EXECUTIVE ORDER

VETERANS REGULATION NO. 1

ENTITLEMENT TO PENSIONS

WHEREAS, Section 1, Title I, of Public No. 2, 73rd Congress, entitled "An Act To maintain the credit of the United States Government," provides:

"SEC. 1. That subject to such requirements and limitations as shall be contained in regulations to be issued by the President, and within the limits of appropriations made by Congress, the following classes of persons may be paid a pension: (a) Any person who served in the active military or naval service and who is disabled as a result of disease or injury or aggravation of a preexisting disease or injury incurred in line of duty in such service. (b) Any person who served in the active military or naval service during the Spanish-American War, including the Boxer Rebellion and the Philippine Insurrection, or the World War, and who is permanently disabled as a result of injury or disease: Provided, That nothing contained

in this title shall deny a pension to a Spanish-American War veteran past the age of sixty-two years entitled to a pension under existing law, but the President may reduce the rate of pension as he may deem proper. (c) The widow, child, or children, dependent mother or father, of any person who dies as a result of disease or injury incurred or aggravated in line of duty in the active military or naval service. (d) The widow and/or child of any deceased person who served in the active military or naval service during the Spanish-American War, including the Boxer Rebellion and the Philippine Insurrection. (e) For the purpose of subparagraph (b) of this section, the World War shall be deemed to have ended November 11, 1918."

NOW, THEREFORE, by virtue of the authority vested in me by said law, the following regulation is hereby promulgated:

### PART I

#### PENSIONS TO VETERANS AND THE DEPENDENTS OF VETERANS FOR DISABILITY OR DEATH RESULTING FROM ACTIVE MILITARY OR NAVAL SERVICE DURING THE SPANISH-AMERICAN WAR, BOXER REBELLION, PHILIPPINE INSURRECTION, AND/OR THE WORLD WAR.

I. (a) For disability resulting from personal injury or disease contracted in line of duty, or for aggravation of a preexisting injury or disease contracted or suffered in line of duty, when such disability was incurred in or aggravated by active military or naval service during an enlistment or employment entered into on or after April 21, 1898 and before August 13, 1898, where the injury or disease was incurred or aggravated prior to July 5, 1902; or during an enlistment or employment where there was actual participation in the Philippine Insurrection on or after August 13, 1898, and before July 5, 1902; provided, however, that if the person was serving with the United States military forces engaged in the hostilities in the Moro Province the dates herein stated shall extend to July 15, 1903; or during an enlistment or employment where there was actual participation in the Boxer Rebellion on or after June 20, 1900, and before May 13, 1901; or during an enlistment or employment entered into on or after April 6, 1917, and before November 12, 1918, where the disease or injury was incurred prior to July 2, 1921; provided, however, if the person was serving with the United States military forces in Russia the dates herein shall be extended to April 1, 1920; or where such disability was incurred in or aggravated by active military or naval service during an enlistment or employment where there was active service in the Spanish-American War, or actual participation in the Boxer Rebellion, or Philippine Insurrection, or active service in the World War during the dates specified, the United States will pay to any person thus disabled and who was honorably discharged a pension as herein-after provided but no pension shall be paid if the disability is the result of the person's own misconduct.

(b) That for the purposes of paragraph I (a) hereof every person employed in the active military or naval service for 90 days or more, shall be taken to have been in sound condition when examined, accepted and enrolled for service except as to defects, infirmities or disorders noted at time of the examination, acceptance and enrollment, or where evidence, or medical judgment is such as to warrant a finding that the injury or disease existed prior to acceptance and enrollment.

(c) That for the purposes of paragraph I (a) hereof a chronic disease becoming manifest to a degree of 10% or more within one year

from the date of separation from active service as set forth therein shall be considered to have been incurred in or aggravated by service as specified therein notwithstanding there is no record of evidence of such disease during the period of active service; provided the person suffering from such disease served 90 days or more in the active service as specified therein; provided, however, that—Where there is affirmative evidence to the contrary, or evidence to establish that an intercurrent injury or disease which is a recognized cause of such chronic disease, has been suffered between the date of discharge and the onset of the chronic disease, or the disability is due to the person's own misconduct, service connection will not be in order.

(d) That for the purposes of paragraph I (a) hereof a preexisting injury or disease will be considered to have been aggravated by active military service as provided for therein where there is an increase in disability during active service unless there is a specific finding that the increase in disability is due to the natural progress of the disease.

II. That for the purposes of part I, paragraph I (a) hereof, if the disability results from injury or disease—

(a) If and while the disability is rated 10 per centum the monthly pension shall be \$8.00.

