at 1980 rate and wage base levels.

The House bill puts the gross windfall profit tax revenues into an energy trust fund.

## CARRYOVER BASIS

The substitute repeals carryover basis.

## SENATE ACTION

Nov. 15, 16, 19, 20, 26, 27, 28, 29, 30, and Dec. 3, 4, 5, 6, 7, 10, 11, 12, 13, 14, 15, and 17, 1979.—Considered and passed by the Senate, by rollcall vote (No. 496) of 74 yeas, 21 nays (Congressional Record S18776) after taking the following action on amendments thereto:

*Amendments adopted:*

*Long UP amendment No. S26*, treating intercity buses as energy property eligible for the additional energy percentage of 10 percent, by voice vote (Nov. 15, Congressional Record S16808);

*Long UP amendment No. S27*, authorizing funds for fiscal years 1980-1982 to provide grants to States to assist low- and moderate-income individuals to meet home energy costs, by voice vote (Nov. 16, Congressional Record S16838);

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

## H.R. 3919★—Continued

## AMENDMENTS—Continued

- Sept. 18, 1979  
No. 5  
(441) (Bayh, Church, McGovern, Stewart) Establishes a procedure to grant a refund or tax credit on excise taxes paid by gasohol marketers and retailers on gasoline.
- Sept. 18, 1979  
No. 6  
(442) (Bayh, Church, McGovern, Stewart) Would permanently exempt gasoline used to produce gasohol from the 4 cents Federal excise tax on gasoline.
- Nov. 8, 1979  
No. 7  
(582) (Melcher, Church, McGovern) Imposes a minimum U.S. tax of 17½ percent on the net foreign source income of U.S. companies.
- Nov. 8, 1979  
No. 8  
(583) (Melcher, Church, McGovern) Repeals the deferral of U.S. tax on the income of foreign subsidiaries of U.S. companies (as permitted under present law), and taxes profits of foreign subsidiaries currently through their U.S. parents in the same manner as profits of domestic companies.
- Nov. 14, 1979  
No. 9  
(587) (Stone) Permits individuals to deduct separately stated State and local utility taxes on amounts paid for heating and cooling their homes, whether or not they itemize deductions on their income tax returns.
- Nov. 14, 1979  
No. 10  
(588) (McClure, Cochran) In the nature of a substitute to title I. Levies a 90 percent tax on the income of the petroleum industry which exceeds the average rate of return on capital investment for all manufacturing corporations for that taxable year.
- Nov. 14, 1979  
No. 11  
(589) (Bentsen, Baucus, Boren, Church, Cochran, DeConcini, Domenici, Durenberger, Ford, Laxalt, McClure, Matsunaga, Morgan, Percy, Pryor, Stone, Talmadge, Tower) Provides a tax exemption for the first \$100 of interest (\$200 on a joint return) earned on a savings account. The exemption would increase annually by \$100 until 1985 when \$500 of interest (\$1,000 on a joint return) would be exempt.
- Nov. 14, 1979  
No. 12  
(590) (Dole) Reduces the rate of tax on tier one oil from 75 percent to 60 percent.
- Nov. 14, 1979  
No. 13  
(591) (Dole) Amends the definition of tier one oil to include oil that would be lower tier oil if the BPCL were reduced each month after December 1979 by 2 percent (instead of 1½ percent).

## SENATE ACTION—Continued

## Amendments adopted—Continued

- Byrd of Virginia UP amendment No. 834* (in the nature of a substitute) for Long UP amendment No. 833, repealing the carry-over basis of the present estate tax law, by rollcall vote (No. 418) of 81 yeas, 4 nays (Nov. 19, Congressional Record S16946);
- Long UP amendment No. 833* (as amended by Byrd of Virginia UP amendment No. 834), by voice vote (Nov. 19, Congressional Record S16945);
- Heinz amendment No. 653*, permits an investment tax credit for equipment associated with coke and coke gas, by voice vote (Nov. 20, Congressional Record S17182);
- Johnston UP amendment No. 840*, requiring Congressional review of any rule, regulation or order establishing limits on the total volume of petroleum imported into the United States or any fee on such imports, by voice vote (Nov. 20, Congressional Record S17187);
- Bentsen amendment No. 699* (in the nature of a substitute to Boren amendment No. 698), exempting independent producers from the first 1,000 barrels a day of oil production, by rollcall vote (No. 427), of 53 yeas, 41 nays, (Nov. 27, Congressional Record S17268);
- Boren amendment No. 698* (as amended by Bentsen amendment No. 699), providing an exemption from the tax for all stripper oil, by rollcall vote (No. 428) of 53 yeas, 42 nays (Nov. 27, Congressional Record S17285);
- McGovern UP amendment No. 844*, reserving \$1 billion for improvements in the Nation's freight and passenger railroad systems, by voice vote (Nov. 27, Congressional Record S17295);
- Magnuson UP amendment No. 843*, division I (printed amendment No. 706), deleting provisions providing for the refund of credit in excess of tax liability and to delete provisions relating to trust funds other than the Taxpayer Trust Fund, by rollcall vote (No. 432), of 81 yeas, 14 nays (Nov. 27, Congressional Record S17202);
- Dole UP amendment No. 846*, extending a 10 percent credit to equipment using petroleum coke and alternate substances derived from coal and petroleum coke as a chemical feedstock, by voice vote (Nov. 28, Congressional Record S17386);
- Bradley amendment No. 714*, raising the tax rate on tier 2 oil to 75 percent, by rollcall vote (No. 450), of 58 yeas, 35 nays (Dec. 4, Congressional Record S17716);
- Bradley amendment No. 713* (as amended by Bradley amendment No. 714), raising the tax rate on tier 2 oil to 80 percent, by voice vote (Dec. 4, Congressional Record S17716);
- Moyrhan UP amendment No. 858*, increasing the phaseout of the windfall profit tax to the level of \$210 billion, by rollcall vote (No. 452), of 68 yeas, 26 nays (Dec. 4, Congressional Record S17721);
- Byrd of West Virginia (for Hart) amendment No. 711*, providing a tax credit to homebuilders for the construction of residences incorporating certain solar energy utilization characteristics, by rollcall vote (No. 462), of 82 yeas, 1 nay (Dec. 7, Congressional Record S18020);
- Boren UP amendment No. 867*, clarifying the definition of qualified fuels for the 33 percent production credit for synfuels from coal, by voice vote (Dec. 7, Congressional Record S18034);
- Cranston UP amendment No. 868*, clarifying the definition of "heavy oil," by voice vote (Dec. 7, Congressional Record S18035);

## AMENDMENTS—Continued

- Nov. 14, 1979**  
**No. 14**  
**(592)** (Stevens) Permits taxpayers using the "Last In First Out" method of inventory accounting, a reduction in taxable income if the value of the closing inventory is less than the opening inventory due to an involuntary liquidation.
- Nov. 15, 1979**  
**No. 15**  
**(595)** (McClure, Domenici, Levin, Matsunaga) Provides a 10 percent credit (up to \$1,000) of the cost of a qualified electric motor vehicle or the conversion of an internal combustion engine to the use of electrical power.
- Nov. 15, 1979**  
**No. 16**  
**(596)** (Stone, Lugar) Same as amendment No. 587.
- Nov. 15, 1979**  
**No. 17**  
**(597)** (Ribicoff) Prohibits royalty owners from receiving the qualified stripper exemption by narrowing the definition of eligible taxpayers to exclude the holder of any royalty or similar interest.
- Nov. 15, 1979**  
**No. 18**  
**(598)** (Ribicoff) Decreases the amount of oil eligible for the qualified stripper exemption from 1,000 barrels per day to 100 barrels per day.
- Nov. 15, 1979**  
**No. 19**  
**(599)** (Ribicoff) Decreases the amount of oil eligible for the qualified stripper exemption from 1,000 barrels per day to 200 barrels per day.
- Nov. 15, 1979**  
**No. 20**  
**(600)** (Ribicoff) Decreases the amount of oil eligible for the qualified stripper exemption from 1,000 barrels per day to 300 barrels per day.
- Nov. 15, 1979**  
**No. 21**  
**(601)** (Ribicoff) Decreases the amount of oil eligible for the qualified stripper exemption from 1,000 barrels per day to 400 barrels per day.
- Nov. 15, 1979**  
**No. 22**  
**(602)** (Ribicoff) Decreases the amount of oil eligible for the qualified stripper exemption from 1,000 barrels per day to 500 barrels per day.
- Nov. 15, 1979**  
**No. 23**  
**(603)** (Ribicoff) Decreases the amount of oil eligible for the qualified stripper exemption from 1,000 barrels per day to 600 barrels per day.
- Nov. 15, 1979**  
**No. 24**  
**(604)** (Ribicoff) Decreases the amount of oil eligible for the qualified stripper exemption from 1,000 barrels per day to 700 barrels per day.
- Nov. 15, 1979**  
**No. 25**  
**(605)** (Ribicoff) Combines amendments No. 597 and 598.
- Nov. 15, 1979**  
**No. 26**  
**(606)** (Ribicoff) Combines amendments No. 597 and 599.
- Nov. 15, 1979**  
**No. 27**  
**(607)** (Ribicoff) Combines amendments No. 597 and 600.

## SENATE ACTION—Continued

## Amendments adopted—Continued

- Bumpers UP amendment No. 870, (to division I of Armstrong UP amendment No. 869), requiring the President to give notice of his intent when making any adjustment under the Emergency Petroleum Allocation Act which has the effect of significantly slowing the rate at which price controls on crude oil are being phased out, by rollcall vote (No. 464), of 42 yeas, 40 nays (Dec. 7, Congressional Record S18042);*
- Armstrong UP amendment No. 869, division I (as amended by Bumpers UP amendment No. 870, terminating the windfall profit tax if the President discontinues decontrol of crude oil prices or reimposes price controls on crude oil, by voice vote (Dec. 7, Congressional Record S18036);*
- Stevens amendment No. 733, reclassifying Cook Inlet, Alaska, oil as tier 2 oil, by rollcall vote (No. 465), 61 yeas, 19 nays (Dec. 10, Congressional Record S18109);*
- Packwood amendment No. 746, modifying the energy tax credit for cogeneration, by voice vote (Dec. 10, Congressional Record S18140);*
- Packwood amendment No. 747 modified, makes certain State alternative energy programs eligible for industrial development bond financing, by voice vote (Dec. 10, Congressional Record S18140);*
- Mathias amendment No. 736, qualifying a low intensity infrared radiant heating system for the residential and business energy tax credits, by voice vote (Dec. 11, Congressional Record S18208);*
- Levin amendment No. 719, providing an energy tax credit for the purchase of wind deflectors for commercial tractor-trailers, by voice vote (Dec. 11, Congressional Record S18226);*
- Byrd of West Virginia UP amendment No. 877, modified, to modified Ribicoff amendment No. 776, providing a graduated tax on certain oils, by rollcall vote (No. 482) of 78 yeas, 13 nays (Dec. 14, Congressional Record S18504);*
- Ribicoff amendment No. 776, modified, providing a graduated tax on certain oils, by rollcall vote (No. 483) of 52 yeas, 38 nays (Dec. 14, Congressional Record S18508);*
- Domenici amendment No. 760, applying the 15 percent residential energy tax credit to expenditures for airtight wood-burning stoves after July 15, 1979, by voice vote (Dec. 14, Congressional Record S18569);*
- Matsunaga amendment No. 819, allowing a production tax credit for qualifying processed wood fuel and solid agricultural by-products (to Nelson amendment No. 768), by voice vote (Dec. 14, Congressional Record S18572);*
- Nelson amendment No. 768 (as amended by Matsunaga amendment No. 819), allowing a production tax credit for qualifying processed wood fuel, by voice vote (Dec. 14, Congressional Record S18570);*
- Durkin amendment No. 838, modified, extending the residential energy credits to include wood burning furnaces and boilers which are part of central heating systems, and amendment No. 850, expanding the financial assistance for lower income persons suffering increased energy costs to include the use of wood, by voice vote (Dec. 14, Congressional Record S18575);*
- McClure amendment No. 595, allowing a tax credit for acquiring a qualified motor vehicle or the cost of converting a vehicle powered by an internal combustion engine to electricity, by voice vote (Dec. 14, Congressional Record S18577);*

## Amendments adopted—Continued

|   |
|---|
| <i>Nelson amendment No. 812</i> , providing incentives for the development and construction of solid waste disposal facilities for the production of usable energy, by voice vote (Dec. 15, Congressional Record S18683);   |
| <i>Dole UP amendment No. 879</i> , retaining the current exemption from tax for gasoline, and to provide a nonrefundable credit for certain alcohol (to Magnuson amendment No. 837), by voice vote (Dec. 15, Congressional Record S18688);  |
| <i>Magnuson amendment No. 837, division II of UP amendment No. 843</i> (modified), relating to alcohol fuels (as amended by Dole UP amendment No. 879, by voice vote (Dec. 15, Congressional Record S18686);  |
| <i>Packwood amendment No. 820</i> , modifying the provisions for tax-exempt bonds for hydroelectric power generating projects, by voice vote (Dec. 15, Congressional Record S18699);  |
| <i>Bumpers amendment No. 1039, modified</i> , requiring certain importers of petroleum and petroleum products to file reports with the Department of Energy, by voice vote (Dec. 15, Congressional Record S18703);  |
| <i>Moynihan amendment No. 723, modified</i> , technical amendment clarifying that pumped storage hydroelectric facilities are included among hydroelectric facilities qualifying for tax-exempt industrial development bonds, by voice vote (Dec. 15, Congressional Record S18712);             |
| <i>Wallop amendment No. 786</i> , limiting application of the tier I tax to oil benefiting from decontrol of prices, by voice vote (Dec. 15, Congressional Record S18712);  |
| <i>Wallop amendment No. 787</i> , making a technical correction to the special rule for transfers of proven oil or gas properties under the net income limitation, by voice vote (Dec. 15, Congressional Record S18713);  |
| <i>Wallop amendment No. 788</i> , conforming the method of adjusting tier I and tier II base prices under the windfall profits tax on the method of adjusting lower and upper tier ceiling prices under Department of Energy regulations by voice vote (Dec. 15, Congressional Record S18713);  |
| <i>Durkin amendment No. 751</i> , concerning treatment of State and local obligations funding certain hydroelectric power generating and cogeneration projects, by voice vote (Dec. 15, Congressional Record S18720);   |
| <i>Jackson UP amendment No. 889</i> , striking the provisions which override the Natural Gas Policy Act of 1978 (to Baucus amendment No. 767), by voice vote (Dec. 15, Congressional Record S18727);  |
| <i>Glenn UP amendment No. 881</i> , determining the credit for production of unconventional gas based upon a reference price related to gas prices rather than oil prices (to Baucus amendment No. 767), by voice vote (Dec. 15, Congressional Record S18732);                                  |
| <i>Long UP amendment No. 883</i> , technical amendments, by voice vote (Dec. 15, Congressional Record S18732);  |
| <i>Baucus amendment No. 767</i> , permitting gas produced from tight sand formations to be treated as a qualified fuel for purposes of the credit for production of fuels from nonconventional sources (as amended by Jackson and Glenn), by voice vote (Dec. 15, Congressional Record S18724); |
| <i>Stevens amendment No. 592, modified</i> , relating to the involuntary liquidation of LIFO inventories, by voice vote (Dec. 17, Congressional Record S18778);   |
| <i>Glenn amendment No. 1042, modified</i> , providing for an annual review of energy research and development programs within the Department of Energy, by voice vote (Dec. 17, Congressional Record S18786);   |

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

## H.R. 3919★—Continued

## AMENDMENTS—Continued

- Nov. 15, 1979**  
**No. 40**  
**(620)**
- (Dole, Baker, Danforth, Javits) Excludes from gross income, up to \$100 of interest earned by an individual from a bank or savings institution. In addition, interest earned in excess of \$100 (and up to \$500) may also be excluded from gross income if the interest is promptly reinvested in some form of savings account and at the end of the taxable year the total savings of the individual are more than at the beginning of the year.
- Nov. 15, 1979**  
**No. 41**  
**(621)**
- (Bumpers, Biden, Eagleton, Kennedy, Leahy, Metzenbaum, Nelson, Riegle) Substitutes the House bill for that portion of the bill dealing with the windfall profits tax. Would apply a 60-percent tax rate to tier one instead of a 75-percent and would include high water-cut oil in tier one rather than tier two. Alaskan oil would constitute a separate tier at a 50-percent rate and a \$7.50 base price. Newly discovered oil would be taxed to the extent the selling price exceeds \$17 adjusted for inflation. Incremental tertiary oil would be taxed in the same manner as newly discovered oil. Heavy oil would not be exempt from tax. All stripper oil would be taxed in tier 3. No exemption is provided for oil production owned or received by Indians nor an exemption for oil owned by medical and educational charities. Tier 3 tax would be a permanent tax but the tax on newly discovered oil and incremental tertiary oil would require that the Secretary of the Treasury reserve one-half of the amounts attributable to the windfall profits tax until the earlier of September 30, 1980, or until Congress authorizes and appropriates funds to relieve taxpayers from higher energy costs and social security taxes.
- Nov. 15, 1979**  
**No. 42**  
**(622)**
- (Pressler) Combines amendment Nos. 623, 624, and 625.
- Nov. 15, 1979**  
**No. 43**  
**(623)**
- (Pressler) Reduces the amount of windfall profits tax imposed by 1 percentage point for each percentage point by which a taxpayer's production of domestic crude oil exceeds 50-percent of the taxpayer's total production of crude oil.
- Nov. 15, 1979**  
**No. 44**  
**(624)**
- (Pressler) Provides for an investment tax credit of 15-percent for oil and natural gas exploration, development, and production property.
- Nov. 15, 1979**  
**No. 45**  
**(625)**
- (Pressler) Requires that only the straight line method of depreciation be used with respect to property used for the exploration, development or production of oil or natural gas deposits located outside of the United States and the northern portion of the Western Hemisphere.

## SENATE ACTION—Continued

## Amendments adopted—Continued

- McClure amendment No. 865, modified*, relating to the production of alcohol and its potential as a substitute fuel or the blending of such with petroleum as an extender, by rollcall vote (No. 489) of 74 yeas, 16 nays (Dec. 17, Congressional Record S18781);
- Hart amendment No. 1589, modified*, adjusting the \$23.50 phaseout factor by the implicit GNP deflator for nonresidential investment in structures and to use the average refiner acquisition cost of all, rather than just imported, crude oil as the reference price, and to permit expanded use of the existing energy investment credit with respect to investment in certain pioneering synthetic fuel production facilities, by voice vote (Dec. 17, Congressional Record S18806);
- Bradley amendment No. 832*, permitting oil cogeneration if, one, there is a 30 percent savings in energy, and two, if the facility qualifies under sec. 103 of the act as a major fuel-burning installation, by voice vote (Dec. 17, Congressional Record S18812);
- Bentsen amendment No. 1444, in the nature of a substitute for Bentsen amendment No. 791*, exempting a portion of interest income from taxation, by rollcall vote (No. 493) of 94 yeas, 4 nays, Dec. 17, Congressional Record S18812), motion to table rejected by rollcall vote (No. 492) of 41 yeas, 57 nays (Dec. 17, Congressional Record S18812);
- Bentsen amendment No. 791, modified*, as amended by Bentsen amendment No. 1444, in the nature of a substitute, by voice vote (Dec. 17, Congressional Record S18812);
- McClure amendment No. 866, modified*, providing reference to oceanic and terrestrial crops that are allowed certain biomass treatment which includes byproducts and residues of both oceanic and terrestrial crops, by voice vote (Dec. 17, Congressional Record S18830);
- Randolph amendment No. 796*, excluding front end tertiary oil in certain cases, by voice vote (Dec. 17, Congressional Record S18841);
- Cranston amendment No. 1320, modified*, providing a procedure to make items eligible for the residential energy credit (amended by Cranston UP amendment No. 886, relating to qualifying certain property for energy credits, by voice vote (Dec. 17, Congressional Record S18842);
- Heflin amendment No. 1318*, recognizing future correction in the marginal property regulation for properties 10,000 feet or more in depth, by voice vote (Dec. 17, Congressional Record S18843);
- Long amendment No. 1593*, exempting for interests of the United States, if an economic interest in crude oil is held by the United States, then no tax shall be imposed by sec. 4986 with respect to crude oil properly allocable to such interest, by voice vote (Dec. 17, Congressional Record S18844);
- Travel amendment No. 805*, clarifying taxation of Alaska Natives under the windfall profits tax, by voice vote (Dec. 17, Congressional Record S18844); and
- Long UP amendment No. 887*, of a technical nature, by voice vote (Dec. 17, Congressional Record S18857);
- Amendments rejected:**
- Boren UP amendment No. 828*, reducing from 60 percent to 50 percent the amount of tax imposed on the windfall profit from any barrel of taxable crude oil, by rollcall vote (No. 415) of 32 yeas, 53 nays (Nov. 16, Congressional Record S16817);
- Dole amendment No. 590*, reducing the tax on tier I oil to 60 percent by rollcall vote (No. 419) of 32 yeas, 58 nays (Nov. 19, Congressional Record S16968);

## AMENDMENTS—Continued

- Nov. 16, 1979  
No. 46  
(627) (Dole, Durkin) Prevents the Internal Revenue Service from issuing regulations and rulings on the employment status of individuals as employees or independent contractors until January 1, 1981 rather than January 1, 1980.
- Nov. 16, 1979  
No. 47  
(628) (Dole) Provides a tax credit for amounts expended in exploration for, and development of, oil and gas through, for example, intangible drilling and development costs; geological and geophysical arts; costs for construction, erection and reconstruction of depreciable assets used for development of oil; expenditures for lease equipment; and costs for drilling and equipping of wells. This credit would be reduced by certain averaged expenditures for the development and production of oil and gas.
- Nov. 16, 1979  
No. 48  
(629) (Dole) Permits the Small Business Administration to guarantee loans to small business concerns which are in the business of selling fuel oil on a retail basis. The purpose of the loans would be to enable businesses to maintain necessary inventories of heating oil.
- Nov. 16, 1979  
No. 49  
(630) (Eagleton) Provides a tax exemption for interest earned on a savings account. The exemption would apply to so much of the interest which, when added to all dividends received by the taxpayer in the taxable year, does not exceed \$500 (\$1,000 in the case of a joint return).
- Nov. 16, 1979  
No. 50  
(631) (Bradley, Biden, Chafee, Durenberger, Ford, Hart, Leahy, McGovern, Moynihan, Nelson, Packwood, Ribicoff, Roth, Tsongas, Weicker) Increases the tax rate on tier two oil from 60 percent to 75 percent.
- Nov. 16, 1979  
No. 51  
(632) (Helms, Dole, Ford, Garn, Hatch, Humphrey, Melcher, Morgan, Riegle, Schmitt, Stevens, Stone, Tower) Reinstates the nonbusiness deduction for State and local taxes on gasoline and other motor fuels.
- Nov. 16, 1979  
No. 52  
(633) (Tower) Reduces the tax rate on tier 1, tier 2, and tier 3 oil to 50 percent.
- Nov. 16, 1979  
No. 53  
(634) (Tower) Strikes marginal oil from the definition of tier 2 oil. Marginal oil would mean crude oil which is removed from marginal property as such term is defined by the June 1979 energy regulations.
- Nov. 16, 1979  
No. 54  
(635) (Tower) Same as amendment No. 500.

## SENATE ACTION—Continued

## Amendments rejected—Continued

- Bumpers amendment No. 621*, substituting the House-passed version of the windfall profit tax for the reported version, and to provide that one-half of the additional revenue raised by the House version be reserved for certain uses, by voice vote (Nov. 26, Congressional Record S17167), motion to table agreed to by rollcall vote (No. 425) of 50 yeas, 32 nays. Long amendment No. 688 to Bumpers amendment No. 621 was carried therewith (Nov. 26, Congressional Record S17167);
- Boren UP amendment No. 841*, providing an exemption from the tax for all stripper oil, by rollcall vote (No. 426) of 32 yeas, 52 nays (Nov. 26, Congressional Record S17189);
- McGovern amendment No. 669*, reserving \$10 billion for improvements in the Nation's freight and passenger railroad systems, by voice vote, motion to table agreed to by rollcall vote (No. 420) of 54 yeas, 41 nays (Nov. 27, Congressional Record S17285);
- Javits amendment No. 680, modified*, providing incentives to U.S. oil producers for international exploration, by rollcall vote (No. 433) of 19 yeas, 79 nays (Nov. 28, Congressional Record S17388);
- Bradley UP amendment No. 847*, raising the tax rate on tier II oil to 80 percent, by voice vote (Nov. 28, Congressional Record S17388);
- Metzenbaum UP amendment No. 857*, striking out the provisions phasing out the windfall profit tax, by rollcall vote (No. 451) of 39 yeas, 54 nays (Dec. 4, Congressional Record S17716);
- Leahy amendment No. 739*, providing that, except in the case of heavy oil, percentage depletion with respect to a property shall be determined without regard to the windfall profit on oil from the property, treating exempt oil as if it were tier III oil, and without regard to the windfall profit tax on that windfall profit, by voice vote, motion to table agreed to by rollcall vote (No. 454) of 57 yeas, 37 nays (Dec. 5, Congressional Record S17814);
- Armstrong amendment No. 695*, providing cost-of-living adjustments in the individual income tax rates and in the amount of personal exemptions, by rollcall vote (No. 457) of 41 yeas, 47 nays, agreed to a motion to table a motion to reconsider this amendment, by rollcall vote (No. 458) of 49 yeas, 38 nays (Dec. 6, Congressional Record S17915);
- Weicker amendment No. 701*, adding a new title establishing a mandatory conservation program to reduce consumption of petroleum products by no less than 5 percent, by rollcall vote (No. 459) of 26 yeas, 60 nays (Dec. 6, Congressional Record S17033);
- Bellmon amendment No. 692, modified*, providing a credit against the tax based upon increased production, by voice vote, motion to table agreed to by rollcall vote (No. 460) of 50 yeas, 35 nays (Dec. 6, Congressional Record S17945);
- Helms amendment No. 632*, reinstating the nonbusiness deduction for State and local taxes on gasoline and other motor fuels, by voice vote (Dec. 6, Congressional Record S17958);
- McClure amendment No. 538, modified*, in the nature of a substitute for title I, levying a 90 percent tax on the income of the petroleum industry which exceeds the average rate of return on capital investment for all manufacturing corporations for that taxable year, by rollcall vote (No. 466) of 29 yeas, 56 nays (Dec. 10, Congressional Record S18113);
- Stevens amendment No. 712, modified*, creating exploration, development, and production incentives by allowing a tax credit for windfall profit taxes expended on qualified oil and gas development costs in Alaska, by rollcall vote (No. 468) of 31 yeas, 51 nays (Dec. 10, Congressional Record S18125);

No. 64  
(650) (Moynihan, Bradley, Nelson, Ribicoff, Stone, Tsongas, Welcker) Same as amendment No. 640.
- Nov. 19, 1979  
No. 65  
(651) (Bentsen) Permits royalty owners to qualify for the independent stripper oil production exemption. There would be an allocation of the exemption where the interest is owned by related groups or partnerships.
- Nov. 19, 1979  
No. 66  
(652) (Bentsen) Provides for the exemption of up to 1,000 barrels per day of all independent oil production (not just stripper oil). The exemption would extend to royalty owners and partnerships.

## SENATE ACTION—Continued

## Amendments rejected—Continued

*Danforth amendment No. 816*, eliminating the exemption for State or local governments, by voice vote, motion to table agreed to by rollcall vote (No. 485) of 65 yeas, 28 nays (Dec. 15, Congressional Record S18651); and

*Percy amendment No. 798, modified*, providing a 20 percent energy investment credit for certain coal-fueled boilers and related equipment, by rollcall vote (No. 488) of 42 yeas, 49 nays, motion to table this amendment was rejected, by rollcall vote (No. 487) of 45 yeas, 47 nays (Dec. 15, Congressional Record S18704).

## Motions:

Senate agreed to table the motion made pursuant to sec. 904(b) of the Budget Act to waive provisions of titles 3 and 4 of that act with respect to the pending amendment, by rollcall vote (No. 455) of 49 yeas, 44 nays (Dec. 5, Congressional Record S17839);

Chair sustained a point of order, relating to Roth amendment No. 738, limiting the total tax revenues to certain percentages of the gross national product, that subject to sec. 308 of the Budget Act, the amendment contained matters within the jurisdiction of the Budget Committee (Dec. 5, Congressional Record S17814); Senate agreed to table the motion to reconsider the Helms amendment No. 632, reinstating the nonbusiness deduction for State and local taxes on gasoline and other motor fuels, by voice vote (Dec. 7, Congressional Record S18039);

Chair sustained a point of order, relating to Roth UP amendment No. 873, limiting total budget outlays to certain percentages of the gross national product, that subject to sec. 306 of the Budget Act, the amendment contained matters within the jurisdiction of the Budget Committee (Dec. 10, Congressional Record S18127);

Senate agreed to table the motion made pursuant to sec. 904(b) of the Budget Act to waive provisions of title 3 and 4 of that act with respect to the Roth amendment, by rollcall vote (No. 467) of 43 yeas, 40 nays (Dec. 10, Congressional Record S18136);

Senate failed to agree to a motion to table Ribicoff amendment No. 776, providing a graduated tax on certain oil, by rollcall vote (No. 471) of 44 yeas, 53 nays (Dec. 12, Congressional Record S18290); and

Senate sustained ruling of the Chair that the Tower amendment No. 829, providing for the granting of adjustments in cases of special hardship, inequity or unfair distribution of burdens, was not germane, by voice vote, Senate sustained the ruling of the Chair that the Bumpers amendment No. 1038, to provide a tax credit for converting one's automobile to alcohol fuel, was not germane, by rollcall vote (No. 495) of 69 yeas, 26 nays (Dec. 17, Congressional Record S18836).

## CONFERENCE ACTION

Dec. 17, 1979.—Senate insisted on its amendments and requested a conference with the House, and named the following conferees: Messrs. Long, Talmadge, Byrd of Virginia, Nelson, Gravel, Bentsen, Moynihan, Dole, Packwood, Roth, and Danforth.

Dec. 18, 1979.—House agreed to a conference with the Senate, and named the following conferees: Messrs. Ulman, Rostenkowski, Vanik, Corman, Gibbons, Pickle, Rangel, Cotter, Stark, Jones, Conable, Duncan, Archer, Vander Jagt, and Moore.

Dec. 19–21, 1979, and Jan. 17–18, 21–25, Feb. 6–7, 19 and 21, 1980.—Conferees met.

## AMENDMENTS—Continued

- Nov. 19, 1979  
No. 67  
(653) (Heinz, Bayh, Byrd of West Virginia, Eagleton, Ford, Glenn, Huddleston, Randolph, Schweiker, Stewart, Warner) Permits an investment tax credit for equipment associated with coke and coke gas, thereby treating such equipment in the same manner as other alternative energy property.
- Nov. 19, 1979  
No. 68  
(654) (Nelson) Provides a 10 percent nonrefundable tax credit through 1990 for property used in generating electricity through small scale hydroelectric facilities.
- Nov. 19, 1979  
No. 69  
(655) (Nelson) Eliminates the proposed exemption from Federal income tax for interest on State and local bonds issued to finance solid waste disposal facilities owned and operated by or on behalf of a State or local government and from which all the electric energy and steam produced by the facility is sold to a governmental unit and is not resold.
- Nov. 19, 1979  
No. 70  
(656) (Nelson) Defers the effective date for the issuance of energy-related tax-exempt bonds from October 1979 to December 31, 1980.
- Nov. 19, 1979  
No. 71  
(657) (Nelson) Provides that interest on bonds issued to finance solid waste disposal facilities which convert material, including refuse-derived fuel, or heat recovered from solid waste into steam would be exempt from Federal income tax. In addition, interest on industrial development bonds used to finance small hydroelectric facilities at existing or new dam sites would be exempt from Federal income tax.
- Nov. 19, 1979  
No. 72  
(658) (Nelson) Same as amendment No. 657, except that it would apply only to obligations issued after December 31, 1980.
- Nov. 19, 1979  
No. 73  
(659) (Nelson, Leahy, McGovern, Tsongas, Weicker) Imposes the windfall profit tax on "newly discovered oil". The base price for "newly discovered oil" would be \$28 per barrel. The windfall profit tax rate on any amount realized over \$28 would be 50 percent.
- Nov. 19, 1979  
No. 74  
(660) (Nelson, Leahy, McGovern, Tsongas, Weicker) Same as amendment No. 659, except the base price for "newly discovered oil" would be \$26 per barrel. The windfall profit tax rate on any amount realized over \$26 would be 60 percent. "Newly discovered oil" removed from the property after December 31, 1990 would be exempt from the windfall profit tax.
- Nov. 19, 1979  
No. 75  
(661) (Nelson, Leahy, McGovern, Tsongas, Weicker) Same as amendment No. 659, except the base price for "newly discovered oil" would be \$26 per barrel.

## CONFERENCE ACTION—Continued

Mar. 7, 1980.—Conference report filed in the House (H. Rept. 96-817) with the conferees having taken the following action:

## WINDFALL PROFIT TAX

The windfall profit tax is a temporary excise, or severance, tax applying to domestically produced crude oil. All taxable oil is classified into one of several tiers. The structure of the tax is essentially the same for all tiers; the tax equals the tax rate times the taxable windfall profit, which equals the selling price of the oil minus an adjusted base price and minus a deduction for State severance taxes on the windfall profit. The tiers differ in the tax rate which is applied, in the adjusted base price which is used, and in some other respects. The principal change is to provide a precise formula which producers will use to determine their base prices for specific properties until a permanent base price formula is published in Treasury regulations. Also, the standards to be used by the Treasury in these regulations are clarified. Certain kinds of producers are either entirely exempt from the tax, or eligible for reduced tax rates, on part or all of their production.

## TIER ONE OIL

The conference agreement combines tiers one and two into a new, expanded tier one of the tax. The merged tier one includes essentially all of the oil taxed in either tier one or tier two of the Senate amendment. More precisely, tier one includes all taxable oil except oil specifically included in a higher tier; i.e., stripper oil, oil from a National Petroleum Reserve, newly discovered oil, heavy oil and incremental tertiary oil. The merger of tiers one and two in the conference agreement eliminates about one-half the complexity of the House and Senate versions of the tax.

The tax rate on the new tier one in the conference agreement is 70 percent. (However, independent producers are given a special 50-percent rate, described in item 25 below, on up to 1,000 barrels a day.) The tier one base price on a property is the May 1979 upper tier ceiling price for the property reduced by 21 cents. The conference agreement follows the Senate amendment in not phasing out this tier between 1986 and 1990.

Although the conferees have eliminated special tax treatment for high water-cut crude oil through the merger of tier one and tier two, the conferees reemphasize the important contribution of high water-cut crude oil to our domestic supplies.

The conferees want to make clear that consideration by the Department of Energy, through rule-making or otherwise, of special price treatment for this important category of oil is deemed appropriate. The conferees were satisfied that the mechanism in the Senate bill requiring the taxpayer's affirmative qualification is administratively workable and could, therefore, be utilized by the Department of Energy.

## FRONT-END TERTIARY OIL

Oil that DOE deregulates as front-end tertiary oil is generally exempt from the windfall profit tax if the project is controlled by producers who were independent producers (as defined for purposes of reduced windfall profit tax rates) for the fourth quarter of 1979. For these projects, all of the front-end-tertiary oil deregulated in connection with the project (including any produced by a major company) is exempt with two exceptions. First, oil which could have been released from crude oil price controls under any

## CONFERENCE ACTION—Continued

## WINDFALL PROFIT TAX—Continued

## FRONT-END TERTIARY OIL—continued

other part of the DOE pricing regulations cannot qualify for this exemption. Second, oil deregulated to finance prepaid expenses cannot qualify.

If the tertiary project for which front-end oil is being deregulated is controlled by major oil companies, all front-end tertiary oil related to that project is subject to tax (including any produced by an independent producer). However, a tax refund is available for windfall profit taxes paid on the front-end tertiary oil to the extent that qualifying recoupable tertiary recovery expenditures for the project under the DOE regulations exceed the amount actually recouped under the front-end financing program. As with projects controlled by independent producers, prepaid expenses cannot qualify for the refund, nor can oil which could have been deregulated under any other price control provision.

This provision applies only to front-end tertiary oil deregulated under the August 1979 energy pricing regulations as those regulations took effect on October 1, 1979, except for changes in those regulations designed specifically to take into account the windfall profit tax itself.

A tertiary project is considered controlled by a major oil company if more than 50 percent of the operating mineral interest in the property (or portion thereof) on which the project is being undertaken was owned, directly or indirectly, by or for major oil companies on January 1, 1980. Ownership of the front-end tertiary oil itself is irrelevant for this purpose. A major oil company is any producer who is defined as being ineligible for percentage depletion on oil and gas income because it is a retailer or refiner of oil or gas.

The conference agreement does not allow the front-end tertiary exemption or refund for front-end tertiary oil deregulated by DOE to finance tertiary expenditures attributable to periods after September 30, 1981 (prepaid expenses). For this purpose, fuel or tertiary injectants are attributable to periods prior to October 1, 1981, if used or injected before that date. Other items are treated as attributable to periods before October 1, 1981, to the extent that income tax deductions for the item (including depreciation in respect of the item) are properly allocable to periods before October 1, 1981. Therefore, expenses paid outside the normal course of business for items which ordinarily would not be taken into account prior to October 1, 1981, are not allowed expenses for purposes of the windfall profit tax; that is, front-end tertiary oil deregulated to finance those expenses is not exempt or eligible for the refund.

However, some pre-October 1, 1981, expenditures may constitute "allowed expenses," even though they represent items completed, placed in service, or used after that date, to the extent that income tax deductions (including depreciation) are properly allocable to the item for periods before October 1, 1981. Such a determination depends upon the circumstances involved, and must be made on a case-by-case basis. For example, an expenditure could be treated as an "allowed expense" if its disbursement is in the ordinary course of business and is for a service which reasonably could be expected to be performed prior to October 1, 1981. This reasonable expectation requirement could be satisfied if such a service would have been completed prior to October 1, 1981, but for the occurrence of an event beyond the producer's control, e.g., an act of God, a severe mechanical breakdown, or an injunction. An act of God could include a strike, and injunctions could include restraining orders.

No. 94  
(681) (Wallop) Provides a refundable investment tax credit for industrial conservation projects which: (a) modifies or replaces all or part of an existing domestic productive facility; (b) result in the utilization of less energy per units of production and; (c) do not increase the amount of oil and gas conserved per unit of production.
- Nov. 20, 1979  
No. 95  
(682) (Percy) Reserves \$1.0 billion over 5 years, in revenues from the windfall profits tax for distribution to the States for use on energy-conserving transportation projects.

## CONFERENCE ACTION—Continued

## WINDFALL PROFIT TAX—Continued

## FRONT-END TERTIARY OIL—continued

In the case of producers of front-end tertiary oil deregulated for projects controlled by major oil companies, producers are entitled to a refund of windfall profit tax previously paid on the front-end tertiary oil equal to the difference between the amount of qualifying expenses actually incurred and the amount of those expenses recouped by the release of controlled oil to the market price. Refunds would be available after September 30, 1981, for the entire period March 1, 1980, to September 30, 1981. As an alternative to obtaining a tax refund, these producers may adjust their tax withholding for taxable periods after September 30, 1981, in a manner prescribed by regulations.

## OIL TAXED IN TIER TWO

Tier three is renumbered as tier two because of the merger of tiers one and two. Tier two includes stripper oil and oil produced on a National Petroleum Reserve in which the United States has an economic interest.

## COMPUTATION OF TIER TWO TAX

The conference agreement has a 60-percent rate for tier two oil and a base price of \$15.20, adjusted for grade, quality and location. (However independent producers are given a special 30-percent rate, as described in item 25 below, on up to 1,000 barrels a day.) The base price is adjusted for inflation after June 30, 1979.

The conference agreement uses a somewhat different formula for determining the specific tier two base price for a particular property than does either the House or Senate bill. The precise base price for a particular property is to be determined under regulations issued by the Treasury.

Under the interim rule, the tier two base price on any property is the highest posted price for December 31, 1979, for uncontrolled oil of the same grade, quality and field multiplied by the fraction 15.20/35.00. If there was no December posting for such oil, the producer is to use the December 1979 posting for oil of the same grade and quality in the nearest domestic oil field for which prices for oil of that grade and quality were posted for December 1979. No postings made after January 14, 1980, are to be taken into account. This cut-off prevents purchasers from raising base prices artificially by increasing posted prices retroactively for December. This formula is intended to achieve an array of base prices such that oil of national average grade, quality and location (excluding North Slope Alaskan oil, whose wellhead price is affected by the extraordinary transportation costs) would have a base price of \$15.20 and oil of above- or below-average grade, quality and location will have a proportionately higher or lower base price. The data on December 1979 prices for uncontrolled oil posted as of January 14, 1980, suggest that 35 is the proper denominator in the fraction to achieve this result.

To ensure that this formula does not unduly penalize producers in fields where December 1979 posted prices are unusually low, there is a minimum tier two base price equal to the property's May 1979 upper tier ceiling price plus \$1.00. Without this minimum base price, some properties would have had a tier two base price less than their May 1979 upper tier ceiling price.

## H.R. 3919★—Continued

## CONFERENCE ACTION—Continued

## AMENDMENTS—Continued

## WINDFALL PROFIT TAX—Continued

- Nov. 20, 1979  
No. 96  
(683)  
(Percy) Same as amendment No. 682, except this would authorize an appropriation of \$1.9 billion over 5 years from the Transportation Trust Fund for distribution to the States for use on energy-conserving transportation projects.
- Nov. 20, 1979  
No. 97  
(684)  
(Nelson) Creates another category of oil for purposes of the windfall profits tax. "Qualified newly discovered oil." would be defined as the first 500 barrels per day of newly discovered oil that is produced by an independent producer. This category would have a base price of \$26 per barrel. (All other newly discovered oil under amendment No. 621 would have a base price of \$17 per barrel).
- Nov. 20, 1979  
No. 98  
(685)  
(Nelson) Provides that interest on bonds issued to finance solid waste disposal facilities which convert material, including refuse derived fuel, or heat recovered from solid waste into steam would be exempt from Federal income tax and provides that interest on bonds used to finance certain hydroelectric generating facilities would be exempt from Federal income tax.
- Nov. 20, 1979  
No. 99  
(686)  
(Nelson) Same as amendment No. 685, except that it would apply to bonds issued for solid waste disposal facilities issued after October 18, 1979 and to bonds issued for certain hydroelectric generating facilities after October 24, 1979.
- Nov. 20, 1979  
No. 100  
(687)  
(Nelson) Deletes the requirement that electrical energy or steam produced by qualified solid waste disposal facilities be sold to a governmental unit and not be resold in order for interest on bonds issued to finance such facilities to be exempt from Federal income tax.
- Nov. 20, 1979  
No. 101  
(688)  
(Long) Phases out the windfall profits tax after the net revenues received by the Treasury total \$249.1 billion. The tax would be entirely phased out 34 months after the \$249.1 billion level is reached.
- Nov. 26, 1979  
No. 102  
(690)  
(Johnston) Prohibits the President from establishing limits, fees, duties, or tariffs on imported crude oil, imported residual fuel oil, or refined petroleum products which are imported prior to congressional review.
- Nov. 26, 1979  
No. 103  
(691)  
(Bellmon) Eliminates the requirement that alcohol fuels must be mixed with gasoline in order to be eligible for the alcohol fuel credit contained in the bill. Would also expand the definition of alcohol fuel to include methanol or ethanol used straight as well as any mixture of alcohol with petroleum products, coal products or special fuels.

## COMPUTATION OF TIER TWO TAX—Continued

For a posted price to qualify for use in determining a producer's base price, the price has to be published in writing by a purchaser of a substantial volume of crude oil in the field. A posted price does not, for example, include a price offered by a purchaser who simply offers to buy oil at a figure (say) \$1 higher than whatever prices are posted by the purchasers who are purchasing most of the oil in a particular oil field.

The Treasury regulations prescribing the permanent method of determining tier two base prices must estimate the price at which oil from a particular property would have sold in December 1979 if all domestic oil had been uncontrolled and the average price for domestic crude oil, other than North Slope Alaskan oil, had been \$15.20. Thus, if oil from a particular property typically sells for 80 percent of the price of oil of national average grade, quality and location, based on market price differentials prevailing in December 1979, its tier two base price should generally be 80 percent of \$15.20, or \$12.16.

The conferees did not simply adopt the interim rule as the permanent rule because the interim rule may not lead to a situation in which the tier two base price for oil of national average grade, quality and location equals \$15.20 and because the interim rule may not be equitable for all categories of oil. The \$35 price used in the denominator is based on preliminary data for prices for December 1979 posted as of January 15, 1980, and better data available later in 1980 will permit the Secretary to make a better estimate. The Secretary may want to take into account the increase in December postings which occurred in late January and February, although this may require raising the denominator above \$35. Also, the Secretary may determine, after analyzing the data, that a formula based on actual selling prices, not posted prices, would be more accurate.

The conferees are aware that the interim rule may lead to inequities in the case of oil produced in California and certain other areas because its December 1979 price was much lower, relative to the national average, than it had been in prior years and is likely to be in the future. That is why the conferees included the minimum interim base price. The guidelines in the conference agreement give the Secretary enough flexibility to devise a permanent solution to this problem.

The interim rule applies until October 1980 or whatever earlier date is provided by Treasury regulations effective before that earlier date. It is intended that the Secretary publish the permanent rule and make it effective as quickly as possible.

## COMPUTATION OF TIER THREE TAX

Newly discovered oil, incremental tertiary oil, and heavy oil comprise tier three. The tax rate is 30 percent with a severance tax deduction. The base price is \$16.55, adjusted for grade, quality and location. Specifically, the tier three base price on a particular property is to be determined exactly like the tier two base price, as described above in item 4, except that "\$16.55" is to be substituted for "\$15.20" in the formulas. Also, the minimum tier three base price under the interim rule is to be the May 1979 upper tier ceiling price plus \$2. The inflation adjustment is for inflation after June 1979 plus the 2-percent "kicker."

