

Amendment List
Original Bill Entitled the Tax Cuts and Jobs Act
November 13, 2017

Committee Number	Senator	Summary	Off-Set
1	Hatch 1	Proposals designed to ensure compliance with section 313(b)(1)(E) of the Congressional Budget Act of 1974, as amended	The amendment will not need to be offset since it is designed to eliminate deficit increases for fiscal years beyond those contained in the current budget resolution.
2	Hatch 2	An amendment to the catch up contribution rules for section 401(k), 403(b) and 457)(b) retirement savings plans	This amendment is expected to raise revenue in the 10-year budget window
3	Hatch 3	An amendment to certain rules relating to Individual Retirement Accounts (IRAs)	This amendment is expected to raise revenue in the 10-year budget window
4	Hatch 4	An amendment to section 170 of the Internal Revenue Code	Approval of this amendment will be contingent on providing an appropriate offset