(d) If and while the disability is rated 75 per centum the monthly pension shall be \$60.00.

(e) If and while the disability is rated as total the monthly pension shall be \$80.00.

(f) If the disabled person, as the result of service incurred disability, has suffered the anatomical loss or the loss of the use of only one foot, or one hand, or one eye, the rate of pension provided in part I, paragraph II (a) to (d), shall be increased by \$20.00 per month.

(g) If the disabled person, as the result of service incurred disability, has suffered the anatomical loss of both hands, or of both feet, or of one hand and one foot, or is so helpless as to be in need of regular aid and attendance, the monthly pension shall be \$100.00.

(h) If the disabled person, as the result of service incurred disability, has suffered the anatomical loss of both hands and one foot, or of both feet and one hand, the monthly pension shall be \$150.00.

(i) If the disabled person, as the result of service incurred disability, is blind in both eyes, having only light perception, the monthly pension shall be \$175.00.

(j) If the disabled person, as the result of service incurred disability, is blind in both eyes, having only light perception, and has suffered the anatomical loss of one hand or of one foot, the monthly pension shall be \$200.00.

(k) If the disabled person, as the result of service incurred disability, has suffered the anatomical loss of both feet and both hands; or is blind in both eyes, having only light perception, and has also suffered the anatomical loss of both hands or of both feet or of one hand and one foot, the monthly pension shall be \$250.00.

III. That for the purposes of paragraph I hereof any person, who on or after April 6, 1917 and prior to November 12, 1918 applied for enlistment or enrollment in the active military or naval forces and who

IV. The surviving widow, child or children, and/or dependent mother or father of any deceased person who died as a result of injury or disease incurred in or aggravated by active military or naval service as provided for in part I, paragraph I hereof shall be entitled to receive pension at the monthly rates specified next below:

## PART III

## PAYMENT OF PENSION FOR DISABILITIES OR DEATH NOT THE RESULT OF SERVICE

I. (a) Any person who served in the active military or naval service, for a period of ninety days or more, during either the Spanish-American War, the Boxer Rebellion, the Philippine Insurrection or the World War, who is shown to have been in active service therein before the cessation of hostilities and to have been honorably discharged from such service shall be entitled to receive a pension for permanent total disability not the result of his misconduct and which is not shown to have been incurred in any period of military or naval service: Provided, that—

(b) To be entitled to pension under the terms of Part III, a veteran of either the Boxer Rebellion or of the Philippine Insurrection must be shown to have actually participated therein during his period of service.

(c) That for the purpose of paragraph I (a) hereof, the World War shall be deemed to have ended November 11, 1918, and the delimiting periods of the Spanish-American War, the Boxer Rebellion, and the Philippine Insurrection shall be as specified in Part I.

(d) In determining the period of active service for the purpose of Part III, it is not requisite that the ninety days' period of service shall have been completed before the cessation of hostilities. It is necessary, however, that a claimant hereunder shall have entered service prior to the cessation of hostilities and shall have served continuously thereafter for ninety days. A period of continuous active service for ninety days which commenced prior to, and extended into a period of hostilities as defined by Part I, shall be considered as meeting the service requirements of Part III.

(e) Except as provided in paragraph I (g) hereof, no pension shall be payable under Part III for permanent disability less than total. A permanent total disability shall be taken to exist when there is present any impairment of mind or body which is sufficient to render it impossible for the average person to follow a substantially gainful occupation and where it is reasonably certain that such impairment will continue throughout the life of the disabled person. Notwithstanding this definition the Administrator of Veterans' Affairs is hereby authorized to classify as permanent and total those diseases and disorders, the nature and extent of which in his judgment is such as to justify such a determination.

(f) The amount of pension payable under the terms of Part III shall be \$20 monthly, provided, that—

(g) Any veteran of the Spanish-American War over sixty-two years of age who meets the other requirements of Part III shall be entitled to receive a pension in the amount of \$6.00 monthly for disability less than permanent total in degree.

II. (a) Payment of pension provided by Part III, except as provided in paragraph I (g) shall not be made to any unmarried person whose annual income exceeds \$1,000, or to any married person or any person with minor children whose annual income exceeds \$2500.

(b) Whenever the income of any beneficiary to whom pension has been allowed under Part III exceeds the amount specified in this paragraph, the award of pension shall be discontinued.

(c) Whenever it may be considered to be necessary for the purpose of this paragraph, the Veterans' Administration may require from any beneficiary under Part III such information, proofs or evidence as may be desired in order to determine the annual income of such beneficiary.