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

## H.R. 3919★—Continued

## AMENDMENTS—Continued

- Nov. 26, 1979  
No. 104  
(692) (Bellmon, Armstrong, Goldwater, Lugar) Provides for a credit against the windfall profit tax for increased production of oil. The credit would be up to 75 percent of the tax imposed for an increase of 3 percent in oil production. Any unused credit could be carried back and carried forward and applied to other taxable periods.
- Nov. 26, 1979  
No. 105  
(693) (Bellmon) Requires the payor of interest and dividends on savings accounts, stocks and bonds etc. to withhold 15 percent of the amount paid for Federal income tax purposes. The amount withheld would be a credit against the tax liability of the taxpayer.
- Nov. 26, 1979  
No. 106  
(694) (Percy) Same as amendment No. 683, except the funds would not be appropriated from the Transportation Trust Fund. Instead, the general funds raised by the windfall profits tax would be used.
- Nov. 26, 1979  
No. 107  
(695) (Dole, Armstrong) Indexes individual income tax brackets by the cost-of-living adjustment for each year. The tax rates would remain the same. The cost-of-living adjustment would equal the excess of the Consumer Price Index for the preceding year over the Consumer Price Index for 1979. The personal exemption allowance would also be increased by the cost-of-living adjustment.
- Nov. 26, 1979  
No. 108  
(696) (Nelson) Provides that certain provisions relating to bonds issued for solid waste disposal facilities, which were to be effective with respect to obligations issued after October 18, 1979 would not be applicable until after December 31, 1980.
- Nov. 26, 1979  
No. 109  
(697) (Tower) Imposes a 75 percent surtax on each corporation's profits in excess of the surtax exemption for taxable years beginning after Dec. 31, 1979. The surtax exemption for each taxable year would be equal to a corporation's net income after taxes, if the corporation during that taxable year had a "rate of return on investment" over certain "applicable percentages." The applicable percentage would be (a) 18 percent when calculating net income as a percent of average shareholders equity, (b) 11 percent when calculating net income as a percent of average total assets, and (c) 15 percent when calculating net income as a percent of average total capital employed. Any corporation with invested capital of less than \$2,500,000 would be exempt from the tax.

## CONFERENCE ACTION—Continued

## WINDFALL PROFIT TAX—Continued

## DEFINITION OF NEWLY DISCOVERED OIL

The conference agreement follows the Senate amendment. For windfall profit tax purposes, therefore, newly discovered oil includes production from a property which did not produce oil in commercial quantities during calendar year 1978. Thus, it includes production from a property on which oil was produced in 1978 if that production was incident to the drilling of exploratory or test wells and was not part of continuous or commercial production from the property during 1978.

## DEFINITION OF INCREMENTAL TERTIARY OIL—OVERVIEW

The conference agreement includes provisions from both the House bill and the Senate amendment, described in Items 8-11 below.

## QUALIFIED TERTIARY METHODS

The conference agreement is the same as the Senate amendment.

## QUALIFIED TERTIARY RECOVERY PROJECTS

The conference agreement follows the Senate amendment with some modifications.

First, the requirement that a project reasonably be expected to result in an increase in production is changed to an expectation that there be more than an insignificant increase in production. This determination of whether an expected increase is more than insignificant depends upon the facts and circumstances of each case. When a tertiary project is expected to affect a portion of a property, that portion is treated as a separate property; therefore, significance is measured in relation to total production only on the portion of the property treated as a separate property.

Second, the conference agreement provides that, except in the case of DOE certified projects and significant expansions of pre-June 1979 projects, qualifying projects must begin after May 1979.

Third, the conference agreement deletes the provision of the Senate amendment relating to circumstances in which the tax law would continue to recognize regulatory certifications which have been revoked. If a regulatory body revokes its certification of a project, the project is treated as having been self-certified. To qualify for preferential tax treatment, therefore, such a project would have to meet the tax requirements pertaining to self-certified projects.

Fourth, the conference agreement retains the Senate amendment's advance ruling procedure for regulatory certified projects, but clarifies that such a ruling must be issued within 180 days of the time that the request, together with the information necessary to make a determination, is submitted to the Secretary. Whether information adequate to make such a ruling has been submitted to the Secretary is to be an objective determination.

The conference agreement retains the provisions of the House bill that significant expansions of tertiary projects are treated as new projects. Generally, such expansions would include any which could qualify as expansions under the June energy regulations. Pre-June 1979 projects which were curtailed significantly before 1980, and which were expanded to the average pre-curtailed level after that date, would qualify under this provision. A project would be considered to have been curtailed significantly, for example, if the average post-curtailed concentration of injected gases was

## CONFERENCE ACTION—Continued

## AMENDMENTS—Continued

## WINDFALL PROFIT TAX—Continued

- Nov. 26, 1979  
No. 110  
(698) (Boren) same as amendment No. 676.
- Nov. 26, 1979  
No. 111  
(699) (Bentsen, Randolph) Same as amendment No. 652 except that in addition to integrated oil companies not qualifying for the exemption, no member of the 96th Congress or their families would qualify.
- Nov. 27, 1979  
No. 112  
(700) (Leahy, Bradley, Eagleton, McGovern, Metzbaum, Muskie, Nelson) For purposes of computing the percentage depletion allowance for oil, the gross income from oil producing property would be reduced by the amount of the windfall profit determined without regard to the severance tax adjustment. Taxable income from the property would be determined without regard to the windfall profit tax.
- Nov. 27, 1979  
No. 113  
(701) (Weicker, Hart, Javits, Percy) Requires the President to set mandatory monthly petroleum product conservation targets of not less than 5 percent over the same month of the preceding year.
- Nov. 27, 1979  
No. 114  
(702) (Javits) Provides that the tax credit for expenditures on renewable energy property, other than solar property, would be refundable.
- Nov. 27, 1979  
No. 115  
(703) (Nelson) The phaseout provision of the production credit would not be applicable to qualifying processed wood fuels until 1983 (for facilities placed in service after April 20, 1977 and before January 1, 1980). For facilities constructed after 1979 and before 1983, the credit would be available for at least three years following the date the facility was placed in service.
- Nov. 27, 1979  
No. 116  
(704) (McClure) Includes in the definition of biomass property, equipment for converting biomass into alcohol fuel for purposes of the energy investment credit.
- Nov. 27, 1979  
No. 117  
(705) (McClure) Requires the Secretary of the Treasury to act within 60 days on applications for exemption from the distilled spirits rules in the case of distilled spirits plants producing less than 10,000 proof gallons per year for fuel use only.

## QUALIFIED TERTIARY RECOVERY PROJECTS—continued

reduced by 35 percent or more from the average pre-curtailment concentration of injected gases. For purposes of making this determination, the entire pre-curtailment project area would be compared with the same area after the curtailment. The conferees also clarified that expansions of otherwise qualifying projects could include a significantly more intensive use of a tertiary recovery method, or a significant expansion of tertiary activities, within a project area.

## CONTINUING TERTIARY QUALIFICATION

The conference agreement generally follows the House bill in allowing production from a project to qualify only so long as the tertiary process affects that production and the project is in effect. Generally, qualification would be retained for the period which is specified, in accordance with sound engineering principles, in the project's certified plans. This period normally would be determined on a case-by-case basis, depending upon such factors as the size of the project, the characteristics of the reservoir, and the particular process involved. For instance, some steam injection processes, *e.g.*, cyclic steam injection, are interrupted periodically to produce oil (together with condensed steam) from the same well or wells which are used for the injections. Under the conference agreement, each oil producing interval of such a process would have to be scheduled in light of sound engineering principles and of the transitory effect of the injections. Therefore, if the injections were terminated, production no longer would qualify as incremental tertiary oil after the last injection could no longer reasonably be expected to affect the reservoir. Similarly, some recovery processes, *e.g.*, miscible (carbon dioxide) fluid-displacement, microemulsion flooding, or polymer augmented flooding, may not require continuous or sustained injections of tertiary gases or liquids to have the process affect production from the reservoir. For example, some carbon dioxide injection processes may result in the creation of artificial pressure in a reservoir. Such artificial pressure may allow oil displacement for a period beyond the time during which there are injections. Assuming that an adequate amount of carbon dioxide, as determined in accordance with the plan and sound engineering principles, was pumped into the reservoir, the production could qualify as incremental tertiary oil in the absence of contemporaneous injections.

## TERTIARY DECLINE CURVE

The conference agreement follows the House bill in using a 1-percent decline rate before the project beginning date, and it follows the Senate amendment in defining the project beginning date and providing a 1-percent decline for the month of the project beginning date.

In the case of a pilot project, tertiary injections in the area of the pilot project would determine the beginning date of the pilot project but not the beginning date of any subsequent full scale project affecting a larger area.

## DEFINITION OF HEAVY OIL

The conference agreement follows the Senate amendment.

## CONFERENCE ACTION—Continued

## AMENDMENTS—Continued

## WINDFALL PROFIT TAX—Continued

- Nov. 27, 1979  
No. 118  
(706) (Magnuson, Armstrong, Bayh, Biden, Boschwitz, Bumpers, Burdick, Cannon, Chiles, Cochran, DeConcini, Domenici, Durkin, Eagleton, Exon, Hart, Hatfield, Hayakawa, Hollings, Humphrey, Inouye, Kassebaum, Kennedy, Laxalt, Leahy, McClure, McGovern, Morgan, Muskie, Percy, Proxmire, Pryor, Sasser, Schmitt, Schweiker, Stennis, Stevens, Weicker, Young) Provides that the Secretary of the Treasury is authorized to release funds for claimed tax credits for the production of alcohol fuels only to the extent authorized and only in amounts appropriated by Congress.
- Nov. 28, 1979  
No. 119  
(707) (Danforth, Chafee, Durenberger, Ribicoff) Strikes the exemption from the windfall profits tax for economic interests held by State or local governments. The windfall profits tax would be imposed on State royalty income from oil produced on State lands.
- Nov. 28, 1979  
No. 120  
(708) (Weicker) Authorizes the appropriation from the windfall profit tax, of up to \$100,000,000, for the purpose of funding marine oil spill activities of the U.S. Coast Guard.
- Nov. 28, 1979  
No. 121  
(709) (Wallop) Imposes an excise tax on the sale, use, or other disposition of imported crude oil or imported refined petroleum products.
- Nov. 28, 1979  
No. 122  
(710) (Bellmon) Amends the present formula for valuing farms on the basis of actual use (rather than highest and best use) for estate tax purposes.
- Nov. 28, 1979  
No. 123  
(711) (Hart, Baucus, Bradley, Cranston, DeConcini, Domenici, Durkin, Exon, Hatfield, Helms, Heinz, Humphrey, Leahy, Levin, Metzenbaum, Percy, Randolph, Sarbanes, Stewart, Tsongas, Williams) Provides a tax credit to builders and developers for residential passive solar systems installed in new homes.
- Nov. 28, 1979  
No. 124  
(712) (Stevens) Provides for a credit up to the amount of windfall profit tax imposed, for qualified development expenditures in Alaska.
- Nov. 28, 1979  
No. 125  
(713) (Bradley) Increases the windfall profit tax rate on tier two oil from 60 percent to 80 percent.
- Nov. 28, 1979  
No. 126  
(714) (Bradley, Biden, Chafee, Durenberger, Ford, Hart, Leahy, McGovern, McCahan, Nelson, Packwood, Ribicoff, Roth, Tsongas, Weicker) Increases the windfall profit tax rate on tier two oil from 60 percent to 75 percent.
- Nov. 29, 1979  
No. 127  
(717) (Matsunaga, Durkin, Moynihan, Packwood, Talmadge) Provides that the phaseout of the tax credit for the production of fuel from non-conventional sources will not apply to production after December 31, 1980, during the first three years of operation of any facility or property.

## EXEMPT ALASKAN OIL

The conference agreement follows the House bill and the Senate amendment by exempting from tax oil produced from wells located north of the Arctic Circle (including production from the Lisburne and Kuparuk formations in the Prudhoe Bay oil field) other than Sadlerochit oil; however, it expands this exemption to include additional oil. Alaskan oil, other than Sadlerochit oil, is exempt if it is from a well that produces oil from a reservoir that has been commercially exploited by a well located north of the Arctic Circle. Also, Alaskan oil south of the Arctic Circle, but north of the divide of the Alaska-Alentian mountain range, is exempt from the windfall profit tax if it is produced from a well at least 75 miles from the nearest point on the Trans-Alaska Pipeline System.

## COMPUTATION OF TAX ON SADLEROCHIT OIL

The conference agreement follows the Senate amendment and includes Sadlerochit oil in the merged tier one.

## PROPERTY TRANSFERS

The conference agreement follows the House bill and the Senate amendment with respect to property transfers in defining stripper, newly discovered and heavy oil.

## INFLATION ADJUSTMENT

The conference agreement provides that all base prices are adjusted for inflation after June 30, 1979, with the two-quarter lag. Therefore, the inflation adjustment for the first quarter of 1980 equals the inflation between the second and third quarters of 1979, and the adjustment for the second quarter of 1980 equals the inflation between the second and fourth quarters of 1979. The Secretary may not make modifications to the inflation adjustment to conform it to DOE adjustments.

## TREATMENT OF STATE SEVERANCE TAXES

The conference agreement follows the Senate amendment except that a severance tax may not be taken into account to the extent the total rate of severance tax imposed by a State exceeds 15 percent, and no deduction is allowed for Indian severance taxes. The conversion of a severance tax levied as a fixed fee per barrel into a tax levied as a percentage of the gross value of oil removed constitutes an increase in the severance tax on the windfall profit element of the selling price. Thus, such a conversion would have to satisfy the limits on post-March 1979 increases in State severance taxes before a severance tax adjustment would be available with respect to such a converted tax.

For purposes of the windfall profit tax, a State severance tax is a tax on the removal of crude oil from the ground, levied by a State, but not by a political subdivision of a State, as a percentage of the gross value of the crude oil removed. Any State tax that meets this definition, regardless of its official name or title, is treated as a severance tax. A tax levied on the value of reserves or on the basis of net proceeds from production is not a severance tax. Although a tax on the removal of crude oil from the ground levied as a fixed fee per barrel generally is considered a severance tax, the formula for calculating the severance tax adjustment in

## AMENDMENTS—Continued

- Nov. 29, 1979  
No. 128  
(718) (Dole, Baucus, Bayh, Church, Exon, McClure, McGovern, Morgan, Packwood, Percy, Stewart) Extends the excise tax exemption in existing law for fuels which are at least 10 percent alcohol until January 1, 2000. In all other cases where alcohol is used as a fuel suitable for use in an internal combustion engine, a credit would be provided to the blender or user.
- Nov. 29, 1979  
No. 129  
(719) (Levin, Percy) Provides that fuel efficient aerodynamic equipment would be eligible for the investment tax credit applicable to alternative energy property.
- Nov. 29, 1979  
No. 130  
(720) (Levin) Provides a tax credit to public utilities which provide financing for the installation of residential energy conservation measures.
- Nov. 29, 1979  
No. 131  
(721) (Levin) Provides individuals with a 100-percent credit in 1981 of \$20 on interest income from a savings deposit (\$40 on a joint return).
- Nov. 29, 1979  
No. 132  
(722) (Weicker) Same as amendment No. 708.
- Nov. 30, 1979  
No. 133  
(723) (Moynihan, Jackson) Clarifies provision relating to the use of tax-exempt bonds for hydroelectric facilities to include pumped storage facilities.
- Nov. 30, 1979  
No. 134  
(724) (Nelson, Byrd, of Virginia, Moynihan) Deletes the requirement that electrical energy or steam produced by qualified solid waste disposal facilities be sold to a governmental unit and not be resold in order for interest on bonds issued to finance such facilities to be exempt from Federal income tax.
- Nov. 30, 1979  
No. 135  
(725) (McClure) Includes in the definition of biomass property, equipment for converting biomass into alcohol fuel, for purposes of the energy investment credit.
- Nov. 30, 1979  
No. 136  
(726) (McClure) Same as amendment No. 725 except that the credit is 10 percent from October 1, 1978 through December 31, 1990.
- Nov. 30, 1979  
No. 137  
(727) (McClure) Defines biomass to include oceanic and terrestrial crop byproducts and residues. This would make the production of gas from these products eligible for the \$3 per barrel alternative fuel production credit.
- Nov. 30, 1979  
No. 138  
(728) (Bradley) Provides that the windfall profit tax rate on tier 1 oil would be 75 percent and the tax rate on tier 2 oil would be 80 percent. In addition, it would provide for the exemption of up to 1,000 barrels per day of all independent oil production (not just stripper oil).

## CONFERENCE ACTION—Continued

## WINDFALL PROFIT TAX—Continued

## TREATMENT OF STATE SEVERANCE TAXES—continued

the House bill, the Senate amendment and the conference agreement would not allow an adjustment for such a tax because the amount of that tax would be the same whether levied on the adjusted base price or on the removal price of a barrel of oil. Thus, a tax levied as a fixed fee per barrel is not considered a severance tax for purposes of the windfall profit tax.

## REMOVAL OF OIL

The conference agreement is the same as the Senate amendment. However, the conferees recognize that due to differences in the definition of the word "property," a producer could have a single, undivided piece of land which constitutes many DOE "properties," even though they are contiguous and not even divided by a public road. The conferees wish to clarify that, in such a case, "powerhouse" fuel produced on one section of a single undivided piece of land is not taxable if it is used on another section of the same piece of land as powerhouse fuel and never leaves the piece of land on which it is produced. The windfall profit tax treatment of such oil is to have no implication for its treatment for various income tax purposes.

## TAXABLE INCOME LIMITATION

The conference agreement follows the Senate amendment and, in addition, provides that for purposes of the 90-percent net income limitation, the producer may elect to treat qualified tertiary injectant costs as if they had been capitalized and recovered through cost depletion. This election would be made in the year injections are first made on a property.

## TAXABLE PERSON—GENERAL RULE

The conference agreement follows the House bill and the Senate amendment with two changes.

First, it provides specifically that no persons are exempt from the windfall profit tax (or treated specially) unless an exemption for them is provided explicitly in the Crude Oil Windfall Profit Tax Act of 1980 or future legislation. The conferees are unaware of any treaties which would provide an exemption from this tax in the absence of this provision. However, in the event that the legislation does conflict with any treaty obligations of the United States, the conferees intend that the legislation prevail.

Second, in the case of oil owned by partnerships, the tax is imposed directly on the partners on their proportionate share of the partnership's production. For purposes of applying Subchapter K, the windfall profit tax is not to be treated as a partnership deduction, but any amount withheld from the partnership by a purchaser shall be treated as a distribution of money by the partnership to the partner.

## FEDERAL, STATE AND LOCAL GOVERNMENTS

The conference agreement follows the Senate amendment with respect to oil owned by State and local governments, and the House bill with respect to oil owned by the Federal Government.

## MEDICAL AND EDUCATIONAL CHARITIES

The conference agreement follows the intent of the Senate amendment and exempts oil production by a charitable educational

No. 141  
(734)  
(DeConcini, Chiles, Domenici, Nunn, Schmitt) Eliminates the requirement under existing law that the Justice Department or any other Federal agency responsible for enforcement of a nontax criminal law must obtain court approval for inspection of tax returns or return information.
- Dec. 4, 1979  
No. 142  
(735)  
(Bentsen, Armstrong, Baker, Baucus, Bellmon, Biden, Boren, Boschwitz, Cannon, Chafee, Church, Cochran, Cohen, Cranston, Danforth, DeConcini, Dole, Domenici, Durenberger, Durkin, Exon, Ford, Garn, Glenn, Goldwater, Gravel, Hart, Hatch, Hatfield, Hayakawa, Heflin, Heinz, Helms, Hollings, Huddleston, Humphrey, Inouye, Javits, Jepsen, Johnston, Kasibaum, Laxalt, Leahy, Lugar, McClure, McGovern, Mathias, Matsunaga, Melcher, Morgan, Moyuahan, Nunn, Packwood, Pressler, Pryor, Riegle, Roth, Schmitt, Schweiker, Simpson, Stafford, Stevens, Stewart, Stone, Talmadge, Thurmond, Tower, Wallop, Warner, Weicker, Young, Zorinsky) Provides an exemption to individuals of \$200 (\$400 on a joint return) from gross income for dividends received from domestic corporations and interest received from domestic sources.
- Dec. 4, 1979  
No. 143  
(736)  
(Mathias) Makes expenditures for low intensity infrared radiant heating systems eligible for the 15 percent residential energy credit or in the case of business usage, the additional 10 percent energy investment tax credit.
- Dec. 4, 1979  
No. 144  
(737)  
(Eagleton) Provides an exclusion of \$500 (\$1,000 on a joint return) from gross income to individuals for interest received from a savings or thrift institution.
- Dec. 4, 1979  
No. 145  
(738)  
(Roth, Armstrong, Boren, Chafee, Cochran, Cohen, Danforth, Dole, Domenici, Durenberger, Garn, Hatch, Hayakawa, Heinz, Helms, Humphrey, Jepsen, Laxalt, Lugar, McClure, Melcher, Schmitt, Simpson, Stevens, Thurmond, Tower, Wallop, Warner) Limits total Federal tax receipts to a percentage of gross national product equal to: 20.5 percent in fiscal year 1981; 20.0 percent in fiscal year 1982; 19.5 percent in fiscal year 1983 and thereafter.

## CONFERENCE ACTION—Continued

## WINDFALL PROFIT TAX—Continued

## MEDICAL AND EDUCATIONAL CHARITIES—continued

institution or a charitable medical facility from interests held by the qualified charities on January 21, 1980. In addition, oil produced from interests held by a church on January 21, 1980, is exempt from the tax only if prior to January 22, 1980, the net proceeds from production of such oil were dedicated to the support of a medical facility or educational institution. Production from an interest in oil received, as a bequest or otherwise, after January 21, 1980, is not eligible for the exemption.

## INDIAN OIL PRODUCTION

The conference agreement generally follows the Senate amendment except that the exemption is available only with respect to production from mineral interests held by, or on behalf of, Indian tribes or individual Indians on January 21, 1980. The exemption also applies to the oil production of any Alaska Native Corporation organized under the Alaska Native Claims Settlement Act from interests received pursuant to that Act if the oil is produced prior to 1992, when the stock of such corporations may be traded. The exemption applies when the proceeds from the sale of oil are paid into the U.S. Treasury to the credit of tribal or native trust funds pursuant to provisions of law in effect before January 22, 1980.

## PRODUCTION PAYMENTS

The conference agreement follows the Senate amendment.

## INDEPENDENT PRODUCERS

Independent producers are allowed a reduced rate on up to 1,000 barrels per day of qualifying tier one and tier two oil. The rate is 50 percent (instead of 70 percent) for tier one and 30 percent (instead of 60 percent) for tier two. To be eligible, a producer must not be an oil or gas retailer or an oil refiner in the taxable period. Also, royalty and similar interests (whether payable in kind or otherwise) and certain transferred properties are ineligible for the reduced rates. Related parties must allocate one 1,000-barrel amount. If an independent producer's daily production of qualifying tier one and tier two oil exceeds 1,000 barrels, the 1,000 barrels eligible for the reduced rates come ratably from the producer's tier one and tier two oil.

*Transferred properties.*—As a general rule, properties transferred from one person to another will not qualify for the reduced rates if the transfer would disqualify the transferee from claiming percentage depletion on the property. However, there are some major differences between the transfer rule under the windfall profit tax and the rule used for depletion. First, transfers between an individual and a controlled corporation do not disqualify a property for the reduced rates because under the windfall profit tax, these persons must share one 1,000-barrel amount. Second, a more flexible rule applies to transfers between small independent producers.

Under the conference agreement, the general transfer rule does not apply if a producer establishes that at no time after 1976, and before that producer acquired his interest in the property, was held by a person who, for any quarter after the third quarter of 1979 and before the quarter in which that person transferred the inter-

(Helms) Same as amendment No. 753 except the deduction would apply where these taxes exceed \$3.
- Dec. 7, 1979**  
No. 156  
(756)  
(Helms) Same as amendment No. 753 except the deduction would apply where these taxes exceed \$2.

est to another, was a major oil company or an independent producer with more than 1,000 barrels per day of production (with the 1,000-barrel figure reduced by application of the related party rule, described below). In the case of transfers from a trust or a partnership, the oil transferred is deemed to be owned proportionately by the beneficiaries or partners for purposes of determining whether the transferor is a person whose ownership would make the property ineligible for the reduced rates.

The Secretary is to set up a mechanism by which producers would be able to demonstrate that their transferred properties are eligible for the reduced rates.

Also, transfers between related parties who have to allocate one 1,000-barrel amount are exempt from the general transfer rule so long as the parties continue to be related.

*Royalties.*—To be eligible for the reduced rates, an interest in oil must not be a royalty or similar interest and must not have been one on January 1, 1980 (i.e., royalty interests cannot be converted into working interests). An exception to this rule allows reduced rates for a qualifying overriding royalty interest which converts into an operating mineral interest pursuant to a binding contract or agreement which was in effect on February 20, 1980. This exception would include an interest which was an overriding royalty interest on January 1, 1980, and converted to a working interest between January 1, 1980, and February 20, 1980. After the qualifying overriding royalty interest converts to an operating mineral interest, production attributable to the converted interest qualifies for reduced rates.

*Related parties.*—All related parties must share one 1,000-barrel amount. Generally, the persons who must be aggregated for purposes of this allocation are the same parties who must share one depletable quantity for percentage depletion purposes. However, a producer and a controlled corporation must share one 1,000-barrel amount. When related parties must allocate one 1,000-barrel amount, the number of barrels of production eligible for reduced rates as to any member of the related parties is reduced for each member by allocating the one 1,000-barrel amount among them in proportion to their respective production of tier one and tier two oil for the quarter.

If a person is a member of more than one related group required to share an allocation during a quarter, that person's allocation must be made by reference to the related group which results in the smallest daily barrel allocation to that person.

## PERCENTAGE DEPLETION

The conference agreement follows the Senate amendment.

## ADMINISTRATIVE PROVISIONS

For administrative purposes, there are two general categories into which crude oil falls: oil subject to withholding and oil not subject to withholding. Except as otherwise provided in Treasury regulations, the first purchaser of domestic crude is required to withhold the windfall profit tax from amounts payable to the producer of the oil and deposit those amounts with the Treasury. Where withholding is not required, the producer is required to pay the tax with respect to its own production.

No. 157  
(757) (Helms) Same as amendment No. 753 except the deduction would apply where these taxes exceed \$1.
- Dec. 7, 1979  
No. 158  
(758) (Domenici) Expands the definition of "State severance tax" to include any severance, production or similar tax or fee imposed on the production of crude oil by a State or authorized political subdivision of a State.
- Dec. 7, 1979  
No. 159  
(759) (Domenici) Expands the definition of "economic interest" that is held by a State (which is exempt from the windfall profit tax) to include all moneys from sales, royalties and rentals of Federal public lands that are paid to the Federal Government and subsequently remitted to the State within which the public lands are located.
- Dec. 7, 1979  
No. 160  
(760) (Domenici, Leahy) Applies the 15 percent residential energy tax credit to expenditures for airtight woodburning stoves after July 15, 1979 rather than September 30, 1979.
- Dec. 7, 1979  
No. 161  
(761) (Metzenbaum, Heinz, Huddleston, Randolph, Schweiker, Stewart) Authorizes \$500,000,000 from the windfall profit tax to assist communities, businesses, and industries within communities, affected or likely to be affected by the closing of a steel or coal plant.
- Dec. 7, 1979  
No. 162  
(762) (Heinz) Provides an exclusion of \$200 (\$400 in the case of a joint return) for interest and dividends received by a taxpayer in the taxable year and permits a further exclusion for 25 percent of any interest received over the amount initially excluded.
- Dec. 7, 1979  
No. 163  
(763) (Heinz, Bellmon, Glenn, Huddleston, Randolph, Schweiker) Provides a credit of 20¢ per gallon, rather than 10¢ per gallon, on alcohol made from coal and used or sold for use in motor fuels.
- Dec. 7, 1979  
No. 164  
(764) (Durenberger) Adjusts the basis of certain capital assets (i.e. stock, tangible personal property and real property) by any increase in the Consumer Price Index from the date of purchase for the purpose of determining any gain or loss on the sale of such property.
- Dec. 7, 1979  
No. 165  
(765) (Durenberger) Indexes individual income tax rates, the personal exemption and the zero bracket amount to reflect any annual increase in the Consumer Price Index.

*Responsibilities of operator.*—In the case of oil subject to withholding, the operator normally must certify to the first purchaser the information which the purchaser needs to compute the tax. This includes the tier in which the oil is taxed, the adjusted base price of the oil, the amount of oil, any certification furnished to the operator by the producer with respect to whether such oil is exempt oil or oil subject to reduced rates for independent producers, and any other information required by regulations.

For windfall profit tax purposes, the operator is the person primarily responsible for the management and operation of the crude oil production. However, persons holding the operating mineral interests in the property can designate another person (or persons) as the operator.

Except as otherwise provided in regulations limiting the election, the operator and the first purchaser may elect to have the operator assume the purchaser's responsibilities under the tax. If such an election is made, unless the operator is a major oil company, the operator would have to deposit the withheld tax (or estimated tax) at the same time the purchaser would have had to make deposits or estimated tax payments. Thus, if the purchaser is an integrated oil company, the deposit and estimated tax rules for integrated companies will apply to the operator.

In the case of oil not subject to withholding, the operator is required to certify to the producer the tier in which the oil is taxed, the adjusted base price for the oil, the amount of oil, and any other information required under regulations. The operator and producer may elect, in accordance with regulations, to relieve the operator of this obligation.

*Responsibilities of purchaser.*—In the case of oil subject to withholding, the first purchaser must withhold the windfall profit tax from the amount payable by such purchaser to the producer of the oil. The purchaser is liable to the IRS for the payment of the amount required to be withheld and is not liable to the producer for that amount. The amount withheld is to be determined on the basis of the certification provided by the operator (including any certification that part or all of the production is eligible for the reduced rates for oil produced by independent producers), and the purchaser is not responsible for errors in withholding resulting from improper certification unless it has reason to believe the certification is improper. If no certification is provided or if the first purchaser has reason to believe that the information contained in the certification is incorrect, then the amount withheld must be determined under regulations prescribed by the Secretary. To encourage the furnishing of information, these regulations may require withholding of the maximum possible tax on any particular oil even though such tax exceeds the amount that would have been due if a proper certification had been made.

The first purchaser is required to file quarterly returns showing the amount of tax withheld, together with any other information required under regulations. It is anticipated that the first purchaser's quarterly return for the fourth calendar quarter will provide a producer-by-producer summary of the amount of oil purchased for the year, the windfall profit tax withheld thereon, and the amounts of tax deposited. The first purchaser's quarterly return for the fourth quarter is to be filed before March 1 of the following year. The first purchaser's information statement will provide each producer with information indicating the amounts of oil purchased

No. 175  
(778) (Gravel) Provides that the residential energy credit for renewable energy source expenditures will be available to builders.

## CONFERENCE ACTION—Continued

## WINDFALL PROFIT TAX—Continued

## ADMINISTRATIVE PROVISIONS—continued

and the tax withheld thereon. In the case of oil purchased from a partnership, the purchaser will provide information with respect to the partnerships. The partnership's return will provide information with respect to each partner's share of the production.

As in the Senate amendment, the timing of the obligation of any first purchaser to deposit amounts withheld depends upon the identity of the first purchaser. Integrated oil companies other than independent refiners are required to make semimonthly estimated deposits of the withholding tax. All other first purchasers are required to make withholding deposits not later than 45 days after the close of the month in which the oil is removed from the premises, except that independent refiners who purchase oil under delayed payment contracts are required to make deposits by the first day of the third month beginning after the month of the removal. Failure to make timely deposits will result in the generally applicable penalties. However, estimated tax deposits which meet "safe harbor" levels, similar to those contained in Treasury regulation § 48.6302(c)-1 (relating to deposits of excise taxes generally), would prevent the imposition of penalties.

If the first purchaser withholds an incorrect amount of tax on any oil, adjustments in withholding are required to correct the aggregate amount withheld on all oil purchased by that purchaser from the producer on oil removed during that calendar year. The amount of any mandatory withholding adjustment may not exceed the amount of the windfall profit on any barrel of oil removed.

Required withholding adjustments apply only with respect to transactions between the same purchaser and producer. However, a producer may voluntarily authorize any purchaser to withhold with respect to oil removed later in the calendar year to correct earlier withholding errors. Such an amount is to be treated as an amount required to be withheld such that the deposit and return filing rules will apply. In addition, the Secretary may allow, under regulations, withholding adjustments after the close of the calendar year.

Increases in posted prices after the determination of the removal price also increase the windfall profit, and hence the tax. In such a case, the tax attributable to the price increase must be withheld.

*Responsibilities of producer.*—Generally, there is no requirement that producers of oil that is subject to withholding file a windfall profit tax return if the correct amount of tax is withheld for the year.

In the case of withheld oil, the producer is deemed to have paid, on the last day of February of the year following that in which the oil was removed, the amount of tax withheld by the purchaser.

Producers are required to deposit the tax due on their own production not subject to withholding in the same manner they would deposit tax withheld by them if they were first purchasers. In other words, integrated oil companies make deposits of their estimated tax liability twice a month and all other producers deposit the tax within 45 days after the month of removal.

Oil produced by producers who are entirely exempt from the windfall profit tax by virtue of the provisions exempting certain State, Indian, or charity's oil is not subject to withholding if an appropriate certification is given to the first purchaser.

Producers exempt from all or a portion of the tax by virtue of the net income limitation may file for a refund after the close of the year. They are not entitled to file a withholding tax exemption

No. 183  
(786) (Wallop) Retains the current 1½ percent per month decline curve rate for determining lower tier oil but adds the limitation that notwithstanding the decline rate, oil will not be considered tier 1 oil unless it would have been lower tier oil had price controls continued to apply.
- Dec. 11, 1979  
No. 184  
(787) (Wallop) For purposes of determining the increase in taxable income in the case of the transfer of proven oil or gas property, amounts which would have been allowable in determining taxable income as reduced by cost depletion would be allowed to be taken into account.
- Dec. 11, 1979  
No. 185  
(788) (Wallop) Confirms the method of adjusting tier 1 and tier 2 base prices under the windfall profit tax to the method of adjusting lower and upper tier ceiling prices under DOE regulations.
- Dec. 11, 1979  
No. 186  
(789) (Randolph, Heinz, Huddleston, Percy, Warner) Expresses sense of the Senate that \$15 billion out of the windfall profit tax revenue should be made available for programs to displace oil and natural gas use in utility boilers.

certificate, or use the withholding adjustments to take the 90-percent limit into account.

*Statute of limitations.*—In the case of oil subject to withholding for which no windfall profit tax return is required from the producer, the statute of limitations for purposes of claiming a refund or assessing a deficiency runs with respect to the producer's annual income tax return for the taxable year in which calendar year of the oil's removal ends. In the case of a Federally registered partnership, the Secretary may prescribe limitation rules similar to the rules applicable to income tax returns.

If the Department of Energy makes a final determination reclassifying oil for pricing purposes under the June 1979 Energy regulations, then the statute of limitations for assessing any deficiency or for filing a claim for a windfall profit tax refund attributable to such DOE reclassification will not expire before one year after the redetermination becomes final.

The conference agreement further provides the Secretary with authority to prescribe administrative regulations consistent with the specific provisions of the tax, including any pertaining to information exchanges and returns (e.g., reporting windfall profit tax items on existing excise tax, income tax, and information returns).

*Interest.*—Interest on the overpayment of tax by a producer with respect to withheld oil will run from the last day of February of the year following the removal year. However, if the IRS refunds the windfall profit tax overpayment within 45 days after the later of (1) the unextended due date of the windfall profit tax (or if no return is required, the income tax return for the taxable year in which the removal year ends) or (2) the date the return is filed, then no interest shall be allowed.

## INCORPORATION OF ENERGY REGULATIONS

The conference agreement follows the House bill and the Senate amendment. Thus, the definition of crude oil for windfall profit tax purposes is fixed by the June 1979 energy regulations. Therefore, the term "crude oil" means a mixture of hydrocarbons which exists as liquids in underground reservoirs and which remain liquid at atmospheric pressure after passing through surface separating facilities. The term also includes condensate recovered in associated or nonassociated production by mechanical separators located at any point at or before the inlet side of a gas processing plant, and natural gas liquid treated as crude oil under the June 1979 energy regulations. The term "crude oil," however, does not apply to synthetic petroleum such as oil production from shale or tar sands.

The conference agreement also provides that the Secretary of the Treasury may make, for windfall profit tax purposes, appropriate modifications to the energy regulations to carry out the purposes of the tax and to facilitate administration of the tax. Such action may include, for example, a correlation of tax and price control terms. For instance, price control base prices generally are determined with regard to the price for which the oil is "produced and sold," while the tax is imposed on the difference between the "removal price" and the adjusted base price. Essentially, the terms "produced and sold" and "removal price" refer to the same transaction, and the Secretary may want to clarify this in regulations.

**No. 191**  
**(794)** (Bradley, Bumpers, Byrd of Virginia, Durkin, Leahy, Moynihan, Muskie, Ribicoff, Stewart) Amends amendment No. 770 by excluding qualified stripper oil.
- Dec. 11, 1979**  
**No. 192**  
**(795)** (Helms) Provides a refundable tax credit of up to \$500 for 50 percent of the tuition expenses paid by a taxpayer for himself, his spouse or dependents for higher education, vocational education or elementary or secondary education.
- Dec. 11, 1979**  
**No. 193**  
**(796)** (Randolph) Excludes from the windfall profits tax, profits from front-end tertiary oil produced after September 30, 1980, if the tertiary technique involved consists of carbon dioxide injection.
- Dec. 11, 1979**  
**No. 194**  
**(797)** (Randolph, Heinz, Huddleston, Percy) Extends the energy investment credit for certain coal-fuel boilers and other equipment for 8 additional years through December 31, 1990.

## CONFERENCE ACTION—Continued

## WINDFALL PROFIT TAX—Continued

## DEDUCTIBILITY UNDER INCOME TAX

The conference agreement follows the House bill and the Senate amendment.

## COURT JURISDICTION

Under the conference agreement, the respective courts will exercise jurisdiction over cases involving the windfall profit tax in the same manner that jurisdiction is exercised with respect to the income, estate and gift taxes. Thus, the Tax Court will have prepayment jurisdiction over deficiencies asserted by the IRS and the U.S. District Courts, and the Court of Claims will have jurisdiction over refund suits.

Because the tax is imposed with respect to a producer's crude oil removed during a calendar quarter, the scope of a deficiency suit or refund suit will be with respect to the tax for the entire quarter. Thus, a second suit may not be brought with respect to the same quarter, and in the case of a refund suit, the entire tax assessed with respect to that quarter must be paid.

Jurisdiction with respect to liability under the withholding provisions will be in the U.S. District Courts and Court of Claims.

The conference agreement deletes the Senate amendment adding three Tax Court judges.

## EFFECTIVE DATE

Under the conference agreement, the windfall profit tax applies to oil removed after February 29, 1980. For the period ending June 30, 1980, the Secretary may prescribe rules relating to the administration of the tax which may supplement or supplant the rules in the bill.

## TERMINATION OF TAX

Under the conference agreement, the tax phases out during a 33-month period by reducing each producer's tax by 3 percent for each month starting with the later of January 1988 or the first month (but not later than January 1991) after that for which the Secretary estimates that the aggregate net windfall profit tax revenue will permanently exceed \$227.3 billion (excluding tax on oil owned by the United States).

For purposes of estimating the amount of tax received by the Treasury, the Secretary first must estimate the gross windfall profit tax receipts, minus any revenue attributable to economic interests in crude oil held by the United States. This figure then is reduced by windfall profit tax refunds, but not by administrative costs or deficiencies attributable to the windfall profit tax. It is reduced further by estimated Federal income tax reductions for producers that result from deductibility of the windfall profit tax and any other change in income taxes arising from the windfall profit tax. In estimating the reduction for windfall profit tax refunds and income tax deductions, the Secretary is to take into account those items which properly are attributable to preceding taxable periods even though they actually have not been refunded, or used to reduce income taxes, at the time of the estimate.

Starting with January 1987, the Secretary must make monthly estimates of the aggregate net windfall profit tax revenue raised.

The conference agreement deletes the provision of the Senate amendment which requires the President to notify Congress 30 days in advance of any decision to slow down the rate at which price controls are scheduled to phase out.

## WINDFALL PROFIT TAX—Continued

## STUDY OF DECONTROL AND TAX

- Dec. 11, 1979  
No. 195  
(798) (Percy, Heinz, Huddleston, Randolph) Provides that the energy investment credit for certain coal-fueled boilers and related equipment is 10 percent from October 1, 1978 through December 31, 1980, and 20 percent from January 1, 1981, through December 31, 1990. This would be in lieu of a 10 percent investment credit from October 31, 1978, through December 31, 1982, and zero thereafter.
- Dec. 11, 1979  
No. 196  
(799) (Heinz) Same as amendment No. 702.
- Dec. 11, 1979  
No. 197  
(800) (Chafee) Taxes the windfall profit on newly discovered oil, incremental tertiary oil, heavy oil, and qualified stripper oil if the severance tax on such oil exceeds the fixed amount per barrel in effect on December 1, 1979.
- Dec. 11, 1979  
No. 198  
(801) (Bellmon) Provides that "in kind" rentals from comparable real property may be used in the formula for the special use valuation of a farm if no comparable cash rentals are available.
- Dec. 11, 1979  
No. 199  
(802) (Durenberger) Provides tax-exempt treatment for interest on bonds issued to finance hydroelectric facilities with a generating capacity of more than 25 megawatts, where construction of the facility was begun after October 24, 1979.
- Dec. 11, 1979  
No. 200  
(803) (Gravel) Provides for tax-exempt treatment of interest on bonds issued to finance facilities to comply with State or Federal beverage container laws.
- Dec. 11, 1979  
No. 201  
(804) (Gravel) Same as amendment No. 770 except that it would be effective for taxable years after September 30, 1980.
- Dec. 11, 1979  
No. 202  
(805) (Gravel) Makes clear that certain interests held by any native corporation organized under the Alaska Native Claims Settlement Act would be exempt from the windfall profits tax.
- Dec. 11, 1979  
No. 203  
(806) (Glenn) Extends the 10 percent energy investment tax credit to equipment used for producing high cost natural gas, as described in section 107(c) (1), (c) (3), (c) (4) and (c) (5) of the Natural Gas Policy Act of 1978.
- Dec. 11, 1979  
No. 204  
(807) (Glenn) Extends the 10 percent energy investment tax credit to equipment used for producing natural gas from Devonian shale.
- Dec. 11, 1979  
No. 205  
(808) (Glenn) Provides a revised reference price for the phaseout of the production credit in the case of gas from Devonian shale, coal seams and geopressured brine.

The conference agreement follows the House bill and the Senate amendment.

## TRUST FUNDS AND DISPOSITION OF WINDFALL PROFIT TAX REVENUES

In place of the trust funds and reservation in the House bill and Senate amendment, the conference agreement provides that the net revenues from the windfall profit tax are allocated only for the specific purposes described below to a separate account at the Treasury (for accounting purposes only). They shall not be earmarked or invested separately from general revenues, however. Net revenues from the windfall profit tax are equal to the gross amount of windfall profit tax collected (other than from oil owned by the United States) minus the reduction in income tax receipts resulting from imposition of the windfall tax.

The net revenues projected under current assumptions from 1981 through 1990, as shown in table 4 in the appendix, are allocated for the following specific purposes—

(a) *Aid to lower income households.*—25 percent of net revenues. For fiscal year 1982 and subsequent years, these funds would be divided equally between a program to assist AFDC and SSI recipients under the Social Security Act and a program of emergency energy assistance.

(b) *Individual and corporate income tax reductions.*—60 percent of net revenues. This would include tax cuts to help taxpayers cope with higher energy prices.

(c) *Energy and transportation spending programs.*—15 percent of net revenues.

Of the net revenues in excess of what is projected under current price assumptions (and shown in table 4), one-third is allocated for aid to lower income households, without specification of type of program, and two-thirds is allocated for income tax reductions. Any outlays by the proposed Synthetic Fuels Corporation would be financed from increases in general revenues resulting from decontrol. There is no specific allocation for the Corporation because its outlays will be very uncertain in timing and amount.

The President is required to propose, for each fiscal year after fiscal year 1980, allocation of net revenues from the windfall profit tax among the purposes specified above. For fiscal year 1981, the proposal must be submitted within 90 days after enactment; for succeeding fiscal years, the proposal must be contained in the annual budget. The Secretary of the Treasury will report annually to Congress, beginning in fiscal year 1982, on the net revenue derived from the windfall profit tax for the preceding fiscal year and the actual disposition of these revenues among the purposes specified above.

Further legislation is needed to use the money raised by the tax for any of the purposes specified above. Failure to enact such legislation, of course, would mean that the revenue from the tax would have the effect of reducing the Federal deficit.

## RESIDENTIAL ENERGY TAX CREDITS

## GENERAL PROVISIONS RELATING TO RESIDENTIAL ENERGY CREDITS

The conference agreement retains the principal residence requirement. The credits will not be made available to vacation and second homes, and landlords will not be eligible for the residential credits,

- Dec. 11, 1979  
No. 214  
(817) (Matsunaga, Nelson) Provides that the phaseout for the production credit for nonconventional fuels does not apply in certain instances to processed wood fuels and steam produced from biomass.
- Dec. 11, 1979  
No. 215  
(818) (Matsunaga, Nelson) Same as amendment No. 817.
- Dec. 11, 1979  
No. 216  
(819) (Matsunaga, Nelson) Revises amendment No. 768 to be substantially the same as amendment No. 817.
- Dec. 11, 1979  
No. 217  
(820) (Packwood, Hatfield, Jackson, Magnuson) Extends tax-exempt treatment to interest on bonds issued to finance certain existing hydroelectric generating facilities at Priest Rapids and Wanapum Dams in Washington.

GENERAL PROVISIONS RELATING TO RESIDENTIAL ENERGY  
CREDITS—Continued

although they will continue to be eligible for the available business energy credits.

