RE: NIMH U-19 grant: "The Emory GSK NIKH Collaborative Mood Disorders Institute-
basic science and clinical research program
COI Case # 2004-021-01

Dear Dr. Nemeroff:

The School of Medicine Conflict of Interest Committee understands that the SCIREX is no longer in business and that you have chosen to keep your consulting fees from GlaxoSmithKline (CSIC) to a level that is less than \$10,000 annually. Under these circumstances, you do not have a conflict of interest with either project mentioned above.

Please do not hesitate to contact me at [REDACTED] if you have any questions or need assistance.

Sincerely,

Brenda J. Seiton, J.D.
Assistant Dean for Administration