III. (a) The surviving widow and/or child or children of any deceased person who served in the active military or naval service during either the Spanish-American War, the Boxer Rebellion or the Philippine Insurrection, and whose service therein was as defined by Part III, paragraph I hereof, shall be entitled to receive a pension at the monthly rates specified next below:

|  |                      |
|--|----------------------|
| Widow but no child.....  | \$15                 |
| Widow and one child.....   | 20                   |
| (with \$3 monthly for each additional child)                                     |                      |
| No widow but one child.....  | 12                   |
| No widow but two children.....   | 15 (equally divided) |
| No widow but three children.....   | 20 (equally divided) |
| (with \$2 monthly for each additional child; total amount to be equally divided) |                      |

(b) The total pension payable under this paragraph shall not exceed \$27.00 month'y. Where such benefits would otherwise exceed \$27.00 monthly, the amount of \$27.00 may be apportioned as the Administrator of Veterans' Affairs may prescribe.

APPEAL.

WHEREAS, Section 9, Title I, of Public No. 2, 73d Congress, entitled "An Act To maintain the credit of the United States Government," provides:

"Claims for benefits under this title shall be filed with the Veterans' Administration under such regulations, including provisions for hearing, determination, and administrative review, as the President may approve, and payments shall not be made for any period prior to date of application. When a claim shall be finally disallowed under this title and the regulations issued thereunder, it may not thereafter be reopened or allowed."

NOW, THEREFORE, by virtue of the authority vested in me by said law, the following regulation is hereby promulgated:

#### PART I

EFFECTIVE DATES OF AWARDS OF DISABILITY AND DEATH PENSIONS

I. The effective date of an award of pension shall be as follows:

(a) The effective date of an award of pension shall be fixed in accordance with the facts found, except that:

(1) No award of disability or death pension shall be effective prior to the date of the veteran's separation from service, date of the veteran's death, date of the happening of the contingency upon which disability or death pension is allowed, or the date of receipt of application therefor, whichever is the later date.

(2) In the event the claimant's application is not complete at the time of original submission, the Veterans' Administration will notify the claimant of the evidence necessary to complete the application and if such evidence is not received within six months from the date of request therefor, pension may not be paid by virtue of that application.

II. The effective date of an award of increased pension shall be fixed in accordance with the facts found, except that:

(a) No award of increased pension may be effective for any period prior to the date of receipt of the evidence showing entitlement thereto.

(b) For the purpose of this Regulation, increased pension shall be taken to mean any award of pension amending, reopening, or supplementing a previous award, by authorizing payments not theretofore authorized to the particular individual involved because of any reason.

III. The effective date of reduction or discontinuance of compensation, disability allowance and/or pension shall be fixed in accordance with the facts found, except that:

(a) Reductions and discontinuances by reason of Public No. 2, 73d Congress, of benefits being paid, on the date of approval thereof, pursuant to the laws in effect prior to the date of enactment of Public No. 2, 73d Congress, shall be June 30, 1933, the last day of the third calendar month after the date of enactment of Public No. 2, 73d Congress, unless sooner reduced or discontinued under the provisions of such prior laws.

(b) Where disability or death pension has been awarded pursuant to the provisions of Public No. 2, 73d Congress, and a reduction or discontinuance is thereafter effected as to rates, such reduction or discontinuance shall be effective the last day of the month in which the reduction or discontinuance is approved.

(c) Reductions or discontinuances because of the death of a disabled person receiving a pension shall be effective as of the date of death.

(d) Discontinuance of a pension because of remarriage or death of a widow shall be effective the date next preceding the date of her remarriage, or upon the date of her death.

(e) Discontinuance or reduction of a pension to or because of a child reaching the age of sixteen years, or being married, or dying, shall be effective the date next preceding the sixteenth birthday or next preceding the date of marriage or will be effective upon the date of death.

(f) Where there is fraud shown to have been committed by the person receiving pension or with his or her knowledge the effective date of discontinuance shall be as of the effective date of the award to such person.

(g) Discontinuance of a pension because of the receipt of active service or retirement pay shall be effective as of the date next preceding the date of commencement of such pay.

IV. (a) Pension payable to a widow shall continue until death or remarriage, provided, however, that where pension is properly discontinued by reason of remarriage, it shall not thereafter be recommenced.

(b) Pension to a dependent mother or father shall continue during dependency until death or remarriage of the mother or father, whether the dependency arises prior or subsequent to the death of the veteran, except that no pension shall be payable to any mother or father where the dependency arises more than ten years subsequent to the death of the veteran.