*Joint ownership.*—The conference agreement includes the Senate amendment with respect to joint ownership of qualified property by 2 or more individuals with respect to 2 or more dwelling units used as a principal residence by such individuals. Each owner is entitled to a separate limit on the expenditures for energy conservation or renewable energy source property.

*Standards for Secretarial determination.*—The conference agreement retains the Secretary's discretionary authority but establishes standards to limit the exercise of the authority in evaluating whether items should be added to the list of qualified equipment. The Secretary must use the following criteria in making a determination on the specification of an item as eligible for the energy conservation credit or the renewable energy source credit. First, the Secretary cannot make such a specification unless he determines that it would result in a reduction in total national consumption of oil and natural gas and that this reduction would be sufficient to justify the resulting decrease in Federal revenues. Second, a conservation component or renewable energy source cannot be specified unless the Secretary finds that such a specification would not result in an increased use of any item when this item, or its increased use, is known to be, or reasonably suspected to be, environmentally hazardous or a threat to public health or safety. Third, such a specification cannot be made unless the Secretary finds that available Federal subsidies do not make such specification unnecessary or inappropriate (in the light of the most advantageous allocation of economic resources).

In making a determination under the first criterion, the Secretary, after consultation with the Secretary of Energy, is required to make an estimate of the amount by which the specification of the energy conservation or renewable energy source property would cause a reduction in national oil and natural gas consumption. In making this estimate, the Secretary is required to take into account at least the following factors: (a) the extent to which the use of the property to be specified would be increased as a result of the specification, (b) whether sufficient capacity is available to increase production to meet increases in any demand for the property or associated fuels and materials which might be caused by such specification, (c) the amount of oil or natural gas used directly or indirectly in the manufacture of the property and items necessary for its use, and (d) the estimated useful life of the item or associated equipment necessary for its use. The Secretary would also take into account the extent additional use of the property leads, directly or indirectly, to the reduced use of oil or natural gas. Indirect use of oil or natural gas includes use of electricity derived from oil or natural gas.

In making a determination under the first criterion above, which involves the comparison of the reduction of oil and natural gas consumption and the revenue loss, the Secretary must also determine, after consultation with the Secretary of Energy, whether the specification of the property compares favorably, on the basis of the reduction in oil and natural gas consumption per dollar of cost (including revenue loss) to the Federal Government, with other Federal programs in existence or being proposed.

GENERAL PROVISIONS RELATING TO RESIDENTIAL ENERGY  
CREDITS—continued

- Dec. 11, 1979  
No. 218  
(821)
- (Packwood) Increases the residential energy credit for certain conservation expenditures (except insulation) from 15 percent to 50 percent; extends the energy tax credit for cogeneration equipment through December 31, 1990; and increases the energy tax credit from 20 percent to 40 percent for solar, wind or geothermal property from January 1, 1980, through December 31, 1990.
- Dec. 11, 1979  
No. 219  
(822)
- (Javits, Nelson) Same as amendment No. 752 except that it only applies to incremental tertiary oil removed from the premises before January 1, 1991.
- Dec. 11, 1979  
No. 220  
(823)
- (Javits, Nelson) Same as amendment No. 752 except that the windfall profit would be taxed at the rate of 60 percent and the base price for such oil would be increased to \$26.
- Dec. 11, 1979  
No. 221  
(824)
- (Javits, Nelson) Same as amendment No. 752 except that it would only apply to incremental tertiary oil removed from the premises before January 1, 1991; the windfall profit would be taxed at 60 percent; and the base price for such oil would be increased to \$26.
- Dec. 11, 1979  
No. 222  
(825)
- (Javits, Nelson) Same as amendment No. 752 except that it would only apply to incremental tertiary oil removed from the premises before January 1, 1991; the base price of such oil would be increased to \$26; the windfall profit would be taxed at 50 percent; and there would be no severance tax adjustment.
- Dec. 11, 1979  
No. 223  
(826)
- (Javits, Nelson) Same as amendment No. 752 except that it would only apply to incremental tertiary oil removed from the premises before January 1, 1991; the base price of such oil would be increased to \$28; the windfall profit would be taxed at 50 percent; and there would be no severance tax adjustment.
- Dec. 11, 1979  
No. 224  
(827)
- (Javits, Nelson) Same as amendment No. 752 except that the base price for such oil would be increased to \$28; the windfall profit would be taxed at 50 percent; and there would be no severance tax adjustment.
- Dec. 11, 1979  
No. 225  
(828)
- (Javits, Nelson) Same as amendment No. 752 except that the base price for such oil would be increased to \$20; the windfall profit would be taxed at 50 percent; and there would be no severance tax adjustment.
- Dec. 11, 1979  
No. 226  
(829)
- (Tower, Domenici, Helms, Johnston) Provides for the granting of administrative adjustments concerning the payment of the windfall profit tax or modification of any rule, regulation, etc. in cases of special hardship, inequity, or unfair distribution of burdens.

The Secretary is required to make a final determination with respect to any request by an applicant for specifying a conservation item or renewable energy source within one year after the filing of the request, together with any information required to be filed with the request. Each month the Secretary is required to publish a report of any request denied during the preceding month and the reasons for the denial.

In the case of any property which the Secretary specifies an eligible for the credit, the credits are allowed for expenditures made on or after the date on which final notice of the specification is published in the Federal Register. The Secretary may prescribe by regulations that such expenditures made before the close of the taxable year in which the date occurs shall be taken into account in the following taxable year.

*Rules to prevent double benefits.*—The conference agreement also provides rules to coordinate the residential energy credits with other government subsidies for energy-related expenditures. The conferees are concerned that if no such rules were adopted, the compound effect of various subsidized loan and grant programs could lead to a situation in which the taxpayer could purchase this property with very little expenditure of his own funds. A potential result could be the encouragement of efficiency through expenditures for equipment the production of which would require diverting substantial resources from more effective uses. The effect of the rule provided in the conference agreement, in conjunction with the present treatment of nontaxable grants, is that the purchaser of the eligible equipment must choose between the tax credit, on the one hand, and subsidized energy loans and nontaxable grants, on the other hand. Grants which are taxable are not taken into account under these rules because their taxation serves as a partial offset; similarly, credits against State and local income taxes are not taken into account because the deductibility of these taxes under the Federal income tax implies that the effect of these credits is equivalent to the effect of a taxable grant.

Under current law, expenditures financed by Federal, State, or local grants which are exempt from Federal income tax are not eligible for a residential tax credit. In addition, under the conference agreement, the portion of the expenditures which is provided by subsidized energy financing is not to be eligible for a tax credit. Further, the expenditure limits on energy conservation and renewable energy source property for a particular dwelling are reduced by the portion of expenditures financed by subsidized energy financing, as well as by the amount of nontaxable Federal, State or local government grants used to purchase the energy conservation or renewable energy source property.

Subsidized energy financing means financing provided under a Federal, State or local government program, a principal purpose of which is to provide subsidized financing for projects designed to conserve or produce energy. The term includes, but is not limited to, the direct or indirect use of tax-exempt bonds for providing funds under such a program. Subsidized energy financing, however, does not include loan guarantees.

The reductions in the amount of qualified expenditures and in the expenditure limits will apply to taxable years which begin after December 31, 1980, with respect to financing or grants made after that date.

## AMENDMENTS—Continued

## RESIDENTIAL ENERGY TAX CREDITS—Continued

- Dec. 11, 1979  
No. 227  
(830) (Tower) Same as amendment No. 697.
- Dec. 11, 1979  
No. 228  
(831) (Stevenson) Imposes an additional 50¢ per gallon Federal excise tax on gasoline.
- Dec. 11, 1979  
No. 229  
(832) (Bradley) Extends the 10% energy investment tax credit to cogeneration equipment installed in connection with boilers and burners which use oil if there is a net savings in the use of oil of at least 30% and the facility qualifies as a major fuel burning installation.
- Dec. 11, 1979  
No. 230  
(833) (Bradley) Provides a tax credit of up to \$250,000,000 to automobile manufacturers who exceed their average fuel economy standards pursuant to the Energy Policy and Conservation Act of 1975.
- Dec. 11, 1979  
No. 231  
(834) (Bradley, Bumpers, Byrd of West Virginia, Ribicoff, Stewart) Same as amendment No. 770 except newly discovered oil would be excluded from the minimum tax.
- Dec. 11, 1979  
No. 232  
(835) (Bradley, Bumpers, Byrd of West Virginia, Ribicoff, Stewart) Same as amendment No. 776 except heavy oil and qualified stripper oil would be excluded from the minimum tax.
- Dec. 11, 1979  
No. 233  
(836) (Bradley, Bumpers, Byrd of West Virginia, Ribicoff, Stewart) Same as amendment No. 776 except incremental tertiary and heavy oil would be excluded from the minimum tax.
- Dec. 11, 1979  
No. 234  
(837) (Magnuson, Armstrong, Bayh, Biden, Boschwitz, Bumpers, Burdick, Cannon, Chiles, Cochran, DeConcini, Domenici, Durkin, Eagleton, Exon, Garn, Hart, Hatfield, Hayakawa, Hollings, Humphrey, Inouye, Kassebaum, Kennedy, Laxalt, Leahy, McClure, McGovern, Morgan, Muskie, Percy, Proxmire, Pryor, Sasser, Schmitt, Schweiker, Stennis, Stevens, Welcker, Young) Same as amendment No. 706.
- Dec. 11, 1979  
No. 235  
(838) (Durkin, Cohen, Dole, Leahy, Nelson, Stafford, Tsongas) Provides that a replacement wood-burning furnace or boiler that is part of a central heating system and that is energy efficient will qualify for the residential energy credit.
- Dec. 11, 1979  
No. 236  
(839) (Durkin, Cohen, Leahy, Stafford, Tsongas) Same as amendment No. 843.
- Dec. 11, 1979  
No. 237  
(840) (Durkin, Cohen, Leahy, Nelson, Stafford, Tsongas) Same as amendment No. 838 except that it applies to expenditures made after September 30, 1981 and before January 1, 1983.

## GENERAL PROVISIONS RELATING TO RESIDENTIAL ENERGY CREDITS—continued

In addition, the Secretary is given the authority to require persons having control of a program which provides subsidized energy financing or an energy grant program to make a return containing the name and address of each individual receiving the financing or grant and the amount of financing or grant received under the program.

## INSULATION AND OTHER ENERGY-CONSERVING ITEMS

The conference agreement does not add any new items to the list of qualified energy conservation property. The six items that would have been added to the list in the Senate amendment are to be evaluated by the Secretary using the standards, specified in item 35 above, when the information required for the evaluation has been filed.

## RENEWABLE ENERGY SOURCE EQUIPMENT

The conference agreement generally follows the Senate amendment with modifications.

The credit rate for renewable energy source property is increased to 40 percent of the first \$10,000 of expenditures, and the conference agreement retains the present 1985 termination date for the credit.

The conference agreement includes the Senate provision that renewable energy source property includes the costs incurred to install solar panels as a roof or as part of a roof.

As under current law, renewable energy source property shall not include other structural components of a residence even though they also may play an ancillary role related to renewable energy source property.

The increased tax credit for renewable energy source property shall apply to expenditures made in taxable years that begin after December 31, 1979. The amendments made with respect to electrical energy from renewable energy sources, the credit for geothermal intangible drilling costs and solar roof panels shall apply to expenditures made after December 31, 1979, in taxable years ending after such date.

## BUSINESS TAX INCENTIVES

## 1. Business Energy Investment Tax Credits

## SOLAR AND WIND ENERGY PROPERTY

The conference agreement follows the Senate amendment except that the rate of the energy credit is increased to 15 percent instead of 20 percent and the effective period for this credit is extended only through December 31, 1985. Also, the effective date for repeal of the refundability feature for the energy credit on solar or wind energy property is clarified so that energy credits attributable to qualified investment on or after the January 1, 1980, effective date for this provision will not be refundable where they are carried back to taxable years which begin before January 1, 1980. In addition, the conference agreement adopts the Senate provision which allows the energy credit for equipment which utilizes solar energy to provide process heat for industrial, agricultural, or commercial applications.

## AMENDMENTS—Continued

- Dec. 11, 1979  
No. 238  
(841) (Durkin, Cohen, Leahy, Nelson, Stafford, Tsongas) Same as amendment No. 766 except that the credit would only apply to expenditures for replantment woodburning furnaces made after September 30, 1981, and before January 1, 1983.
- Dec. 11, 1979  
No. 239  
(842) (Durkin, Hatfield, Stafford) Increases the repair allowance percentage for small hydroelectric generating property under the Asset Depreciation Range (ADR) system to 5 percent beginning on October 1, 1980 (from January 1, 1980 through September 30, 1980, the percentage would be 4 percent).
- Dec. 11, 1979  
No. 240  
(843) (Durkin, Hatfield, Stafford) Same as amendment No. 842 except that the 4 percent allowance would be in effect from January 1, 1980 through September 30, 1981, and the 5 percent allowance would take effect on October 1, 1981.
- Dec. 11, 1979  
No. 241  
(844) (Durkin, Hatfield, Stafford) Increases the energy percentage for purposes of determining the investment credit for small scale hydroelectric facilities from 10 percent to 15 percent beginning on October 1, 1980.
- Dec. 11, 1979  
No. 242  
(845) (Durkin, Hatfield, Stafford) Same as amendment No. 841 except that the increase from 10 percent to 15 percent would begin on October 1, 1981.
- Dec. 11, 1979  
No. 243  
(846) (Durkin, Hatfield, Stafford) Provides that small hydroelectric generating property will qualify as "energy property" for purposes of the energy investment tax credit.
- Dec. 11, 1979  
No. 244  
(847) (Durkin, Hatfield, Stafford) Same as amendment No. 846 except the credit will be 10 percent between January 1, 1980, and September 30, 1981; 15 percent between October 1, 1981, and December 31, 1980.
- Dec. 11, 1979  
No. 245  
(848) (Durkin) Provides a tax credit of 30 percent of the cost of wood fuel (up to a maximum of \$250).
- Dec. 11, 1979  
No. 246  
(849) (Durkin) Same as amendment No. 848.
- Dec. 11, 1979  
No. 247  
(850) (Durkin) Includes wood as a qualified home heating energy source.
- Dec. 11, 1979  
No. 248  
(851) (Durkin) Provides an income tax deduction for the displacement of a nonrenewable fuel used in a trade or business with a fuel from a renewable energy source.

## CONFERENCE ACTION—Continued

## BUSINESS TAX INCENTIVES—Continued

## SOLAR AND WIND ENERGY PROPERTY—continued

## GEOHERMAL EQUIPMENT

The conference agreement modifies the Senate amendment by increasing the rate of the energy credit for geothermal equipment to 15 percent and by extending the credit only through December 31, 1985.

## OCEAN THERMAL EQUIPMENT

The conference agreement modifies the Senate amendment by reducing the rate of the credit to 15 percent and by allowing the credit through December 31, 1985, only for qualifying equipment at two locations designated by the Secretary of the Treasury after consultation with the Secretary of Energy.

A technical amendment is made under the conference agreement to provide an exception from the investment credit rule of general application which requires that qualifying property be used predominantly within the United States. This technical amendment provides that the generally applicable United States use limitation will not apply to qualifying ocean thermal equipment which is owned by a United States person (as defined in Code sec. 7701(a)(30)) and which is used in international or territorial waters to generate energy for use in the United States. (The term United States is defined in Code section 7701(a)(9) to include only the 50 States and the District of Columbia.)

## QUALIFYING HYDROELECTRIC GENERATING PROPERTY

The conference agreement provides an 11-percent business energy credit for investments in qualifying hydroelectric property. This credit is generally available for the period from January 1, 1980, through December 31, 1985. In addition, the effective period is extended for three additional years, through December 31, 1988, for qualifying investments which arise from a hydroelectric project for which an application was docketed by the Federal Energy Regulatory Commission before January 1, 1986. This 11-percent energy credit is available both at sites where there is no existing generating capacity and at sites where there is existing capacity. Public utility property is also eligible for this credit if the normalization requirements concerning investment credits for public utility property (under Code section 46(f)) are satisfied. The conference agreement also makes public utility property which is qualifying hydroelectric energy property eligible for the energy credit and allows the regular investment credit for fish passageways which qualify as hydroelectric energy property, effective for qualifying investments after December 31, 1979.

Under the conference agreement, qualifying hydroelectric generating property includes hydroelectric generating equipment (such as turbines and generators), powerhouses and similar structures to house the generating equipment, penstocks to carry water from the impoundment to the turbine, and fish passageways (and related equipment, such as fish counters). Capital costs for repairing or restoring existing nonfunctional generating equipment are also covered. Generating equipment is covered up to, but not including, the electrical transmission stage. Qualifying property also includes capital costs of reconstruction or rehabilitation (but not enlargement) of a dam which impounds water for use by the generating equipment. As a result, qualifying costs exclude those

No. 259  
(862) (Durkin, Stewart) Same as amendment Nos. 859 and 861 combined.

## QUALIFYING HYDROELECTRIC GENERATING PROPERTY—Continued

for extending or increasing the height of the dam for purposes of increasing the water level or impoundment; however, they include costs for increasing the existing water level or impoundment by strengthening the dam and eliminating leakage. Hydroelectric generating property other than generating equipment will qualify only if it is required by reason of the installation of qualifying generating equipment.

Qualifying hydroelectric property is eligible for this energy credit only where it is installed either at an existing dam which was completed before October 18, 1979 (and which was not significantly enlarged after that date) or at a new or existing, natural or manmade water flow (such as a river, a water conduit or an irrigation ditch) which is not at the site of a dam. Water flows from pumped storage facilities tidal action are not intended to be covered by this provision. In addition, the installed capacity of all hydroelectric generating equipment at the site must be less than 125 megawatts in order for qualifying property to be eligible for this credit. The total capacity of generating equipment at the site includes all functional generating equipment at the site as well as new equipment installed during the current taxable year and the three following taxable years.

For purposes of this section, the construction of penstocks powerhouses, fish passageways and similar structures does not constitute construction or enlargement of the impoundment structure. The term "existing dam" includes dams which are currently being used in connection with the generation of electricity, dams which have been used in connection with the generation of electricity in the past, and dams which have ever been used in connection with the generation of electricity. The term "dam rehabilitation property" includes property for the reconstruction of breached structures and renovation of machinery and structural elements which have been left in place. Furthermore, in the case of an impoundment which does not meet state or federal spillway capacity or other requirements, the term "dam rehabilitation property" includes the replacement of the entire impoundment structure. A dam site or other impoundment site includes any water passageways that are from the water behind the dam or other impoundment. If the primary purpose of the water passageways is from the generation of electricity.

The energy credit is phased out as the total capacity of electric generating equipment installed at the site increases from 25 to 125 megawatts. Increases in generating capacity attributable to qualifying costs for restoring existing nonfunctional equipment, and increases which occur during the three following years, are also taken into consideration for purposes of this phase-out. Between 25 to 100 megawatts, qualified investment is reduced by a fraction equal to 25 divided by the total installed capacity. As total capacity rises from 100 to 125 megawatts, the energy credit is phased out entirely. For example, assume that in each of the years 1975, 1980 and 1983, the taxpayer installs at an existing dam, electric generating equipment with an installed capacity of 25 megawatts. Thus, at the end of 1983, the total installed capacity is 75 megawatts. For each of the years 1980 and 1983, the 11-percent credit will be computed on the basis of 25/75ths of qualified investment.

The conference agreement deletes the Senate provisions concerning depreciation treatment of small scale hydroelectric gen-

(871) (Hart) Uses the implicit GNP deflator for non-residential investment in structures, rather than the overall deflator, for purposes of calculating the phaseout of the credit. Would use the average refiner acquisition cost of all, rather than just imported crude oil, as the reference price.
- Dec. 11, 1979  
No. 269  
(872) (Hart) Provides an energy investment tax credit of 20 percent for large scale synthetic fuel production facilities. To be eligible, the facility would have to produce at least 10,000 barrels of oil equivalent per day.
- Dec. 11, 1979  
No. 270  
(873) (Hart) Provides an energy investment credit of 20 percent for shale oil equipment and property to convert coal into synthetic fuel.

## CONFERENCE ACTION—Continued

## BUSINESS TAX INCENTIVES—Continued

## QUALIFYING HYDROELECTRIC GENERATING PROPERTY—continued

erating property. The conferees understand that the rates for the sale of electricity produced by hydroelectric facilities owned by taxpayers other than electric utilities are generally not regulated on a rate of return basis, and it is intended that this qualifying hydroelectric generating property will consequently not generally be classified as public utility property which is subject to the Code section 167(f) limitations on the use of accelerated methods of depreciation.

## COGENERATION EQUIPMENT

The conference agreement generally follows the provisions of the Senate amendment which allow a 10-percent energy credit from January 1, 1980, through December 31, 1982, for qualifying investments in cogenerating equipment where a limited amount of oil or natural gas is used as a fuel. The conference agreement does not include the provisions of the Senate amendment which would have included cogeneration equipment used in a facility which burned natural gas as a primary fuel on January 1, 1980, or where installed in major fuel-burning installations with oil as a primary fuel.

The credit is allowed under the conference agreement where qualifying equipment is installed in an existing (as of January 1, 1980) industrial or commercial facility as part of an energy-using system which does not use oil, natural gas, or a product of oil or natural gas, as a fuel or where these fuels are used only for startup, backup or flame stabilization purposes and comprise not more than 20 percent of the fuel consumed by the system, determined on the basis of Btu's consumed each year. For this purpose, agricultural and water purification and desalination facilities are considered to be industrial facilities. Cogeneration equipment includes qualifying equipment added to an energy using system to either begin cogenerating activity or expand existing cogenerating capacity. Where existing cogenerating equipment is replaced, the credit under this provision is available for the replacement cogeneration equipment to the extent attributable to incremental cogenerating capacity. As under existing law, if the property ceases to be qualifying energy property, recapture of the energy credit may occur.

The conference agreement also clarifies the Senate amendment regarding increases in the capacity to cogenerate. Under the conference agreement, equipment would not be eligible if it merely increases the capacity of the system to produce the primary energy product of the system. For example, if a facility is presently producing steam for process use as its primary energy product and electricity as its secondary energy product, a boiler that merely increases the facility's steam capacity would not qualify. (However, the boiler may otherwise be eligible for an energy credit as alternative energy property if it primarily uses an alternate fuel, including fuel derived from biomass.)

It is expected that the determination of primary and secondary energy product within an energy using system will be made on the basis of the relative amounts of energy used by these two functions. In the case of an energy using system where the primary energy product is steam, heat or other useful energy (such as shaft power) for process or space heating purposes, qualifying cogeneration equipment includes a turbine and generator to produce electricity,

## CONFERENCE ACTION—Continued

## BUSINESS TAX INCENTIVES—Continued

## COGENERATION EQUIPMENT—continued

and also any other equipment up to the electrical transmission stage. Where electricity is the primary product, qualifying equipment includes that necessary to recover and distribute, but not to use, excess energy after the electrical generation function.

## SPECIALLY DEFINED ENERGY PROPERTY

The conference agreement contains the provision of the Senate amendment which adds modifications to alumina electrolytic cells as a specified item of specially defined energy property, but it does not include the provisions of the Senate amendment relating to industrial heat pumps and certain low-density infrared heating panels.

Qualifying modifications to alumina cells are intended to mean either a substitution or a substantial change in technology and not periodic cleaning, repairs, or replacement of these cells or their components. For example, qualifying modifications include energy saving additions to, or substitutions of, components of the electrolytic reduction cell or "pot," such as changes to anode or cathode configurations and the addition of thermal insulation.

The conference agreement also continues the present law provisions which authorize the Secretary of the Treasury to specify additional items of qualifying property. In addition, standards are provided for the exercise of this authority. The standards provided by the conference agreement for purposes of the business energy credit are the same standards set forth for purposes of identifying additional items of energy conservation property or renewable energy source property eligible for a residential energy credit under Code section 44C (see item 35 above).

## PETROLEUM COKE AND PETROLEUM PITCH

The conference agreement follows the Senate amendment with respect to the provisions which allow the regular credit and accelerated methods of depreciation for certain boilers which use petroleum coke or pitch as a fuel, but deletes the provisions which allow an energy credit for equipment which uses petroleum coke or petroleum pitch as a fuel or to produce a feedstock. In addition, the conference agreement follows the Senate provisions concerning the business energy credit for equipment to produce feedstocks from coal.

The conference agreement clarifies the Senate amendment to provide that where coal (including lignite) is used to produce a feedstock for the manufacture of chemicals and other products, qualifying equipment would generally qualify only to the point where either a marketable substance or a substitute for a petroleum or natural gas derived feedstock is produced. A marketable substance is one that is regularly offered for commercial sale. However, the production of small (either in quantity or value) amounts of marketable byproducts incident to the manufacture of the primary product shall not render the equipment ineligible. The conference agreement also provides that qualifying equipment to produce a feedstock from coal (including lignite) includes equipment to treat intermediate products derived from this coal, for example, equipment to upgrade a coal-derived low-Btu gas to a medium or high Btu gas, to produce methanol or ammonia for use as a feedstock from coal-derived gases or liquids, and to produce hydroprocessed liquids or solids from coal for use as feedstocks

(895) (Moynihan, Bradley, Leahy, Nelson, Ribicoff, Stewart) Same as amendment No. 892 except not proposed as an amendment in the second degree.

## CONFERENCE ACTION—Continued

## BUSINESS TAX INCENTIVES—Continued

## PETROLEUM COKE AND PETROLEUM PITCH—continued

In the production of chemicals and other products. Equipment to convert coal into feedstocks for the manufacture of chemicals or other products does not include equipment, such as an oxygen plant, which is not directly involved in the treatment of coal or a coal product, but produces a substance which is, like coal, a basic feedstock or catalyst used in a coal conversion process. Also, qualifying equipment in an integrated process shall not become ineligible merely because parts of the process are owned by different taxpayers.

## COKE AND COKE GAS EQUIPMENT

The conference agreement follows the Senate amendment, but is effective for qualifying investment after December 31, 1979.

## BIOMASS PROPERTY

The conference agreement replaces the Senate amendment with a provision that extends, from January 1, 1983, through December 31, 1985, the 19-percent energy investment credit for biomass property; that is, property to convert biomass into a synthetic solid fuel, or to burn this fuel or biomass. Qualified investment for equipment that converts biomass to alcohol for fuel purposes is also eligible for the 10-percent energy investment credit from 1983 through 1985, but only if the equipment producing the alcohol uses a primary energy source (i.e., more than 50-percent of the full energy requirement) other than oil, natural gas, or a product of oil or natural gas.

Under these provisions, biomass is generally any organic substance other than oil, natural gas, or coal, or a product of oil or natural gas or coal. For this purpose, biomass includes waste, sewage, sludge, grain, wood, oceanic and terrestrial crops and crop residues and includes waste products which have a market value. The conferees also intend that the definition of biomass does not exclude waste materials, such as municipal and industrial waste, which include such processed products of oil, natural gas or coal such as used plastic containers and asphalt shingles.

Biomass fuel or feedstock handling, storage, and preparation equipment and pollution control equipment as defined under Code secs. 48(l)(3)(A)(vi) and (vii) are also eligible for the extended 10-percent energy credit under the conference agreement.

The extended credit period for alcohol fuel equipment applies where the primary source of energy is an energy resource (such as coal or geothermal or solar energy) other than oil or natural gas substances. In addition, property that uses oil or natural gas substances as its primary energy source and that is constructed by the taxpayer and placed in service after 1982 is allowed the energy credit under the rules of Code secs. 48(a)(1)(i)(I) and 48(n) only to the extent of costs attributable to construction before 1983. Such property acquired by the taxpayer and placed in service after 1982 is not allowed an energy credit under Code secs. 48(a)(1)(i)(I) or 48(a)(1)(i)(VI). As under existing law, if the property ceases to be qualifying energy property, recapture of the energy credit may occur.

The conference agreement also adds a 10-percent energy credit for equipment that stores fuel derived from garbage (i.e., refuse derived fuel) at the site where the fuel is produced. This equipment, which is not eligible for the energy credit under present law, is eligible for the 10-percent energy credit from January 1, 1980, through December 31, 1985.

## CONFERENCE ACTION—Continued

## AMENDMENTS—Continued

## BUSINESS TAX INCENTIVES—Continued

Dec. 11, 1979  
No. 293  
(896)  
(Moynihan, Leahy, Nelson, Ribicoff) Provides for an exemption from the windfall profits tax for qualified stripper oil and provides that heavy oil would be taxed in tier 3.

## REGULAR INVESTMENT CREDIT FOR ENERGY PROPERTY

The conference agreement does not include the Senate provision.

Dec. 11, 1979  
No. 294  
(901)  
(Javits) Same as amendment No. 752 except the base price of such oil would be \$28 and there would be no provision for a severance tax adjustment.

## PUBLIC UTILITY PROPERTY

The conference agreement retains the present law exclusions and makes public utility property ineligible for the energy credit on new types of property added in the bill except qualifying hydroelectric energy property. This provision is effective for qualifying investment after December 31, 1979.

Dec. 11, 1979  
No. 295  
(902)  
(Javits) Same as amendment No. 752 except that it would only apply to incremental tertiary oil removed from the premises before January 1, 1981; the base price of such oil would be \$28; and there would be no provision for a severance tax adjustment.

## VANPOOLING

The conference agreement does not include the Senate provision

Dec. 12, 1979  
No. 296  
(903)  
(Armstrong) Prohibits the President from altering any plan in effect on December 3, 1979, phasing out price controls on crude oil without congressional approval.

## INTERCITY BUSES

The conference agreement follows the Senate amendment. However, several modifications are made to the Senate provision relating to total operating seating capacity. In addition the conference agreement adds a related taxpayer rule under which buses owned by a person related to the taxpayer will be considered in determining the taxpayer's total operating seating capacity. It is expected that rules similar to those contained in Code section 52 (a) and (b) will apply.

Dec. 12, 1979  
No. 297  
(904)  
(Schmitt) Same as amendment No. 885 except the maximum exclusion would be \$500 plus 25 percent of the excess over \$500.

The conference agreement clarifies the Senate amendment to indicate that the credit applies only to qualified investment attributable to an increase in operating seating capacity. For example, a bus that increases the taxpayer's total operating seating capacity by one seat is eligible only to the extent of the cost attributable to the addition of that one seat.

Dec. 12, 1979  
No. 298  
(905)  
(Jackson) Same as amendment No. 878 except the rate of tax would be 75 percent and the base price of newly discovered oil and incremental tertiary oil would be \$16.30.

The conference agreement substitutes for the 10,000 mile rule in the Senate amendment a provision giving the Secretary authority to determine the circumstances under which a bus will be considered to be used on a full-time basis for purposes of total operating seating capacity. It is expected that the Secretary will include buses acquired at the end of the taxable year and used on a full-time basis for the remainder of the year (or, if acquired on the last day of the year, will be used on a full-time basis), even if the buses are not used for any specified number of months.

Dec. 12, 1979  
No. 299  
(906)  
(Jackson) Same as amendment No. 878 except the rate of tax would be 75 percent and the base price of newly discovered oil and incremental tertiary oil would be \$16.30.

Dec. 12, 1979  
No. 300  
(907)  
(Jackson) Same as amendment No. 905.

## AFFIRMATIVE COMMITMENTS

The conference agreement follows the Senate amendment.

Dec. 12, 1979  
No. 301  
(908)  
(Jackson) Same as amendment No. 906.

## TAX CREDIT FOR PURCHASE OF ELECTRIC MOTOR VEHICLES

The conference agreement does not include the Senate provision.

Dec. 12, 1979  
Nos. 302-313  
(909-920)  
(Bentsen) Provides different dates of reference for determining the rate of severance tax which may not be exceeded.

## FUEL EFFICIENT AERODYNAMIC EQUIPMENT FOR TRUCKS

The conference does not include the Senate provision

## CONFERENCE ACTION—Continued

## BUSINESS TAX INCENTIVES—Continued

## DOUBLE-DIPPING PROVISIONS—Continued

payer could purchase this property with very little expenditure of his own funds. A potential result could be the encouragement of inefficiency through expenditures for equipment the production of which would require diverting substantial resources from more effective uses. The effect of the rule provided in the conference agreement, in conjunction with the present treatment of nontaxable grants, is that the purchaser of the eligible equipment must choose between the tax credit, on the one hand, and subsidized energy loans and nontaxable grants, on the other hand. Grants which are taxable are not taken into account under these rules because their taxation serves as a partial offset; similarly, credits against State and local income taxes are not taken into account because the deductibility of these taxes under the Federal income tax implies that the effect of these credits is equivalent to the effect of a taxable grant.

Under present law, in general, if property is financed with nontaxable government grants, the tax basis in the property, for such purposes as depreciation and investment credits (including energy investment credits), is reduced to the extent that the property is financed with such grants; these rules, which partially offset the benefit of these grants, are not changed under the conference agreement. The conference agreement provides a similar rule, but only for purposes of the energy credit, to the extent that property is financed with tax-exempt industrial development bonds or certain other government subsidized financing.

Under the conference agreement, in the case in which qualified investment is financed in whole or in part by the proceeds of tax-exempt industrial development bonds or by subsidized energy financing, the amount taken into account for purposes of applying the energy percentage would be qualified investment multiplied by a fraction. The fraction is determined by dividing that portion of qualified investment in the property which is allocable to this financing or proceeds by qualified investment in the property and subtracting this quotient from one.

Subsidized energy financing means financing provided under a Federal, State, or local program, a principal purpose of which is to provide subsidized financing for projects designed to conserve or produce energy. Subsidized financing includes, but is not limited to, the direct or indirect use of tax-exempt bonds for providing funds under such a program. Subsidized financing does not include, however, loan guarantees.

Under current law, one-half of the energy percentage is allowed for property financed in whole or in part by industrial development bonds. Under this rule, when energy property is installed in conjunction with other property that is allowed to be financed by industrial development bonds because such other property is described in section 103(b)(4), the energy property is not considered to be financed in whole or in part by industrial development bonds. The rule provided in this bill replaces the current law rule and will generally be effective for periods after December 31, 1982. However, in the case of property which is allowed the energy percentage for the first time under this bill, this rule would apply to periods after December 31, 1979. This additional property includes qualified hydroelectric generating property, cogeneration equipment, certain intercity buses, ocean thermal property, certain property which produces coke or coke gas or uses coal to produce certain chemicals, property which generates process heat from solar energy, alumina,

electrolytic cells, and storage equipment for fuel derived from garbage. In the case of property financed by subsidized energy financing other than financing provided from the proceeds of any tax-exempt industrial development bond, no financing made before January 1, 1980, will be taken into account.

*B. Alternative Fuel Production Credit*

## ALTERNATIVE FUEL PRODUCTION CREDIT

The conference agreement adopts a modified version of the Senate amendment. This provision is intended to provide producers of alternative fuels with protection against significant decreases in the average wellhead price for the uncontrolled domestic oil, with which alternative fuels frequently compete. The credit generally is to act only as a guaranteed price floor when the price of oil is in excess of \$29.50, but the credit would become available if, at any time prior to its expiration, the price of oil falls to below \$29.50, adjusted for inflation. Special rules are provided, however, for production of gas from Devonian shale, qualifying processed wood, and steam from solid agricultural byproducts to allow a credit when the price of oil is above \$29.50.

Generally, under the conference agreement, a \$3 credit is available for the production and sale of alternative fuels to unrelated persons after December 31, 1979, and before January 1, 2001, from facilities placed in service after December 31, 1979, and before January 1, 1980, or from wells drilled after December 31, 1979, and before January 1, 1980, on properties which first began production after January 1, 1980. The credit is based on an eligible fuel's barrel-of-oil equivalence, and phases out as the average wellhead price of uncontrolled domestic oil rises from \$23.50 to \$29.50. The credit for tight sands gas terminates if that gas is deregulated. Both the credit (except in the case of tight sands gas production) and the phase out range are adjusted for post-1979 changes in the GNP deflator.

The credit does not apply to gas production from any property on which a well is located is subject to an election under section 107(d) of the NGPA. Therefore, an election to receive an incentive price for gas from any well precludes the application of the credit as to all production from the property on which the well is located.

The credit is \$3 for the production of each unit of 5.8 million Btus of energy, the equivalent of one barrel of oil. All Btu measurements are made without taking into account any Btus attributable to material other than the eligible source.

Sources eligible for the credit, and the definitions of those sources, generally are the same as those in the Senate amendment. Natural gas produced from a tight formation, however, has the same definition as that determined by FERC under the NGPA except that the credit is allowed only with respect to gas entitled to at least 150 percent of the gas ceiling price set under section 103 of the NGPA. The conference agreement also adds alcohol produced from coal as an eligible fuel.

Under the conference agreement the price to which the phase out is linked is the annual average price of uncontrolled domestic oil (except in the case of gas produced and sold from Devonian shale during 1980, 1981, or 1982). This price is to be estimated by the Secretary and published, together with the inflation adjustment factor, by April of the year following that for which the credit is being computed.

## CONFERENCE ACTION—Continued

## BUSINESS TAX INCENTIVES—Continued

## ALTERNATIVE FUEL PRODUCTION CREDIT—Continued

*Credit offsets.*—To the extent that the credit is available for the production and sale of any of the eligible sources, it is reduced in proportion to Federal, State, and local grants, subsidized energy loans, and tax-exempt financing provided in connection with the construction or acquisition of the facility or its equipment. For this purpose, all tax-exempt financing, and all Federal, State, and local grants (whether or not taxable or energy related), but only subsidized loans which are energy related, are taken into account. Loan guarantees are not taken into account. The proportion of a facility deemed to be financed by subsidized financing equals the sum of the grants, subsidized energy loans and tax-exempt financing divided by the sum of the gross additions to capital account attributable to the project.

The production credit also is reduced, dollar-for-dollar, in proportion to energy investment credits allowed in respect of the property used to produce the alternative fuels eligible for the credit. All energy investment credits allowed to any party (including parties to a lease of the property and to predecessors) with respect to the fuel production property are taken into account.

Generally, the credit offset computation is made on an annual basis. The energy investment credit offset applies only up to the point at which the full energy investment credit has been recaptured.

*Devonian shale gas.*—For production and sales in calendar years 1980, 1981, and 1982, the phase out of the credit for gas produced from Devonian shale is based on the price of deregulated natural gas, not deregulated oil. For sales during these years, the credit phases out as the average price of high cost natural gas (as determined under section 107(c)(2), (c)(3), and (c)(4) of the NGPA) rises from \$4.05 to \$5.08 per thousand cubic feet (mcf). For sales after 1982, the generally applicable credit phaseout based on the price of oil applies.

*Qualifying processed wood fuel.*—The definition of qualifying processed wood fuel under the conference agreement generally is the same as that contained in the Senate amendment. The conference agreement clarifies, however, that qualifying processed wood fuel does not include charcoal, fireplace products, or wood products used for ornamental or recreational purposes. This exclusion encompasses fireplace products marketed in the form of "convenience logs," and similar residential compressed products which are wood based. In addition, the conference agreement clarifies that any Btu content of the processed wood that is attributable to nonwood additives, e.g., oil, gas, wax, plastic, glue, etc., is not taken into account in determining whether the Btu content of the processed wood has been increased by at least 40 percent over the Btu content of the wood immediately prior to the processing. (Under the general rule, Btus attributable to such additives are not taken into account in determining the amount of the credit for the year.)

The credit for qualifying processed wood is available only as to production and sales from facilities first placed in service in calendar years 1980 and 1981. As to production from those facilities, it is available for production and sales before either October 1, 1983, or three years from the date that the facility first is placed in service, whichever comes later. In addition, the phaseout based on the price of oil does not apply to production and sales during the first three years from the date the facility first was placed in service.

## BUSINESS TAX INCENTIVES—Continued

- Dec. 12, 1979  
No. 717  
(1317) (Heflin) Defines "marginal property" for purposes of regulations prescribed under the Energy Petroleum Allocation Act of 1973 as property whose average daily production of crude oil (with exceptions) per well during calendar year 1978 did not exceed 40 barrels and whose average completion depth was 10,000 feet or more; provided the property is unitized under an agreement approved by a State regulatory body and that a majority of the working interests in the property is owned by persons each having no more than 3 percent of the total of such working interests.
- Dec. 12, 1979  
No. 718  
(1318) (Heflin) Same as amendment No. 1317, but without the requirement that the property be unitized or the restrictions on ownership of the working interests in the property.
- Dec. 12, 1979  
No. 719  
(1319) (Heflin) Exempts front-end tertiary oil from the windfall profit tax.
- Dec. 12, 1979  
No. 720  
(1320) (Cranston) Provides that the Secretary of Energy will submit a report to Congress each year which includes any item to be added as items qualifying for the energy tax credit.
- Dec. 13, 1979  
No. 721  
(1321) (Dole) Raises the maximum expenditure against which the credit would apply from \$10,000 to \$12,500.
- Dec. 13, 1979  
No. 722  
(1322) (Dole) Amends the expiration date of the credit from January 1, 2000 to October 30, 1990.
- Dec. 13, 1979  
No. 723  
(1323) (Dole) Reduces the credit from \$3.00 to \$2.50.
- Dec. 13, 1979  
No. 724  
(1324) (Dole) Permits depletion, § 263(c) costs, and the windfall profit tax additional deductions in the computation of taxable income.
- Dec. 13, 1979  
No. 725  
(1325) (Dole) Provides that the base price would be rounded to the nearest dollar.
- Dec. 13, 1979  
No. 726  
(1326) (Dole) Same as amendment Nos. 1062-1223.
- Dec. 13, 1979  
No. 727  
(1327) (Dole) Provides that the monthly increments for the base price of tier 2 oil will begin in October 1985 rather than November 1980.
- Dec. 13, 1979  
Nos. 728-731  
(1329-1332) (Dole) Provides various limitations by which windfall profit tax could not exceed certain percentages of net income.

## ALTERNATIVE FULL PRODUCTION CREDIT—continued

*Steam from solid agricultural byproducts.*—The definition of solid agricultural byproducts under the conference agreement generally is the same as that contained in the Senate amendment. As such, the term includes only solid byproducts of farming or agriculture, and does not include timber byproducts or other forms of biomass generally.

The credit for steam from solid agricultural byproducts is available only for production and use before January 1, 1985, in facilities placed in service after December 31, 1979. However, the phaseout based on the price of oil does not apply to production and use of such steam during the first three years from the date that the facility first is placed in service. In addition, a special rule applies to post-1979 increases in the production capacity or replacement of facilities first placed in service before 1980. Such production capacity increases or replacements basically are treated as facilities first placed in service after 1979. Therefore, production of steam attributable to these increases is eligible for the credit.

## C. Alcohol Fuels Provisions

## EXCISE TAX EXEMPTION FOR GASOLINE AND OTHER ALCOHOL FUELS

The conference agreement extends this excise tax exemption through December 31, 1992 (and makes essentially the same technical amendments as in the Senate bill).

One of the major underlying issues pervading the entire conference was the question of the Highway Trust Fund. All conferees are aware of projections indicating that in the near future there will be a sizable reduction in the estimated tax receipts dedicated to the Highway Trust Fund. This includes the reduction due to the gasoline exemption contained in this conference report. The conferees are convinced that it is essential that hearings begin as rapidly as possible in the remainder of this session to consider the question of finding ways and means to restore the Highway Trust Fund to the level required to carry out its future purposes. For this reason the conferees would propose that not only should hearings be scheduled as soon as possible after the passage of the windfall profit tax legislation but also that all agencies concerned with the future of the Highway Trust Fund be allowed to provide whatever information is needed by Congress to give proper consideration to proposals for a restoration of the Highway Trust Fund to its full capabilities. The conferees are aware that there is a definite need to continue and extend the life of the Highway Trust Fund not only because proper funding is needed for the repair, rehabilitation and reconstruction of our major federal arteries but also because there is need to keep our systems in proper order so that the mass transportation system of the future, which is largely dependent on the Federal Aid system, will continue in full force.

The conferees also intend that the exemption for alcohol fuels should not apply to any future increases in the taxes on gasoline or other motor fuels to the extent that such increases result in the taxes being imposed at a rate in excess of 4 cents per gallon.

## CREDIT FOR CERTAIN ALCOHOL FUELS

The conference agreement generally follows the Senate amendment except that (1) no credit is provided for alcohol produced from coal; (2) several amendments are made to integrate the credit

## CONFERENCE ACTION—Continued

## BUSINESS TAX INCENTIVES—Continued

## CREDIT FOR CERTAIN ALCOHOL FUELS—Continued

and the excise tax exemption so that an incentive is provided to encourage the use of fuels containing more than 10 percent alcohol; (3) the credit generally is available only to a person who blends or uses alcohol in a trade or business and must be included in income in the taxable year it is earned (rather than in the taxable year following the year for which it is allowed); (4) a seven-year carry-forward of any unused credit is provided; and (5) the credit applies only to sales or uses after September 30, 1980, and on or before December 31, 1992. Although no credit may be claimed for any sale or use of alcohol which occurs after December 31, 1992, credits unused as of such date may be carried forward to taxable years beginning in 1993 and 1994.

Under the Senate amendment, if a fuel is at least 10 percent alcohol and it would have been subject to the Federal excise taxes on motor fuels but for the gasoline exemption, the exemption would apply, but no additional benefit would be allowable if more than 10 percent alcohol were used. Thus, the tax benefit on a per-gallon-of-alcohol basis would be less for a fuel which is 20 percent alcohol than for a fuel which is 10 percent alcohol. Under the conference agreement, a fuel which is more than 10 percent alcohol is not only eligible for the excise tax exemption (assuming the excise taxes would otherwise be applicable) but also qualifies for a credit based on the volume and proof of alcohol in the fuel. The credit would be reduced by the amount of excise tax exemption applicable to the fuel.

For example, if a taxpayer blends 7,000 gallons of gasoline and 3,000 gallons of 190 proof alcohol and sells the mixture to a service station, the amount of credit allowable would be \$800, computed as follows: 3,000 gallons  $\times$  \$0.40 = \$1,200, reduced by \$400 (10,000 gallons  $\times$  \$0.04).

