

# Life Alliance Organ Recovery Agency (LAORA)

Organ Procurement Transplant Network Membership and Professional  
Standards Committee informal discussion presentation

September 25, 2019

## Case specifics

## Outcome

### **Donor, family, and donation**

- Donor family's wishes were honored, successful donation;
- Donation process was performed with compassion, sensitivity and sensibility to the donor family.

### **Process**

- The family changed their mind at a time during the donation process that rendered the remaining process difficult.

## LAORA team (management and frontline) Discussion

### **RCA**