(c) Pension to or for a child shall continue only until the child's sixteenth birthday or marriage, or, if permanently and totally incapable of self-support, as outlined in Regulation 10, until the child's marriage or death, but only during the continuance of such permanent and total incapacity.

V. Any accrued pension or emergency officers' retirement pay, not paid during the lifetime of the person entitled thereto, shall, upon the death of such person, be paid, first, as reimbursement to the person paying the expenses of burial of the person found to be entitled to pension or emergency officers' retirement pay, to an extent not to exceed \$75, and any accrued fund not used in this manner shall be paid to the surviving widow of a person entitled to the pension or emergency officers' retirement pay, or, if there be no surviving widow to the surviving child or children under sixteen years of age of the person entitled, provided, however, that no payment shall be made unless claim therefor be filed within one year from the date of the death of the person entitled and perfected by the submission of the necessary evidence within six months from the date of the request of the Veterans' Administration therefor. Accrued pension or emergency officers' retirement pay shall only include payments due and unpaid at the time of death under then existing ratings.

## PART II

### PROCEDURE FOR FILING CLAIMS AND REVIEW OF CLAIMS ON APPEAL

I. A specific claim on the form prescribed by the Administrator of Veterans' Affairs must be filed by a veteran, who is not already on the rolls of the Veterans' Administration, with the Veterans' Administration for benefits under Public No. 2, 73d Congress, involving disabilities and deaths resulting from injury or disease incurred or aggravated in line of duty in war-time or peace-time service and disabilities and deaths not incurred in service.

II. All questions on claims involving benefits under the laws administered by the Veterans' Administration (other than degree of disability) shall be subject to one review on appeal to the Administrator of Veterans' Affairs. Jurisdiction to render final decision on questions so reviewed on appeal shall vest in such persons as shall be designated by the Administrator of Veterans' Affairs. When a claim shall be disallowed under delegation of authority as contained in Section 8, Public No. 2, 73d Congress, and this Regulation, it may not thereafter be reopened or allowed, and no claim based upon the same factual basis shall be considered, except where subsequent to such disallowance new and material evidence in the form of official reports from the proper service department is secured the Administrator of Veterans' Affairs may authorize the reopening of the claim and review of the former decision.

III. Applications for review on appeal to the Administrator of Veterans' Affairs shall be filed (excepting in those claims involving

simultaneously contested claims, (see paragraph X (a) hereof)) within six months from the date of mailing of notice of the result of initial review or determination or from July 1, 1933, whichever is the later date. Applications for review must be filed with the activity which entered the denial. If no application for review on appeal is filed in accordance with this regulation within the time limit specified, the action taken on initial review or determination shall become final and the claim will not thereafter be reopened or allowed, except where subsequent to such disallowance new and material evidence in the form of official reports from the proper service department is secured the Administrator of Veterans' Affairs may authorize the reopening of the claim and review of the former decision. If application for review on appeal is entered within the time limit specified by regulations, a reasonable time thereafter will be allowed, if requested, for the perfection of the appeal and the presentation of additional evidence before final determination or decision is made.

IV. Exclusive jurisdiction for the review of emergency officers' retirement claims covered by Section 10, Public No. 2, 73d Congress, shall be vested in such persons as shall be designated by the Administrator of Veterans' Affairs. Following initial determination the same rules and regulations governing applications for review to the Administrator of Veterans' Affairs as provided in this Regulation will be for application.

V. Application for review on appeal may be made in writing by the claimant, his legal guardian, or such accredited representative as shall be selected by him. Not more than one recognized organization or representative will be recognized at any one time in the prosecution of any claim.

VI. Application for review on appeal may be made by such officials of the Veterans' Administration as may be designated by the Administrator of Veterans' Affairs at any time within the time limit provided by this Regulation.

VII. In each application for review on appeal the name and service of the veteran on account of whose service the claim is based must be stated, together with the number of the claim and the date of the action from which the appeal is taken. The application must clearly identify the benefit sought.

VIII. Each application for review on appeal must contain specific assignments of the alleged mistake of fact or error of law in the adjudication of said claim, and any application for review on appeal insufficient in this respect may be dismissed.

IX. All cases received pursuant to application for review on appeal shall be considered and decided in regular order according to their places upon the docket, unless for cause shown a case may be advanced on motion for earlier consideration and determination. Every such motion shall set forth succinctly the grounds upon which it is based. No such motion will be granted except in cases involving interpretations of law of general application affecting other claims, or for other sufficient cause shown.