The conference agreement also modifies the rules relating to the credit for alcohol which is used as a fuel without being blended or mixed with another liquid. Under the conference agreement the credit would generally be available to the user of such fuel. However, if such fuel is sold at retail and placed in the fuel tank of a vehicle, the credit (with appropriate reduction for the amount of excise tax exemption applicable to the fuel) is to be claimed by the retail seller, rather than by the user.

## TAX-PAID GASOLINE

The conference agreement generally follows the Senate amendment with minor technical modifications and a change in the expiration date to reflect the revision in the expiration date of the excise tax exemption for alcohol fuels.

## REGULATION OF ALCOHOL PRODUCTION

The conference agreement follows the Senate amendment except for minor language changes.

The conferees intend that these provisions of the conference report not be interpreted as affecting the Treasury Department's authority, under present law, to revoke or suspend permits for distilled spirits plants.

## STUDY OF IMPORTED ALCOHOL

The conference agreement follows the Senate amendment.

BUSINESS TAX INCENTIVES—Continued

- Dec. 13, 1979  
No. 770  
(1370) (Dole) Strikes the provision extending the residential energy credit to landlords and joint owners.
- Dec. 13, 1979  
No. 771  
(1371) (Dole) Requires a replacement oil furnace or boiler to have an efficiency rating of 95 percent (rather than 80 percent) in order to qualify for the residential energy credit.
- Dec. 13, 1979  
No. 772  
(1372) (Hart) Same as amendment No. 871 and also makes investment in shale oil property eligible for the energy investment credit. Also, investment in pioneering synthetic fuel property would be eligible for the energy investment credit.
- Dec. 13, 1979  
No. 773  
(1373) (Hart) Same as amendment No. 1372.
- Dec. 13, 1979  
No. 774  
(1374) (Dole) Requires the President to submit to Congress a report on the decontrol of oil prices and the windfall profit tax by February 1, 1983, rather than January 1, 1983.
- Dec. 13, 1979  
No. 775  
(1375) (Roth) Limits total Federal tax receipts and expenditures to a percentage of gross national product equal to: 21 percent in fiscal year 1981; 20.5 percent in fiscal year 1982; 20 percent in fiscal year 1983; 19.5 percent in fiscal year 1984 and thereafter.
- Dec. 13, 1979  
No. 776  
(1376) (Roth) Limits total Federal expenditures to a percentage of gross national product equal to 21 percent in fiscal year 1981; 20 percent in fiscal year 1982 and thereafter.
- Dec. 13, 1979  
No. 777  
(1377) (Levin, Percy, Ribicoff) Same as amendment No. 720 except the list of actions which would disqualify a utility from receiving the credit is less restrictive, and the definition of "administrative costs" is expanded.
- Dec. 13, 1979  
No. 778  
(1378) (Dole) Adds "integrated agricultural energy property" to the list of property qualifying for the energy credit.
- Dec. 13, 1979  
No. 779  
(1379) (Dole) Provides that the energy investment tax credit be extended to integrated agricultural energy property as defined in the amendment.
- Dec. 13, 1979  
No. 780  
(1380) (Dole) Provides that the fund will be available for the impact of higher energy costs resulting from the windfall profit tax in addition to the causes listed in the committee bill.
- Dec. 13, 1979  
No. 781  
(1381) (Dole) Provides that the President will study and report annually to Congress on the impact of the windfall profit tax on the prices of oil related products.

## REPORTS

The conference agreement follows the Senate amendment except that the reports are to be made only through 1992.

*D. Industrial Development Bond Provisions*

## INCOME TAX EXEMPTION FOR BONDS FOR SOLID WASTE DISPOSAL FACILITIES

The conference agreement, in general, follows the first and second provision of the Senate amendment (with certain modifications) and deletes the third provision of the Senate amendment.

Under the conference agreement, the term "solid waste disposal facility" is defined to include a "qualified steam-generating facility" and a "qualified alcohol producing facility." As a consequence, tax exempt IDBs may be used to finance such facilities. In addition, the conference agreement allows tax-exempt bonds to be issued for certain solid waste-energy producing facilities. The conferees intend that, wherever there is a requirement that a particular person own facilities for purposes of the IDB provisions of this section of the bill, the requirement means the facilities are owned for tax purposes by that person. The conferees also want to make it clear that the amount of solid waste disposal facilities that can be financed by tax-exempt IDBs under the provisions of this bill or under present law is not to be reduced by the value of any product created by the solid waste disposal facilities.

(a) *Qualified steam-generating facilities.* The term "qualified steam-generating facility", in general, is defined to mean a steam-generating facility which meets two requirements. A steam-generating facility includes incinerators, boilers, smokestacks, and precipitators and other property used in the generation of steam. However, a steam-generating facility would not include property used in the transmission of steam.

The first requirement provides that more than half of the fuel (determined on a Btu basis) used in the generation of steam must be solid waste or solid waste derived fuel. The second requirement provides that substantially all of the solid waste derived fuel which is used at the steam-generating facility must be produced at a facility which is located at or adjacent to the site of the steam-generating facility. The facility for producing solid waste derived fuel also must be owned and operated by the same person who owns and operates the steam-generating facility.

The conference agreement also provides a special rule for steam generating facilities owned by a State or political subdivision of a State. Under the special rule, the second requirement will be treated as being satisfied if substantially all the solid waste derived fuel used at the steam generating facility is produced at a facility which is owned and operated by or for the same State or same political subdivision or subdivisions of a State which owns the steam generating facility, and if substantially all the solid waste processed in the facility for producing solid waste derived fuel is collected from the area in which the steam generating facility is located. For example, in the case of a county solid waste authority which owns and operates a steam generating facility, substantially all the solid waste processed at the facility for producing solid waste derived fuel must be collected from within the county in which the steam generating facility is located. Further, in the case of a solid waste authority having jurisdiction with respect to a metropolitan area lying in two contiguous States

No. 826  
(1426) (Dole) Provides that heavy oil includes oil with an API specific gravity of 24 degrees or less.
- Dec. 13, 1979  
No. 827  
(1427) (Dole) Provides that the windfall profit tax on any barrel of crude oil could not exceed 75 percent of the net income attributable to such barrel of oil.

## CONFERENCE ACTION—Continued

## BUSINESS TAX INCENTIVES—Continued

INCOME TAX EXEMPTION FOR BONDS FOR SOLID WASTE DISPOSAL  
FACILITIES—continued

which owns a steam generating facility located in that metropolitan area substantially all the solid waste processed in the facility for producing solid waste derived fuel must be collected from within that metropolitan area.

(b) *Qualified alcohol producing facility.*—The term "qualified alcohol producing facility," in general, means a facility for the production of alcohol which meets certain requirements. Such a facility will include property required to convert cellulose fiber into sugar and property required in the fermentation of the sugar whether those processes occur in one or more steps. It will also include property used in the distillation of the fermented solution.

In order for a facility for the production of alcohol to be a qualified facility, three requirements must be satisfied. The first requirement provides that the primary product obtained from the facility must be alcohol. The second requirement provides that more than half the feedstock (determined on a reasonable basis, e.g., sugar content) used in the production of alcohol must be solid waste or a feedstock derived from solid waste. The third requirement provides that substantially all the solid waste derived feedstock used at the alcohol producing facility must be produced at a facility located at or adjacent to the site of the alcohol producing facility and the solid waste derived feedstock production facility must be owned and operated by the same person who owns and operates the alcohol producing facility.

The conference agreement also provides a special rule for certain alcohol facilities. A facility for the production of alcohol from solid waste which satisfies this special rule will not be required to meet the third requirement for a "qualified alcohol producing facility." A facility will satisfy the special rule where two conditions are satisfied. First, substantially all the solid waste derived feedstock for the facility must be produced at a facility which (i) went into full production during 1977, (ii) is located within the limits of a city, and (iii) is located in the same metropolitan area as the alcohol-producing facility. The second condition provides that prior to March 1, 1980 there have been negotiations between a governmental body (e.g., a governmental authority) and an organization described in section 501(c)(3) of the Code with respect to the utilization of a special process for the production of alcohol at the facility.

The special rule applies only in the case where the aggregate amount of obligations issued (by reason of this special rule) with respect to a project do not exceed \$30 million, and such obligations are issued prior to January 1, 1980.

(c) *Solid waste-energy producing facility.*—The conference agreement also provides that an obligation issued by an authority for two or more political subdivisions of a State which is part of an issue substantially all the proceeds of which are to be used to provide solid waste-energy producing facilities shall be treated as a tax-exempt obligation of a political subdivision of a State which meets the requirements of an exempt activity of section 103(b)(4)(E) of the Code. For purposes of this provision the phrase "substantially all the proceeds of which are to be used to provide" is intended to have the same meaning as that phrase has under section 103(b)(4) of the Code.

A solid waste-energy producing facility means a solid waste disposal facility and a facility for the production of steam and electric energy where three requirements are met. First, sub-

## CONFERENCE ACTION—Continued

## BUSINESS TAX INCENTIVES—Continued

INCOME TAX EXEMPTION FOR BONDS FOR SOLID WASTE DISPOSAL  
FACILITIES—continued

stantially all the fuel for the steam and electric energy facility must be derived from solid waste processed in the solid waste disposal facility. Second, both the solid waste disposal facility and the steam and electric energy facility must be owned and operated by the authority which issues the obligations.

For this purpose, a facility will be considered operated by the authority where the authority enters into a management agreement with a private concern under which the private concern will operate the facility so long as the duration of the management contract (including any options) does not exceed one year. Third, all the steam and electric energy produced at the facility (and not used by the facility) must be sold for purposes other than for resale to an agency or instrumentality of the U.S. Government.

For purposes of this provision, a steam and electric energy facility includes incinerators, boilers, precipitators, smokestacks, internal steam distribution lines, turbines, generators and other equipment for generating steam and electric energy, and structures for housing such equipment. However, a steam and electric energy facility would only include equipment up to the transmission stage.

The conferees also want to make clear that nothing in this provision or in the additional rules relating to Federal guarantees and federally subsidized loans is intended to affect the question under present law as to whether interest on an obligation issued by a State or local government is tax-exempt where repayment of the principal and interest on such obligation is secured or guaranteed by the Federal Government or where the Federal Government uses part or all of the financial facility. Furthermore, under the conference agreement nothing in this provision is to be construed to override the arbitrage limitations of section 103(c) of the Code.

(d) *Additional rules.*—The conference agreement provides that all IDBs issued pursuant to the provisions of this bill are required to be issued in registered form as to principal and interest for the entire life of the obligation. Any such obligation which is not issued in registered form will not be tax-exempt.

In addition, the conference agreement provides an additional rule in the case of IDBs used to provide qualified steam generating facilities and qualified alcohol producing facilities. Under this rule, any such obligation will not be tax-exempt where (1) the payment of principal or interest is guaranteed (in whole or part) directly or indirectly by the United States government or any agency or instrumentality thereof under a program, a principal purpose of which is to encourage the conservation or production of energy, or (2) any part of the payment of principal or interest is to be made (in whole or part) directly or indirectly with funds provided under a Federal, State or local program, a principal purpose of which is to encourage the conservation or production of energy.

INCOME TAX EXEMPTION FOR BONDS FOR HYDROELECTRIC  
GENERATING FACILITIES

The conference agreement does not include the Senate amendments relating to pumped storage projects, dams under construction and new dams. Subject to the following modifications, the conference agreement follows the Senate amendment with respect to existing dams and sites which do not involve the impoundment of water.

## CONFERENCE ACTION—Continued

## BUSINESS TAX INCENTIVES—Continued

INCOME TAX EXEMPTION FOR BONDS FOR HYDROELECTRIC  
GENERATING FACILITIES—continued

The conference agreement provides that interest on an IDB, substantially all the proceeds of which are to be used to provide qualified hydroelectric facilities is exempt from Federal income taxation provided that the "public use" test of present law is satisfied. The provision only applies to such facilities which are located on a natural water course or constructed water flow and which generate electric energy from the flow or fall of water. The term "existing dam" means any dam or barrier built across a watercourse or other manmade structure for the impoundment of water, which was completed on or before October 18, 1979, and which does not require any construction or enlargement of the impoundment structure (other than repairs or reconstruction) in connection with the installation of the hydroelectric power project. For purposes of this section, the construction of penstocks, powerhouses, fish passageways and similar structures does not constitute construction or enlargement of the impoundment structure. The term "existing dam" includes dams which are currently being used in connection with the generation of electricity, dams which have been used in connection with the generation of electricity of the past, and dams which have never been used in connection with the generation of electricity. The provision does not apply to pumped storage facilities, ocean thermal facilities or ocean tidal facilities.

A qualified hydroelectric facility is defined as qualified hydroelectric generating property which is owned for tax purposes by a State, a political subdivision of a State, or an agency or instrumentality of a State or political subdivision of a State ("a governmental body"), and is installed at a qualified hydroelectric site.

Under the conference agreement, qualified hydroelectric generating property means equipment for generating electric energy from water, and structures for housing such equipment, fish passageways, and dam rehabilitation property, required by reason of the installation of electrical generation equipment at the qualified hydroelectric site. Equipment for generating electricity by water includes turbines and generators. Such equipment only includes equipment up to the transmission stage. The term "dam rehabilitation property" includes property for the reconstruction of breached structures and renovation of machinery and structural elements which have been left in place. Furthermore, in the case of an impoundment which does not meet state or federal spillway capacity or other requirements, the term "dam rehabilitation property" includes the replacement of the entire impoundment structure.

A qualified hydroelectric site, in general, means any site which has an installed capacity of less than 125 megawatts (1) at which there is a dam the construction of which was completed prior to October 18, 1979, and which is not significantly enlarged after such date or (2) at which electricity is to be generated without any dam or other impoundment of water. Any site at which there is a dam will not, however, be a qualified hydroelectric site unless the dam is owned for tax purposes by a governmental body on October 18, 1979, and during the period the obligations are outstanding. A dam site or other impoundment site includes any water passage ways that are fed from the water behind the dam or other impoundment, if the primary purpose of the water passage ways is for the generation of electricity.

Under the conference agreement, the entire qualified hydroelectric generating facility may be provided with tax-exempt IDBs where

## BUSINESS TAX INCENTIVES—Continued

INCOME TAX EXEMPTION FOR BONDS FOR HYDROELECTRIC  
GENERATING FACILITIES—continued

the total installed capacity of the site does not exceed 25 megawatts. However, only a portion of a qualified hydroelectric generating facility with an installed capacity in excess of 25 megawatts, but less than 125 megawatts, may be provided with tax-exempt IDBs. The portion may not exceed the eligible cost of the facilities being provided (in whole or in part) from the proceeds of the bond issue (i.e., the qualified hydroelectric generating property and the functionally related and subordinate property to be installed) multiplied by a fraction the numerator of which is 25 reduced by 1 for each whole megawatt by which the installed capacity exceeds 100 megawatts, and the denominator of which is the number of megawatts of installed capacity (but not in excess of 100). The eligible cost of the facilities being provided is the portion of the total cost of the facilities which may be reasonably expected to be the cost to the governmental body and is, in general, attributable to periods after October 18, 1979, and before January 1, 1980. However, in the case of an application which has been docketed by the Federal Energy Regulatory Commission before January 1, 1986, eligible costs include the portion attributable to periods after October 18, 1979, and before January 1, 1980.

The limitation may be illustrated by the following example. Assume that a municipality enters into a joint venture with a private concern to install 40 additional megawatts of generating capacity at an existing dam owned by the municipality, at which 10 megawatts of generating capacity now exist. The cost of the entire project is \$30 million of which \$20 million is qualified hydroelectric generating property and functionally related and subordinate equipment. The municipality and the private concern are equal joint venturers, and the municipality's share of the cost of the qualified hydroelectric generating facilities is \$10 million. Under the limitation provided in the conference agreement, the maximum amount of bond proceeds that can be used for qualified hydroelectric generating property is \$5 million (i.e., 25 divided by 50 multiplied by \$10 million) plus an insubstantial amount.

The conference agreement also follows the Senate amendment in providing that tax exempt IDBs may be used to provide qualified hydroelectric generating facilities at two existing dams in Grant County, Washington, the installed capacity of which is more than 125 megawatts. Under this provision, the entire qualified hydroelectric generating facility may be provided with tax exempt IDBs.

Finally, the conference agreement provides two additional rules (relating to registration, and guaranteed or subsidized loans) with respect to IDB's used to provide qualified hydroelectric generating facilities. (See Item 62(d).)

## INCOME TAX EXEMPTION FOR BONDS FOR RENEWABLE ENERGY PROPERTY

The conference agreement generally follows the Senate amendment, but imposes two additional limitations with respect to State obligations for renewable energy property. The first limitation provides that the amount of all obligations (whether or not IDB's) under the program for renewable energy property issued by a State which are outstanding at any time may not exceed the smaller of \$500 million or one-half of one-percent of the value of all property within the State. The second limitation provides that the exemption for interest on State obligations for renewable energy prop-

## BUSINESS TAX INCENTIVES—Continued

INCOME TAX EXEMPTION FOR BONDS FOR RENEWABLE ENERGY  
PROPERTY—continued

erty shall not apply to obligations issued pursuant to a State program to provide financing for renewable energy property in a State whose legislature approved before October 18, 1979, a constitutional amendment which specifically allowed general obligation bonds of the State to be used to finance renewable energy property. The requirements of the second limitation will be satisfied even if a State program to provide financing for renewable energy property is in fact established pursuant to a constitutional amendment approved subsequent to October 18, 1979, so long as the legislature in the State authorizing such program had approved before October 18, 1979, a constitutional amendment which specifically allowed general obligation bonds of the State to be used to finance renewable energy property.

The conferees also intend that for purposes of this provision, the phrase "substantially are the proceeds of which are to be used to provide" is to have the same meaning as this phrase has under sec. 103(b) (1) of the Code. Finally, the conference agreement provides two additional rules (relating to registration, and guaranteed or subsidized loans) with respect to obligations used to provide renewable energy property. (See Item 62(d).)

## INCOME TAX EXEMPTION FOR BONDS FOR COGENERATION PROPERTY

The conference agreement omits the Senate amendment.

## E. Other Business Tax Incentives

## DEDUCTION FOR TERTIARY INJECTANTS

The conference agreement generally follows the Senate amendment.

Under the conference agreement, the income tax treatment of qualifying tertiary injectants is not elective. However, for purposes of the windfall profit tax's 90 percent net income limitation, tertiary injectant expenses may be treated as having been capitalized.

## RESIDENTIAL ENERGY EFFICIENCY PROGRAM

The conference agreement does not include the Senate provision.

## LOWER INCOME ENERGY ASSISTANCE

## LOW INCOME ENERGY ASSISTANCE

The conference agreement generally follows the Senate amendment, with the following modifications:

1. The conference agreement provides an authorization effective only for fiscal year 1981;
2. An additional authorization of \$90 million is provided for any States, the allotment of which would otherwise be equal to or greater than \$100 million, for increases in such States' allotments through the use of the alternative allotment percentage;
3. If the amount appropriated for fiscal year 1981 is less than the present \$3 billion primary authorization and the amounts necessary under the separate \$25 million and \$90 million authorizations, then each State's allotment shall be determined as if this sum had been appropriated and shall be reduced on a pro rata basis as necessary.

## CONFERENCE ACTION—Continued

## LOWER INCOME ENERGY ASSISTANCE—Continued

## LOW INCOME ENERGY ASSISTANCE—continued

4. Where the Secretary determines that a waiver is likely to assist in promoting the objectives of this program, the Secretary may waive compliance with any of the State plan requirements. The conferees also wish to make clear that a State is not required, under its plan, to provide a benefit to every household defined as an eligible household under this title. The funds authorized in this part may not be used to provide benefits, however, to households not included in this definition.

5. The conferees wish to make clear that the regulations which are required to be issued within sixty days after enactment may be interim regulations.

6. The conference agreement requires that fuel assistance payments or allowances provided under this title will not be considered income or resources of an eligible household for any purpose under a Federal or State law. The conferees wish to emphasize that this provision applies regardless of whether the fuel assistance is paid directly to the household or to the supplier of energy to the household. Thus, under any law, such as the Food Stamp Act of 1977, which provides that benefits may depend on the expenditures of the household for fuel, any portion of these expenditures which may be paid by the fuel assistance program authorized in this conference agreement will not be considered a resource available to this household, even if the payment is made directly to the energy supplier. Thus, under such a law, benefits will be computed as if the total cost of the fuel, including the amount of assistance provided, had been paid by the household.

7. The amendment in the Senate provision to the Food Stamp Act is effective only for fiscal year 1981.

8. With regard to SSI recipients, the conference agreement provides the States with an option whereby they may have the Secretary retain any portion of their energy allotment for the purpose of making direct Federal payments to SSI recipients. The conferees recognize that time requirements to design and test the computerized programs needed to administer the direct Federal payments will require the Secretary to establish an early date for States to indicate interest in Federal issuance of energy payments to SSI recipients. The conferees are also aware that constraints in computer process capacity will require the Secretary to establish, in cooperation with the States, nationwide criteria and standards to which the States must adhere when submitting specifications for such direct Federal payments.

9. Various technical amendments are made in the Senate amendment to clarify the language.

## TAX CREDIT FOR USERS OF RESIDENTIAL ENERGY

The conference agreement omits the Senate provision.

## CONFERENCE ACTION—Continued

## OTHER INCOME TAX PROVISIONS—Continued

## PARTIAL EXCLUSION OF DIVIDENDS AND INTEREST RECEIVED BY INDIVIDUALS

The conference agreement adopts the Senate amendment with several modifications. First, the conference agreement restricts the exclusion to taxable years beginning after December 31, 1980, and before January 1, 1983. Second, the conference agreement reduces the exclusion in the case of taxpayers not filing a joint return from \$201 to \$200.

Third, the conference agreement makes several technical amendments to the treatment of distributions from regulated investment companies (mutual funds) and real estate investment trusts. Under the conference agreement, qualified interest of a regulated investment company that is distributed to its shareholders is eligible for the exclusion in the hands of its individual shareholders. However, the conference agreement clarifies that the amount of interest received by a regulated investment company that will be eligible for the exclusion when it is distributed to shareholders is the net amount of qualifying interest (i.e., qualifying interest less interest expense). Under the conference agreement, if a regulated investment company has at least 75 percent of its gross income from either qualified dividends or from qualified interest, then the entire amount of the dividend (other than capital gain dividend) that it pays will be a qualified dividend in the hands of an individual shareholder. If neither qualifying dividends nor qualifying interest equals or exceeds 75 percent of the gross income, then the percentage of each dividend it pays that qualifies for the exclusion is the proportion of that dividend that the sum of the qualifying dividends and qualifying interest of the regulated investment company for the taxable year bears to the gross income of the regulated investment company for the taxable year. For this purpose, gross income and aggregate interest are to be reduced by any interest expense to the extent of any qualified interest. For example, if a regulated investment company has 40 percent of its gross income from qualified dividends and 40 percent of its gross income from qualified interest, then 80 percent of its dividend (other than its capital gain dividend) will be a qualified dividend in the hands of an individual shareholder.

In the case of a real estate investment trust, conduit treatment is extended to qualifying interest but not to dividends. Under the conference agreement, if a real estate investment trust has at least 75 percent of its gross income from qualifying interest, then the entire amount of a noncapital gain dividend from the real estate investment trust will be a qualified dividend in the hand of an individual shareholder. If qualifying interest does not equal or exceed 75 percent of the gross income, then the percentage of its noncapital gain dividend that qualifies for the exclusion is the proportion of that dividend that the qualifying interest of the real estate investment trust for the taxable years bears to the gross income of the real estate investment trust for the taxable year. As in the case of regulated investment companies, only the net amount of the qualifying interest (i.e., qualifying interest less interest expense) is eligible for the exclusion. However, in the case of a real estate investment trust, the amount of qualified interest is not reduced by any interest paid by the real estate investment trust on mortgages on real property that is owned by the real estate investment trust. In addition, gross income is to be reduced by any taxes imposed on income from foreclosure property (section 857(b)(4)), on the failure to meet certain require-

ments (section 557(b)(5)), or on income from prohibited transactions (section 557(b)(6)). The amount that qualifies for the exclusion shall not exceed the amount designated by the real estate investment trust in a notice to its shareholders sent within 45 days after the close of its taxable year.

## QUALIFIED LIQUIDATIONS OF LIFO INVENTORIES

The conference agreement follows the Senate amendment but makes certain technical and clarifying amendments.

The conference agreement clarifies the concept of an involuntary liquidation of LIFO inventories and in so doing substitutes the terms "qualified liquidation" and "qualified inventory interruption" for the term "involuntary liquidation" as used in the Senate amendment. A qualified liquidation is defined as a decrease in a taxpayer's closing LIFO inventory for a liquidation year over his opening inventory for that year, but only if the taxpayer establishes to the satisfaction of the Secretary that the decrease is directly and primarily attributable to a qualified inventory interruption. A qualified inventory interruption is defined as any Department of Energy regulation or request made with respect to energy supplies or any embargo, international boycott, or other major foreign trade interruption, with respect to either of which the Secretary publishes a notice in the Federal Register designating those situations to which the provisions of this section will be available. The notice will be published in the Federal Register if the Secretary determines, after consultation with the appropriate Federal officers, that such regulation, request or interruption has made the replacement of any class of goods for any class of taxpayers difficult or impossible in the liquidation year, and the application of this provision to that class of goods and taxpayers is necessary to carry out the purposes of this section.

The conference agreement revises the Senate amendment with respect to the "replacement period." The replacement period encompasses the same replacement years designated in the Senate amendment except that the replacement period may be shortened by the Secretary in a subsequent notice published in the Federal Register. A replacement year is defined in terms of any taxable year in the replacement period. This will involve a change in the definition of a replacement year from the Senate amendment only when the Secretary subsequently shortens the replacement period. Additionally, the conference agreement definition of replacement year does not include a taxable year after the taxable year in which replacement of the liquidated inventory is completed.

The conference agreement changes the Senate amendment by allowing interest on deficiencies or refunds. Solely for purposes of determining interest on overpayments or underpayments of tax attributable to adjustments made under this provision, the overpayment or underpayments shall be treated as arising in the replacement year.

Where there is more than one reduction in a taxpayer's LIFO inventory and these reductions are due to different causes, the reduction in the closing inventory will be presumed to occur first as a result of qualified liquidations, if any, under this provision. For example, if a taxpayer's closing inventory has been reduced by a total of 300 units and the taxpayer had a fire during the year

## TITLE AND DESCRIPTION

ACTION

## CONFERENCE ACTION—Continued

## OTHER INCOME TAX PROVISIONS—Continued

## QUALIFIED LIQUIDATIONS OF LIFO INVENTORIES—continued

which destroyed 275 units and a qualified liquidation which accounted for 225 units, the reduction in the closing inventory will be attributable to the 225 units from the qualified liquidation and the 75 units from the fire.

It is expected that the Secretary will issue regulations regarding how this section is to be applied in the case of a taxpayer using the "dollar-value" method of LIFO inventory, consistent with the "dollar-value" regulations under section 472.

This provision is effective for taxable years ending after October 31, 1979.

## RECOGNITION OF GAIN ON CERTAIN DISPOSITIONS OF LIFO INVENTORIES

The conference agreement follows the Senate amendment but makes certain technical and clarifying amendments.

The conference agreement postpones the effective date of this provision to distributions and dispositions which are made pursuant to plans of liquidation adopted after December 31, 1981. The effective date was postponed to allow time for Congressional hearings on this provision. Also, the delayed effective date will permit transactions in the planning stage to be completed. During this time period it was intended that there would be no change in the present law treatment of the LIFO recapture amount with respect to corporate liquidations and sales pursuant to 12-month corporate liquidations.

## MISCELLANEOUS PROVISIONS

## OIL IMPORT RESTRICTIONS

The conference agreement amends the Trade Expansion Act of 1962 to eliminate the President's authority under that Act to impose oil import quotas whenever a Joint Resolution is enacted which disapproves such executive action. Such a Joint Resolution is to be considered under normal legislative procedures, rather than under those applicable to Trade Act matters, and is not to be amendable. A presidential veto of such a resolution could be overridden by a 2/3 vote of each House.

Under the conference agreement, presidential action with respect to oil imports would not have to be preceded by Congressional review prior to becoming effective.

## OIL IMPORT INFORMATION REPORTS

The conference agreement does not contain this provision.

## NATIONAL ACADEMY OF SCIENCES REPORT

The conference agreement does not contain this provision.

## VOTES ON CONFERENCE REPORT

Mar. 13, 1980.—House agreed to the conference report, by rollcall vote (No. 143) of 302 yeas, 107 nays (Congressional Record H1861).

July 23, 1979

To amend the Unemployment Compensation Amendments of 1976 with respect to the National Commission on Unemployment Compensation, and for other purposes.  
(Provides per diem compensation for members of the National Commission on Unemployment Compensation, extend the period for the filing of reports by the Commission, and exempt the Commission from certain Office of Management and Budget clearance requirements. The bill would also continue to exclude certain alien farmworkers from the Federal unemployment tax for 2 additional years.)

Sept. 5, 1979.—Public hearing.

Sept. 21, 1979.—Reported favorably to the Senate (S. Rept. 96-327) without amendment.

Sept. 27, 1979.—Passed by the Senate, without amendment, by voice vote (Congressional Record S13611).

Oct. 10, 1979.—Signed by the President.

(Public Law 96-84)

H.R. 4007★

Nov. 7, 1979

To amend the Internal Revenue Code of 1954 to provide that the provisions which increase the Federal unemployment tax in States which have outstanding loans will not apply if the State makes certain repayments.  
(Permits States to make a repayment to the Federal Government out of the State's unemployment trust fund.)

Nov. 13, 1979.—Referred to Office of Management and Budget and Departments of the Treasury and Health, Education, and Welfare.

Apr. 28, 1980.—Public hearing.

Sept. 26, 1980.—Reported favorably to the Senate (S. Rept. 96-998) with an amendment providing:

- (a) Modification of repayment of State loans;
- (b) special provisions for recession-impacted States;
- (c) elimination of national trigger;
- (d) modified optional State trigger;
- (e) new requirements for unemployment benefits for ex-service-men;
- (f) new requirements for unemployment benefits for Federal employees;
- (g) modification of limitation on extended benefits for nonresidents;
- (h) extended benefits not be payable on the basis of less than 20 weeks of employment;
- (i) extended benefits not be payable to persons who leave jobs voluntarily or for misconduct; and
- (j) new definition of insured unemployment rate.

## AMENDMENT

Sept. 9, 1980  
No. 1  
(2291)

(Boren) Relating to a cap on increases in the FUTA tax in certain States, and provisions reducing spending in the unemployment compensation program.

H.R. 4033

Sept. 18, 1980

For the relief of the Jefferson County Mental Health Center, Inc., and of certain current and former employees thereof.  
(Relieves the Jefferson County Mental Health Center, Inc., of the obligation to pay social security taxes (or interest and penalties thereon) on specified wages paid to individuals during specified periods, if such corporation furnishes specified evidence to the Secretary of the Treasury, and permits such individuals to enter into arrangement with the Secretary to pay amounts equal to such taxes for social security entitlement purposes.)

Sept. 23, 1980.—Referred to Office of Management and Budget and Department of the Treasury.

H.R. 4153★

June 18, 1980

To amend the Internal Revenue Code of 1954 to allow the Internal Revenue Service to disclose the mailing addresses of individuals who have defaulted on certain student loans solely for purposes of collecting such loans.

## AMENDMENT

Sept. 9, 1980 (Cranston) Authorizes the Administrator of  
No. 1 the VA to redisclose an address obtained from  
(2368) IRS for debt collection purposes.

## DEPARTMENTAL REPORTS

June 19, 1980.—Referred to Office of Management and Budget and Department of the Treasury.

July 7, 1980.—Favorable report from the Office of Management and Budget.

## COMMITTEE ACTION

Nov. 25, 1980.—Reported favorably to the Senate (S. Rept. 96-1039), with the following amendments:

## (A) DISCLOSURE OF MAILING ADDRESSES OF INDIVIDUALS WHO HAVE DEFAULTED ON CERTAIN STUDENT LOANS

Expands present law to allow the Secretary of the Treasury to disclose the mailing addresses of taxpayers who have defaulted on student loans made under the Migration and Refugee Assistance Act of 1962 and the Guaranteed Student Loan Program.

## (B) SIMPLIFICATION OF PRIVATE FOUNDATION RETURN AND REPORTING REQUIREMENTS

Combines information reporting requirements for private foundations so that only one return would have to be filed to furnish information now required on two separate returns. It also provides that nonexempt wholly charitable trusts would be required to report the same information and be subject to the same disclosure requirements as exempt charitable organizations. Finally, it provides that disclosure of the name and address of an indigent or needy person receiving a grant of less than \$1,000 in any year need not be made.

## (C) NONQUALIFIED DEFERRED COMPENSATION PLANS FOR NONRESIDENT ALIENS

Provides that in the case of a nonqualified deferred compensation plan which is maintained for the benefit of persons substantially all of whom are nonresident aliens, the general rules regarding the timing and allowability of deductions for contributions will not apply (unless the taxpayer elects to have those rules apply to the plan). Instead, special rules for deductibility are prescribed.

Subject to limitations, the bill permits a deduction for amounts paid to a trust even though the trust did not meet all the requirements for qualification. Deductions would generally be limited to the lesser amount deductible under foreign law or the amount allowable under standards comparable to those applied in the case of plans in the United States (but eliminating those limitations applicable to further U.S. social policy rather than U.S. tax policy). In the case of unfunded reserve plans, the deductible addition to the reserve would be the present discounted value of the current liability of the foreign subsidiary or branch, using a discount rate intended to put employers electing to use unfunded reserve plans in a position equivalent to employers electing to use funded plans.

## (D) TRANSFERS OF PROVEN OIL AND GAS PROPERTIES TO A CONTROLLED CORPORATION BY INDIVIDUALS

Provides a limited exception to the generally applicable rules of present law which prohibit oil and gas production from being eligible for percentage depletion if the production is from a proven oil or gas property which has been transferred by an indi-

## TITLE AND DESCRIPTION

ACTION

REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 4155★—Continued

## COMMITTEE ACTION—Continued

## (D) TRANSFERS OF PROVEN OIL AND GAS PROPERTIES TO A CONTROLLED CORPORATION BY INDIVIDUALS—Continued

vidual after December 31, 1974. Under this elective exception (which generally would not allow an increase in the aggregate amount of oil or gas production subject to percentage depletion), individuals would be allowed to transfer oil or gas properties to a controlled corporation without the loss of percentage depletion if several conditions are satisfied. Only oil or gas properties could be transferred to the corporation, and all of the corporation's outstanding stock (and no debt securities or similar obligations) would have to be issued directly to the individual transferors of the oil or gas properties solely in exchange for those properties. The corporation and the shareholders would be required to allocate one 1,000 barrel amount eligible for depletion subsequent to the transfer.

In the absence of satisfying these new rules or of an election under this provision, the rules of present law would continue to apply. Thus, production from a proven oil or gas property which has been transferred by an individual in an exchange to which section 351 applies would not be eligible for percentage depletion. The provision applies to qualifying transfers made by individuals in taxable years ending after December 31, 1974, but only as to percentage depletion for production in periods after December 31, 1979. Therefore, the provision does not apply to oil or gas production in periods before January 1, 1980.

## (E) TAX CREDITS ALLOWABLE AGAINST ALTERNATIVE MINIMUM TAX

Allows each nonrefundable tax credit to be used to offset the alternative minimum tax, except to the extent attributable to net capital gains and adjusted itemized deductions, if the credit attributable to the active conduct of a trade or business by the taxpayer.

## SENATE ACTION

Dec. 13, 1980.—Passed by the Senate with committee amendments, and Long UP amendment No. 1950, of a technical nature, by voice vote (Congressional Record S16522).

## SUMMARY OF HOUSE BILL

Approves and implements the trade agreements negotiated by the United States in the Tokyo Round of Multilateral Trade Negotiations (MTN) and transmitted to the Congress by the President on June 19, 1979.

Sections 1-3 of H.R. 4537 set forth the title and purposes of the bill; provide for Congressional approval of the trade agreements transmitted to the Congress by the President in the implementing package; provide criteria for the President's formal acceptance of the trade agreements on behalf of the United States; set forth the relationship of the agreements to U.S. law (the agreements are not self-executing and have no independent effect under U.S. law); and provide for Congressional approval of any changes in the agreements requiring changes in U.S. law.

## COUNTERVAILING AND ANTIDUMPING DUTIES

Title I encompasses those changes to the current antidumping and countervailing duty laws necessary and appropriate to the implementation of the international agreements relating to new disciplines on trade distorting subsidies and dumping practices and procedures for taking countervailing and antidumping measures. The primary substantive change made by this Title is the inclusion in the countervailing duty law of a material injury test applicable to dutiable goods on a conditional most-favored nation (MFN) basis. The bill also improves and expedites the domestic procedures for initiating and conducting investigations and for the imposition of antidumping and countervailing duties.

## CUSTOMS VALUATION

Title II implements in domestic law the Agreement on Implementation of Article VII of the General Agreement on Tariffs and Trade (relating to customs valuation), which establishes a uni-

July 17, 1979.—Reported favorably to the Senate (S. Rept. 96-249) without amendment.

July 23, 1979.—Passed by the Senate, without amendment, by roll-call vote (No. 212) of 90 yeas, 4 nays (Congressional Record S10310).

July 20, 1979.—Signed by the President.

(Public Law 96-39)

## TITLE AND DESCRIPTION

## SUMMARY OF HOUSE BILL—Continued

## CUSTOMS VALUATION—continued

form, fair, and greatly simplified system for the valuation of imports for the purposes of assessing duties. The new law sets out one primary method (transaction value) and four secondary methods of determining customs value. In establishing a new valuation system, Title II also eliminates the controversial "American Selling Price" standard, as well as section 402a of the Tariff Act of 1930, the so-called alternative value provisions.

## GOVERNMENT PROCUREMENT

Title III of the bill implements in domestic law the Agreement on Government Procurement, which will require signatory countries to apply uniform and open procedures to purchases by covered national government agencies. It is estimated that the Agreement will open more than \$20 billion in foreign government purchases to U.S. bidders. In return for elimination of foreign procedures that often preclude U.S. competition, the President is authorized to waive application of discriminatory government procurement law, such as the Buy American Act, with respect to approximately 15 percent of U.S. Government purchases. The Agreement will not affect small and minority business set-aside programs, nor the requirements contained in the Department of Defense Appropriations Act that certain products (i.e., textiles, clothing, shoes, food, stainless steel flatware, certain specialty metals, buses, hand tools, ships, and ship components) be purchased only from domestic sources.

## PRODUCT STANDARDS

Title IV of the bill implements in domestic law the Agreement on Technical Barriers to Trade (relating to product standards). The purpose of the Agreement is to discourage discriminatory manipulations of product standards, testing, and certification systems. It also encourages the use of open procedures in the adoption of standards, such as those widely used domestically. A major goal was achieved by U.S. negotiators in the requirement that national and regional certification systems, such as those in Europe, grant access to foreign or nonmember suppliers on the same basis that access is granted to domestic or member suppliers. The Agreement requires signatories only to use their best efforts to encourage states and local governments and private sector bodies to comply with its provisions.

## IMPLEMENTATION OF CERTAIN TARIFF NEGOTIATIONS

Title V of the bill provides for the implementation of certain tariff concessions which were negotiated in the MTN. In some cases, the concessions involve reductions or increases in the rates of duty in amounts which exceed the President's authority to proclaim a reduction or an increase in a rate of duty under sections 101 and 109 of the Trade Act of 1974. In other cases, implementation of concessions requires certain changes in tariff headnotes, nomenclature, and classification included in agreements entered into under section 102 of the Trade Act and submitted for approval of the Congress under section 2(a) of the bill. Title V also includes certain changes in the Tariff Schedules of the United States (TSUS) which are appropriate to the implementation of trade agreements.

H.R. 4537★—Continued

SUMMARY OF HOUSE BILL—Continued

CIVIL AIRCRAFT

Title VI implements in domestic law the Agreement on Trade in Civil Aircraft which provides for elimination of tariffs and provides a discipline over other actions by governments that might distort aircraft trade. Title VI, in addition to authorizing the President to eliminate duties on articles covered by the Agreement, repeals the 50 percent duty on repairs on U.S. civil aircraft in foreign countries.

CERTAIN AGRICULTURAL MEASURES

Title VII of the bill implements a number of bilateral agreements affecting trade in cheese, other dairy products, and meats. The cheese quota program is expanded to cover approximately 85% of imports (the present program covers only 50%), establishes a new cheese quota of 111,000 metric tons and a new, small quota for imports of a chocolate-butterfat products from Australia and New Zealand. It also provides for quick action to prevent subsidized quota cheeses from undercutting the U.S. wholesale market for similar cheeses. The bill amends the Meat Import Act to provide a minimum access or floor for imports of 1.2 billion pounds annually, and includes certain special high-quality meat imports in the Meat Import Act. The bill also approves the new international consultative/information-sharing arrangements on dairy and bovine meat.

TREATMENT OF DISTILLED SPIRITS

Title VIII repeals the wine-gallon method of duty and excise tax determination, which applies in practice to imported bottled distilled spirits. Changes in U.S. law include taxing bottled imports on the proof-gallon system, method repeal of rectification taxes, a one-half month extension the time period for payment of excise taxes by domestic bottlers, changeover to an all-in-hand system, and duty assessment on a proof gallon basis if the President determines reciprocal concessions have been received in the MTN.

ENFORCEMENT OF UNITED STATES RIGHTS

Title IX revises section 301 of the Trade Act to include enforcement of U.S. rights under the MTN agreements and places time limits on each stage of the investigation procedure and recommendations on action.

JUDICIAL REVIEW

Title X will provide increased opportunities for appeal of certain interlocutory and all final rulings in antidumping and in countervailing duty cases. The bill establishes the scope of the Customs Court review in both interlocutory and final determinations. Title X also expands existing opportunities for judicial review of determinations by the Customs Service of the appraised value, classification, or rate of duty of imported goods. Judicial review of Custom Service decisions regarding the certification of the "country of origin" of products covered by the Agreement on Government Procurement is also provided.

## MISCELLANEOUS PROVISIONS

**Title XI** extends the President's authority to enter into trade agreements on nontariff measures an additional eight years; authorizes the auction of import licenses under certain laws; extends the private sector advisory system on trade matters; requires the President to study the desirability of entering into trade agreements with North American countries; clarifies the jurisdictional relationship between the U.S. International Trade Commission and the Department of the Treasury and establishes new civil penalties in section 337 (Tariff Act of 1930) cases; requires trade statistics on a cost-insurance-freight (CIF) basis to be released 48 hours before trade figures arrived at on other bases, requires the President to submit a proposal to the Congress by July 10, 1979 on reorganizing and restructuring the international trade functions of the U.S. Government; requires a Presidential review of export trade functions and a study of U.S. competitiveness; amends the Generalized System of Preferences under Title V of the Trade Act; and provides for inclusion in the annual budget of a payment to U.S. possessions for certain revenue losses resulting from an MTN trade concession.

H.R. 4612★

Sept. 27, 1979

To amend title XVI of the Social Security Act to maintain for an additional 3 years the current program of preventive services, referral, and case management for disabled children receiving SSI benefits.

Oct. 2, 1979.—Referred to Office of Management and Budget and Departments of the Treasury and Health, Education, and Welfare.

## COMMITTEE ACTION

Dec. 10, 1979.—Reported favorably to the Senate (S. Rept. 96-472), amended as follows:

## SERVICES PROGRAM FOR DISABLED CHILDREN

Provides for the extension for an additional 3 years of the special referral and services program for disabled children who are receiving SSI benefits.

This program requires the referral by the Social Security Administration of a disabled child under age 16 to a State agency which is responsible for counseling disabled children and their families, and for establishing an individual service plan for each child.

## UNEMPLOYMENT COMPENSATION AMENDMENTS

## ELIMINATION OF THE NATIONAL TRIGGER FOR THE EXTENDED BENEFIT PROGRAM

Deletes the national trigger which required that all States implement the extended benefit program when the national insured unemployment rate reached a level of 4.5%.

## WAITING WEEK FOR BENEFITS

Encourages States not to provide benefits for the first week of unemployment by denying Federal matching for extended benefits payable for the first week after the individual exhausts his regular benefits if the State does not have a waiting week for those regular benefits or if it makes retroactive payments for the waiting week.

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 4612★—Continued

## COMMITTEE ACTION—Continued

## UNEMPLOYMENT COMPENSATION AMENDMENTS—Continued

MODIFICATION OF OPTIONAL STATE TRIGGER LEVEL FOR EXTENDED  
BENEFITS

Allows States to come into the extended benefit program at any rate of insured unemployment which is 5 percent or higher, rather than when the State insured unemployment rate is both at least 4 percent and at a level 20 percent higher than the insured unemployment rate in the State during the comparable period in the 2 preceding years.

REDUCTION OF BENEFITS WHEN THE UNEMPLOYED INDIVIDUAL IS  
RECEIVING A PENSION BASED ON RECENT EMPLOYMENT

Provides that the dollar-for-dollar reduction in unemployment benefits by the amount of any pension concurrently payable to an individual would be limited to situations where an individual receives a pension paid for by an employer he worked for during the period of employment on which his unemployment benefits are based.

## BENEFIT LIMITATIONS FOR EX-SERVICEMEN

Makes federally financed unemployment benefits payable to individuals who leave military service after serving for at least 1 year (other than those who are separated for misconduct).

INCENTIVE FOR FEDERAL AGENCIES TO CONTEST IMPROPER BENEFIT  
CLAIMS

Requires that a separate account be established as a revolving account with each Federal agency required to reimburse the account out of its own appropriation for the actual amount of the unemployment benefits which had been paid to its employees and former employees.

