### **No Social Security for Nazis Act** **Summary of Provisions**

#### **Sec. 2 –**

#### **Sec. 3 –**

- Requires those whose citizenship has been revoked due to participation in Nazi persecutions (as defined in the Immigration and Nationality Act), concealment of a material fact regarding such participation, or willful misrepresentation about such participation, to be considered to have been removed (and no longer eligible for benefits) as of the date of the revocation of citizenship.
- Requires those who, pursuant to a settlement agreement with the Attorney General, have admitted to conduct described in the Immigration and Nationality Act (relating to participation in Nazi persecutions) and who pursuant to such settlement agreement have renounced their citizenship, to be considered to have been removed (and no longer eligible for benefits) as of the date citizenship was renounced.

- Requires the Attorney General to notify the Commissioner of Social Security of all individuals who have been removed or whose citizenship has been revoked due to participation in Nazi persecutions (as defined in the Immigration and Nationality Act), or who pursuant to a settlement agreement with the Attorney General have admitted to participation in Nazi persecutions and renounced their citizenship, not later than 7 days after such removal, revocation, or renunciation of nationality (or in the case of such actions that occurred before the enactment of the bill, not later than 7 days after the date of enactment of this Act).
- Not later than 30 days after the date of enactment of this Act, requires the Attorney General to certify to the Committee on Ways and Means and the Committee on Finance that the Commissioner of Social Security has been notified of each removal, revocation, or renunciation of nationality. Not later than 30 days after each notification, the Commissioner of Social Security shall certify to the Committee on Ways and Means and the Committee on Finance that benefits were terminated.