X. (a) In simultaneously contested claims where one is allowed and one rejected, the time allowed for the filing of an application for review on appeal shall be sixty days from the date of mailing notice of the original action to the claimant to whom the action is adverse. In such cases the activity concerned shall promptly notify all parties

in interest of the original action taken, expressly inviting attention to the fact that an application for review on appeal will not be entertained unless filed within the period of sixty days herein prescribed. Such notices shall be forwarded to the parties in interest to the last known address of record.

(b) Upon the filing of an application for review on appeal in simultaneously contested claims, all parties other than the applicant for review on appeal whose interests may be adversely affected by the decision, shall be notified of the substance thereof and allowed thirty days from date of mailing of such notice within which to file brief or argument in answer thereto before the record is forwarded on application for review on appeal. The notice herein referred to shall be forwarded to the last known address of record of the parties whose interest may be adversely affected, and such action shall constitute sufficient evidence of notice.

XI. An application for review on appeal shall not be entertained unless it is in conformity with paragraphs V to X, inclusive.

"For each class of persons specified in subparagraphs (a) and (b) of section 1 of this title the President is hereby authorized to prescribe by regulation the minimum degrees of disability and such higher degrees of disability, if any, as in his judgment should be recognized and prescribe the rate of pension payable for each such degree of disability. In fixing rates of pensions for disability or death the President shall prescribe by regulation such differentiation as he may deem just and equitable, in the rates to be paid to veterans of different wars and/or their dependents and to be paid for

not twenty-five per cent; twenty-five per cent including those twenty-five per cent but not fifty per cent; fifty per cent including those fifty per cent but not seventy-five per cent; seventy-five per cent, including those seventy-five per cent but not total; and total, one hundred per cent. ## EXECUTIVE ORDER

### VETERANS REGULATION NO. 12

#### PRESUMPTION OF ENTITLEMENT TO PENSIONS FOR SPANISH-WAR VETERANS AND CERTAIN WIDOWS, CHILDREN AND DEPENDENT PARENTS OF DECEASED WORLD WAR VETERANS.

WHEREAS Section 4, Title I, of Public No. 2, 73rd Congress entitled, "An Act To maintain the credit of the United States Government", provides:

"The President shall prescribe by regulation (subject to the provisions of section 1 (e) of this title) the date of the beginning and of the termination of the period in each war subsequent to the Civil War, including the Boxer Rebellion and the Philippine Insurrection, service within which shall for the purposes of this Act be deemed war-time service. The President shall further prescribe by regulation the required number of days of war or peace time service for each class of veterans, the time limit on filing of claims for each class of veterans and their dependents, the nature and extent of proofs and presumptions for such different classes, and any other requirements as to entitlement as he shall deem equitable and just. The President in establishing conditions precedent may prescribe different requirements or conditions for the veterans of different wars and their dependents and may further subdivide the classes of persons as outlined in section 1 of this title and apply different requirements or conditions to such subdivisions."

AND WHEREAS, it is realized that veterans of the Spanish-American War, the Boxer Rebellion and the Philippine Insurrection, who have heretofore received a pension, having in mind the period of time which has elapsed since the cessation of hostilities, will be at a decided disadvantage in endeavoring to secure evidence showing that their injury or disease was incurred in line of duty in the active military or naval service:

AND WHEREAS, it is realized that those widows, children or dependent parents of deceased veterans of the World War who have heretofore received compensation under the presumptive provisions of the World War Veterans' Act, 1924, as amended, will likewise be at a disadvantage in endeavoring to secure evidence to show that the injury or disease from which the veteran died was incurred in the line of duty in the active military or naval service:

NOW THEREFORE, By virtue of the authority vested in me by said law the following Regulation is hereby promulgated:

Veterans of the Spanish-American War, including the Boxer Rebellion and the Philippine Insurrection, and every widow, child or children, dependent father or mother of a deceased World War veteran who were in receipt of pension or compensation at the date of enactment of Public No. 2, 73rd Congress, shall be entitled to continue to receive a pension under this Act at the rate being paid them on the date of enactment of Public No. 2, 73rd Congress, it being presumed

that the injury or disease causing the disability or death was incurred in the line of duty in the active military or naval service during either the Spanish-American War, including the Boxer Rebellion and Philippine Insurrection, or the World War, but such presumption shall be rebuttable and the Administrator of Veterans' Affairs is hereby authorized and directed to cause to be reviewed all such claims, and where on the basis of medical judgment or affirmative evidence it is determined that the injury or disease causing disability or death was not incurred in the line of duty in the active military or naval service, to discontinue payment of pension as of the last day of the calendar month during which such determination is made.