## SENATE ACTION

Mar. 4, 1980.—Considered and passed by the Senate, by rollcall (No. 51), of 89 yeas, 3 nays (Congressional Record S2109) after taking the following action on amendments thereto:

**Adopted:**

*Beutson UP amendment No. 1003*, relating to flexibility in application of standards to rural hospitals, by voice vote (Congressional Record S2096);

*Cranston UP amendment No. 1004*, preserving the existing tax status of wine used in the production of distilled spirits, by voice vote (Congressional Record S2097);

*Muskie UP amendment No. 1005*, treating employment of U.S. citizens by the Roosevelt Campobello International Park Commission as employment under the Federal Unemployment Tax Act, by voice vote (Congressional Record S2103);

*Boren UP amendment No. 1007*, adding the language of the House bill, by voice vote (Congressional Record S2106); and

*Heinz UP amendment No. 1008*, precluding individuals who leave a State which has high unemployment from receiving benefits if they move to a State which does not have high unemployment, by voice vote (Congressional Record S2100).

**Rejected:**

*Javits UP amendment No. 1006*, mandating that the State supply a pension offset rather than make it permissive to the taking account of the full extent of the employee's contribution to the pension he receives, by rollcall vote (No. 53), of 23 yeas, 69 nays (Congressional Record S2103).

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 4904—Continued

## SUMMARY OF HOUSE BILL—Continued

TITLE I: AID TO FAMILIES WITH DEPENDENT CHILDREN (AFDC);  
ASSISTANCE TO MEET EMERGENCY NEEDS; EARNED INCOME CREDIT  
AFDC EARNINGS DISREGARDS

Current law allows an AFDC recipient to disregard the first \$30 of monthly earnings; plus one-third of remaining earnings; plus any expenses, including child care costs, reasonably attributable to the earning of income. The "\$30 plus one third" disregards are applied in the calculation of benefits for applicants only if they would be eligible without these disregards.

The following earned income disregards would replace those provided under current law:

- (a) For AFDC (one-parent families) and AFDC-UP (two-parent families), effective October 1, 1979.  
*Eligibility Determination*—20 percent of gross earnings; plus, child care costs up to \$100 per month per child.  
*Benefit Calculation*—first \$70 of monthly earnings; plus, 20 percent of gross earnings; plus, one-third of remaining earnings; plus, child care costs up to \$100 per month per child.
- (b) For AFDC-UP (two-parent families) only, effective October 1, 1981.  
*Eligibility Determination*—20 percent of gross earnings.  
*Benefit Calculation*—first \$70 of monthly earnings; plus 20 percent of gross earnings.
- (c) In States with benefits (AFDC plus Food Stamps) below 75 percent of poverty, in addition to the disregards listed above, the first \$70 of monthly earnings would be disregarded at eligibility determination for both one- and two-parent families, effective Oct. 1, 1981.

## LOW BENEFIT DISREGARD

In States where the AFDC plus Food Stamp benefit for a family with no other income is less than 65 percent of the poverty level (increased to 75 percent in October 1, 1981), the State would be required to disregard from income an amount equal to the difference between its AFDC grant to a family with no other income and the grant that would be payable to such a family if AFDC together with food stamps equaled 65 percent of the poverty level (75 percent after October 1, 1981). Effective Oct. 1, 1980.

## DEFINITION OF INCOME

A new section would be added to the AFDC law containing an explicit statement of what constitutes income and the items to be excluded from income, largely paralleling the definition of income in the Food Stamp Act of 1977. Effective 6 months after enactment, but not before Oct. 1, 1979.

BENEFIT FOR A CHILD LIVING WITH A RELATIVE NOT LEGALLY  
RESPONSIBLE FOR HIS SUPPORT

States would be permitted to pro-rate shelter, utilities, and similar expenses in the case of an AFDC child who is not living with a relative legally responsible for his or her support, or where none of the legally responsible relatives living with the child is eligible for AFDC, if the total income of the child and closely related family members living in the household equals or exceeds the State's AFDC standard of need. Effective Oct. 1, 1979.

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 4904—Continued

## SUMMARY OF HOUSE BILL—Continued

TITLE I: AID TO FAMILIES WITH DEPENDENT CHILDREN  
(AFDC)—Continued

## DEFINITION OF RESOURCES AND ALLOWABLE LIMITS

States would be required to set a resource limit between \$750 and \$1,750 per family except that States with limits above \$1,750 as of September, 1981 would not be required to lower their limits. Effective Oct. 1, 1981.

## AFDC—UNEMPLOYED PARENT PROGRAM

The current, optional "Unemployed Fathers" (AFDC-UF) program would be changed to "Unemployed Parents" (AFDC-UP), effective upon enactment, and mandated in all States, effective October 1, 1981.

A two-parent family would be eligible for AFDC-UP if the "principal earner" (whichever parent earned more in the six months preceding application) was unemployed. The Secretary of HEW would be required to specify by regulations the minimum level of monthly earnings for full-time employment—thereby defining "unemployment." For the 9-month period beginning Oct. 1, 1979, such level would be \$500 a month, adjusted thereafter for changes in the Consumer Price Index and the Federal minimum wage.

## BENEFIT STANDARDS

States would be required to have a minimum benefit, AFDC plus Food Stamps, equal to 60 percent of poverty as of Jan. 1, 1981, increasing to 65 percent of poverty Oct. 1, 1981. (65 percent of poverty equals approximately \$4,054 in 1979 dollars.)

## RIGHTS AND RESPONSIBILITIES OF APPLICANTS

There would be established application procedures; specific standards of promptness with regard to eligibility determinations, issuance of checks and appeals procedures; and, requirements pertaining to notification of changes in benefits, hearings and appeal procedures. Effective Oct. 1, 1981.

## ACCOUNTING AND REPORTING PERIODS

States would be required to use a one-month retrospective accounting period. This means that, except at initial application, a family's eligibility and benefit amount would be determined and paid on the basis of the preceding month's circumstances. With respect to initial application, the Secretary would prescribe a method of determining eligibility and benefits that takes into account prior and current months' circumstances and provides for an uninterrupted transition to the retrospective accounting system within the first two months in which payments are received. Effective Oct. 1, 1981.

## ASSISTANCE TO MEET EMERGENCY NEEDS

A \$200 million Federal block grant program to assist States in meeting emergency needs of families with children would be established. These funds would be available to assist AFDC families, and other families with children as determined by the State. Such assistance could not be provided to families with net income higher than twice the poverty level or more than \$1,750 of assets. Eligible families could be provided cash assist-

TITLE I: AID TO FAMILIES WITH DEPENDENT CHILDREN  
(AFDC)—Continued

## ASSISTANCE TO MEET EMERGENCY NEEDS—continued

ance, vendor payments or other assistance to meet emergency needs arising from accident, disaster or other uncontrollable, unpredictable or nonroutine event. Half the available funds would be distributed among the States on the basis of AFDC caseload and the other half on the basis of State spending for AFDC. Effective Oct. 1, 1981.

## FEDERAL FINANCIAL PARTICIPATION

Beginning Jan. 1, 1981, all States would have their share of AFDC and AFDC-UP costs reduced by 10 percent. Beginning Oct. 1, 1981, a State's share of AFDC-UP would be reduced by an additional 20 percent. (Thus, for example, beginning October 1, 1981, the share paid by the State of Connecticut for AFDC would be reduced from 50 percent to 45 percent, and 50 to 35 percent for AFDC-UP. West Virginia's share of AFDC would be reduced from 30 percent to 27 percent, and for AFDC-UP from 30 percent to 21 percent.)

## AMENDMENTS TO THE EARNED INCOME TAX CREDIT (EITC)

Effective for taxable years beginning after Dec. 31, 1981, the amount of the EITC would be increased to 11 percent of up to \$5,000 of earned income. The maximum credit would be \$550. The credit would be phased out at a 13.75 percent rate between \$7,000 and \$11,000 of adjusted gross income (or, if greater, earned income).

## PILOT STUDY OF PAYMENTS IN LIEU OF FOOD STAMP BENEFITS FOR AFDC RECIPIENTS

Amends the Food Stamp Act of 1977 to give the Secretary of Agriculture authority to allow pilot or experimental projects designed to test the feasibility of cashing out food stamp benefits to food stamp eligible households containing persons eligible for AFDC benefits.

## NATIONAL GOAL FOR ERROR RATE REDUCTION

The Secretary is directed to regard a 4 percent payment error rate as the goal to be reached by regular annual reductions in State AFDC error rates.

## TITLE II: SUPPLEMENTAL SECURITY INCOME (SSI)

## FOOD STAMP CASH-OUT FOR CERTAIN SSI RECIPIENTS

Effective October 1, 1981, a cash payment in lieu of food stamps would be provided in all States for SSI recipients who live alone, who live with an SSI eligible spouse, or who live with others all of whom are SSI beneficiaries. This payment would be included in or with the person's SSI check.

In each State there would be one "cash in lieu of food stamp" payment amount for all SSI recipients living alone and another amount for all SSI couples. The amounts of the two payments in each State would be determined by the Secretary of HEW, and adjusted annually, on the basis of the current value of food stamp coupons and the current level of SSI payments, including State supplemental payments, in each State.

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 4904—Continued

## SUMMARY OF HOUSE BILL—Continued

## TITLE II: SUPPLEMENTAL SECURITY INCOME (SSI)—Continued

## FOOD STAMP CASH-OUT FOR CERTAIN SSI RECIPIENTS—continued

For any month, the amount of the cash payment for an individual or couple who was receiving both SSI and food stamps in September 1981 would have to be equal to or greater than the value of the food stamps which the person or couple received for September 1981.

## ELIGIBILITY OF COUPLES LIVING APART

Allows couples in which both the husband and wife are SSI recipients to qualify for SSI benefits as single individuals after living apart for one month, rather than six months as in existing law.

## ELIGIBILITY OF INDIVIDUALS IN CERTAIN MEDICAL INSTITUTIONS

Provides that the reduction in the monthly SSI benefit standard to \$25 would not occur until a SSI recipient had been in a medical institution for over three full calendar months. Also provides for an annual cost-of-living adjustment in the \$25 per month payment standard.

## EARNED INCOME IN SHELTERED WORKSHOP

Provides that remuneration received by a SSI recipient in a sheltered workshop would be counted as "earned income," rather than "unearned income" as under current law; thus allowing the application of the "earnings disregards" (\$65 plus  $\frac{1}{2}$ ) rather than just the \$20 disregard.

## EXCLUSION FROM RESOURCES OF FUNDS SET ASIDE FOR BURIAL EXPENSES

Excludes from countable resources an amount up to \$1,500 that is set aside to meet the burial expenses of an eligible individual as an alternative to excluding a \$1,500 face value life insurance policy for such expenses.

## EXCLUSION OF CERTAIN REAL AND PERSONAL PROPERTY FROM INCOME

Excludes from income, unearned income in the form of real or personal property (1) which would otherwise be excluded from resources (e.g., a house which the individual inherits and thereupon moves into), or (2) which is not readily convertible to cash and is not in the form of food or clothing.

## UNDERPAYMENTS TO INELIGIBLE SPOUSE OF DECEASED SSI RECIPIENTS

Provides that SSI underpayments with respect to a deceased SSI recipient would be made to a surviving spouse who was living with the recipient at the time of death, regardless of whether the spouse is eligible for SSI.

## INCREASED PAYMENTS FOR PRESUMPTIVELY ELIGIBLE INDIVIDUALS

Provides that emergency advance payments could be made to presumptively eligible SSI applicants for three consecutive months at the full monthly rate instead of being limited to \$100.

CONTINUATION OF BENEFITS FOR CERTAIN INDIVIDUALS HOSPITALIZED  
OUTSIDE OF U.S.

Authorizes the continuation of SSI benefits to an individual hospitalized outside the U.S. on the same basis as currently provided for in the Medicare program.

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 4904—Continued

## SUMMARY OF HOUSE BILL—Continued

## TITLE II: SUPPLEMENTAL SECURITY INCOME (SSI)—Continued

## MODIFICATION IN CERTAIN GRANDFATHERING PROTECTION

Increases the grandfathering protection related to income disregards for the blind, and resources limitations for SSI recipients who received benefits under the pre-SSI State administered programs for the aged, blind and disabled.

## TERMINATION OF MANDATORY MINIMUM STATE SUPPLEMENTATION IN CERTAIN CASES

Eliminates the mandatory minimum State supplementation protection for those individuals who, after September 1979 (1) are no longer residents of the State to which such rules apply, (2) have income greater than the mandatory minimum income guarantee which has been determined for such an individual, (3) are in certain public institutions and ineligible for SSI, or (4) are ineligible because of excess resources.

## LIMITATION ON ELIGIBILITY FOR SSI OF PERSONS WHO DISPOSE OF ASSETS

Eligibility for SSI would be delayed when an applicant for or recipient of SSI disposes of resources for less than current market value if retaining such resources would have made him or her ineligible for benefits. This would apply if the compensation for the resources was at least \$3,000 less than the fair market value of the resources. The individual would be ineligible for benefits for six months if the uncompensated value of such assets exceeded \$3,000 but not \$6,000, twelve months if such value exceeded \$15,000. The delay would begin the month following the disposal of assets. The eligibility restriction would cease the month after the resources were returned or the individual received a payment equal to the difference between the current market value and \$3,000. Such a delay in eligibility for benefits would not apply when the applicant demonstrates that such assets were not disposed of for the purpose of qualifying for benefits.

## ROUNDING OF COST-OF-LIVING ADJUSTMENTS

Provides for rounding the annual SSI benefit amounts to the nearest \$12, or, in monthly terms, to the nearest dollar.

## ATTRIBUTION OF SPONSOR'S INCOME AND RESOURCES TO ALIENS

Requires that, for the purposes of determining eligibility for SSI and amount of SSI benefits paid to a legal alien, the income and resources of any person who sponsored the alien's entry into the United States be deemed to the alien, except to the extent determined by the Secretary to be inequitable under the circumstances. Such deeming would be for the duration of the assurances of support contained in any executed affidavit or similar agreement of support, but for no longer than three years after entry. This provision would not apply in the case of an alien who became eligible for SSI because of blindness or disability if the blindness or disability commenced after his admission to the United States or in cases where it is determined that good cause for a waiver of this provision exists.

H.R. 4904—Continued

## SUMMARY OF HOUSE BILL—Continued

## TITLE II: SUPPLEMENTAL SECURITY INCOME (SSI)—Continued

## EXTENSION OF SERVICES PROGRAM FOR DISABLED CHILDREN

Provides for a 3 year extension, until Sept. 30, 1982, of the program providing services for disabled and blind children receiving SSI.

## NEGOTIABILITY OF SSI CHECKS

Provides that the negotiability of SSI checks will be limited to 180 days from date of issuance and that the amount from such unnegotiated checks which represents a State supplementation payment would be returned to the State.

MODIFICATION IN DETERMINATION OF APPLICATION OF ONE-THIRD  
REDUCTION PROVISIONS

Under present law, if a SSI applicant or recipient is "living in the household of another and receiving support and maintenance in-kind," the value of such in-kind assistance is presumed to equal one-third of the regular Federal SSI benefit standard and the SSI benefit standard for such an individual is reduced accordingly. "Living in the household of another and receiving support and maintenance in-kind" is defined by regulations to include a SSI applicant or recipient who has not been paying his pro rata share of the household's expenses. In determining whether an applicant for SSI would be able to contribute such a pro rata share, SSA does not take into account that receipt of some amount of SSI might enable the individual to contribute his pro rata share.

The bill provides that, in determining whether a SSI applicant or recipient should have the one-third reduction applied against him, it would be assumed that such individual has had available to him and has contributed toward the household's expenses no less than an amount equal to two-thirds of the full Federal SSI benefit standard plus State supplementation. If such an assumed contribution to the household equals or exceeds the individual's pro rata share of the household's expenses, the SSI applicant or recipient would be deemed to be living in his own household and thus not subject to the one-third reduction provision of current law. Effective Sept. 1, 1980.

## FEES FOR ATTORNEYS REPRESENTING SSI CLAIMANTS

Provides that, when a SSI claimant obtains a favorable judicial decision regarding benefits under SSI, the court may establish a limit on the amount of fee which may be charged by the attorney. The fee may not exceed 25 percent of the past due SSI benefits.

## MONTHLY COMPUTATION PERIOD FOR DETERMINATION OF SSI BENEFITS

Provides that SSI eligibility and benefits be determined on a prospective monthly-basis rather than a quarterly basis.

ELIMINATION OF REQUIREMENTS FOR REPRESENTATIVE PAYMENT OF  
SSI TO DRUG ADDICTS AND ALCOHOLICS

Deletes the requirement that a drug addict or alcoholic must have payment made on his behalf to a representative payee. Determination of need for a representative payee would be made on the same basis as now applied to other SSI recipients.

## REPLACEMENT OF BENEFIT CHECKS

Authorize the Social Security Administration to directly issue checks or cash for the replacement of lost or stolen SSI checks.

## MODIFICATION IN MANDATORY PASS THROUGH SSI COST-OF-LIVING INCREASES

Provides that vendor payments made by a State on behalf of SSI recipients residing in a domiciliary or personal care facility would be counted in determining whether the State satisfies the requirement to pass through cost-of-living increases in the Federal SSI benefit standard.

## TITLE III: AMENDMENTS APPLICABLE TO TWO OR MORE PROGRAMS UNDER THE SOCIAL SECURITY ACT

## DISCLOSURE OF TAX RETURN INFORMATION

Permits the Social Security Administration to disclose to U. S. State welfare agencies, and child support enforcement agencies certain tax return information, which it has obtained from Treasury, for the purpose of determining an individual's eligibility for or amount of benefits. Section 6103 of the Internal Revenue Code is cited for rules governing disclosure of tax return information.

## ADJUSTMENT OF RETROACTIVE BENEFITS UNDER TITLE II ON ACCOUNT OF ADVANCES OF SSI BENEFITS

Allows the Secretary to offset, against retroactive benefits paid under Title II (OASDI), amounts of SSI benefits paid for the same period for which a retroactive Title II payment is eventually made. The retroactive payment would be reduced by the amount of the SSI benefits which would not have been paid had there been timely payment made under Title II.

## TITLE IV: CHILD SUPPORT ENFORCEMENT

## CHILD SUPPORT ENFORCEMENT SERVICES FOR NON-AFDC FAMILIES

Effective Oct. 1, 1970, 75 percent Federal matching funds would be available on a permanent basis for services provided to non-AFDC recipients. States would be required to charge non-AFDC recipients a fee equal to 10 percent of collections to cover administrative costs.

## COLLECTION OF SUPPORT FOR CERTAIN ADULTS RECEIVING AFDC

Requires collection of support, in those cases in which that support obligation has already been established, for adult AFDC recipients, as well as child support.

## AMENDMENTS REGARDING INCENTIVE PAYMENTS

Eliminates interstate incentive payments and makes all States, political subdivisions and tribal governing bodies eligible for incentive payments equal to 15 percent of the amount collected. Incentive payments would come from the full amount of collections, rather than just the Federal share of such collections.

## SUMMARY OF HOUSE BILL—Continued

## TITLE IV: CHILD SUPPORT ENFORCEMENT—Continued

## THREE MONTHS' EXTENSION OF AFDC ELIGIBILITY

Allows States to continue AFDC payments for a period of 3 (3) months following the time child support collections would otherwise make the family ineligible.

H.R. 4962

To amend title XIX of the Social Security Act to strengthen and improve medicaid services to low-income children and pregnant women, and for other purposes.

Dec. 13, 1979.—Placed on the Senate Calendar.

H.R. 4968★

Nov. 19, 1980

To amend the Internal Revenue Code of 1954 to provide that in certain cases the net operating loss carryover period for a taxpayer who ceases to be real estate investment trust shall be the same as the net operating loss carryover period for a taxpayer who continues to be real estate investment trust.

## DEPARTMENTAL REPORTS

Nov. 21, 1980.—Referred to Office of Management and Budget and Department of the Treasury.

## BILL REPORTED

Nov. 25, 1980.—Reported favorably to the Senate (S. Rept. 96-1037), with the following amendments:

- (a) permits trusts which are former real estate investment trust (REITS) an additional year to carry over operating losses for each year a carryback was not allowed because these entities were REITS in the carryback year. Under the bill, the maximum carryover period will be 8 years;
- (b) authorizes the Treasury Department to make upward adjustments in the interest rate on outstanding retirement bonds, so that such a bond would earn interest at a rate consistent with the yield for new issues of such bonds;
- (c) makes several technical changes in the tax law relating to general stock ownership corporations (GSOs); and
- (d) allows individuals meeting the foreign residence or presence tests who perform "qualified charitable services" in less developed countries to elect, in lieu of the deduction for excess foreign living costs, an exclusion of \$20,000 from gross income on the same basis as employees residing in camps in hardship areas. The amendment is effective for taxable years beginning after December 31, 1978.

## SENATE ACTION

Dec. 13, 1980.—Passed by the Senate by voice vote (Congressional Record S16520), after agreeing to the following amendments: *Committee amendments*, by voice vote (Congressional Record S16520); *Proxmire UP amendment No. 1948*, removing private foundations from the definition of employer for qualified charitable services, by voice vote (Congressional Record S16521); and *Williams-Roth UP amendment No. 1949*, providing arbitrage requirements for mortgage subsidy bonds, by voice vote (Congressional Record S16522).

## FURTHER HOUSE ACTION

Dec. 13, 1980.—House agreed to the Senate amendments, by voice vote (Congressional Record H12481).

## BILL SIGNED

Dec. 24, 1980.—Signed by the President.

(Public Law 96-595)

H.R. 5043★

Mar. 26, 1980

To amend the Internal Revenue Code of 1954 to provide for the tax treatment of bankruptcy, insolvency, and similar proceedings, and for other purposes.

## Summary of House Bill

## A. TAX TREATMENT OF DISCHARGE OF INDEBTEDNESS

Provides tax rules in the Internal Revenue Code applicable to debt discharge in the case of bankrupt or insolvent debtors, and makes related changes to existing Code provisions applicable to debt discharge in the case of solvent debtors outside bankruptcy.

## BANKRUPTCY OR INSOLVENCY

Under the bill, no amount is included in income for Federal income tax purposes by reason of a discharge of indebtedness in a bankruptcy case, or outside bankruptcy if the debtor is insolvent. Instead, the amount of discharged debt which is excluded from the gross income by virtue of the bill's provisions (the "debt discharge amount") is applied to reduce certain tax attributes.

Unless the taxpayer elects first to reduce basis in depreciable asset the debt discharge amount is applied to reduce the taxpayer's net operating losses and then certain tax credits and capital loss carryovers. Any excess of the debt discharge amount over the amount of reduction in these attributes is applied to reduce asset basis (but not below the amount of the taxpayer's remaining undischarged liabilities). Any further remaining debt discharge amount is disregarded, i.e., does not result in income or have other tax consequences.

Mar. 31, 1980.—Referred to Office of Management and Budget and Department of the Treasury.

May 30, 1980.—Public hearing.

## BILL REPORTED

Nov. 25, 1980.—Reported favorably to the Senate (S. Rept. 96-1035), with amendments, as follows:

## Summary of Committee Reported Bill

## A. TAX TREATMENT OF DISCHARGE OF INDEBTEDNESS

Provides tax rules in the Internal Revenue Code applicable to debt discharge in the case of bankrupt or insolvent debtors, and makes related changes to existing Code provisions applicable to debt discharge in the case of solvent debtors outside bankruptcy.

## BANKRUPTCY OR INSOLVENCY

Under the bill, no amount is to be included in income for Federal income tax purposes by reason of a discharge of indebtedness in a bankruptcy case, or outside bankruptcy if the debtor is insolvent. Instead, the amount of discharged debt which is excluded from gross income by virtue of the bill's provisions (the "debt discharge amount") is applied to reduce certain tax attributes. Unless the taxpayer elects first to reduce basis in depreciable assets (or in real property held primarily for sale to customers in the ordinary course of a trade or business), the debt discharge amount is applied to reduce the taxpayer's net operating losses and then certain tax credits and capital loss carryovers. Any excess of the debt discharge amount over the amount of reduction in these attributes is applied to reduce asset basis (but not below the amount of the taxpayer's remaining undischarged liabilities) and then to reduce carryovers of the foreign tax credit. Any further remaining debt discharge amount is disregarded, i.e., does not result in income or have other tax consequences.

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS

H.R. 5043★—Continued

BILL REPORTED—Continued

## SUMMARY OF HOUSE BILL—Continued

## BANKRUPTCY OR INSOLVENCY—Continued

## A. TAX TREATMENT OF DISCHARGE OF INDEBTEDNESS—Continued

## BANKRUPTCY OR INSOLVENCY—continued

The bill provides that the taxpayer may elect to apply the debt discharge amount first to reduce basis in depreciable property, before applying any remaining amount to reduce net operating losses and other tax attributes in the order stated above. A debtor making this election may elect to reduce basis in depreciable property below the amount of remaining liabilities (i.e., where the debtor would rather so reduce asset basis than reduce carryovers). To the extent the debtor makes an election to reduce basis in depreciable assets, or reduces basis in assets after reduction in other tax attributes, it is anticipated that Treasury regulations prescribing the order of basis reduction among assets will generally accord with present Treasury regulations which apply in the case of basis reduction under sec. 270 of the (now repealed) Bankruptcy Act.

To insure that ordinary income treatment eventually will be given to the full amount of basis reduction in depreciable or nondepreciable assets, the bill provides that any gain on a subsequent disposition of reduced-basis assets is subject to "recapture" under sec. 1245 or 1250 of the Internal Revenue Code.

## OUTSIDE BANKRUPTCY—SOLVENT TAXPAYERS

The bill modifies the existing Federal income tax election under which a solvent taxpayer outside bankruptcy may elect to reduce basis of assets instead of recognizing current income from debt cancellation. Similar to the rules of the bill applicable to bankrupt or insolvent debtors, the bill provides that the election to reduce basis allowed to the solvent debtor outside bankruptcy requires reduction in basis of depreciable assets.

To the extent that the debtor makes an election to reduce basis, it is anticipated that Treasury regulations prescribing the order of basis reduction among the taxpayer's depreciable assets will generally accord with present Treasury regulations under sec. 1017 of the Code. As in the case of bankrupt or insolvent debtors, the bill provides that any gain on a subsequent disposition of reduced-basis assets is subject to "recapture" under sec. 1245 or 1250 of the Code.

The bill also provides that in the case of a solvent taxpayer outside bankruptcy, a reduction to the purchaser in the amount of a purchase-money debt, by the seller of the property, is treated for Federal income tax purposes as a purchase price reduction and not as a discharge of indebtedness.

## EQUITY-FOR-DEBT RULES

The bill also provides rules relating to corporate indebtedness in order to better coordinate the treatment of discharged debt at the corporate level with treatment at the creditor level.

If a corporate debtor issues stock to its creditor for an outstanding security (such as a bond), there is no debt discharge amount and no attribute reduction is required. Thus, no tax consequences at the corporate level occur with respect to a transaction which is treated generally as a nonrecognition of gain or loss transaction for the creditors.

The bill provides that the taxpayer can elect to apply the debt discharge amount first to reduce basis in depreciable property (or in realty held as inventory), before applying any remaining amount to reduce net operating losses and then other tax attributes in the order stated in the bill. A debtor making this election can elect to reduce basis in depreciable property (or in realty held as inventory) below the amount of remaining liabilities (i.e., where the debtor would rather so reduce asset basis than reduce carryovers).

To the extent the debtor makes an election to reduce basis in depreciable assets, or reduces basis in assets after reduction in other tax attributes, it is anticipated that Treasury regulations prescribing the order of basis reduction among assets will generally accord with present Treasury regulations which apply in the case of basis reduction under section 270 of the (now repealed) Bankruptcy Act. If the debtor elects to reduce basis in realty held as inventory, the particular real properties the bases of which are to be reduced will be determined pursuant to Treasury regulations.

To insure that ordinary income treatment eventually will be given to the full amount of basis reduction in depreciable or nondepreciable assets, the bill provides that any gain on a subsequent disposition of reduced-basis assets is subject to "recapture" under sections 1245 or 1250 of the Internal Revenue Code.

## OUTSIDE BANKRUPTCY—SOLVENT TAXPAYERS

The bill modifies the existing Federal income tax election (Code secs. 108 and 1017) under which a solvent taxpayer outside bankruptcy can elect to reduce basis of assets instead of recognizing current income from debt cancellation. As with the rules of the bill applicable to bankrupt or insolvent debtors, the bill provides that the election to reduce basis allowed to solvent debtors outside bankruptcy requires reduction in basis of depreciable assets (or in realty held as inventory).

To the extent that the debtor makes an election to reduce basis, it is anticipated that Treasury regulations prescribing the order of basis reduction among the taxpayer's depreciable assets will generally accord with present Treasury regulations under section 1017 of the Code. If the debtor elects to reduce basis in realty held as inventory, the particular real properties the bases of which are to be reduced will be determined pursuant to Treasury regulations. As in the case of bankrupt or insolvent debtors, the bill provides that any gain on a subsequent disposition of reduced-basis assets is subject to "recapture" under Code sections 1245 or 1250.

The bill also provides that in the case of a solvent taxpayer outside bankruptcy, a reduction to the purchaser in the amount of a purchase-money debt, by the seller of the property, is treated for Federal income tax purposes as a purchase price reduction and not as a discharge of indebtedness.

## EQUITY-FOR-DEBT RULES

The committee bill generally does not change the present law rule developed by the courts governing whether income is recognized if a corporation issues its own stock to its creditor for outstanding debt (whether or not the debt constitutes a security for tax purposes). Therefore, no attribute reduction generally will be

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 5043★—Continued

## SUMMARY OF HOUSE BILL—Continued

## A. TAX TREATMENT OF DISCHARGE OF INDEBTEDNESS—Continued

## EQUITY-FOR-DEBT RULES—continued

If a corporate debtor issues stock for other debts (such as debt held by trade creditors or by a lender holding a short-term note), the corporation is treated as having satisfied the debt with an amount of money equal to the stock's value. To the extent the stock's value is less than the debt discharged, the discharge of indebtedness rules summarized above apply. This treatment is consistent with the usual recognition treatment for the creditors (e.g., a bad debt deduction is allowed for trade creditors) and reflects the fact that tax attributes generally arise as a result of incurring debt obligations or expending loan proceeds.

If a value is placed on the stock either (1) by the bankruptcy court in a proceeding in which the Internal Revenue Service had the right to intervene on the valuation issue (including notice of the court hearing on the valuation issue) or (2) in a bankruptcy or similar proceeding or in an out-of-court agreement in which the debtor and creditor had adverse interests in the tax consequences of the valuation, the Revenue Service as well as the debtor and creditor are to be bound by the valuation for purposes of the debt discharge rules of the bill and the creditor's bad debt deduction.

In light of these stock-for-debt rules, the bill provides that the special limitations on net operating loss carryovers (sec. 382 of the Internal Revenue Code) generally will not apply to the extent creditors receive stock in exchange for their claims.

The bill provides that the debt discharge rules apply to the extent that the amount of debt transferred to a corporation as a contribution to capital exceeds the shareholder's basis in the debt. In addition, other rules in the bill concerning debt discharge relate to debt acquired by a related party, discharge of liabilities payment of which would have given rise to deductions, the tax benefit rule of sec. 111 of the Code, and discharge of a partnership debt. Also, the bill provides (overturning a contrary position of the Internal Revenue Service) that if the basis of investment credit property is reduced by a debt discharge amount, no investment credit recapture will occur by reason of the reduction.

## EFFECTIVE DATE

The provisions of the bill relating to tax treatment of debt discharge apply for bankruptcy cases (or receivership, foreclosure, or similar judicial proceedings) commenced on or after Oct. 1, 1970. Present tax law continues to apply for bankruptcy cases (or receivership, etc. proceedings) commenced prior to Oct. 1, 1970.

In the case of discharge of indebtedness outside bankruptcy cases (or receivership, etc. proceedings), the debt discharge rules of the bill apply to any discharge of indebtedness occurring after Dec. 31, 1980.

## BILL REPORTED—Continued

## EQUITY-FOR-DEBT RULES—Continued

required where such stock is issued to discharge the debt, except where only a *de minimis* amount of stock is issued.

By contrast, the bill as passed by the House would have provided that if a corporate debtor issues stock in cancellation of short-term debt or trade credit, the debt discharge rules of the bill would apply to the extent the indebtedness exceeds the value of the stock. It is anticipated that by providing for favorable tax treatment if stock is issued to creditors in discharge of debt, the committee bill will encourage reorganization, rather than liquidation, of financially distressed companies that have a potential for surviving as operating concerns.

Because the committee bill generally retains the present law rules governing the tax treatment of debt discharge when a corporation's indebtedness is satisfied with its own stock, the committee bill also retains the present rules of Code section 382(a) relating to special limitations on net operating loss carryover on certain acquisitions of stock of a corporation. Under the House bill, the section 382(a) limitations generally would not have applied to the extent creditors received stock in exchange for their claims.

A creditor who receives stock in cancellation of debt can take a bad debt deduction to the same extent as under present law. In order properly to match the character of the gain derived on sale of such stock with its origin, the committee bill provides that any gain on a later sale of the stock by the former creditor will be "recaptured" as ordinary income up to the amount of the creditor's prior deductions against ordinary income.

The bill also provides that the debt discharge rules apply to the extent that the amount of debt transferred by a shareholder to a corporation as a contribution to capital exceeds the shareholder's basis in the debt.

## OTHER RULES CONCERNING DEBT DISCHARGE

In addition, other rules in the bill concerning debt discharge relate to debt acquired by a related party, discharge of liabilities payment of which would have given rise to deductions, the tax benefit rule under Code section 111, and discharge of a partnership debt. Also, the bill provides (overturning a contrary position of the Internal Revenue Service) that if the basis of investment credit property is reduced by a debt discharge amount, no investment credit recapture will occur by reason of the reduction.

## EFFECTIVE DATE

The provisions of the bill relating to tax treatment of debt discharge apply for bankruptcy cases (or receivership, foreclosure, or similar judicial proceedings) commenced after December 31, 1980. In the case of discharge of indebtedness outside bankruptcy cases (or receivership, etc. proceedings), the debt discharge rules of the bill apply to any discharge of indebtedness occurring after December 31, 1980.

The bill also provides an effective date election for debtors in bankruptcy cases commenced on or after October 1, 1970 (but prior to January 1, 1981), and for debtors in receivership, foreclosure, or similar judicial proceedings commenced on or after October 1, 1970 (but prior to January 1, 1981). The debtor in such a case or proceeding can elect to have all the following provisions of the bill apply to all transactions in the case or proceeding:

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 5043★—Continued

BILL REPORTED—Continued

## SUMMARY OF HOUSE BILL—Continued

## EFFECTIVE DATE—Continued

## B. BANKRUPTCY ESTATE OF AN INDIVIDUAL

## IN GENERAL

The bill treats the bankruptcy estate of an individual in a liquidation or reorganization case under the new bankruptcy statute as a separate taxable entity for Federal income tax purposes. Also, the bill provides that no separate taxable entity is created by commencement of a bankruptcy case in which the debtor is an individual in a case under ch. 13 of the new bankruptcy law (adjustment of debts of an individual with regular income), a partnership, or a corporation.

The Federal income tax rules set forth in the bill with respect to a bankruptcy estate of an individual which is treated as a separate taxable entity include rules for allocation of income and deductions between the debtor and the estate, computation of the estate's taxable income, accounting methods and periods of the estate, the treatment of the estate's administrative costs as deductible expenses, carryover of tax attributes between the debtor and the estate, and requirements for filing and disclosure of returns.

## DEBTOR'S ELECTION TO CLOSE TAXABLE YEAR

Also, the bill generally gives an individual debtor an election to close his or her taxable year as of the day the bankruptcy case commences. If the election is made, the debtor's Federal income tax liability for the "short" taxable year ending on commencement of the case becomes an allowable claim against the bankruptcy estate. If the election is not made, the commencement of the bankruptcy case does not terminate the taxable year of an individual debtor.

## EFFECTIVE DATE

These provisions of the bill apply to bankruptcy cases commencing more than 90 days after the date of enactment of the bill.

## C. CORPORATE REORGANIZATION IN BANKRUPTCY

## EXPANSION OF REORGANIZATION PROVISIONS

The bill expands the categories of tax-free corporate reorganizations defined in sec. 368 of the Code to include a new category of "G" reorganizations. This category includes certain transfers of assets pursuant to a court-approved reorganization plan in a bankruptcy case (or in a receivership, foreclosure, or similar proceeding). Accordingly, the bill terminates the applicability of special rules of current law relating to insolvency reorganizations (secs. 371-374 of the Code).

The bill permits a "G" reorganization to take the form of a triangular reorganization, including a "reverse merger." Also, the bill allows the acquiring corporation in a "G" reorganization to transfer the acquired assets to a controlled subsidiary. In light of the debt discharge rules of the bill, which adjust tax attributes of a reorganized corporation to reflect changes in its debt structure, the statutory rule generally governing carryover of tax attributes in corporate reorganizations (sec. 381 of the Code) will now apply in the case of a "G" reorganization.

section 2 (tax treatment of discharge of indebtedness); section 4 (corporate reorganization provisions); and sections 5(a), 5(b), 5(c), 5(e), and 5(f) (miscellaneous corporate amendments). If the election is made, all provisions of sections 2 and 4 and all the above-listed provisions of section 5 of the bill are applicable to all transactions in the case or proceeding and to all parties involved in the case or proceeding.

## B. BANKRUPTCY ESTATE OF AN INDIVIDUAL

## IN GENERAL

The bill treats the bankruptcy estate of an individual in a liquidation or reorganization case under the new bankruptcy statute as a separate taxable entity for Federal income tax purposes. Also, the bill provides that no separate taxable entity is created by commencement of a bankruptcy case in which the debtor is an individual in a case under chapter 13 of the new bankruptcy law (adjustment of debts of an individual with regular income), a partnership, or a corporation.

The Federal income tax rules set forth in the bill with respect to a bankruptcy estate of an individual which is treated as a separate taxable entity include rules for allocation of income and deductions between the debtor and the estate, computation of the estate's taxable income, accounting methods and periods of the estate, the treatment of the estate's administrative costs as deductible expenses, carryover of tax attributes between the debtor and the estate, and requirements for filing and disclosure of returns.

## DEBTOR'S ELECTION TO CLOSE TAXABLE YEAR

Also, the bill generally gives an individual debtor an election to close his or her taxable year as of the day the bankruptcy case commences. If the election is made, the debtor's Federal income tax liability for the "short" taxable year ending on commencement of the case becomes an allowable claim against the bankruptcy estate. If the election is not made, the commencement of the bankruptcy case does not terminate the taxable year of an individual debtor.

## EFFECTIVE DATE

These provisions of the bill apply to bankruptcy cases commencing more than 90 days after the date of enactment of the bill.

## C. CORPORATE REORGANIZATIONS IN BANKRUPTCY

## EXPANSION OF REORGANIZATION PROVISIONS

The bill expands the categories of tax-free corporate reorganizations defined in section 368 of the Code to include a new category of "G" reorganizations. This category includes certain transfers of assets pursuant to a court-approved reorganization plan in a bankruptcy case (or in a receivership, foreclosure, or similar proceeding). Accordingly, the bill terminates the applicability of special rules of current law relating to insolvency reorganizations (Code secs. 371-374).

The bill permits a "G" reorganization to take the form of a triangular reorganization, including a "reverse merger." Also, the bill allows the acquiring corporation in a "G" reorganization to transfer the acquired assets to a controlled subsidiary. The statu-

## EXPANSION OF REORGANIZATION PROVISIONS—CONTINUED

Since "G" reorganizations are to be subject to the rules governing the tax treatment of exchanging shareholders and security holders which apply generally to corporate reorganizations, a shareholder or security holder who receives securities in a "G" reorganization with a principal amount exceeding the principal amount of securities surrendered is taxed on the excess. Also, money or other "boot" property received in a "G" reorganization will be subject to the dividend-equivalence tests which apply to the reorganizations generally.

tory rule generally governing carryover of tax attributes in corporate reorganizations (Code sec. 381) will apply in the case of a "G" reorganization.

Since "G" reorganizations are subject to the rules governing the tax treatment of exchanging shareholders and security holders which apply generally to corporate reorganizations, a shareholder or security holder who receives securities in a "G" reorganization with a principal amount exceeding the principal amount of securities surrendered is taxed on the excess. Also, money or other "boot" property received in a "G" reorganization is subject to the dividend-equivalence tests which apply to reorganizations generally.

## PROPERTY ATTRIBUTABLE TO ACCRUED INTEREST

Under the bill, a creditor exchanging securities in any corporate reorganization described in sec. 303 of the Code (including a "G" reorganization) is treated as receiving interest income on the exchange to the extent the creditor receives new securities, stock, or other property attributable to accrued but unpaid interest on the securities surrendered.

## PROPERTY ATTRIBUTABLE TO ACCRUED INTEREST

Under the bill, a creditor exchanging securities in any corporate reorganization described in section 303 of the Code (including a "G" reorganization) will be treated as receiving interest income on the exchange to the extent the creditor receives new securities, stock, or other property attributable to accrued but unpaid interest on the securities surrendered.

## EFFECTIVE DATE

These provisions of the bill apply to bankruptcy cases (or receivership, foreclosure, or similar judicial proceedings) commencing on or after Oct. 1, 1970. In addition, the amendments relating to property attributable to accrued interest also apply to transactions occurring after Dec. 31, 1980 (other than transactions in a proceeding under the Bankruptcy Act or in a receivership, foreclosure, or similar judicial proceeding begun before Oct. 1, 1979).

## EFFECTIVE DATE

These provisions apply to bankruptcy cases commencing after December 31, 1980, and to receivership, foreclosure, or similar judicial proceedings commencing after that date. Also, these provisions will apply to a bankruptcy case or a receivership, etc. proceeding commenced on or after October 1, 1979 (but prior to January 1, 1981) if the special effective date election (described above) is made.

In the case of transactions outside bankruptcy cases and receivership, etc. proceedings, the amendments relating to exchanges of property for accrued interest apply to transactions occurring after December 31, 1980.

## D. MISCELLANEOUS CORPORATE AMENDMENTS

The bill makes a number of miscellaneous amendments to the Internal Revenue Code relating to corporate tax issues, including the following.

## D. MISCELLANEOUS CORPORATE AMENDMENTS

The bill makes a number of miscellaneous amendments to the Internal Revenue Code relating to corporate tax issues, including the following.

1. *PHC status*.—Under the bill, a corporate debtor generally is not to be considered a personal holding company, subject to additional taxes on certain passive income, while in a bankruptcy case (or receivership, foreclosure, or similar proceeding) commencing on or after Oct. 1, 1979.
2. *Liquidation rule*.—The corporate nonrecognition tax rules applicable to 12-month liquidations are extended to cover sales by insolvent corporations of assets, other than assets acquired after commencement of the bankruptcy case, during the entire period from adoption (after commencement of the case) of the plan of liquidation through conclusion of the case. This provision applies to bankruptcy cases (or receivership, etc. proceedings) commencing on or after Oct. 1, 1979.
3. *Subchapter S shareholder*.—The bill provides that for bankruptcy cases commencing on or after Oct. 1, 1979, the bankruptcy estate of an individual debtor is an eligible shareholder in a subch. S corporation.
4. *Section 351 applicability*.—Under the bill, transfers to a controlled corporation of indebtedness of the corporation which is not evidenced by a security, or of claims against the corpo-

1. *Personal holding company status*.—Under the bill, a corporate debtor generally is not to be considered a personal holding company, subject to additional taxes on certain passive income, while in a bankruptcy case (or receivership, foreclosure, or similar proceeding). ration for accrued but unpaid interest on indebtedness, will not be covered by the nonrecognition rule of sec. 351 of the Code. Also, the nonrecognition rule will not apply in the case of a transfer to a controlled corporation of the assets of a debtor in a bankruptcy or similar case to the extent the stock or securities received in exchange for the assets are used by the debtor to pay off his debts. The effective date for these provisions is the same as for the provisions of the bill relating to tax treatment of discharge of indebtedness.

5. *Earnings and profits.*—The bill provides that to the extent the amount of discharged indebtedness is applied to reduce basis under sec. 1017 of the Code, such basis-reduction amount does not affect the debtor corporation's earnings and profits. The effective date for this provision is the same as for the provisions of the bill relating to tax treatment of discharge of indebtedness.

## E. CHANGES IN TAX PROCEDURES

The bill coordinates certain provisions of the Internal Revenue Code with the bankruptcy court procedures enacted in Public Law 95-598. These procedures include the automatic stay on assessment or collection of certain tax claims against the debtor, the automatic stay on institution or continuation by the debtor of deficiency litigation in the U.S. Tax Court, and the authority of the bankruptcy court to lift the stay and permit the debtor's tax liability to be determined by the Tax Court.

case, during the entire period from adoption (after commencement of the case) of the plan of liquidation through conclusion of the case. This provision applies to bankruptcy cases (or receivership, etc. proceedings) commencing after December 31, 1980. Also, this provision will apply to a bankruptcy case or a receivership, etc. proceeding commenced on or after October 1, 1970 (but prior to January 1, 1981), if the special effective date election (described above) is made.

3. *Subchapter S shareholder.*—The bill provides that for bankruptcy cases commencing on or after October 1, 1970, the bankruptcy estate of an individual debtor can be an eligible shareholder in a subchapter S corporation.
4. *Section 351 applicability.*—Under the bill, transfers to a controlled corporation of indebtedness of the corporation which is not evidenced by a security, or of claims against the corporation for accrued but unpaid interest on indebtedness, are not covered by the nonrecognition rule of section 351 of the Code. Also, the nonrecognition rule does not apply in the case of a transfer to a controlled corporation of the assets of a debtor in a bankruptcy or similar case to the extent the stock or securities received in exchange for the assets are used to satisfy the indebtedness of the debtor. The effective date for these provisions is the same as for the provisions of the bill relating to tax treatment of discharge of indebtedness.
5. *Earnings and profits.*—The bill provides that to the extent the amount of discharged indebtedness is applied to reduce basis under section 1017 of the Code, such basis-reduction amount does not affect the debtor corporation's earnings and profits. Also, the bill provides that any deficit in earnings and profits is reduced by the paid-in capital of any shareholder whose interest is eliminated in a bankruptcy case. The effective date for this provision is the same as for the provisions of the bill relating to tax treatment of discharge of indebtedness.

## E. CHANGES IN TAX PROCEDURES

The bill coordinates certain provisions of the Internal Revenue Code with the bankruptcy court procedures enacted in Public Law 95-598. These procedures include the automatic stay on assessment or collection of certain tax claims against the debtor, the automatic stay on institution or continuation by the debtor of deficiency litigation in the U.S. Tax Court, and the authority of the bankruptcy court to lift the stay and permit the debtor's tax liability to be determined by the Tax Court.

## SENATE ACTION

Dec. 13, 1980.—Passed by the Senate, by voice vote (Congressional Record S. 16489), after agreeing to the following amendments: *Committee amendments*, by voice vote (Congressional Record S16493);

*Long UP amendment No. 1929*, making technical changes, by voice vote (Congressional Record S16493); and

*DeConcini-Wallop UP amendment No. 1930*, postponing for 1 year the effective date that a bankrupt or insolvent debtor must reduce net operating losses by the amount of debt discharge, by voice vote (Congressional Record S16493).

## FURTHER HOUSE ACTION

Dec. 13, 1980.—House agreed to Senate amendments, by voice vote (Congressional Record H12410-H12420, H12422, H12450-H12464).

## BILL SIGNED

Dec. 24, 1980.—Signed by the President.

Public Law 96-589

H.R. 5047★

July 23, 1980

To provide for the temporary suspension of certain duties, to extend certain existing extensions of duties, and for other purposes.

## SUMMARY OF HOUSE BILL

(Bill:

- (a) Excludes certain materials from the definition of "foreign" material, those materials which could have been imported into the customs territory of the United States free of duty at the time those materials were actually imported into the insular possession, provided that the material was incorporated into the article produced in the insular possession no later than 18 months after the date of its importation into the insular possession;
- (b) eliminates the column 1 (most-favored-nation) and column 2 (applicable to most Communist countries) rates of duty on certain yarns of silk with respect to articles entered, or withdrawn from warehouse, for consumption after June 30, 1980;
- (c) eliminates the column 1 and column 2 rates of duty on poppy straw extract imported for use in producing codeine, morphine or thebaine with respect to articles entered, or withdrawn from warehouse, for consumption after June 30, 1980;
- (d) eliminates the column 1 rates of duty on field glasses and binoculars;
- (e) permits the retention of valuable wastes which are generated during the processing of imported merchandise which is brought in under bond, provided that applicable duties are tendered on such wastes;
- (f) suspends temporarily the column 1 and column 2 rates of duty on water chestnuts and bamboo shoots until June 30, 1983;
- (g) suspends temporarily the column 1 rate of duty on the urethane curing agent trimethylene glycol di-p-aminobenzoate (TMAB) until June 30, 1983;
- (h) continues the existing temporary suspension of the column 1 rates of duty on color couplers and color intermediates until June 30, 1982;
- (i) continues the existing temporary suspension of the column 1 rate of duty on doxorubicin hydrochloride (trade name Adriamycin) until June 30, 1982;
- (j) suspends temporarily the column 1 rate of duty on levulose with respect to articles entered, or withdrawn from warehouse, for consumption after June 30, 1980 until December 31, 1981;
- (k) suspends temporarily the column 1 rate of duty on flat knitting machines until June 30, 1983;
- (l) suspends temporarily the column 1 rate of duty on warp knitting machines until June 30, 1983;

## Departmental Reports

July 28, 1980.—Referred to Office of Management and Budget, International Trade Commission, Special Representative for Trade Negotiations, and Departments of the Treasury, State, and Commerce.

July 30, 1980.—Report from the International Trade Commission (analysis of sec. 103 relating to trimethylene glycol di-p-aminobenzoate).

Aug. 1, 1980.—Report from the International Trade Commission (analysis of sec. 106 relating to steel coils).

Aug. 1, 1980.—Report from the International Trade Commission (analysis of sec. 111 relating to levulose).

Aug. 1, 1980.—Report from the International Trade Commission (analysis of sec. 112 relating to flat knitting machines).

Aug. 4, 1980.—Report from the International Trade Commission (analysis of sec. 102 relating to insular possessions).

Aug. 4, 1980.—Report from the International Trade Commission (analysis of sec. 102 relating to silk yarns).

Aug. 4, 1980.—Report from the International Trade Commission (analysis of sec. 113 relating to warp knitting machines).

Aug. 15, 1980.—Report from the International Trade Commission (analysis of sec. 104 relating to concentrate of poppy straw).

Aug. 21, 1980.—Report from the International Trade Commission (analysis of sec. 107 relating to water chestnuts and bamboo shoots).

Sept. 2, 1980.—Report from the International Trade Commission (analysis of sec. 109 relating to color couplers and color intermediaries used in the manufacture of photographic sensitized material).

Sept. 10, 1980.—Report from the Department of State (no objection, but defers to other agencies on certain provisions).

Sept. 12, 1980.—Favorable report from the Special Representative for Trade Negotiations.

## BILL REPORTED

Sept. 26, 1980.—Reported favorably to the Senate (S. Rept. 96-999), amended as follows:

- (1) "*Foreign materials*" determinations relating to the tariff treatment of products of insular possessions.—Provides that under certain conditions, materials imported into an insular possession and incorporated into an article produced or manufactured in the possession would not be considered "foreign" for purposes of determining whether the manufactured article, when imported into the United States, contains less than 50 percent foreign materials by value and thus is eligible for duty-free treatment. The component material would not be con-

## SUMMARY OF HOUSE BILL—Continued

- (m) provides a retroactive provision applicable to items (b), (c), (h), (i), and (j), whereby any entries made after June 30, 1980 and the date of enactment of H.R. 5047 as amended would be liquidated or reliquidated upon request as if entry had been made under the existing duty suspension or reduction in effect on June 30, 1980;
- (n) provides for the allowance of the "drawback" privilege to include articles of foreign origin exported from the United States in the same condition as when imported, or destroyed under the supervision of U.S. Customs, within 3 years of the date of importation;
- (o) authorizes the Secretary of Treasury to prescribe regulations for the entry of U.S.-origin merchandise not exceeding \$10,000 in aggregate value, when imported: (i) for the purpose of repair or alteration prior to re-exportation, or (ii) after having been either rejected or returned by the foreign purchaser to the United States for credit;
- (p) permits the Foreign-Trade Zones Board to submit its annual report to the Congress no later than April 1 of each year;
- (q) provides for the duty-free entry of roofing tiles purchased from China National Arts and Crafts Import and Export Corporation for the use of the Chinese Cultural and Community Center of Philadelphia, Pennsylvania; and
- (r) authorizes and directs the District Director of U.S. Customs in Portland, Oregon to convey to the Coos County, Oregon Sheriff's office all right, title, and interest of the United States to three amphibious craft which were seized in a drug raid conducted in 1977.)

## BILL REPORTED—Continued

- sidered foreign if the material in question was, either when the manufactured article was imported into the United States or at the time the component material was imported into the insular possession, eligible for duty-free treatment if imported into the United States;
- (2) *Silk yarns*.—Provides duty-free treatment for imports of certain yarns of silk from June 30, 1980;
- (3) *Poppy straw extract*.—Provides duty-free treatment for imports of poppy straw extract, used to manufacture morphine and codeine, from June 30, 1980;
- (4) *Field glasses and binoculars*.—Provides duty-free treatment from the date of enactment for imports of field glasses, opera glasses, and prism binoculars from countries receiving most-favored-nation (MFN) tariff treatment;
- (5) *Certain valuable wastes*.—Permits, without forfeiture of bond, the retention of valuable wastes which are generated during the processing for export of merchandise imported under bond, provided that applicable duties are tendered on such wastes within the bonded period;
- (6) *Water chestnuts and bamboo shoots*.—Provides temporary duty-free treatment on imports of certain water chestnuts and bamboo shoots from the date of enactment through June 30, 1983;
- (7) *Urethane curing agent (TMAB)*.—Provides temporary duty-free treatment for imports from countries receiving MFN tariff treatment of the urethane curing agent trimethylene glycol di-p-aminobenzoate (TMAB), used in producing cast urethane products, from the date of enactment through June 30, 1983;
- (8) *Color couplers and color intermediates*.—Reinstates temporary duty-free treatment for imports from countries receiving MFN tariff treatment of color couplers and color intermediates used in the manufacture of photographic sensitized material from the termination of the previous duty-free treatment on June 30, 1980, through June 30, 1982;
- (9) *Doxorubicin hydrochloride*.—Reinstates temporary duty-free treatment for imports from countries receiving MFN tariff treatment of the cancer drug doxorubicin hydrochloride (which has the trade name of Adriamycin) from the expiration of the previous duty-free treatment on June 30, 1980, through June 30, 1982;
- (10) *Levulose*.—Provides temporary duty-free treatment for imports from countries receiving MFN tariff treatment of levulose, a sweetener, from June 30, 1980, through December 31, 1981. A previous reduction in this duty on imports of levulose expired on June 30, 1980;
- (11) *Flat knitting machines*.—Provides temporary duty-free treatment for imports from countries receiving MFN tariff treatment of wide-bed flat knitting machines from the date of enactment through June 30, 1983;
- (12) *Warp knitting machines*.—Provides temporary duty-free treatment for imports of warp knitting machines from the date of enactment through June 30, 1983;
- (13) *Chipper knife steel*.—Provides for a temporary reduction of duty to 4.8 percent *ad valorem* on imports of chipper knife steel from countries receiving MFN tariff treatment from the date of enactment through September 30, 1982;

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 5047★—Continued

## BILL REPORTED—Continued

- (14) *Unwrought lead*.—Provides a temporary reduction in the duty on imports from countries receiving MFN tariff treatment of certain unwrought lead to 3 percent *ad valorem* on the value of lead content, but not less than 1.0625 cents per pound on the lead content. The duty reduction covers imports from January 1, 1980 through June 30, 1983;
- (15) *Tuna purse seine nets and netting*.—Suspends, from October 1, 1979 through December 31, 1981, the duty imposed under section 466 of the Tariff Act of 1930 on entries of tuna purse seine nets and netting purchases or repairs for certain U.S. vessels;
- (16) *Wood veneers*.—Provides duty-free treatment from the date of enactment on imports of certain wood veneers from countries receiving MFN tariff treatment;
- (17) *Ephedrine*.—Reduces permanently to 3.7 percent *ad valorem* the rate of duty on imports from countries receiving MFN tariff treatment of synthetic ephedrine and racephedrine, and their salts, pharmaceuticals used in asthma medications and in nasal decongestants, with such reduction staged over a 7-year period;
- (18) *Same-condition drawback*.—Provides for a refund of duties, taxes, or fees paid on merchandise because of its importation if the imported merchandise is exported in the same condition as when imported, or destroyed under the supervision of U.S. Customs, within 3 years of the date of importation;
- (19) *Informal entries of certain U.S. products*.—Allows imports of products of the United States to be made by informal entry procedures where the aggregate value of the shipment concerned does not exceed \$10,000, and the merchandise is imported for repair or modification prior to re-exportation or after having been rejected or returned by the foreign purchaser to the United States for credit;
- (20) *Technical amendments to the Trade Agreements Act of 1979*.—Contains two technical conforming amendments to the Trade Agreements Act of 1979. One amendment relates to the assessment of duties on alcoholic beverage on a proof gallon basis. The other amendment relates to the assessment of duties on products of the insular possessions of the United States;
- (21) *Foreign-Trade Zone Board Annual Report*.—Permits the Foreign-Trade Zone Board to submit its annual report to Congress no later than April 1 of each year, rather than on the first day of each regular session of Congress as required under existing law;
- (22) *Country-of-origin determinations for government procurement*.—Transfers authority to the Secretary of the Treasury from the Secretary of Commerce to make country-of-origin determinations required under the Trade Agreements Act of 1979 with respect to government procurement;
- (23) *Roofing tiles for the Chinese Cultural and Community Center of Philadelphia, Pennsylvania*.—Permits a one-time duty-free entry of roofing tiles for the nonprofit Chinese Cultural and Community Center of Philadelphia, Pa.; and

- (24) *Transfer of amphibious craft.*—Authorizes the District Director of the U.S. Customs Service in Portland, Oregon, to convey to the Sheriff's Office of Coos County, Oregon, all right, title, and interest of the United States to three amphibious craft which were seized in a drug raid conducted in 1977.

## SENATE ACTION

Dec. 13, 1980.—Passed by the Senate, by voice vote (Congressional Record S16493), after agreeing to the following amendments: *Committee amendments*, by voice vote (Congressional Record S16493);

*Long UP amendment No. 1931*, deleting the provision relating to field glasses (already enacted as section 10 of P.L. 96-467), deleting the provision relating to roofing tiles (already enacted as section 15 of P.L. 96-467), and making technical corrections, by voice vote (Congressional Record S16493);

*Williams UP amendment No. 1932*, providing temporary duty-free treatment for imports from countries receiving MFN tariff treatment of warp knitting machines, through June 30, 1983, by voice vote (Congressional Record S16493); and

*Heinz UP amendment No. 1933*, providing temporary duty-free treatment for imports from countries receiving MFN tariff treatment of hovercraft skirts, through June 30, 1983, by voice vote (Congressional Record S16493).

## FURTHER HOUSE ACTION

Dec. 13, 1980.—House agreed to Senate amendments, by voice vote (Congressional Record H12454).

## BILL SIGNED

Dec. 28, 1980.—Signed by the President.

(Public Law 96-609)

H.R. 5224★

Oct. 10, 1979

To continue through May 31, 1981, the existing prohibition on the issuance of fringe benefit regulations, and for other purposes. (Extends the existing prohibition on the issuance of regulations relating to the taxation of employee fringe benefits until June 1, 1981; extends the existing prohibition on the issuance of rulings or regulations with respect to the deductibility of certain commuting or transportation expenses paid or incurred prior to June 1, 1981; and extends, for 3 additional years, provisions relating to the tax treatment of travel expenses incurred by State legislators while away from home.)

Oct. 12, 1979.—Referred to Office of Management and Budget and Department of the Treasury.

## COMMITTEE ACTION

Nov. 29, 1979.—Reported favorably to the Senate (S. Rept. 96-433), amended (in the nature of a substitute) as follows:

## EMPLOYEE FRINGE BENEFITS

Prohibits the issuance of final regulations under Code section 61, relating to taxation of employees fringe benefits, before June 1, 1981, and the issuance of proposed or final regulations on that subject which would be effective before June 1, 1981.

## COMMUTING EXPENSES

Prohibits the issuance of Treasury (or Internal Revenue Service) rulings on final regulations with respect to the deductibility of certain commuting or transportation expenses paid or incurred before June 1, 1981.

TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS

H.R. 5224★—Continued

## COMMITTEE ACTION—Continued

## PAYMENT OF INTEREST ON WRONGFUL LEVIES

Provides for the payment of interest when the Internal Revenue Service administratively determines that a wrongful levy of property has been made and money is returned to the owner of the property.

## REPEAL OF REQUIREMENT THAT TRANSFERORS OF CERTAIN PROPERTY TO EXEMPT ORGANIZATIONS MUST FILE RETURNS

Repeals the requirement that a person, who transfers income-producing property valued at more than \$50,000 to an exempt organization, must file an information return if the organization is known to be subject to tax on unrelated business income.

## REPEAL OF ADDITION TO TAX IN THE CASE OF CERTAIN JEOPARDY ASSESSMENTS

Repeals the 25-percent penalty imposed when a taxpayer violates or attempts to violate the special termination of taxable year jeopardy assessment provisions under present law.

## REPEAL OF REQUIREMENT THAT INFORMATION BE FURNISHED TO THE IRS IN CONNECTION WITH CERTAIN STOCK OPTIONS

Repeals the requirement that information relating to certain qualified and restricted stock options be furnished to the Internal Revenue Service.

## TIME FOR FILING CERTAIN GIFT TAX RETURNS

Provides that the due date for filing a gift tax return for the fourth calendar quarter or the calendar year is April 15 of the following year. Thus, the gift tax return due date would be consistent with the income tax due date for calendar year taxpayers. This section also provides that an extension for filing an income tax return will automatically extend the time for filing the fourth quarter or annual gift tax return.

## UNIFORMED SERVICES HEALTH PROFESSIONS SCHOLARSHIPS

Extends for 1 year the exclusion from gross income for amounts received by participants in the Uniformed Services Health Professions Scholarship program. As extended, the exclusion will be available to students entering the program in 1980 and to amounts received by them through 1984.

## NATIONAL RESEARCH SERVICE AWARDS

Extends the scholarship exclusion for National Research Service Awards for 1 year to apply to awards first made in 1980.

## EXPENDITURES TO REMOVE ARCHITECTURAL AND TRANSPORTATION BARRIERS TO THE HANDICAPPED AND ELDERLY

Extends for 3 years, through December 31, 1982, the election to deduct annually up to \$25,000 in capital costs incurred during the taxable year for the removal of architectural and transportation barriers to the handicapped and elderly.

## INTERIM RELIEF FOR INDEPENDENT CONTRACTOR STATUS CONTROVERSIES

Extends for 1 year, through December 31, 1980, the interim relief provided by the Revenue Act of 1978 with respect to independent contractor status controversies.

POSTPONEMENT OF EFFECTIVE DATE FOR SPECIAL LIMITATIONS ON NET  
OPERATING LOSS CARRYOVERS

Defers for 2 years the effective date for provisions under the Tax Reform Act of 1976 relating to special limitations on net operating loss carryovers. These provisions would be deferred until January 1, 1982, with respect to tax-free reorganizations and until June 30, 1982, with respect to taxable acquisitions.

## SENATE ACTION

Dec. 7, 1979.—Considered and passed by the Senate after agreeing to the committee amendment, by voice vote (Congressional Record S16094).

## FURTHER HOUSE ACTION

Dec. 12, 1979.—House agreed to the Senate amendment with an amendment restoring a provision deleted in the Finance Committee relating to the tax treatment of travel expenses incurred by State legislators while away from home.

## FURTHER SENATE ACTION

Dec. 20, 1979.—Senate agreed to the House amendment to the Senate amendment by voice vote (Congressional Record S10294).

## BILL SIGNED

Dec. 29, 1979.—Signed by the President.

(Public Law 96-167)

H.R. 5295★

Dec. 20, 1979

To amend title II of the Social Security Act to make the monthly earnings test available in limited circumstances in the case of certain beneficiaries to amend the technical requirements for entitlement to medicare, and to provide that income attributable to services performed before an individual first becomes entitled to old-age insurance benefits shall not be taken into account (after 1977) in determining his or her gross income for purposes of the earnings test.

Jan. 28, 1980.—Referred to Office of Management and Budget and Departments of the Treasury and Health, Education, and Welfare.

Apr. 21, 1980.—Public hearing.

Aug. 20, 1980.—Report from the Department of Health and Human Services (favorable, if amended).

## COMMITTEE ACTION

Sept. 24, 1980.—Reported favorably to the Senate (S. Rept. 96-987), amended, as summarized below:

## Summary

*Monthly exception to the retirement test.*—A provision of the Social Security Amendments of 1977 eliminated the previously applicable monthly exception to the social security retirement test. Under the prior law, a social security beneficiary could receive full benefits for any month of the year in which he engaged in little or no work activity even if benefits would otherwise not be payable under the annual retirement test provision. The 1977 amendments deleted this monthly exception other than as it

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 5295★—Continued

## COMMITTEE ACTION—Continued

## Summary—Continued

applies in the first year in which an individual becomes entitled to some payment under it. The change made by the 1977 amendments had a number of apparently unintended effects which would be corrected by the committee bill. Specifically, the committee bill would allow the monthly exception in the year in which entitlement ends to child's benefits or to benefits as a wife or widow with a child in care (unless entitlement ends by reason of death or by reason of entitlement to another type of social security benefit). The committee bill also provides for a separate application to establish medicare eligibility without inadvertently triggering the one "grace year" in which the monthly exception is permitted. Another element of the Committee bill would allow the exclusion from income for retirement test purposes of self employment income which is not based on services by the beneficiary subsequent to his initial month of entitlement. This would apply after the initial year of entitlement. In addition, the committee bill would allow all beneficiaries to qualify for at least one "grace year" in which the monthly exception applies after 1977 even though they may have used the monthly exception in 1977 or some prior year.

*Reallocation of OASDI taxes.*—The committee bill provides for a reallocation of the 1980 and 1981 collections of the social security cash benefit tax into the two trust funds it supports—the Old-age and Survivors Insurance Trust Fund and the Disability Insurance Trust Fund. This reallocation would assure that both funds are in a position to meet benefit obligations through the end of 1981 while further congressional action on the financing of the programs proceeds.

*Three-month retroactivity of applications.*—The committee bill would reduce the maximum retroactivity period of social security benefit applications. Under present law, an application may, in effect, be backdated as much as 12 months prior to the actual month of application. The committee bill would limit this retroactivity to no more than 3 months prior to application.

*Limitation on circumstances under which prisoners may receive benefits.*—Under the committee bill, social security benefits based on disability would not be payable to convicted felons except as specifically provided for by a court of law during their participation in an approved program of rehabilitation which is expected to result in their return to productive employment. In addition, the committee bill provides that an individual may not be considered a full-time student for purposes of student benefits while he is incarcerated. Moreover, any disabling condition arising in the commission of a crime would not be considered in determining whether an individual was under a disability for benefit purposes and any other disabling condition arising while an individual is imprisoned could not qualify him for disability benefits so long as he remains in prison.

*Technical amendments.*—The committee amendment includes a number of amendments of a purely technical nature to the Social Security Act. These amendments correct minor clerical and drafting errors in various amendments enacted in recent years.

## SENATE ACTION

Sept. 30, 1980.—Passed by the Senate by voice vote (Congressional Record S13963), after agreeing to the committee amendments, by voice vote (Congressional Record S13965).

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 5295★—Continued

## FURTHER HOUSE ACTION

Oct. 1, 1980.—House agreed to Senate amendments with an amendment relating to limitation on circumstances under which prisoners may receive social security disability benefits, by changing the word "crime" to "crime in the nature of a felony," and by deleting the provisions relating to reallocation of OASDI taxes and the 3-month retroactivity of applications for social security benefits, by voice vote (Congressional Record H10408).

## FURTHER SENATE ACTION

Oct. 2, 1980.—Senate agreed to House amendments to the Senate amendment, by voice vote (Congressional Record S14248).

## BILL SIGNED

Oct. 19, 1980.—Signed by the President.

(Public Law 96-473)

H.R. 5369★

To provide for a temporary increase in the public debt limit, and to amend the Rules of the House of Representatives to make possible the establishment of the public debt limit in the future as a part of the congressional budget process.

(Provides for a combined permanent and temporary limit on the public debt of \$879 billion for the period through May 31, 1980. The bill increases by \$10 billion, from \$40 billion to \$50 billion, the authority for the Secretary of the Treasury to issue to the public long-term bonds with interest rates above 4¼ percent. The bill would also make possible the establishment of the public debt limit in the future as a part of the congressional budget process.)

H.R. 5391★

May 23, 1980

To amend ch. 42 of the Internal Revenue Code of 1954 with respect to the determination of second tier taxes.

(Under present law, a two-tier excise tax system is applicable to private foundations, employee benefit trusts, and black lung benefit trusts, with respect to prohibited acts of these organizations. The second-tier excise tax is not imposed if the prohibited act is corrected within a correction period. The Tax Court has held that it has no jurisdiction to redetermine a deficiency for a second-tier tax because the tax is not imposed until after its decision is final.)

Under the bill, the second-tier excise tax will be imposed before any litigation begins (in order to insure that the Court will have jurisdiction) but is to be forgiven if the prohibited act is corrected within a correction period.)

Sept. 26, 1979.—Held at the Senate desk.

Sept. 28, 1979.—Passed by the Senate, without amendment, by roll-call vote (No. 322), of 49 yeas, 29 nays (Congressional Record S13051).

Sept. 29, 1979.—Signed by the President.

(Public Law 96-78)

## DEPARTMENTAL REPORTS

May 28, 1980.—Referred to Office of Management and Budget and Departments of the Treasury and Energy.

## COMMITTEE ACTION

June 24 1980.—Public hearing.

Nov. 25, 1980.—Reported favorably to the Senate (S. Rept. 96-1034), amended, as summarized below:

## Summary of bill as reported

## SECOND-TIER EXCISE TAXES

Under present law, a two-tier excise tax system is applicable to private foundations, employee benefit trusts, and black lung benefit trusts, with respect to prohibited acts of these organizations. The second-tier excise tax is not imposed if the prohibited act is corrected within a correction period. The Tax Court has held that it has no jurisdiction to redetermine a deficiency for a second-tier tax because the tax is not imposed until after its decision is final.

Under the bill, the second-tier excise tax will be imposed before any litigation begins (in order to insure that the Court will have jurisdiction) but is to be forgiven if the prohibited act is corrected with a correction period.

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 5391★—Continued

## COMMITTEE ACTION—Continued

## Summary of Bill—Continued

ALTERNATIVE MINIMUM TAX ON CHARITABLE LEAD TRUSTS  
CREATED BY CORPORATIONS

Under present law, the alternative minimum tax may be imposed on a charitable lead trust set up by a corporation because the deduction for income paid to charity is treated as an adjusted itemized deduction preference. However, if the corporation had made a contribution to charity directly instead of through a charitable lead trust, there would be no alternative minimum tax because corporations are not subject to this tax.

This section of the bill provides that the charitable deduction of a charitable lead trust will not be considered in determining the adjusted itemized deduction preference for purposes of the alternative minimum tax if the grantor of the trust and the owner of all reversionary interests in the trust is a corporation.

## ADJUSTMENTS IN EXCISE TAX ON TIRES

Present law imposes an excise tax of 10 cents per pound on new highway tires (to be reduced to 5 cents per pound on October 1, 1981), and 5 cents per pound on new nonhighway tires. A credit or refund is allowed with respect to tires for which a warranty or guarantee adjustment is made. However, there are no specific statutory provisions as to the proper method of computing the credit or refund.

The bill will reduce the excise taxes on new tires by 2.5 percent, beginning on January 1, 1981, and disallow an excise tax credit or refund with respect to tires for which a warranty or guarantee adjustment is made after December 31, 1982. The bill also provides a special rule for determining a credit or refund for tires which are adjusted after March 31, 1978, and prior to January 1, 1983. In this period, a credit or refund would be determined under the administrative guidelines in effect on March 31, 1978.

## EXTENSION OF CASH AND DEFERRED PLAN RULES TO SALARY REDUCTION ARRANGEMENTS UNDER MONEY PURCHASE PENSION PLANS

The Revenue Act of 1978 provided rules for new and old profit-sharing and stock bonus plans with cash and deferred arrangements. No rules were provided for money purchase pension plans with salary reduction arrangements.

The bill provides that salary reduction arrangements under money purchase pension plans which were in existence on June 27, 1974, would be included under the 1978 Revenue Act rules applicable to cash-and-deferred arrangements under profit-sharing and stock bonus plans. However, the percentage-of-compensation contribution formula in money purchase pension plans in existence on June 27, 1974, may not be higher than it was on that date.

## TAX TREATMENT OF KLAMATH INDIAN JUDGMENTS

Under present law, the income tax treatment of interest or damages for delay in payment for the Klamath Reservation is unclear. The bill clarifies that interest or damages for delay in payment for the Klamath Reservation are excludible from the income of the Klamath trust and its distributees.

## SENATE ACTION

Dec. 13, 1980.—Passed by the Senate, by voice vote (Congressional Record S16515), after agreeing to the following amendments: *Committee amendments*, by voice vote (Congressional Record S16515); and *Long UP amendment No. 1942*, of a technical nature.

## FURTHER HOUSE ACTION

Dec. 13, 1980.—House agreed to Senate amendments with amendments deleting the provision relating to money purchase pension plans, by voice vote (Congressional Record H12467).

## FURTHER SENATE ACTION

Dec. 13, 1980.—Senate agreed to House amendments to Senate amendments, by voice vote (Congressional Record S16515).

## BILL SIGNED

Dec. 24, 1980.—Signed by the President.

(Public Law 96-596)

H.R. 5441★

Dec. 4, 1979

To amend the Tariff Schedules of the United States with respect to the tariff treatment of certain articles.

## SUMMARY OF HOUSE BILL

(Provides:

- (a) permanent duty-free treatment for synthetic tantalum-Columbian concentrates;
- (b) permanent duty-free treatment for carillon bells for Wake Forest University;
- (c) temporary suspension of duty on certain alloys of cobalt;
- (d) temporary suspension of duty on bicycle parts and accessories;
- (e) temporary suspension of duty on manganese ore and related products;
- (f) permanent duty-free treatment for certain models of household furnishings and accessories;
- (g) redefinition of meaning of "rubber";
- (h) four technical amendments.)

Dec. 13, 1979.—Referred to Office of Management and Budget, International Trade Commission, Special Representative for Trade Negotiations, and Departments of the Treasury, State, and Commerce.

(See action on H.R. 3122)

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 5505★

Nov. 1, 1979

To simplify certain provisions of the Internal Revenue Code of 1954, and for other purposes.

## SUMMARY OF HOUSE BILL

H.R. 5505 contains changes in the Federal tax laws to simplify certain provisions, to extend other provisions which are about to expire, and to revise certain other provisions.

## (1) PAYMENT OF INTEREST ON WRONGFUL LEVIES

Provides for the payment of interest when the Internal Revenue Service administratively determines that a wrongful levy of property has been made and money is returned to the owner of the property.

## (2) REPEAL OF REQUIREMENT THAT TRANSFERORS OF CERTAIN PROPERTY TO EXEMPT ORGANIZATIONS MUST FILE RETURNS

Repeals the requirement that a person, who transfers income-producing property valued at more than \$50,000 to an exempt organization, must file an information return if the organization is known to be subject to tax on unrelated business income.

## (3) REPEAL OF ADDITION TO TAX IN THE CASE OF CERTAIN JEOPARDY ASSESSMENTS

Repeals the 25-percent penalty imposed when a taxpayer violates or attempts to violate the special termination of taxable year jeopardy assessment provisions under present law.

## (4) REPEAL OF REQUIREMENT THAT INFORMATION BE FURNISHED TO THE IRS IN CONNECTION WITH CERTAIN STOCK OPTIONS

Repeals the requirement that information relating to certain qualified and restricted stock options be furnished to the Internal Revenue Service.

## (5) TIME FOR FILING CERTAIN GIFT TAX RETURNS

Provides that the due date for filing a gift tax return for the fourth calendar quarter of the calendar year is April 15 of the following year. Thus, the gift tax return due date would be consistent with the income tax due date for calendar year taxpayers. This section also provides that an extension for filing an income tax return will automatically extend the time for filing the fourth quarter or annual gift tax return.

## (6) CHANGE OF TIME FOR PAYING EXCISE TAX ON FISHING EQUIPMENT

Imposes a 10-percent excise tax upon the sale of fishing rods, creels, reels, and artificial lures, baits, and flies by the manufacturer, producer or importer thereof. This tax generally is payable relatively soon after such fishing equipment is sold.

This section provides that the excise tax on fishing equipment sold during quarters ending on December 31, March 31, and June 30 would be payable, respectively, on March 31, June 30, and September 24. For the quarter ending September 30, the tax will be due by the date specified by Treasury regulations.

## DEPARTMENTAL REPORTS

Nov. 27, 1979.—Referred to Office of Management and Budget and Department of the Treasury.

## COMMITTEE ACTION

Feb. 29 and Mar. 4, 1980.—Public Hearings.

(Items 1-5, 11, and 12-15 were added as committee amendments to H.R. 5221, P.L. 96-167. Item 6 was added as a committee amendment to H.R. 1212 and subsequently H.R. 2492. Item 8 was reported as below but eventually added as a committee amendment to H.R. 3317, P.L. 96-598.)

Nov. 25, 1980.—Reported favorably to the Senate (S. Rept. 96-1033)

## Summary of Bill as Reported

## EXCISE TAX TREATMENT OF DOMESTIC WINES FOR CERTAIN USES

This section eliminates a distinction between the excise tax treatment of domestic and imported wines so that domestic wines, like imported wines, may be transferred to customs bonded warehouses without payment of tax. In addition, the provision will allow tax-free sales of wines from customs bonded warehouses to foreign embassies, international organizations, and related individuals for authorized purposes, as is allowed distilled spirits under present law. These provisions will become effective for the first calendar month which begins more than 90 days after enactment.

## REFUNDS OF TREAD RUBBER EXCISE TAX

Under present law, a 5-cents-per-pound manufacturers excise tax is imposed on tread rubber used for recapping or retreading tires of the type used on highway vehicles. No credit or refund of the tread rubber tax is available if the tax-paid tread rubber is wasted in the recapping process, contained in a recapped tire the price of which is adjusted under a warranty, or sold in conjunction with certain otherwise tax-exempt sales. In some situations, the tread rubber tax can be avoided by exporting a tire to be recapped outside the United States and then importing the retreaded tire.

This section provides for a refund or credit of the manufacturers excise tax on tread rubber where the rubber is (1) wasted in the recapping process, (2) contained in a recapped tire the price of which is adjusted under a warranty, or (3) sold in conjunction with certain otherwise tax-exempt sales.

The provision also imposes the tread rubber excise tax on the tread rubber in tires which are exported for recapping and subsequently imported into the United States.

## EXEMPT STATUS OF AUXILIARIES OF CERTAIN FRATERNAL BENEFICIARY SOCIETIES

In order to qualify for tax-exempt status under Code section 501(c)(7) after October 20, 1976, a social club cannot have any provision providing for discrimination against any person on the basis of race, color, or religion in the club's charter, bylaws, other governing instrument, or any written policy statement.

This section allows social clubs which are affiliated with fraternal beneficiary societies exempt under Code section 501(c)(8), such as those operated by the Knights of Columbus, to retain their exemption even though membership in the clubs is limited to members of a particular religion. In addition, this provision will allow certain alumni clubs which are limited to members of a particular religion to retain their exemption under Code section 501(c)(7).

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS

## SUMMARY OF HOUSE BILL—Continued

## (7) EXCISE TAX TREATMENT OF DOMESTIC WINES FOR CERTAIN USES

Eliminates a distinction between the excise tax treatment of domestic and imported wines so that domestic wines, like imported wines, may be transferred to customs bonded warehouses without payment of tax. In addition, the provision will allow tax-free sales of wines from customs bonded warehouses to foreign embassies, international organizations and related individuals for authorized purposes, as is allowed distilled spirits under present law. These provisions will become effective for the first calendar month which begins more than 90 days after enactment.

## (8) REFUNDS OF TREAD RUBBER EXCISE TAX

This section provides for a refund on credit of the manufacturers excise tax on tread rubber where the rubber is (1) wasted in the recapping process, (2) contained in a recapped tire the price of which is adjusted under a warranty, or (3) sold in conjunction with certain otherwise tax-exempt sales.

The provision also imposes the tread rubber excise tax on the tread rubber in tires which are exported for recapping and subsequently imported into the United States.

## (9) NONRECOGNITION OF GAIN ON SALE OF RESIDENCE FOR CERTAIN MEMBERS OF THE ARMED FORCES

This section extends the replacement period for members of the Armed Forces who are stationed outside of the United States or who are required to reside in Government-owned quarters to the later of: (1) four years after the date of the sale of the old residence, or (2) one year after the date on which the member no longer is stationed outside of the United States or required to reside in Government-owned quarters.

## (10) EXEMPT STATUS OF AUXILIARIES OF CERTAIN FRATERNAL BENEFICIARY SOCIETIES

In order to qualify for tax-exempt status under Code sec. 501(c)(7) after Oct. 20, 1976, a social club cannot have any provision providing for discrimination against any person on the basis of race, color, or religion in the club's charter, bylaws, other governing instrument, or any written policy statement.

This section allows social clubs which are affiliated with fraternal beneficiary societies exempt under Code sec. 501(c)(8), such as those operated by the Knights of Columbus, to retain their exemption even though membership in the clubs is limited to members of a particular religion.

## (11) UNIFORMED SERVICES HEALTH PROFESSIONS SCHOLARSHIPS

Extends for 1 year the exclusion from gross income for amounts received by participants in the Uniformed Services Health Professions Scholarship program. As extended, the exclusion will be available to students entering the program in 1980 and to amounts received by them through 1984.

## COMMITTEE ACTION—Continued

## Summary of Bill—Continued

## EXTENSION OF WITHHOLDING TO PAYMENTS OF SICK PAY MADE BY THIRD PARTIES

Under present law, no tax is specifically required to be withheld upon payments of sick pay made to an employee by a person who is not the employer for whom the employee performs services. For example, no tax is withheld from payments of sick pay made on behalf of an employer by an insurance company under an accident or health policy.

In general, this section of the bill provides for voluntary withholding from payments of sick pay made by a third party. In addition, it contains a special provision relating to sick pay paid pursuant to certain collective-bargaining agreements and contains various reporting requirements.

## ANNUAL PAYMENT OF GIFT TAX

Under present law, a gift tax return generally is required to be filed, and any gift tax paid, on a calendar quarter basis if the sum of (1) the taxable gifts made during the calendar quarter plus (2) all other taxable gifts made during the calendar year (and for which a return has not yet been required to be filed) exceeds \$25,000. However, if all transfers made in a calendar year that are subject to the gift tax filing requirements do not exceed \$25,000 in taxable gifts, a return must be filed, and the gift tax paid, by April 15 of the following year.

The bill provides that gift tax returns are to be filed, and any gift tax paid, on an annual basis. The provision is effective with respect to gifts made after December 31, 1981.

## TAX TREATMENT UNDER THE RHODE ISLAND INDIAN CLAIMS SETTLEMENT ACT

Under present law, the tax status of land received by a corporation created under Rhode Island law to implement a settlement with the Narragansett Indian Tribe is unclear. In addition, present law is unclear with respect to various other aspects related to the Rhode Island Indian Claims Settlement Act.

The bill generally clarifies the tax treatment of transfers under the Rhode Island Indian Settlement Act.

## SENATE PASSED

Dec. 18, 1980.—Passed by the Senate, by voice vote (Congressional Record S16512), after agreeing to committee amendments, by voice vote (Congressional Record S16512).

## (12) NATIONAL RESEARCH SERVICE AWARDS

Extends the scholarship exclusion for National Research Service Awards for 1 year to apply to 12(c) awards first made in 1980.

## (13) EXPENDITURES TO REMOVE ARCHITECTURAL AND TRANSPORTATION BARRIERS TO THE HANDICAPPED AND ELDERLY

Extends for 3 years, through Dec. 31, 1982, the election to deduct annually up to \$25,000 in capital costs incurred during the taxable year for the removal of architectural and transportation barriers to the handicapped and elderly.

## (14) INTERIM RELIEF FOR INDEPENDENT CONTRACTOR STATUS CONTROVERSIES

Extends for one year, through Dec. 31, 1980, the interim relief provided by the Revenue Act of 1978 with respect to independent contractor status controversies.

## (15) POSTPONEMENT OF EFFECTIVE DATE FOR SPECIAL LIMITATIONS ON NET OPERATING LOSS CARRYOVERS

Defers for 2 years the effective date for provisions under the Tax Reform Act of 1976 relating to special limitations on net operating loss carryovers. These provisions would be deferred until Jan. 1, 1982, with respect to tax-free organizations and until June 30, 1982, with respect to taxable acquisitions.

H.R. 5507★

Feb. 7, 1980

To amend the Internal Revenue Code of 1954 with respect to the requirement that unemployment benefits be reduced by certain retirement benefits, and for other purposes.

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 5829★—Continued

## Committee Action

## Amendment

Sept. 15, 1980.—Reported favorably to the Senate (S. Rept. 96-940), amended, as summarized below:

Sept. 4, 1980  
No. 1  
(2617)

(Javits) Relating to eligibility for fuel assistance.

## INDIVIDUAL INCOME TAX CUTS

The broad-based individual income tax cuts in the committee's bill total \$11.0 billion in fiscal year 1981 and \$22.4 billion in calendar year 1981. (In addition, some of the tax cuts targeted to improving capital formation and productivity, described below, will reduce individual income taxes.) Both the overall amount and the distribution by income class of the tax cut are approximately the same as the sum of the payroll tax increases scheduled to take effect next year and the income tax increases resulting from inflation. The tax cut will become effective on January 1, 1981.

## RATE REDUCTIONS

The principal individual income tax cut in the bill is a reduction in income tax rates. Each income tax bracket receives a rate cut of between 1 to 3 percentage points. The lowest tax rate is reduced from 14 percent to 12 percent, and the top rate is reduced from 70 percent to 67 percent. This will be the first across-the-board rate reduction since 1964. The revenue loss will be \$7.0 billion in fiscal year 1981 and \$12.8 billion in calendar year 1981.

## PERSONAL EXEMPTION

The bill increases the personal exemption from \$1,000 to \$1,100. This increase includes both the exemptions which taxpayers may claim for themselves and their dependents and the extra exemptions for the blind and the elderly. The revenue loss will be \$1.7 billion in fiscal year 1981 and \$4.8 billion in calendar year 1981.

## ZERO BRACKET AMOUNT

The bill increases the zero bracket amount (formerly the standard deduction) from \$2,300 to \$2,400 for single persons and from \$3,400 to \$3,600 for married couples who file joint returns. The revenue loss will be \$1.0 billion in fiscal year 1981 and \$1.5 billion in calendar year 1981.

## EARNED INCOME CREDIT

The bill increases the earned income credit from 10 percent of the first \$5,000 of earnings to 11 percent of that amount. In addition, it extends the phaseout of that credit from the income range between \$8,000 and \$10,000 of income to the range between \$7,000 and \$11,000 of income. This increase involves tax cuts and outlays of \$0.1 billion in fiscal year 1981.

## MARRIAGE PENALTY

An important innovation in the committee's bill is a provision designed to alleviate the tax penalty which results when two people with relatively equal incomes marry each other. The bill provides a new deduction for two-earner married couples equal to 10 percent of the first \$30,000 of earnings of the spouse with the lower amount of earnings (5 percent in 1981). This will substantially alleviate the marriage penalty and reduce the disincentives to work which result from the high tax rates applicable to a second earner's earnings because these earnings are stacked on top of the other spouse's income. The revenue loss will be \$0.8 billion in fiscal year 1981, \$2.7 billion in calendar year 1981 and \$6.4 billion in calendar year 1982.

TITLE AND DESCRIPTION

(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
ACTION  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 5829★—Continued

## COMMITTEE ACTION—Continued

## CAPITAL FORMATION AND PRODUCTIVITY TAX REDUCTIONS

## DEPRECIATION AND INVESTMENT CREDIT REVISIONS

*Changes in the depreciation of personal property*

The bill includes a major liberalization and simplification of the rules for depreciating tangible personal property (e.g., equipment) used in the United States.

Under the committee bill, a new method of depreciating most personal property will be substituted for the present depreciation methods, including the Asset Depreciation Range (ADR) system. Unlike ADR, the new system will be mandatory. Public utility property, however, will continue to use present law, except that the ADR variance for it will be increased from 20 percent to 30 percent.

Under the committee's simplified cost recovery system, tangible personal property will be divided into 5 asset classes, corresponding to tax lives of 2, 4, 7 and 10 years. When a taxpayer places in service tangible personal property, he will add the entire cost of the property to one of four open-ended recovery accounts, without reduction for the property's estimated salvage value. For assets which have a normal construction period of 2 years or more, progress payments made towards the acquisition of the asset may be added to the appropriate asset account when the payments are made, rather than when the asset actually is placed in service. The system utilizes a half-year convention for all asset costs (including progress payments).

A declining balance method (200 percent, 150 percent or 100 percent, at the election of the taxpayer) will be used to compute each year's depreciation deduction for all assets within a particular open-ended recovery account. The amount of the depreciation for the year will then be subtracted from the amount in the account to establish the balance of the account on which the next year's deduction will be computed. For example, assume the balance in the 4-year recovery account equals \$1,000. The taxpayer will choose one of the three fixed percentages for this account (50 percent, 37.5 percent, or 25 percent) and multiply this percentage by \$1,000 in order to determine the allowable depreciation for the assets in this account. If the taxpayer elects to apply 50 percent (i.e., the percentage representing 200 percent of the straight-line rate for the 4-year recovery period), the depreciation deduction would be \$500. The balance in the account used to determine the depreciation in the next year would be \$500, increased or decreased by any additions or subtractions to the account resulting from purchases or sales of assets in the next year.

Generally, no gains or losses will be recognized on the disposition of assets. Instead, the amount realized on the disposition will reduce the balance of the appropriate asset account which, in turn, will reduce the amount of depreciation deductions in the year of the disposition and in subsequent years. If the amount realized from the disposition of assets reduces the balance of the account to a negative amount, however, the taxpayer will have to include the amount of the negative balance as ordinary income.

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 5829★—Continued

## COMMITTEE ACTION—Continued

## CAPITAL FORMATION AND PRODUCTIVITY TAX REDUCTIONS—Con.

## DEPRECIATION AND INVESTMENT CREDIT REVISIONS—continued

*Changes in the depreciation of personal property—continued*

The bill classifies assets into the four new asset classes based on their ADR guideline period (also called their ADR midpoint life) according to the following schedule:

| ADR guideline period:         | Recovery period<br>(years) |
|-------------------------------|----------------------------|
| 6.5 years or less.....        | 2                          |
| 7.0 years to 11.5 years.....  | 4                          |
| 12.0 years to 16.5 years..... | 7                          |
| More than 16.5 years.....     | 10                         |

The Treasury Department will be required to publish simplified tables which set forth these shortened lives and the lives for those types of tangible personal property not now covered by the ADR system.

This new depreciation system will significantly simplify depreciation of tangible personal property for both taxpayers and the Internal Revenue Service. First, it will reduce the number of different asset classes for tangible personal property (other than public utility property) from nearly 100 under the ADR system to four. Second, it will eliminate the option to base tax lives on the "facts and circumstances" pertaining to each asset. Third, it will eliminate issues involving salvage value of equipment. Fourth, it will eliminate "recapture" of depreciation on most sales of tangible personal property. Fifth, it will enable most taxpayers to maintain no more than four permanent depreciation accounts for equipment, instead of the much larger number generally required by the present system.

In addition, the bill greatly simplifies capital cost recovery for small businesses by allowing taxpayers to "expense" (take an immediate deduction for) up to \$25,000 of expenditures each year for tangible personal property (new or used).

*Investment credit modifications*

The investment tax credit for assets in the 7- or 10-year accounts will remain at 10 percent. Assets in the 4-year account will be eligible for a 6-percent investment tax credit. Assets in the 2-year account will be eligible for a 2.5-percent investment tax credit. These new percentages will also apply to property which is not subject to the new cost recovery system (primarily public utility property).

No investment tax credit will be allowed for those assets for which an immediate deduction is taken under the \$25,000 "expensing" provision.

The committee bill also provides a significant liberalization of the rules which allow the investment credit to be claimed with respect to progress payments for property which takes more than two years to construct.

*Optional approaches to depreciating real property*

The committee bill provides several new elective approaches to depreciation of real property (without eliminating the present methods). First, a taxpayer may elect to depreciate structures over a period of 20 years using the straight-line method and composite depreciation.

TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 5829★—Continued

## COMMITTEE ACTION—Continued

## CAPITAL FORMATION AND PRODUCTIVITY TAX REDUCTIONS—CON.

## DEPRECIATION AND INVESTMENT CREDIT REVISIONS—continued

*Optional approaches to depreciating real property—continued*

(Under composite depreciation, the entire structure must be depreciated over a single life; in contrast, under component depreciation, different parts of the structure are depreciated over different lives.) Second, a taxpayer may elect to depreciate low-income rental housing over 15 years using a straight line method and composite depreciation. Third, certain owner-occupied business structures can be depreciated over a period of 15 years using the 150-percent declining balance method. However, if this last election is made, the recapture rules currently applicable to depreciable personal property will apply. Under these personal property recapture rules, gain on the sale of depreciable property is treated as ordinary income to the extent of prior allowable depreciation deductions. These 15-year and 20-year lives will be audit-proof; i.e., if the taxpayer were to make one of these elections, the useful life could not be challenged by the Internal Revenue Service.

For depreciable real property which has a normal construction period of 2 years or more, progress payments made toward the acquisition of the property may be treated as subject to depreciation in the taxable year when payments are made or amounts are chargeable to capital account, rather than when the building actually is placed in service.

*Rehabilitation tax credit changes*

The present 10-percent rehabilitation tax credit for industrial and commercial structures will be increased to 25 percent for amounts paid or incurred after December 31, 1980. Under present law and under the bill, costs which qualify for the credit are depreciable rehabilitation costs incurred for the interior or exterior renovation, restoration or reconstruction of a building which has been in use for at least 20 years.

*Effective dates*

These provisions generally apply to assets placed in service after December 31, 1980. However, a fiscal year taxpayer with a taxable year which begins in 1980 may elect not to apply the simplified cost recovery system to assets placed in service prior to his first taxable year beginning in 1981. In addition, property placed in service prior to that time can become subject to the system, at the election of the taxpayer, in taxable years beginning after December 31, 1984.

*Revenue effect*

These changes will reduce revenues by \$4.3 billion in fiscal year 1981 and \$10.1 billion in calendar year 1981.

## CORPORATE INCOME TAX RATES

Under the committee bill, the corporate income tax structure will be modified in 1981 and again in 1982. The effect of the modifications will be to reduce the rates and broaden the brackets generally for small businesses and to reduce the top rate over a 2-year period. Among the rate changes, the lowest rate will decrease from 17 percent to 15 percent, and the highest rate will decrease from 46 percent to 45 percent in 1981 and to 44 percent in 1982. The brackets are also revised, as set forth below.

H.R. 5829★—Continued

## COMMITTEE ACTION—Continued

## CAPITAL FORMATION AND PRODUCTIVITY TAX REDUCTIONS—Con.

## CORPORATE INCOME TAX RATES—continued

Present law corporate tax brackets and rates are as follows:

| <i>Taxable income</i>      | <i>Tax rate (percent)</i> |
|----------------------------|---------------------------|
| \$0 to \$25,000.....       | 17                        |
| \$25,000 to \$50,000.....  | 20                        |
| \$50,000 to \$75,000.....  | 30                        |
| \$75,000 to \$100,000..... | 40                        |
| Over \$100,000.....        | 46                        |

For 1981, the brackets and rates will be as follows:

| <i>Taxable income</i>       | <i>Tax rate (percent)</i> |
|-----------------------------|---------------------------|
| \$0 to \$25,000.....        | 15                        |
| \$25,000 to \$50,000.....   | 20                        |
| \$50,000 to \$100,000.....  | 30                        |
| \$100,000 to \$150,000..... | 40                        |
| Over \$150,000.....         | 45                        |

Beginning in 1982, the brackets and rates will be as follows:

| <i>Taxable income</i>       | <i>Tax rate (percent)</i> |
|-----------------------------|---------------------------|
| \$0 to \$25,000.....        | 15                        |
| \$25,000 to \$50,000.....   | 20                        |
| \$50,000 to \$75,000.....   | 25                        |
| \$75,000 to \$100,000.....  | 30                        |
| \$100,000 to \$150,000..... | 35                        |
| \$150,000 to \$200,000..... | 40                        |
| Over \$200,000.....         | 44                        |

These changes will reduce revenues by \$1.0 billion in fiscal year 1981 and \$2.2 billion in calendar year 1981. About one-third of this tax cut results from the rate cuts targeted to small businesses.

## OTHER PROVISIONS AFFECTING SMALL BUSINESS

In addition to the \$25,000 expensing provision and the corporate rate cuts targeted to lower tax brackets, the bill contains the following changes designed to aid small businesses:

An increase from \$150,000 to \$250,000 in the minimum accumulated earnings credit under the accumulated earnings tax on corporate income retained beyond the reasonable needs of the business.

An increase in the maximum amount of used property eligible for the investment tax credit from \$100,000 to \$150,000.

An increase in the maximum number of shareholders in a subchapter S corporation from 15 to 25.

Capital gains treatment for certain incentive stock options.

A tax incentive to encourage broker-dealers to make markets in stocks of small companies.

Certain other simplifications of the tax law of interest to small business.

## RESEARCH AND DEVELOPMENT TAX CREDIT

The bill provides a nonrefundable income tax credit for research and experimental expenditures to the extent they exceed the average of such expenditures in a base period. The rate of the new credit will be 25 percent of the incremental research expenditure amount. In the case of an individual or a subchapter S corporation entitled to a credit for research expenditures in a taxable year, no deduction shall be allowed for that portion of research expenditures in the year which is equal to the amount allowable as a credit. The revenue loss will be \$0.2 billion in fiscal year 1981 and \$0.5 billion in calendar year 1981.

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 5829★—Continued

## COMMITTEE ACTION—Continued

## DEDUCTION FOR INDIVIDUAL RETIREMENT SAVINGS

Under present law an employee generally is entitled to deduct amounts contributed to an individual retirement account or individual retirement annuity or used to purchase retirement bonds (referred to collectively as "IRAs"). The limitation on the deduction for a taxable year is generally the lesser of 15 percent of compensation for the year or \$1,500. For a "spousal IRA," in which equal contributions are made for both spouses, the deduction limit is \$1,750. No IRA deduction is allowed to an individual who is an active participant in a tax-qualified retirement plan, a tax-sheltered annuity, or a governmental plan in a taxable year. Also, employee contributions to retirement plans other than IRAs are not deductible.

The committee bill provides that an active participant in a tax-qualified retirement plan or tax-sheltered annuity will be allowed a deduction for an amount contributed to the plan or to an IRA. The maximum deduction will be the lesser of 15 percent of compensation or \$1,000.

In addition, for individuals who are not active participants in tax-qualified plans, etc., the contribution limit for an IRA will be increased from \$1,500 to \$1,750. The limit for spousal IRAs will be increased from \$1,750 to \$2,000.

The revenue loss will be \$0.3 billion in fiscal year 1981 and \$0.6 billion in calendar year 1981.

## EMPLOYEE STOCK OWNERSHIP PLAN TAX CREDIT

An innovative way to encourage greater productivity is to encourage employees to own stock in the companies for which they work. An employee stock ownership plan (generally called an ESOP) is an employer-maintained tax-exempt trust under which employees share in stock ownership of the employer.

Under present law, an employer is allowed an extra investment tax credit of one-percent for stock contributions to an ESOP plus an extra one-half of one percent if the contributions are matched by equal employee contributions.

The committee bill will permit an employer to claim a tax credit based on a percentage of payroll for contributions to an ESOP.

A sponsoring corporation will have the option of claiming either the tax credit based on payroll for employees covered by the plan or the additional investment tax credit provided under existing law. The percentage of payroll eligible for this credit will be as follows:

|            |                |
|------------|----------------|
| 1981 ..... | ½ of 1 percent |
| 1982 ..... | ¾ of 1 percent |
| 1983 ..... | 1 percent      |

The wage-based credit, like the additional investment tax credit, will expire December 31, 1983.

The revenue loss will be \$0.3 billion in fiscal year 1981 and \$0.6 billion in calendar year 1981.

## CAPITAL GAINS TAX CUT

Under present law, noncorporate taxpayers may deduct from gross income 60 percent of the amount of any net capital gain for the taxable year. The remaining 40 percent of the net capital gain is included in gross income and taxed at the otherwise applicable regular income tax rates. As a result, the highest tax rate applicable to a taxpayer's entire net capital gain is 28 per-

TITLE AND DESCRIPTION

ACTION

REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 5829★—Continued

## COMMITTEE ACTION—Continued

## CAPITAL GAINS TAX OUT—Continued

cent (70 percent top tax rate times the 40-percent of the capital gain which is taxed). An alternative capital gains tax rate of 28 percent applies to a corporation's net capital gain (in lieu of any capital gains deduction) if that rate is lower than the corporation's regular tax rate. Alternatively, a corporation may elect to pay a tax on the entire gain at its regular tax rate.

The committee bill increases the net capital gain deduction for noncorporate taxpayers from 60 to 70 percent, i.e., 30 percent will be included in gross income and taxed at the otherwise applicable regular income tax rates. As a result, the highest tax rate applicable to a taxpayer's entire net capital gain will be 20.1 percent (67 percent top tax rate under the bill times the 30 percent of the net capital gain which is taxed). The committee bill does not change the present treatment of capital losses.

In the case of corporations, the alternative capital gain tax rate will be reduced from 28 to 20 percent.

The lower rates will apply in the case of gains properly attributable to periods after August 20, 1980. Special rules are provided to determine the period to which gains are properly attributable in the case of pass-through entities.

The revenue loss is expected to be \$0.8 billion in fiscal year 1981 and \$1.0 billion in calendar year 1981.

## FOREIGN EARNED INCOME EXCLUSION

Under present law, Americans working abroad generally are eligible for deductions intended to reflect the excess costs of living abroad if they were bona fide residents of a foreign country for an entire taxable year or if they were physically present in a foreign country for 510 days (approximately 17 months) out of 18 consecutive months. Taxpayers residing in hardship area camps may claim a \$20,000 annual earned income exclusion in lieu of the excess living cost deductions.

The committee bill liberalizes the rules governing the taxation of income earned abroad. The liberalized rules apply to individuals working in developing countries (other than tax havens), regardless of the nature of the services they perform. In addition, the revised rules also apply to individuals working in other foreign countries if those individuals perform charitable, export-related, or natural resource-related services.

For those individuals described above, the committee bill will replace the present system of excess foreign living cost deductions with an exclusion of foreign earned income of \$50,000 a year, increasing to \$65,000 for individuals residing abroad for more than 2 years. In addition, the exclusion will be increased by the excess of the individual's housing costs over 16 percent of the salary of a Government employee at step 1 of grade GS-14 (the 16-percent figure is currently \$5,554). The eligibility requirement of present law will be modified to allow the exclusion for individuals overseas for 11 out of 12 months (or a shorter period where forced to leave because of civil unrest).

Income received for the performance abroad of export-related services, or compensation for employment abroad with an employer (including a branch) substantially all of whose income is derived from the export of U.S. goods or the performance of export-related services will qualify for the exclusion as export-related services. These services include:

## COMMITTEE ACTION—Continued

## FOREIGN EARNED INCOME EXCLUSION—Continued

(1) construction, architectural, engineering, or repair services performed in connection with agricultural, construction, or engineering projects located in a foreign country,

(2) services associated with the export of U.S. products (including marketing and market analysis, advertising and promotional activities, sales and distribution services, packaging and assembly, warehousing, documentation and customs clearing, and financing), and

(3) any other services performed overseas which are designated by the Secretary of the Treasury (after consultation with the Special Trade Representative and the Secretary of Commerce) as contributing significantly to U.S. exports.

Income received for services performed abroad in the exploration for or extraction of petroleum or other natural resources, or compensation for employment abroad with an employer (including a branch) substantially all of whose income is derived from those activities, will qualify for the exclusion as natural resource-related services. Services performed abroad by an employee for an employer who meets the requirements of section 501(c)(3) will qualify for the exclusion as charitable services.

The revenue loss will be \$0.2 billion in fiscal year 1981 and \$0.3 billion in calendar year 1981.

## SENATE ACTION

Sept. 25, 1980.—Senate agreed to a motion to table a motion to proceed to the consideration of H.R. 5829, by voice vote (Congressional Record S18408-S18413).

H.R. 5973★

Dec. 18, 1979

To amend the Internal Revenue Code of 1954 to waive in certain cases the residency requirements for deductions or exclusions of individuals living abroad, to allow the tax-free rollover of individuals living abroad, to allow the tax-free rollover of certain distributions from money purchase pension plans, and for other purposes.

(Provides a:

- (a) waiver of time limits in foreign residence or presence required for Americans working abroad;
- (b) special rule for certain distributions from money purchase pension plans;
- (c) definition of youth participating in a qualified cooperative education program for purposes of the targeted jobs credit;
- (d) special rule relating to debt financed income of exempt organizations.)

## DEPARTMENTAL REPORTS

Dec. 26, 1979.—Referred to Office of Management and Budget and Department of the Treasury.

## COMMITTEE ACTION

Feb. 20, Mar. 4, and Apr. 25, 1980.—Public hearings.

Nov. 24, 1980.—Reported favorably to the Senate (S. Rept. 96-1031) amended, summarized, as follows:

## Summary of Bill as Reported

WAIVER OF TIME LIMITS IN FOREIGN RESIDENCE OR PRESENCE  
REQUIREMENT FOR AMERICANS WORKING ABROAD

This section would permit the waiver of the minimum time limits in the foreign residence or presence eligibility requirements for Americans working abroad to obtain the benefits of the deduction for excess foreign living costs or the exclusion for foreign earned income. The waiver generally would be available to Americans working abroad who could reasonably have been expected to meet those eligibility requirements, but who left the foreign country under conditions of war, civil unrest, or similar conditions which precluded the normal conduct of business.

TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 5973★—Continued

## COMMITTEE ACTION—Continued

## Summary of Bill as Reported—Continued

SPECIAL RULE FOR CERTAIN DISTRIBUTIONS FROM MONEY PURCHASE  
PENSION PLANS

Under present law, if an employer maintains a tax-qualified defined benefit pension plan and a tax-qualified money purchase pension plan, and if an employee is covered by both plans, a total distribution of the balance of the employee's interest in the money purchase plan to the employee (or the employee's spouse on account of the employee's death) is not eligible to be rolled over tax free to an individual retirement account or to another qualified plan unless a total distribution is also made from the defined benefit plan in the same taxable year. This section would allow an employee (or a deceased employee's spouse) to make a tax-free rollover of a total distribution from a qualified money purchase plan where the employee is also covered by a qualified defined benefit plan maintained by the same employer even though a total distribution is not made from the defined benefit plan in the same taxable year.

TREATMENT OF CERTAIN REPAYMENTS OF SUPPLEMENTAL  
UNEMPLOYMENT COMPENSATION BENEFITS

Under present law, if a worker who has been laid off is required to pay back supplemental unemployment compensation benefits because of the subsequent receipt of trade readjustment assistance, the worker may be entitled to tax relief in the year of repayment under a special tax computation for cases where the taxpayer restores a substantial amount held under a claim of right (Code sec. 1341). However, if the amount of supplemental unemployment compensation benefits required to be paid back by the worker is \$3,000 or less, the worker may receive no tax relief for the repayment of previously taxed amounts unless itemized deductions are claimed.

This section of the bill would allow a deduction from gross income for the repayment of supplemental unemployment compensation benefits if the repayment is required because of the receipt of trade readjustment allowances.

## TAX TREATMENT OF EXPENSES FOR ATTENDING FOREIGN CONVENTIONS

Present law provides specific rules (Code sec. 274(h)) limiting the deduction for expenses of attending conventions, seminars, or similar meetings held outside the United States, its possessions, and the Trust Territory of the Pacific. These rules apply not only to the individuals attending the convention, but also to an employer who pays the expenses.

Under this section of the bill, no deduction is to be allowed for expenses allocable to a convention, seminar, or similar meeting held outside the North American area unless, taking certain factors into account, it is "as reasonable" for the meeting to be held outside the North American area as within it. The two-convention rule of present law is repealed. Under the provision, a convention will not be treated as a foreign convention unless it is held outside the United States, its possessions, and the Trust Territory of the Pacific, and Canada and Mexico. The section also repeals the subsistence expense limitations, the coach fare limitations, and special reporting requirements present law.

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 5973★—Continued

## COMMITTEE ACTION—Continued

## Summary of Bill as Reported—Continued

TAX TREATMENT OF EXPENSES FOR ATTENDING FOREIGN  
CONVENTIONS—Continued

This provision is effective with respect to foreign conventions attended after December 31, 1980. Where a taxpayer has made plans to attend a foreign convention and such foreign convention was planned prior to December 31, 1980, such convention is grandfathered under the terms of this provision.

EXCEPTION TO PRIVATE FOUNDATION "SELF-DEALING" RULES FOR  
CONTINUATION OF CERTAIN LEASING ARRANGEMENTS

Present law generally prohibits certain "self-dealing" transactions, including leasing arrangements, between a private foundation and a "disqualified person." There is a 10-year transitional rule that permits continuation of an otherwise prohibited leasing arrangement pursuant to a binding contract in effect on October 9, 1969 (or pursuant to renewals of such contract), if the leasing arrangement is at least as favorable to the foundation as an arm's-length transaction with an unrelated party, and if the arrangement was not a prohibited transaction at its inception.

The provision would allow a permanent exception from the "self-dealing" rules under Code section 4941 in certain circumstances where a private foundation leases office space from a disqualified person, if (1) the lease is pursuant to a binding contract in effect on October 9, 1969 (or renewals thereof), (2) at the time of execution the lease was not a prohibited transaction, and (3) the space is leased to the foundation on a basis no less favorable than that on which such space would be made available in an arm's-length transaction. For the lease to qualify for this exception, the leased space must be in a building in which there are tenants who are not disqualified persons.

This provision would apply to the Moody Foundation of Galveston, Texas, and any other private foundation leasing arrangement meeting the specific requirements of the bill. The provision becomes effective for taxable years beginning after December 31, 1979.

## SENATE ACTION

Dec. 13, 1980.—Passed by the Senate by voice vote (Congressional Record S16489), after agreeing to the following amendments: *Committee amendments*, by voice vote (Congressional Record S16493);

Oct. 20, 1980.—Favorable report from the Department of the Treasury.

## COMMITTEE ACTION

Sept. 26, 1980.—Reported favorably to the Senate (S. Rept. 96-997), deleting the provision relating to the duty-free status of certain fish net and netting purchases and repairs (see further action on H.R. 5047), and adds the following provisions:

## EXTENSION OF AVIATION EXCISE TAXES TRANSFERRED TO THE AIRPORT AND AIRWAY TRUST FUND

Under present law, the aviation excise taxes now transferred to the Airport and Airway Trust Fund are scheduled either to expire or be reduced on October 1, 1980. For example, the present 8-percent air passenger ticket tax would be reduced to 5 percent, and the 5-percent air freight waybill tax, the \$3 international departure tax, and the aircraft use tax would expire. As of October 1, 1980, revenues from the air passenger ticket tax would go into the general fund.

The committee bill extends the present 8-percent ticket tax, the 5-percent waybill tax, and the \$3 departure tax for one year, or from October 1, 1980 through September 30, 1981. The bill also continues the transfer to the Airport and Airway Trust Fund of the revenues from these aviation taxes—and from the taxes on noncommercial aviation fuels, aircraft use, and aircraft tires and tubes (summarized below)—for the period October 1, 1980 through September 30, 1981. In addition; from the bill extends the authority to make expenditures from the Trust Fund for one year.

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 6571★—Continued

## COMMITTEE ACTION—Continued

## EXCISE TAXES ON FUELS USED BY NONCOMMERCIAL AVIATION

Under present law, there is an excise tax of 7 cents per gallon on fuels (gasoline and other fuels) used by noncommercial aviation. On October 1, 1980, the tax on gasoline would decrease to 4 cents per gallon, and the tax on nongasoline aviation fuels (e.g., kerosene—jet fuel) would expire. At that time, the gasoline tax revenues from noncommercial aviation would revert to the Highway Trust Fund.

The committee bill extends the 7-cents-per-gallon tax on noncommercial aviation fuels through December 31, 1980, and then increases the tax to 8½ cents per gallon for the period January 1, 1981 through September 30, 1981. In addition, the bill provides an exemption from the fuels taxes for certain helicopter usage, effective January 1, 1981. Helicopters exempted are those used in noncommercial aviation for natural resource discovery and recovery and forestry operations; where the helicopters do not utilize facilities eligible for Federal assistance.

## AIRCRAFT USE TAX AND THE TAX ON TIRES AND TUBES

Under present law, there is an annual aircraft use tax on civil aircraft, composed of two parts: a \$25 per plane tax, plus a weight tax. The weight tax is 3½ cents per pound for turbine-powered (jet) aircraft and 2 cents per pound for nonturbine-powered aircraft for each pound in excess of 2,500 pounds of maximum certificated takeoff weight. The aircraft use tax is scheduled to expire on October 1, 1980.

The committee bill repeals the aircraft use tax for noncommercial aviation, effective July 1, 1980, and extends the use tax for commercial aviation through September 30, 1981.

In addition, the committee bill extends the transfer of the taxes on aircraft tires and tubes to the Airport and Airway Trust Fund for the period October 1, 1980 through September 30, 1981. Otherwise such tax revenues would be deposited in the Highway Trust Fund.

## TAX-EXEMPT INDUSTRIAL DEVELOPMENT BONDS FOR AIRPORT FACILITIES

Under present law, tax-exempt industrial development bonds may be used to finance airports. The term "airport" includes facilities such as terminals, runways, hangars, repair shops, certain other facilities, and facilities functionally related and subordinate to an airport.

The committee bill expands the definition of an airport to include any facility the principal use of which is directly related to the air transportation business of a shipping company or airline. Such a facility will be considered part of an airport regardless of whether it serves a systemwide, regional, or a single airport function.

H.R. 6806★

Sept. 30, 1980

## COMMITTEE ACTION

To amend secs. 46(f) and 167(1) of the Internal Revenue Code of 1954 with respect to treatment of public utility property.

Nov. 25, 1980.—Reported favorably to the Senate (S. Rept. 96-1038), amended, as summarized below:

## House Bill

## Summary of Bill as Reported

(Clarifies the rules relating to the normalization requirements for public utility property eligible for the investment tax credit and accelerated depreciation and provides a special rule which, in general, excuses violations of these requirements for certain past periods where such violations were a result of certain orders entered by a public utility commission prior to Mar. 13, 1980.)

## TREATMENT OF PUBLIC UTILITY PROPERTY

## AMENDMENTS

The bill (H.R. 6806) clarifies the rules relating to the normalization requirements for public utility property eligible for the investment tax credit and accelerated depreciation. The bill also provides a special rule which, in general, excuses violations of these requirements for certain past periods where such violations were a result of certain orders entered by a public utility commission prior to March 13, 1980.

Dec. 5, 1980  
No. 1  
(2858)

(Domenici) Limits the application of the subsidized energy financing limitations on certain tax credits to Federal and certain State and local subsidies, and for other purposes.

With certain exceptions for companies that are grandfathered, public utilities are eligible to use the investment credit and to elect accelerated depreciation for tax purposes only if the tax benefits from accelerated depreciation and the investment credit (or, in some cases, a portion of the credit) are normalized for ratemaking purposes. Normalization generally requires that the tax benefit of accelerated depreciation and the investment credit not be treated for ratemaking purposes as a reduction in current Federal income tax expense, which is an element of a utility's cost of service, since that treatment would generally result in a direct reduction in the utility's revenues. Instead the tax benefits are to be treated as investment capital that is supplied, in effect, by the Federal government to the utility through the tax system. The normalization rules for accelerated depreciation require that the utility retain the use of the deferred taxes but permit the deferred taxes to be treated as zero-cost capital on which the utility need not be allowed to earn an investment return; the normalization rules for the investment credit require a similar allocation of benefits between utility shareholders and utility customers. The normalization rules relating to accelerated depreciation were imposed in 1960, and the normalization rules relating to the investment credit, for the most part, were imposed in 1971 and 1975.

The bill provides that violations of the normalization requirements of present law (and of the bill) will not result in a public utility's loss of eligibility for the investment tax credit or accelerated depreciation if such violations involved the use of estimates, projections, or rate of return adjustments (1) that applied for any period ending prior to March 1, 1980, and (2) that were included in certain orders of a public utility commission which were entered prior to March 13, 1980. This special rule is designed to benefit Pacific Telephone and Telegraph Company (a subsidiary) of A.T. & T., General Telephone Company of California (a subsidiary of General Telephone & Electronics), and Southern California Gas Company.

The bill amends the present normalization rules relating to accelerated depreciation and the investment tax credit to make it clear that certain ratemaking procedures involving the use of inconsistent estimates or projections do not comply with such rules. It also gives the Treasury Department specific authority to provide regulations setting forth conditions under which ratemaking adjustments are inconsistent with normalization. The amendments to the normalization rules generally apply to taxable years beginning after December 31, 1979.

TERMINATION OF WAIVER OF EXEMPTION FROM SOCIAL SECURITY  
TAXES FILED BY THE MANHATTAN BOWERY CORPORATION

Under present law, services performed for a nonprofit religious, charitable, educational, or other organization exempt from income tax are not covered by social security unless the organization waives its exemption from social security coverage. In general, the bill will terminate retroactively a waiver of exemption from social security coverage filed by the Manhattan Bowery Corporation of New York, New York.

GAIN ON SALE OF STOCK OF FOREIGN INVESTMENT COMPANY

Under present law, gain from the sale of stock of a corporation which at any time is a foreign investment company generally is treated as ordinary income to the extent of the selling shareholder's portion of the corporation's earnings and profits. Under the bill, gain attributable to earnings and profits for the period before the corporation became a foreign investment company will not be subject to this ordinary income treatment.

TREATMENT OF CERTAIN AUTHORS AND ARTISTS AS EMPLOYEES FOR  
PURPOSES OF CERTAIN EMPLOYEE BENEFIT PROVISIONS

Under present law, an employer may currently deduct (within limits) the expense of providing certain fringe benefits to employees even though the benefit is not included in the gross income of the employees. The bill provides that certain authors and artists are to be considered employees for purposes of these benefits under limited circumstances.

June 20, 1980

To amend the Internal Revenue Code of 1954 to revise the rules relating to certain installment sales.

(Bill: (a) Revises the rules for reporting gain on the sale of real and personal property under the installment sales method; (b) eliminates the requirement that the seller, under an installment sales agreement, receive no more than 30 percent of the selling price in the taxable year of the sale; (c) eliminates the \$1,000 minimum sales price requirement with respect to the casual sale of personal property under an installment sales agreement; (d) defines "installment sale" as a disposition of property in which at least one payment is made after the taxable year in which the disposition occurs (presently, Internal Revenue Service regulations require two or more subsequent payments); (e) excludes from installment sales treatment dispositions of personal property by individuals who regularly deal in such property and dispositions of inventories of personal property; (f) provides that all sales of real and personal property which qualify under the terms of this Act as installment sales shall be automatically treated as such, unless the taxpayer elects out of such treatment; (g) accelerates the recognition of gain from the installment sale of property (other than marketable securities) by a taxpayer to a related individual (spouse, children, grandchildren, and parents, but not brothers and sisters) if the related individual disposes of the property to a third party before the taxpayer receives all pay-

## DEPARTMENTAL REPORTS

June 24, 1980.—Referred to Office of Management and Budget and Department of the Treasury.

## COMMITTEE ACTION

Sept. 26, 1980.—Reported favorably to the Senate (S. Rept. 96-1000), amended, summarized, as follows:

## Summary of Bill as Reported

The bill (H.R. 6883) amends the rules for reporting gain under the installment method for sales of real property and casual sales of personal property, the rules for electing the installment method by an accrual basis taxpayer, and the special disposition rules for obligations transferred to a life insurance company. The bill makes the following changes:

## STRUCTURAL IMPROVEMENTS

Under present law, a single provision (Code sec. 453) prescribes rules for installment method reporting for dealers in personal property, for sales of real property and nondealer personal property, and special disposition rules. Under the bill, the basic rules for nondealer transactions will be contained in one Code section (sec. 453), the rules for dealer transactions will be contained in another section (sec. 453A), and generally applicable installment obligation disposition rules will be contained in a third section (sec. 453B).

ments with respect to such disposition; (h) specifies that such acceleration shall occur only if the date of the disposition to the third party is not more than two years after the date of the original disposition; (i) limits the amount of gain which the taxpayer must recognize from the disposition of the property by a related individual to a third party to the excess of the amount realized by the second sale over the actual payments made under the original installment sale; (j) prohibits installment sales treatment for transactions between a taxpayer and a taxpayer's spouse (except if sale is incident to a divorce or separation), a taxpayer and a controlled corporation, partnership, or trust, or between two controlled entities; (k) exempts from the operation of the related party disposition rule the following transactions: (1) reacquisition of stock by issuing corporations; (2) involuntary conversions if the original installment sale occurred before the threat of condemnation; (3) dispositions after the death of the taxpayer or the related party; and (4) dispositions which do not evidence tax avoidance as a principal purpose; (l) excludes the receipt of like-kind property in determining gain recognized for installment sale reporting purposes (reverses the Internal Revenue Service regulation which holds that the receipt of like-kind property results in the recognition of installment gain even though the taxpayer receives no cash in the transaction); (m) provides for the nonrecognition of gain from the receipt by a shareholder of installment obligations as liquidating obligations from a corporation which adopts a 12-month plan of liquidation as provided for under specified provisions of the Internal Revenue Code; (n) authorizes the Secretary of the Treasury to issue regulations for permitting installment sales reporting in cases where the sale price is contingent (presently, installment sales treatment is not allowed if the sales price is contingent); (o) treats the cancellation of an installment obligation as a disposition of such obligation, thus requiring the immediate recognition of gain realized from the installment sale; (p) requires the market value of a cancelled obligation to be stated at not less than its face amount if the obligor and obligee are related individuals; and (q) treats as a reacquisition by the seller, with no recognition of gain or loss, the acquisition of real property by a taxpayer holding an installment obligation acquired from a decedent, which is indebtedness to such seller. Increases the basis of real property so acquired by the amount of the estate tax deduction allowed for income received in respect of a decedent which would otherwise have been allowable to the taxpayer with respect to the gains on the exchange of the obligation for the real property.)

## COMMITTEE ACTION—Continued

## Summary of Bill as Reported—Continued

## INITIAL PAYMENT LIMITATION

The bill eliminates the requirement that no more than 30 percent of the selling price be received in the taxable year of sale to qualify for installment sale reporting for gains from sales of realty and nondealer personal property.

## TWO-PAYMENT RULE

The bill eliminates the requirement that a deferred payment sale be for two or more payments. Thus, a sale will be eligible for installment reporting even if the purchase price is to be paid in a single lump sum amount in a year subsequent to the taxable year in which the sale is made.

## SELLING PRICE REQUIREMENT

The bill eliminates the requirement that the selling price for casual sales of personal property must exceed \$1,000 to qualify for installment sale reporting.

## ELECTION

The bill eliminates the present law requirement that the installment method must be elected for reporting gains from sales of realty and nondealer personal property. Instead, the provision will automatically apply to a qualified sale unless the taxpayer elects not to have the provision apply with respect to a deferred payment sale.

## RELATED PARTY SALES

The bill prescribes special rules for situations involving installment sales to certain related parties who also dispose of the property and for situations involving installment sales of depreciable property between a taxpayer and his spouse or certain 80-percent owned corporations or partnerships.

SALES OTHER THAN SALES OF DEPRECIABLE PROPERTY BETWEEN CERTAIN  
CLOSELY RELATED PARTIES

Under the bill, the amount realized upon a resale by the related party installment purchaser will trigger recognition of gain by the initial seller, based on his gross profit ratio, only to the extent the amount realized from the second disposition exceeds actual payments made under the installment sale. Thus, acceleration of recognition of the installment gain from the first sale will generally result only to the extent additional cash and other property flows into the related group as a result of a second disposition of the property.

The excess of any amount realized from resales over payment received on the first sale as of the end of a taxable year will be taken into account. If, under these rules, a resale results in the recognition of gain to the initial seller, subsequent payments actually received by that seller will be recovered tax free until they equal the amount realized from the resale which resulted in the acceleration of recognition of gain.

In the case of property other than marketable stock and securities, the resale rule will apply only with respect to second dispositions occurring within 2 years of the initial installment sale. In the case of marketable stock and securities, the resale rule will apply without a time limit for resales occurring before the installment obligation is satisfied.

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 6893★—Continued

## COMMITTEE ACTION—Continued

## Summary of Bill as Reported—Continued

SALES OTHER THAN SALES OF DEPRECIABLE PROPERTY BETWEEN  
CERTAIN CLOSELY RELATED PARTIES—continued

The bill also contains several exceptions to the application of these rules. Since gain from the sale of a corporation's treasury stock is nontaxable and therefore its basis in the stock is irrelevant, the related party rule will not apply to any sale or exchange of stock to the issuing corporation. In addition, there generally will be no acceleration of recognition of gain as a result of a second disposition which is an involuntary conversion of the property or which occurs after the death of the installment seller or purchaser. Finally, the resale rules will not apply in any case where it is established to the satisfaction of the Internal Revenue Service that none of the dispositions had as one of its principal purposes the avoidance of Federal income taxes.

For purposes of the related party rules, the bill adopts a definition of related parties which will include spouses, children, grandchildren, and parents but will exclude brothers and sisters. It is to be understood that the Internal Revenue Service is not precluded from asserting the proper tax treatment to transactions that are shams. A corporation will be considered to be related to another taxpayer if stock of another corporation which is or might be owned by it would be treated as owned by the taxpayer under the general corporate attribution rules. Generally, a related corporation will be one in which a person directly or indirectly owned 50 percent or more in value of the stock in the corporation. Also for this purpose, the principles of the general corporate stock ownership attribution rules will apply in determining the related party status of partnerships, trusts, and estates.

SALES OF DEPRECIABLE PROPERTY BETWEEN CERTAIN CLOSELY RELATED  
PARTIES

Under the bill, the accrual method of accounting in effect is required for deferred payment sales of depreciable property between certain closely related parties.

In general, this rule is intended to deter transactions which are structured in such a way as to give the related purchaser the benefit of depreciation deductions (measured from a stepped-up basis) prior to the time the seller is required to include in income the corresponding gain on the sale. For these transactions the deferred payments will be deemed to be received in the taxable year in which the sale occurs.

This special rule will apply only to deferred payment sales between a taxpayer and the taxpayer's spouse, the taxpayer and a partnership or corporation which is 80-percent owned by the taxpayer and/or the taxpayer's spouse, and between partnerships and corporations which are 80-percent owned by the taxpayer and/or the taxpayer's spouse.

The rule will not apply if it is established to the satisfaction of the Internal Revenue Service that the sale did not have as one of its or separation or generally when no significant tax deferral benefits will be derived from the sale.

the rule will not apply with respect to a sale incident to a divorce principal purposes the avoidance of Federal income taxes. Thus,

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 6883★—Continued

## COMMITTEE ACTION—Continued

## Summary of Bill as Reported—Continued

## TREATMENT OF THIRD PARTY GUARANTEE

Under the bill, a third party guarantee (including a standby letter of credit) used for security of a deferred payment sale will not be treated as payment received on an installment obligation.

## LIKE-KIND EXCHANGES

The bill provides that the receipt of like-kind property in connection with a disposition will not be taken into account in determining gain recognized for installment sale reporting purposes. Under the present Internal Revenue Service position, the receipt of like-kind property results in the recognition of installment gain before cash is received by the taxpayer because the value of such property is treated as a payment received. The bill reverses this rule.

## INSTALLMENT OBLIGATIONS DISTRIBUTED IN A CORPORATE LIQUIDATION

In general, the bill provides nonrecognition of gain treatment for a shareholder who receives installment obligations as liquidating distributions from a corporation liquidating within 12 months of adoption of a plan of complete liquidation. In general, this rule will apply to obligations arising from sales by a corporation during the 12-month period. Obligations from the sale of inventory will qualify only if the inventory of that trade or business is sold in bulk. The gain realized by the shareholder on his stock will be recognized as payments are received on the installment obligation. Thus, in most significant aspects, the tax consequences to a shareholder will be essentially the same whether the corporation sells its assets and then distributes installment obligations in complete liquidation or the shareholder makes an installment sale of the stock.

Under the bill, nonrecognition treatment will not be available to the extent the obligation is attributable to sales or depreciable property by the corporation if the installment purchaser is either the shareholder-distributee's spouse, or a corporation or a partnership which is 80-percent owned by the shareholder-distributee and/or his spouse.

## SALES SUBJECT TO A CONTINGENCY

The bill permits installment method reporting for sales for a contingent selling price. Under present law, these sales are not eligible for installment reporting. In extending eligibility, the bill does not prescribe specific rules which would apply to every conceivable transaction. Rather, the bill provides that the specific rules will be prescribed under regulations.

However, it is intended that, for sales under which there is a stated maximum selling price, the regulations will permit basis recovery on the basis of a gross profit ratio determined by reference to the stated maximum selling price. In cases where the sales price is indefinite but payable over a fixed period of time, it is generally intended that the basis of the property sold would be recovered ratably over that fixed period. In cases where the selling price and payment period are both indefinite, it is intended that the regulations would permit ratable basis recovery over some reasonable period of time. Also, in appropriate cases, it is intended

that basis recovery would be permitted under an income forecast type method.

## ELECTION OF INSTALLMENT METHOD BY ACCRUAL METHOD DEALER

Under the bill, an election of installment method reporting by an accrual method dealer would apply only to payments received from sales made on or after the effective date of the election and thereby eliminate the possibility of double taxation which exists under present law.

## TRANSFERS OF INSTALLMENT OBLIGATIONS TO LIFE INSURANCE COMPANIES

Under the bill, the special disposition rules for triggering the recognition of gain for obligations transferred to a life insurance company in an otherwise tax-free transfer will not apply if the transferee company elects to report any remaining gain as investment income as payments are received.

## CANCELLATION OF INSTALLMENT OBLIGATION

The bill makes it clear that the cancellation of an installment obligation is treated as a disposition of the obligation by the holder of the obligation.

## BEQUEST OF OBLIGATION TO OBLIGOR

The bill provides that the installment obligation disposition rules cannot be avoided by the bequest of an obligation to the obligor.

## FORECLOSURE OF REAL PROPERTY SOLD ON INSTALLMENT METHOD BY DECEASED TAXPAYER

The bill provides that an executor or beneficiary who receives a secured installment obligation from a decedent will succeed the decedent for purposes of qualifying for nonrecognition treatment if the real property sold by the decedent is reacquired in cancellation of the obligation.

## TREATMENT OF GAIN FROM SALES OF DEPRECIABLE PROPERTY BETWEEN RELATED PARTIES

Under the bill, the ordinary income characterization rules for sales of depreciable property between related parties would be revised to generally apply the usual corporate constructive ownership rules and to prescribe new rules for transactions with entities which are 80 percent controlled by a taxpayer and his spouse. For purposes of this provision, the attribution rules would be narrowed to exclude attribution from a family member other than the taxpayer's spouse.

## EFFECTIVE DATES

In general, the bill is effective for sales, dispositions, cancellations, bequests, and reacquisitions of real property, as the case may be, occurring after the date of enactment. The provisions which eliminate the 80-percent initial payment and the two or more

## EXTENSION OF PROVISIONS RELATING TO HISTORIC PRESERVATION

Under present law, taxpayers may amortize over a 60-month period the capital expenditures incurred in a certified rehabilitation of a certified historic structure. Alternatively, taxpayers may use accelerated depreciation methods to depreciate substantially rehabilitated historic structures. In general, taxpayers may not deduct the costs of or any loss sustained in the demolition of a certified historic structure or a structure located in a registered historic district. Present law also provides that accelerated depreciation methods may not be used with respect to real property constructed on a site that has been occupied by a certified historic structure (or by any structure in a registered historic district, except in limited circumstances) that has been demolished or substantially altered (other than by virtue of a certified rehabilitation). The bill would extend these provisions through December 31, 1983.

60-MONTH AMORTIZATION FOR EXPENDITURES TO REHABILITATE  
LOW-INCOME RENTAL HOUSING

Under present law, certain expenditures made to rehabilitate low-income rental housing may, at the election of the taxpayer, be depreciated over a 60-month period. Rehabilitation expenditures made pursuant to a binding contract entered into before January 1, 1982 qualify for this special treatment. The bill would extend this provision to any qualifying rehabilitation expenditures made through December 31, 1983 (including rehabilitations which had begun before that date and are still in process after that date).

EXTENSION OF CREDIT OR REFUND OF TAX ON FUELS USED IN CERTAIN  
TAXICABS

Under present law, certain taxicab use of motor fuels is exempt (through refund or credit) from the 4-cents per gallon excise taxes on gasoline and other motor fuels. This exemption currently applies for calendar years 1979 and 1980. The bill would extend the present fuels tax exemption for qualified taxicab services through December 31, 1982.

CERTAIN FEDERAL SCHOLARSHIP GRANTS AND NATIONAL RESEARCH  
SERVICE AWARDS

Present law generally excludes from gross income amounts received as scholarship or fellowship grants unless, as a condition to receiving such amounts, the recipient must agree to perform services for the grantor. In addition, temporary legislation provides tax-exempt treatment as scholarships or fellowships for National Research Service Awards made through 1980.

The bill, in general, would exclude from gross income scholarships received under Federal programs which require future Federal service by the recipients. In addition, the bill would extend the tax-exempt treatment of National Research Service Awards as scholarships or fellowships through 1981.

## DEDUCTIONS FOR CONTRIBUTIONS FOR CONSERVATION PURPOSES

This provision revises the provisions of current law allowing deductions for charitable contributions of easements and other partial interests in real estate contributed for conservation purposes. The provision would expand the types of partial interests which qualify to include the entire interest of the donor in real property other than the rights to subsurface minerals. It also would limit contributions eligible for the deduction to those contributed to a governmental unit, publicly supported charitable organization, or an entity controlled by one of these two kinds of organizations. Conservation purposes, as amended by this provision, would be defined as: (1) the preservation of land areas for outdoor recreation by, or the education of, the general public; (2) the protection of a relatively natural habitat of fish, wildlife, or plants, or of a similar ecosystem; (3) the preservation of open space (including farmland and forest land) where such preservation is for the scenic enjoyment of the general public or pursuant to a clearly delineated Federal, State or local governmental policy and will yield a significant public benefit; or (4) the preservation of a historically important land area or a certified historic structure. Finally, the bill would make these provisions permanent.

## SUMMARY OF HOUSE BILL

- (a) Establishes a savings program into which salaries of government personnel being held hostage can be paid.
- (b) Provides certain medical care not covered by insurance and limited education benefits for the hostages and their families.
- (c) Extends the provisions of the Civil Relief Act now applicable to the members of the Armed Forces which would defer civil actions until the hostages are released.
- (d) Exempts from income taxes compensation received for any month during which a Government employee is a hostage and provides total income tax exemption for an employee who dies as a result of his captivity.
- (e) Clarifies the authority to allow the spouse of a hostage to file a joint income tax return and permits payment of taxes to be deferred until 180 days after the return of a hostage.
- (f) Adds a sense of the Congress resolution urging regular visits be permitted to the hostages by the International Red Cross.

H.R. 7112★

To authorize an extension and amendment of the revenue sharing program to provide general purpose fiscal assistance to local governments, and for other purposes.

## HOUSE BILL

(Extends local revenue sharing program for 3 years and authorizes revenue sharing for States in fiscal year 1982 and 1983. The amount of funds that could be allowed to any State would be limited to the amount of categorical grant assistance the State has declined to receive or has refunded to the U.S. Treasury.)

## SENATE ACTION

Nov. 17, 1980.—Ordered placed on the Senate Calendar.  
Dec. 9, 1980.—Passed by the Senate, by rollcall vote (No. 520), of 80 yeas, 3 nays (Congressional Record S15911), after taking the following action on amendments thereto:

*Adopted:*

*Long UP amendment No. 1832*, making technical and conforming changes in the local allocation formula provisions (both division 1 and division 2), by voice vote (Congressional Record S15879);

*Leahy-Moynihan UP amendment No. 1833*, discharging the States from the obligation of repayment of money deposited with them under the Act of June 23, 1836, by voice vote (Congressional Record S15880);

*Bradley UP amendment No. 1834*, extending the revenue sharing program to provide fiscal assistance to territories of the United States, as modified by *Proxmire UP amendment No. 1843*, in the nature of a substitute, by voice vote (Congressional Record S15881);

*Durenberger UP amendment No. 1836*, providing for a study of optional revenue sharing payments to State governments in lieu of categorical grants, by voice vote (Congressional Record S15892);

*Modified Bacon UP amendment No. 1837*, providing a pilot program under which five States would receive a State government allocation equal to the amount of the reduction in categorical grants elected by them. (By 44 yeas to 49 nays, Senate failed to agree to a motion to table the amendment.) (Congressional Record S15896);

*Moynihan UP amendment No. 1840*, requiring an adjustment in the population data to include an estimate of the number of persons who were not counted in the 1980 Census, by voice vote

## DEPARTMENTAL REPORTS

To make certain miscellaneous changes in the tax laws.

June 20, 1980.—Referred to Office of Management and Budget and Department of the Treasury.

(Bill: (1) provides that recipients of Federal grants for tuition and related expenses will not be denied a tax exclusion for such grants or expenses merely because they are required to perform future service as a Federal employee as a condition of such grant; (2) grants tax-exempt status upon an annuity contract purchased by the Uniformed Services University of the Health Sciences for any employee who is a member of the civilian faculty or staff of such university; (3) permits common carriers by railroad (including a railroad switching company or a terminal company) to use the retirement-replacement-betterment method of accounting for determining depreciation allowances for income tax deduction purposes; (4) sets forth rules for the valuation of certain stock in a transferor railroad subject to a determination of the final value by a special court established by the Regional Rail Reorganization Act of 1973, for purposes of consolidated return regulations; (5) restores the availability of certain net operating loss carryovers to railroads in ConRail proceedings; and (6) allows a credit against the excise tax on domestic or imported distilled spirits, wines, and beer for each proof gallon of the wine and flavors content of distilled spirits containing wine. Sets the amount of such credit for wine at the excess of \$10.50 over the rate of the additional tax on such wine which would be imposed but for its removal to bonded premises. Specifies the points in time for determining the allowance of such credit for domestic and for imported distilled spirits containing wine.)

## COMMITTEE ACTION

Aug. 4, 1980.—Public hearing.

Nov. 24, 1980.—Reported favorably to the Senate (S. Rept. 96-1032), with amendments which:

- (a) delete the provision relating to Federal scholarship grants (similar provisions are included in H.R. 6075, as it passed the Senate), (b) retain the provision relating to the treatment of annuities purchased for employees of the Uniformed Services University of the Health Sciences, (c) delete the provision relating to the depreciation of railroad track assets, (d) clarify the provision relating to the treatment of certain net operating losses of a transferor railroad in the ConRail reorganization, (e) delete the provision relating to wine and flavorings used in distilled spirits products (similar provisions are contained in H.R. 3317, as it passed the Senate), (f) add a provision relating to the disclosure of tax returns to State audit agencies (section 6 of H.R. 4746, as it passed the House, and previously approved by the Senate, as section 3 of H.R. 3317), (g) add a provision expanding the definition of lending or finance companies which are exempt from treatment as personal holding companies, and (h) add a provision repealing the wagering excise taxes (previously reported by the committee in H.R. 3755).

## SENATE ACTION

Dec. 13, 1980.—Passed by the Senate, by voice vote (Congressional Record S16510), after taking the following action on amendments thereto:

*Adopted:*

*Committee amendments*, by unanimous consent (Congressional Record S16510);

*Long UP amendment No. 1940*, making technical changes, by unanimous consent (Congressional Record S16510); and

*Bradley-Metzcnbaum UP amendment No. 1941*, striking the section repealing certain taxes on wagering, by unanimous consent (Congressional Record S11510).

## FURTHER HOUSE ACTION

Dec. 13, 1980.—House returned the measure to the Senate after taking the following action on the Senate amendments:

*Accepted:*

- (a) Provision relating to the Uniformed Services University of the Health Sciences;
- (b) provision relating to disclosure of tax returns to State audit agencies; and
- (c) provision relating to treatment of certain net operating losses of a transferor railroad in the ConRail reorganization.

*Deleted:*

- (a) Provision expanding the definition of lending or finance companies which are exempt from treatment as personal holding companies.

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 7171★—Continued

## FURTHER HOUSE ACTION—Continued

*Reinstated:*

- (a) Provision relating to the depreciation of railroad track assets.

*Added:*

- (a) Provision expanding the aggregation rules with respect to the treatment of certain service organizations and related organizations for purposes of satisfying requirements for qualified retirement plans, medical reimbursement plans, cafeteria plans, and simplified employee pensions.

## FURTHER SENATE ACTION

Dec. 13, 1980.—Senate receded from its amendment and concurred in the House amendments, by agreeing to a motion (Congressional Record S10626).

## BILL SIGNED

Dec. 28, 1980.—Signed by the President.

(Public Law 96-613)

H.R. 7428★

To extend the public debt limit through June 30, 1980.

## SUMMARY OF HOUSE BILL

(Extends the present debt limit (\$400 billion permanent and \$470 billion temporary), which expires on May 31, 1980, through June 30, 1980.)

June 4, 1980.—Held at the desk in the Senate.

June 4, 1980.—Passed by the Senate, by rollcall vote (No. 174) of 67 yeas, 20 nays (Congressional Record S6262), after adopting Dole UP amendment No. 1124, disapproving the oil import fee proposed by the President, by rollcall vote (No. 173) of 73 yeas, 10 nays (Congressional Record S6262).

June 5, 1980.—House agreed to Senate amendment.

June 5, 1980.—Vetoed by the President.

June 5, 1980.—House voted to override the President's veto.

June 6, 1980.—Senate voted to override the President's veto.

(Public Law 96-264)

H.R. 7471★

To extend the present public debt limit through June 5, 1980.

## SUMMARY OF HOUSE BILL

(Extends the present debt limit (\$400 billion permanent and \$470 billion temporary), which expires on May 31, 1980, through June 5, 1980.)

May 30, 1980.—Held at the desk in the Senate.

May 20, 1980.—Passed by the Senate without amendment, by voice vote (Congressional Record S5089).

May 30, 1980.—Signed by the President.

(Public Law 96-256)

H.R. 7765★—Continued

SUMMARY OF FINANCE PROVISIONS AS APPROVED  
BY BOTH HOUSES

## TITLE IX. MEDICARE AND MEDICAID RELATED PROVISIONS

The medicare home health benefit would be liberalized and its administration improved by providing for unlimited visits under parts A and B; eliminating the 3-day prior hospitalization requirement under part A; eliminating the part B \$60 deductible with respect to home health services; recognizing the need for occupational therapy as a skilled service which will qualify beneficiaries for the home health benefit; conforming the licensing requirements for proprietary home health agencies with those for nonprofit agencies; providing authority for the Secretary of Health and Human Services to require bonding or the establishing of escrow accounts to the extent he finds necessary; requiring the Secretary to establish regional intermediaries for home health agencies; and requiring the Secretary to take several other steps to achieve the more effective administration of the home health benefit. Medicare coverage would be extended to and, in some cases, present coverage would be increased for: certain dentists' services, treatment of plantar warts, optometrists' services, comprehensive outpatient rehabilitation center services, antigens, outpatient physical therapy services, outpatient surgery, and preadmission testing. The bill also requires the Secretary to study or conduct demonstrations and report to Congress with respect to a number of issues related to coverage for additional benefits. Additionally, the bill contains a medicaid provision relating to reimbursement of nurse-midwives.

Administrative improvements would be made with respect to application of standards for rural hospitals, payment for services where the beneficiary is not at fault, certification and utilization review by podiatrists, the physician plan of treatment for speech pathology, payment for physician's services where the beneficiary had died, presumed coverage provisions, certain payments to providers of services, enrollment requirements and penalties, payment to radiologists and pathologists and to physicians in teaching hospitals, coordination of medicare eligibility with medicaid eligibility, coordination in the case of liability insurance, liberalization of the hospital transfer requirement for skilled nursing facility coverage, technical aspects of reimbursement for home dialysis, authority of the Provider Reimbursement Review Board, access to books and records of subcontractors, and disputed medicaid claims.

A number of changes are also provided for in the Professional Standards Review Organization (PSRO) program relating to the membership of local PSRO's, statewide council advisory groups, and the national council and its advisory committee, and the review and consultation activities of PSRO's. The Secretary of Health and Human Services is required to conduct a study of PSRO norms, standards, and criteria.

The bill also provides for changes in the administration of the medicare and medicaid long-term care benefit related to the term of agreements with skilled nursing facilities (SNF's), alternative to decertification of SNF's out of compliance with conditions of participation, and life safety code requirements. The Secretary would be required to study the need for and effects of mandatory dual participation of SNF's in medicare and medicaid.

Other provisions designed to supplement present authorities to prevent and detect fraud and abuse extend funding of State medicaid fraud control units, and relate to exclusion from participation in the program of health care professionals convicted of medicare

SUMMARY OF FINANCE PROVISIONS AS APPROVED  
BY BOTH HOUSES—Continued

or medicaid related crimes, requirements concerning reporting of financial interest, and withholding of the Federal share of payments to medicaid providers to recover medicare overpayments.

Also included are provisions that modify reimbursement for long term care services provided by hospitals ("swing beds"); provide for coordinated medicare and medicaid audit, authorize demonstration projects for the training of AFDC recipients as home health aides, specify reimbursement rules relating to nonprofit hospital philanthropy; provide for a temporary delay in periodic interim payments to hospitals; and provide for determination of reasonable charges based on the date service is performed.

TITLE X. OTHER SOCIAL SECURITY ACT PROGRAMS; UNEMPLOYMENT  
COMPENSATION*1. Public assistance*

H.R. 7705 delays the effective date of certain child day care regulations. The act provides that the standards for child day care services provided under title XX of the Social Security Act, or promulgated by the Department of Health and Human Services pursuant to title XX, would not be applicable to child day care services provided between July 1, 1980, and July 1, 1981, if such services meet applicable standards of State and local law. In addition, the Department of HHS shall assist each State in conducting a systematic assessment of current practices in title XX funded day care programs and provide a summary report of the assessments to the Congress by June 1, 1981.

*2. Social security*

Under previous law the maximum period social security benefits are payable prior to the month in which application for benefits is made is 12 months. Under the bill, the maximum period that benefits would be paid retroactively would be reduced to 6 months, except for application filed by disabled workers or benefits for disabled widows or widowers. Benefit application for disabled workers, their dependents and disabled widows or widowers will continue to be made retroactively for up to 12 months. The provision is effective on the first day of the first month beginning 60 days or more after enactment.

*3. Unemployment compensation*

(A) *Federal funding of unemployment benefits to CETA workers.*—Under previous law, the Comprehensive Employment and Training Act (CETA) requires that all persons employed in CETA public service jobs be provided the same unemployment benefits as other employees engaged in the same type of work. Any unemployment compensation benefits paid to former CETA workers is initially paid out of the State unemployment insurance trust fund. The act terminates the reimbursement of these revenues to the State from the Federal Unemployment Benefit Account, effective for services performed after the date of enactment.

(B) *Waiting period for unemployment compensation benefits.*—H.R. 7765 eliminates the Federal share (50 percent) of the cost of the first week of extended benefits in any State which does not have a "waiting week" for regular benefits, or which has a "waiting week" for which benefits are paid retroactively. This provision would be effective for extended benefits paid to individuals during eligibility periods beginning on or after Oct. 5, 1980. However, where State legislation is required to revise "waiting week" requirements, the provision is effective for extended benefits payable for

H.R. 7765★—Continued

SUMMARY OF FINANCE PROVISIONS AS APPROVED  
BY BOTH HOUSES—Continued

the period that begins after the end of the first regularly scheduled session of the State legislature ending more than 30 days after the date of enactment.

*4. Denial of extended benefits to individuals who fail to meet certain requirements related to work*

H.R. 7765 denies extended benefits to an individual during a period of unemployment for which, under State law, he or she was disqualified from receiving State benefits because of voluntarily leaving employment, discharge for misconduct, or refusal of suitable employment, even though the disqualification was subsequently lifted prior to reemployment and the person received State benefits. However, the person could receive extended benefits if the disqualification is lifted because he or she becomes employed and meets the work or earnings requirement specified in State law.

The bill denies extended benefits to any individual who fails to accept any work that is offered in writing or is listed with the State unemployment service, or fails to apply for any work to which he or she is referred by the State agency. If the work: is within the person's capabilities; pays wages equal to the highest of the Federal or any State or local minimum wage; pays a gross weekly wage that exceeds the person's average weekly unemployment compensation benefit plus any supplemental unemployment compensation payable to the individual; and is consistent with the State definition of "suitable" work with regard to provisions not specifically addressed in this section. States are required to refer extended benefits claimants to any work meeting these requirements. If the State, based on information provided by the individual, determines that the individual's prospects for obtaining work in his or her customary occupation within a reasonably short period are good the determination of whether any work is "suitable work" would be made in accordance with State law. Extended benefits are denied to any individual for as long as he or she fails to engage in a systematic and sustained effort to obtain work and fails to provide tangible evidence to the State agency that he or she has engaged in such an effort. Any individual who is denied extended benefits because of the requirements described in this paragraph will continue to be ineligible to receive extended benefits until he or she has been employed for at least 4 weeks after the denial and has earned wages equal to four times his or her average weekly unemployment compensation payout. These provisions are effective for unemployment beginning after March 31, 1981.

*5. Separate account in the Federal Unemployment Insurance Trust Fund for benefits paid to former Federal employees*

The bill requires the establishment of a special account within the Unemployment Insurance Trust Fund from which States are to be reimbursed for the costs of unemployment benefits based on Federal employment. Each agency is required to reimburse that account from its appropriations for the costs attributable to its employees. The provision is effective for services performed by individuals after Dec. 31, 1980.

*6. Certification of State laws*

H.R. 7765 requires the Secretary of Labor, on Oct. 31 of each taxable year beginning with taxable year 1980, to withhold certification of State unemployment compensation programs (for purposes of providing the credit against the Federal unemployment tax on employees in the State) for any State which has failed to amend its laws to comply with the preceding provisions, or which has, with

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 7765★—Continued

SUMMARY OF FINANCE PROVISIONS AS APPROVED  
BY BOTH HOUSES—Continued

respect to the 12-month period ending on such Oct. 31, failed to comply substantially with such provisions.

Pursuant to the passage of previous Federal unemployment compensation requirements, the Secretary of Labor has been required to certify, on Oct. 31 of each tax year, that a State has amended its laws to comply with current Federal unemployment compensation requirements. Failure of a State to receive from the Secretary such certification results in denial of the credit against Federal unemployment tax on employers in the State. This provision begins with the taxable year 1981.

TITLE XI. REVENUE MEASURES

Title XI is cited as the Revenue Adjustments Act of 1980.

1. MORTGAGE SUBSIDY BOND TAX ACT OF 1980

H.R. 7765 includes the Mortgage Subsidy Bond Tax Act of 1980 which is designed generally to direct the subsidy from the use of tax-exempt bonds for housing to those individuals who have the greatest need for the subsidy, to increase the efficiency of the subsidy, and to restrict the overall revenue loss from the use of tax-exempt bonds for housing.

*A. Single-family owner-occupied residences*

Except in the case of a qualified mortgage bond or a qualified veterans' mortgage bond, interest on any bond is not tax-exempt if a significant portion of the proceeds are to be used for mortgages (or other financing) of owner-occupied residences.

*(1) Qualified mortgage bonds*

*(a) Principal residence requirement.*—All mortgages must be for single family residences which can reasonably be expected to become the principal residences of the mortgagors. The residences must be located within the jurisdiction of the issuing authority. The bonds may be used to finance the mortgage of a building which contains up to four family units if certain conditions are met. (Individual units in a condominium or shares in a cooperative housing corporation are treated as single family residences under the bill.)

*(b) Three-year requirement.*—Each mortgagor must not have been a homeowner within the last 3 years. However, exceptions to the 3-year rule are provided for rehabilitation loans, for home improvement loans, and for mortgages on homes in targeted areas.

A loan qualifies as a rehabilitation loan if the residence is at least 20 years old at the time of the rehabilitation, 75 percent or more of the external walls of the residence are retained, and the rehabilitation costs are 25 percent or more of the mortgagor's basis in the residence (after the rehabilitation).

Home improvement loans are loans in an amount not in excess of \$15,000 for certain alterations or repairs for existing single family residences.

*(c) Income limitations.*—Although there are no statutory income limitations for mortgagors, it is expected that state and local governments will use mortgage subsidy bonds primarily for persons of low or moderate income.

TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 7765★—Continued

SUMMARY OF FINANCE PROVISIONS AS APPROVED  
BY BOTH HOUSES—Continued

(d) *Targeted areas.*—Targeted areas are defined as follows:

(1) census tracts in which 70 percent or more of the families have incomes of not more than 80 percent of statewide median income, or

(2) areas of chronic economic distress as defined by states subject to the approval of the Secretaries of Treasury and Housing and Urban Development. Criteria used by Treasury and HUD to evaluate a proposed targeted area designation are:

(1) the condition of the housing stock, including age and number of abandoned and substandard units, (2) the need of area residents for owner-financing, as indicated by a high percentage of families in poverty, low per capita income, high numbers of welfare recipients, and high unemployment rates, (3) the potential for use of tax-exempt mortgage bonds to improve conditions in the area, and (4) the existence of a housing assistance plan which provides a displacement program and a public improvements and services program (similar to that required by HUD under its Community Development Block Grant program).

Targeted areas are determined based on the most recent decennial census for which data are available and upon the designation of areas of chronic economic distress. With respect to any particular bond issue, that determination may be made 3 months prior to the date of issue.

(e) *Purchase price limitation.*—The purchase price of each residence must not exceed 90 percent of the average purchase price in the preceding year in the SMSA in which the mortgage is placed. In the case of targeted areas, the percentage could not exceed 110 percent of the average purchase price in the SMSA. Average purchase price means average purchase price of a new home, in the case of a purchase of a new home, and average purchase price of an existing home, in the case of the purchase of an existing home. In the case of home improvement loans, the purchase price limitation would not apply.

The bill adopts a special rule for determining the purchase price limitation in the case of mortgages on buildings (other than condominiums and cooperative housing corporations) that have more than one but less than 5 family units. In such a case, separate purchase price limitations are to be applied for one-family residences, two-family residences, three-family residences, and four-family residences.

(f) *New mortgage requirement.*—Except for construction period loans, bridge loans or similar temporary initial financing, and an existing mortgage in the case of a rehabilitation loan, none of the bond proceeds can be used to acquire or replace an existing mortgage.

(g) *Assumptions of mortgages.*—Individuals assuming a mortgage originally financed with tax-exempt bonds must meet the principal residence requirement, the 3-year requirement, and the purchase price limitation.

(h) *Market limitations.*—The total amount of housing bonds that can be issued in a State each year is limited to the greater of \$200 million or 9 percent of the average of all single family mortgages originated in that State in the preceding 3 years. The limit is to be allocated among the various governmental units within the State that can issue mortgage subsidy bonds pursuant to a three-step rule. First, until the Governor or the legislature

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 7765★—Continued

SUMMARY OF FINANCE PROVISIONS AS APPROVED  
BY BOTH HOUSES—Continued

makes a different allocation, half the State ceiling is allocated to all State agencies that have authority to issue mortgage subsidy bonds. The other half of the ceiling is allocated to localities that have authority to issue mortgage subsidy bonds first on a basis of mortgages originated in the smallest jurisdiction having authority to issue housing bonds. Under the second step, the Governor of the State is delegated the power to allocate the State ceiling among the governmental units having authority to issue mortgage subsidy bonds in any way he wishes. The third step allows a State legislature to enact a law providing for a different allocation.

(i) *Required targeted portion.*—If an issuing jurisdiction includes a targeted area, at least 20 percent of the lendable proceeds of a bond issue (but no more than 40 percent of the market share of the targeted areas) must be made available for 1 year for mortgage loans in the targeted areas in the issuing jurisdiction.

(j) *Arbitrage restrictions.*—The effective interest rate on mortgages to homeowners is limited to 1 percentage point above the yield to maturity to the purchasers of the bonds, calculated on the date of issuance. In addition, arbitrage is not permitted on reserves that exceed 150 percent of the annual debt service on the bonds. Finally, arbitrage earnings other than the 1 percentage point on home mortgages must be returned to the mortgagors.

H.R. 4068 (Public Law 96-506) modified the above arbitrage limitations. First, the issuer may elect to return net arbitrage earnings on all nonmortgage investments (other than certain arbitrage returned to the issuer) to the United States rather than to the mortgagors. Second, the Secretary of the Treasury can, by regulation or on a case-by-case basis, permit simplified accounting systems to meet the arbitrage limits. Third, the amendment permits the payment of a limited amount of net arbitrage earnings on non-mortgage investments to the issuer.)

(k) *Termination.*—The issuance of single family, owner-occupied housing bonds will be permitted under the above rules until Dec. 31, 1983.

(l) *Miscellaneous.*—All tax-exempt housing bonds issued after Dec. 31, 1981, must be in registered form. No advance refunding of mortgage subsidy bonds is permitted after date of enactment.

(2) *Qualified veterans' mortgage bonds*

(a) *Residences for veterans.*—Substantially all of the proceeds from the bonds must be used to provide residences for veterans.

(b) *New mortgage requirement.*—Except for construction period loans, bridge loans or similar temporary initial financing, and an existing mortgage where the residence is substantially rehabilitated, none of the proceeds of the bonds can be used to replace or acquire an existing mortgage.

(c) *General obligation requirement.*—Both the principal and interest of the bond must be secured by the general obligation of a State.

(d) *Miscellaneous.*—All qualified veterans' mortgage bonds issued after Dec. 31, 1981, must be in registered form. No advance refunding of these bonds will be permitted after the date of enactment.

(3) *Effective date and transitional rules*

The bill applies to bonds issued after Apr. 24, 1979, but provides a general transition rule under which tax-exempt housing bonds may be issued without complying with the requirement of a qualified mortgage bond or qualified veterans bond if substantially all

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 7765★—Continued

SUMMARY OF FINANCE PROVISIONS AS APPROVED  
BY BOTH HOUSES—Continued

of the proceeds are committed to mortgagors by firm commitment

letters before a date which is 1 year after the date of issue of the obligations. Ten additional exceptions to the Apr. 24, 1970 effective date are provided:

(a) *Official action.*—Tax exempt housing bonds may be issued without complying with the requirement of a qualified mortgage bond if, prior to Apr. 25, 1970, the governing body of the unit having authority to issue the bonds had taken official action which indicated an intent to issue such bonds. A qualifying official action would include an authorization to hire bond counsel, an authorization to hire bond underwriters, or an authorization to make a market analysis with respect to a specified bond issue. Such authorization must be a specific authorization relating to a specified bond issue.

In the case of a sized or tentatively sized bond issue, only the amount of bond the issuer reasonably intended to issue based on the documentation that existed before Apr. 25, 1970, will qualify under this rule.

In case of an unsized bond issue, only an amount of bonds (exclusive of issuance costs and a reasonably required reserve) equal to the amount of mortgages for which the lenders had given firm commitments to homebuyers within 9 months after the bonds are issued will qualify under this rule. Bond proceeds for which commitments were not made within 9 months from the issuance date of the bonds must be used to redeem bonds. The uncommitted proceeds must be used to redeem obligations within 15 months of the issuance date.

(b) *Exception for State housing finance agencies.*—The bill also provides a special exemption for State housing finance agencies which permits such an agency to issue up to \$150 million of tax-exempt indebtedness even though it took no action prior to Apr. 25, 1970. However, the \$150 million is reduced by any tax-exempt indebtedness issued under the official action rule for owner-occupied housing by any State housing finance agency within a State which provides owner financing from the proceeds of tax-exempt obligations. In addition, substantially all of the lendable proceeds from the bond issue must be committed by firm commitment letters to home buyers by Jan. 1, 1981.

(c) *Special rates.*—The bill contains five special rules which provide that the restrictions on owner-occupied housing do not apply to certain obligations. Each of these rules is subject to dollar limitations. Each of these rules requires that affidavits be filed by a majority of the members of the governing body of the governmental unit in order to qualify under the rule. In addition, substantially all of the lendable proceeds from each bond issue that qualifies under any of these special rules must be committed by firm commitment letters to homebuyers by Jan. 1, 1981.

(d) *Rehabilitation programs.*—Tax-exempt indebtedness may be issued without complying with the requirements of a qualified mortgage bond with certain limitations in the case of certain ongoing local governmental programs which provide rehabilitation loans. The maximum amount of tax-exempt indebtedness that can be issued under this rule is the lesser of \$10 million or the aggregate amount of loans made under a qualified rehabilitation program from Jan. 1, 1977, until Apr. 24, 1979. This amount is reduced by any indebtedness issued under the official action rule. In addition, substantially all of the lendable proceeds of the indebtedness issued under this rule must be committed by firm commitment letters to home owners by Jan. 1, 1981.

TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 7765★—Continued

SUMMARY OF FINANCE PROVISIONS AS APPROVED  
BY BOTH HOUSES—Continued

(e) *\$50 per capita exception for local governments.*—Tax-exempt housing bonds may be issued without complying with the requirements of a qualified mortgage bond: (1) if there is written evidence that, prior to Apr. 24, 1979, the governing body of the issuing local governmental unit had taken action indicating an intent to issue (or establish a program for issuing) owner-occupied housing bonds; (2) the local government unit had authority to issue such bonds by Oct. 30, 1979; and (3) the majority of the members of the governing body of the local governmental unit file affidavits that the governmental unit intended to issue tax-exempt housing bonds (or establish a program to issue tax-exempt housing bonds). The maximum amount that qualifies under this rule is \$50 multiplied by the population in the local governmental unit reduced by the amount of any obligations for owner-occupied housing issued under the other transition rules.

(f) *Rollover rule.*—Tax-exempt indebtedness outstanding on Apr. 24, 1979, may be rolled-over where the maturity date of the tax-exempt housing bond is no longer than 2 years after the life of the initial mortgage on the properties.

(g) *Special rule for projects under development.*—Tax-exempt housing bonds for the financing of projects in the development stage may be issued where, prior to Apr. 25, 1979, (1) substantial expenditures had been made for detailed plans and specifications, and (2) tax-exempt construction financing had been issued with respect to the project or there exists written evidence that a governmental unit intended to issue tax-exempt bonds to finance the acquisition of the unit by homebuyers.

(h) *Rule for local governments whose home rule powers were modified on Apr. 26, 1979.*—The bill contains an additional rule which provides that the restrictions on owner-occupied housing do not apply to obligations issued by certain local governments whose home rule powers were modified on Apr. 26, 1979. This rule applies where prior to Apr. 25, 1979, the governing body of a local government had authorized a demographic or related study, but was waiting enactment of the legislation modifying its home rule power prior to issuing tax-exempt housing bonds. Under this rule, substantially all the lendable proceeds of a bond issue must be committed by firm commitment letters to home buyers by Jan. 1, 1982.

(i) The bill provides transitional authority to issue limited amounts of tax-exempt mortgage revenue bonds for seven specific projects in enumerated jurisdictions for specific purposes.

(j) The bill includes a provision under which obligations may be issued during 1981 and 1982 as part of the loans to lender program of the State of New York Mortgage Agency. Such obligations will be included in limitation provided in the bill on amounts issued by state housing finance agencies.

*B. Multi-family rental housing**(1) Applicable rules*

(a) *General rules.*—The present exception for tax-exempt industrial development bonds will be limited to obligations from which substantially all the proceeds are to be used for multifamily rental housing projects in which generally at least 20 percent of the units are to be occupied by individuals of low or moderate income, determined in a manner consistent with the leased housing program under sec. 8 of the United States Housing Act of 1937. In projects

H.R. 7765★—Continued

SUMMARY OF FINANCE PROVISIONS AS APPROVED  
BY BOTH HOUSES—Continued

located in a qualified census tract or in an area of chronic economic distress, at least 15 percent of the units are to be occupied by individuals of low or moderate income.

In the case of bonds issued before Jan. 1, 1981 (which do not come within the transitional rules), the 20-percent requirement and the 15-percent requirement in targeted areas need only be met for a period of 20 years.

(b) The small issue exemption for industrial development bonds is denied for obligations which are part of an issue a significant portion of the proceeds of which are used to provide residential real property for family units. Thus, the small issue exemption may not be used to circumvent the 20 percent or 15 percent rule.

(c) *Miscellaneous.*—All tax-exempt housing bonds issued after Dec. 31, 1981, must be in registered form.

(2) *Effective date and transitional rules*

The bill applies to bonds issued after Apr. 24, 1970, but provides a general transition rule under which rental housing bonds issued before Jan. 1, 1981, will be tax-exempt if commencement of construction of the projects begins before a date which is 1 year after the date of issue of the obligations. Three additional exceptions are provided:

(a) *Official action.*—Tax-exempt housing bonds may be issued without complying with the requirements of the bill if, prior to Apr. 25, 1970, the governing body of the unit having authority to issue the bonds had taken official action which indicated an intent to issue such bonds. A qualifying official action would include an authorization to hire bond counsel, an authorization to hire bond underwriters, or an authorization to make a market analysis with respect to a specified bond issue. Such authorization must be a specific authorization relating to a specified bond issue.

In the case of a sized or tentatively sized bond issue, only the amount of bonds the issuer generally intended to issue based on the documentation that existed before Apr. 25, 1970, will qualify under this rule.

(b) *Rollover rule.*—Tax-exempt indebtedness outstanding on Apr. 24, 1970, may be rolled over where the maturity date of the tax-exempt housing bonds is no longer than 2 years after the life of the initial mortgages on the properties.

(c) *Special rule for projects under development.*—Tax-exempt housing bonds for financing of projects in the development stage may be issued if a plan specifying the number and location of rental units was approved on or before Apr. 24, 1970, by a governing body of a State or local government or a governing body of a State or local housing agency or a similar agency, and substantial expenditures for site improvement for the project had been incurred on or before such date.

As an alternative to this rule, tax-exempt indebtedness may be issued for projects if, prior to Apr. 25, 1970, a plan specifying the number and location of rental units was preliminarily approved by the Secretary of HUD pursuant to sec. 221(d)(4) or sec. 232 of the National Housing Act and fees for the processing of the project application and other expenditures had been incurred on or before Apr. 24, 1970.

H.R. 7765★—Continued

SUMMARY OF FINANCE PROVISIONS AS APPROVED  
BY BOTH HOUSES—Continued

## 2. ESTIMATED INCOME TAX PAYMENTS BY LARGE CORPORATIONS

H.R. 7765 requires large corporations to pay estimated taxes equal to at least 60 percent of their current year's tax liability, effective for taxable years beginning after Dec. 31, 1980.

Corporations subject to this new requirement are those corporations (including any predecessor corporations) which had taxable income of \$1 million or more in any of the 3 taxable years immediately preceding the taxable year involved.

## 3. FOREIGN INVESTMENT IN REAL PROPERTY TAX ACT OF 1980

Under previous law, capital gains realized by foreign investors, the sale of U.S. property are generally not subject to U.S. tax until the property is held in connection with a U.S. trade or business.

H.R. 7765 includes the provisions of the Foreign Investment in Real Property Tax Act of 1980 which subject foreign investors to U.S. tax on gains on the sale or other disposition of U.S. real property. Foreign investors also will be taxed on gains realized throughout the sale or exchange of an interest in a corporation, trust or partnership formed or availed of to hold U.S. real property interests. Reporting requirements are established to identify when taxable transactions have occurred. The bill contains no withholding provisions—neither the purchaser of the property nor any U.S. agent is required to withhold any tax from the seller or to take any other action to ensure that the foreign seller pays the tax due on the sale.

The provision is effective sales or other dispositions of U.S. real property interests occurring after June 18, 1980. However, to the extent that a provision conflicts with a U.S. treaty obligation, the provision will not take effect until 1985. No step-up in basis is allowed with respect to a disposition made to a related party in a nontaxed transaction after Dec. 31, 1979.

## 4. ROYALTY OWNER CREDIT AGAINST CRUDE OIL WINDFALL PROFIT TAX

Royalty owners are provided with a credit (or refund) of up to \$1,000 against the windfall profit tax imposed on the removal of their royalty oil during calendar year 1980. The credit is available only to individuals, estates, and family farm corporations and not to other corporations or trusts. In the case of a family, the husband and wife and their minor children are treated as one taxpayer for purposes of the \$1,000 limit on the credit. A qualified family farm corporation that is eligible for the credit is one which (1) was in existence on June 25, 1980, (2) all of the outstanding stock of which was held by members of the same family at all times between July 24, 1980, and Jan. 1, 1981, and (3) 80 percent of the assets of which was used for farming purposes.

In calculating the amount of income tax deduction for the windfall profit tax, net income for percentage depletion purposes, and oil-related income for the minimum tax on intangible drilling costs, a taxpayer must reduce the gross amount of windfall profit tax paid or withheld during the taxable years by the amount of the credit allowable against that tax. This reduction of the income tax deduction must be made regardless of whether the taxpayer actually claims the allowable credit.

5. INCLUSION IN WAGES OF SOCIAL SECURITY AND UNEMPLOYMENT  
TAXES PAID BY EMPLOYEES

Payment by an employer of an employee's liability for social security or State unemployment compensation taxes (without deductions from the remuneration of the employee) is specifically

TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

H.R. 7765★—Continued

SUMMARY OF FINANCE PROVISIONS AS APPROVED  
BY BOTH HOUSES—Continued

exempted from wages for purposes of social security taxes (FICA), Federal unemployment taxes (FUTA), and social security benefits.

The bill provides that the payment by an employer of an employee's liability for social security taxes of State unemployment compensation taxes would be included in the definition of wages for purposes of FICA, FUTA, and social security benefits, except in the cases of payment for domestic services in the employer's home or for agricultural labor. The provision would be generally effective with respect to remuneration paid after Dec. 31, 1980. However, in the case of certain State or local coverage group employment under sec. 218 of the Social Security Act, the provision would apply to remuneration paid after Dec. 31, 1983. The later effective date would apply only to remuneration for services in positions of a kind for which all or a substantial portion of the amounts equivalent to employee social security taxes were paid (without deduction from the wages of the employee) under practices in effect on Oct. 1, 1980.

## 6. TELEPHONE EXCISE TAX

H.R. 7765 delays by 1 year the remaining scheduled reduction in the communication services (telephone, etc.) excise tax. Therefore, for 1980 and 1981, the tax will be 2 percent. For 1982, the tax will be 1 percent, and the tax will expire on Jan. 1, 1983.

## 7. INCREASED DUTIES ON IMPORTED ALCOHOL

Under previous law, imports of ethyl alcohol for nonbeverage purposes are dutiable at a most-favored-nation (MFN) rate of 3 percent ad valorem and a non-MFN rate of 20 percent ad valorem under the Tariff Schedules of the United States.

H.R. 7765 amends the tariff schedules to impose, in addition to the existing duty on MFN and non-MFN imports of ethyl alcohol for nonbeverage purposes, an additional duty on imports of ethyl alcohol to be used in or as a fuel. This additional duty is 10 cents per gallon in calendar year 1981, 20 cents per gallon in calendar year 1982, and 40 cents per gallon from Jan. 1, 1983 through Dec. 31, 1992.

## REVENUE EFFECTS OF TITLE XI

The revenue effects of title XI are summarized in the two tables below. Table 1 shows the effects on budget receipts for fiscal years 1981 through 1985; table 2 depicts the effect on tax liabilities for calendar years 1980 through 1985.

The revenue gain from the provision requiring large corporations to be at least 60 percent current with estimated tax payments represents changes in timing of tax payments and does not increase their tax liability. All the other changes represent increases in tax liability.

To make various changes in the tax laws.

## DEPARTMENTAL REPORTS

Sept. 15, 1980.—Referred to Office of Management and Budget and Department of the Treasury.

## SUMMARY OF HOUSE BILL

- (a) Provides relief for abandoned spouses who are presently taxed on a portion of the income earned by the other spouse;
- (b) provides that qualifying business startup or investigatory expenses may, at the election of the taxpayer, be amortized over a period of not less than 60 months;
- (c) revises the provisions of current law allowing deductions for charitable contributions of easements and other partial interests in real estate contributed for conservation purposes;
- (d) allows the investment tax credit for rehabilitated buildings which are leased to a tax-exempt organization or governmental unit;
- (e) revises the rules for determining the source of income from the lease of certain vessels, aircraft, and spacecraft;
- (f) provides that all income of a homeowners association (other than exempt function income) will be taxed at a rate of 30 percent;
- (g) provides that, in determining whether a mutual or cooperative telephone or electric company meets the 85-percent member-income requirement for tax exemption (under Code sec. 501(c)(12)), any income from rental of poles (used in the cooperative's exempt activities) or from display listings in a directory is to be disregarded. The section also provides that income from the rental of such poles by mutual or cooperative telephone and electric companies is not subject to the tax on unrelated business taxable income;
- (h) allows a refund or credit of taxes paid by a State police officer with respect to cash meal allowances which were reported in gross income in returns filed by the officer for calendar years 1974, 1975, and 1976.
- (i) provides that the general rule for the disallowance of deductions for entertainment, amusement, or recreation expenses does not apply to expenses which are includible in the gross income of the recipient of the entertainment, amusement, or recreation as compensation for services or as a prize or award under Code section 74;
- (j) expands the aggregation rules with respect to the treatment of certain service organizations and related organizations for purposes of satisfying requirements for qualified retirement plans, medical reimbursement plans, cafeteria plans, and simplified employee pensions;

## COMMITTEE ACTION

Nov. 25, 1980.—Reported favorably to the Senate (S. Rept. 96-1036), amended as follows:

- (1) postpones for one year (to taxable years beginning after 1980) the provisions relating to the treatment of certain community income for spouses living apart, (2) deletes the provisions relating to contributions of real property for conversion purposes (similar provisions are contained in H.R. 0075, as it passed the Senate), (3) deletes the provision relating to the investment tax credit for rehabilitated buildings leased to tax-exempt organizations or governmental units, (4) deletes the provision relating to prevention of abuse of certain employee benefit requirements, (5) makes the provision relating to the participation of a subsidiary corporation in a tax credit employee stock ownership plan effective as if that provision had been included in the Revenue Act of 1978 (rather than for taxable years beginning after December 31, 1980), (6) extends for three years (through 1981) the time for conforming governing instruments of charitable split-interest trusts, (7) adds a provision relating to the investment tax credit for maritime satellites (section 7 of H.R. 4746, as it passed the House), (8) adds a provision relating to the treatment of debt-financed real estate investments by qualified employees' trusts, and (9) adds a provision to repeal the withholding tax on pensions paid to nonresident aliens (previously reported by the committee as section 407 of H.R. 1212 and H.R. 2492).

## SENATE ACTION

Dec. 13, 1980.—Passed by the Senate, by voice vote (Congressional Record S16517), after taking the following action on amendments thereto:

*Adopted:*

*Committee amendments*, by voice vote (Congressional Record S 16517);  
*Maitlas UP amendment No. 1943*, applying charitable lead provisions to wills executed before Dec. 31, 1978, by voice vote (Congressional Record S16517);  
*Proxmire UP amendment No. 1944*, providing that provisions relating to acquisition indebtedness of qualified trusts shall not be considered a precedent for extension of such provision to other persons by voice vote (Congressional Record S16517);

## TITLE AND DESCRIPTION

ACTION  
(ALL CONGRESSIONAL RECORD PAGE NUMBERS  
REFER TO DAILY CONGRESSIONAL RECORD)

## H.R. 7936★—Continued

- (k) permits a tax-qualified stock bonus plan to distribute cash to a participant entitled to a distribution, subject to the participant's right to demand that benefits be distributed in the form of employer stock;
- (l) provides that the increase in the dollar limitation on annual additions with respect to a participant in a tax credit employee stock ownership plan or an employee stock ownership plan (provided certain requirements are met with respect to allocations under the plan) will be the lesser of (1) the usual dollar limitation on annual additions to a participant's account, or (2) the amount of employer securities (or cash used to acquire such securities) contributed to the plan;
- (m) provides that the value of employer securities listed on a national exchange contributed to a tax credit employee stock ownership plan will be the average of the closing prices of such securities for the 20 consecutive trading days immediately preceding the date of contribution to the plan;
- (n) provides that if a parent corporation owns 100 percent of a first-tier subsidiary and the first-tier subsidiary owns 50 percent of a second-tier subsidiary, the second-tier subsidiary is allowed to contribute employer securities of the parent corporation to its tax credit employee stock ownership plan. In addition, parent stock could be contributed by 80-percent owned lower-tier subsidiaries in this chain;
- (o) provides that if employees are permitted to elect out of a tax credit employee stock ownership plan for the purpose of establishing IRAs, the tax credit employee stock ownership plan does not fail to meet the minimum coverage requirements of the Code if the plan benefits at least 50 percent of all employees (excluding employees who have not satisfied the minimum age and service requirements or who are otherwise permitted to be excluded), and if the total allocations under the tax credit employee stock ownership plan are equal to no more than two percent of the compensation of participating employees;
- (p) provides that benefits under a cafeteria plan could include amounts which an employee covered by a profit-sharing or stock bonus plan with a qualified cash or deferred arrangement can elect to have the employer pay as a contribution to a trust under a profit-sharing or stock bonus plan;
- (q) permits an executor to elect alternate valuation on a timely filed estate tax return or, if no estate tax return is timely filed, on the first estate tax return filed; and
- (r) extends for two years, until December 31, 1980, the time to amend, or commence judicial proceedings to amend, instruments of both charitable lead trusts or charitable remainder trusts which were executed before December 31, 1977, in order to conform such instruments to the 1969 Act requirements for a charitable deduction to be allowed for income, gift, or estate tax purposes.

## SENATE ACTION—Continued

## Adopted—Continued

- Sasser UP amendment No. 1945*, striking the section allowing election to use the alternate valuation date on returns filed late, by voice vote (Congressional Record S16517);
- Moynihan UP amendment No. 1946*, providing for treatment of certain social security tax waiver exemptions, by voice vote (Congressional Record S16517); and
- Moynihan UP amendment No. 1947*, providing that certain artists and authors are to be treated as employees of the New Yorker magazine for purposes of certain employee benefit provisions of the Internal Revenue Code, by voice vote (Congressional Record S16517).

## FURTHER HOUSE ACTION

- Dec. 13, 1980.—House concurred in Senate amendments with amendments restoring the House approved sections relating to (a) investment credit for rehabilitated buildings leased to tax-exempt organizations, and (b) prevention of abuse of certain employee benefit requirements, by voice vote (Congressional Record H12500).

## FURTHER SENATE ACTION

- Dec. 13, 1980.—Senate agreed to House amendments, by voice vote (Congressional Record S16623).

## BILL SIGNED

- Dec. 28, 1980.—Signed by the President.

To modify the method of establishing quotas on the importation of certain meat, to include within such quotas certain meat products, and for other purposes..... S. 55
- To extend certain expired provisions related to the child support program under title IV-D of the Social Security Act and to child care under title XX of the Social Security Act..... S. 257
- (Introduced by Mr. Long for himself and others.)  
To amend the Social Security Act by adding thereto a new title XXI which will provide insurance against the costs of catastrophic illness, by replacing the medicaid program with a Federal medical assistance plan for low-income people, and by adding a new title XV thereto which will encourage and facilitate the availability, through private insurance carriers, of basic health insurance at reasonable premium charges, and for other purposes..... S. 350
- (Introduced by Mr. Cannon for himself and others.)  
To amend the Social Security Act by adding thereto a new title XXI which will provide insurance against the costs of catastrophic illness and by adding a new title XV thereto which will encourage and facilitate the availability, through private insurance carriers, of basic health insurance at reasonable premium charges, and for other purposes..... S. 351
- (Introduced by Mr. Church for himself and others.)  
To implement the International Sugar Agreement between the United States and foreign countries, to protect the welfare of consumers of sugar and of those engaged in the domestic sugar-producing industry, to promote the export trade of the United States, and for other purposes..... S. 463
- To make technical correction related to the Revenue Act of 1978..... S. 614
- To amend the Social Security Act by adding thereto a new title XXI which will require employers to provide insurance against the costs of catastrophic illness for their employees and their families; by providing tax credits to assist other persons to purchase such coverage on their own behalf; by replacing the medical program with a Federal medical assistance plan for low-income people, and by adding a new title XV thereto which will encourage and facilitate the availability, through private insurance carriers, of basic health insurance at reasonable premium charges, and for other purposes..... S. 760
- (Introduced by Mr. Long for himself and Mr. Dole.)  
To simplify certain provisions of subtitle F of the Internal Revenue Code of 1954..... S. 1062
- (Introduced by Mr. Long for himself and Mr. Dole.)  
To amend sec. 453(b) of the Internal Revenue Code of 1954 to simplify the rules relating to certain installment sales..... S. 1063
- (Introduced by Mr. Williams for himself and others.) To amend the Employee Retirement Income Security Act of 1974 and the Internal Revenue Code of 1954, as amended, for the purpose of improving retirement income security under private multiemployer pension plans by strengthening the funding requirements for those plans, authorizing plan preservation measures for financially troubled multiemployer pension plans, and revising the manner in which the pension plan termination insurance provisions apply to multi-employer plans..... S. 1076
- To authorize appropriations for the U.S. International Trade Commission and the U.S. Customs Service for fiscal year 1980, and for other purposes..... S. 1132
- (Introduced by Mr. Long for himself and Mr. Gravel.) To amend the Internal Revenue Code of 1954 to make permanent the provisions relating to the funding of employee stock ownership plans through the investment tax credit to provide a credit against tax for contributions to an employee stock ownership plan based upon wages rather than investment in equipment, and for other purposes..... S. 1240
- (Introduced by Mr. Long for himself and others.)  
To improve and implement the trade agreements negotiated under the Trade Act of 1974, and for other purposes..... S. 1376
- (Introduced by Mr. Long for himself and others.)  
To amend title IV of the Social Security Act to improve the operation of the AFDC program, to give the States a fiscal incentive to reduce error and waste in the AFDC program, to permit the States to use savings from the AFDC program to defray the costs of other welfare programs, to make it clear that States may impose work requirements as a condition for eligibility for AFDC payments, and to establish a demonstration project to provide a pilot test of the States' ability to create their own welfare programs as an alternative to the AFDC program..... S. 1382
- (Introduced by Mr. Boren for himself and others.)  
To amend title IV of the Social Security Act to provide for a demonstration program of block grants to States in lieu of Federal matching for aid to families with dependent children..... S. 1579
- (Introduced by Mr. Chafee for himself and others.)  
To amend the Internal Revenue Code of 1954 to provide an exclusion for income earned abroad attributable to certain charitable services..... S. 1703
- To amend the investment credit provisions of the Internal Revenue Code of 1954 to accelerate the time for applying the 90 percent limit based on tax liability and then provide for refundability of currently earned investment credits after the close of the year in which earned and for refundability of any previously earned but unused investment credit after the close of the last year to which the unused credit may be carried..... S. 2157
