MARKING OF IMPORTED ARTICLES

COMMITTEE AMENDMENT, AS MODIFIED, TO SECTION 304, REQUIRING THAT MARKING, STAMPING, ETC., OF IMPORTED ARTICLES BE AS NEARLY INDELIBLE AND PERMANENT AS THE ARTICLE WILL PERMIT, AND THAT THE SECRETARY OF THE TREASURY MAY, BY REGULATION, REQUIRE CONTAINERS ONLY BE MARKED IF MARKING WOULD INJURE THE ARTICLES

REVISION OF THE TARIFF

The Senate, as in Committee of the Whole, resumed the consideration of the bill (H. R. 2667) to provide revenue, to regulate commerce with foreign countries, to encourage the industries of the United States, to protect American labor, and for other purposes.

* * * * *
Mr. SMOOT. Mr. President, on page 285, line 1, after the word "if," I move to strike out the words "he is satisfied that."

The VICE PRESIDENT. The question is on the amendment offered by the Senator from Utah to the amendment of the committee.

Mr. ROBINSON of Arkansas. Mr. President, if there is to be a vote I think we ought to have a quorum.

Mr. SMOOT. I will say to the Senator from Arkansas that I have submitted the two amendments I am now offering to this paragraph to the Senator from Georgia [Mr. GEORGE], and he is in favor of the amendments.

Mr. ROBINSON of Arkansas. What are the amendments?

Mr. SMOOT. On page 285, line 1, after the word "if," strike out "he is satisfied that," so that it will read:

if such article is incapable of being marked.

And not leave it to the satisfaction of the Secretary.

Mr. ROBINSON of Arkansas. That improves the language.

Mr. SMOOT. Yes.

Mr. SIMMONS. As I understand, the Senator is merely offering amendments to perfect the committee amendment?

Mr. SMOOT. Yes; that is all.

On line 3, page 285, I move to strike out the word "that" and insert the word "if," so that it will read:

or if the marking, stamping, branding, or labeling—

And so forth.

The VICE PRESIDENT. The question is on agreeing to the amendment offered by the Senator from Utah to the amendment of the committee.

The amendment to the amendment was agreed to.

The VICE PRESIDENT. The question is on the amendment as amended.

* * * * *

The VICE PRESIDENT. The question is on agreeing to the amendment as modified.

Mr. SMOOT. I ask for the yeas and nays.

The yeas and nays were ordered, and the Chief Clerk proceeded to call the roll.

Mr. LA FOLLETTE (when Mr. BLAINE's name was called). My colleague [Mr. BLAINE] is unavoidably absent, as I have heretofore announced. If present, he would vote "nay."

Mr. HATFIELD (when his name was called). I have a pair with the junior Senator from Wisconsin [Mr. BLAINE]. If he were present, he would vote "nay," and if I were permitted to vote I should vote "yea."

Mr. SMOOT. Mr. President, I ask unanimous consent that the roll call be dispensed with. I make the request for the reason that if the clerk is right in what he has said to me as to the pending question, then Senators are voting under a misunderstanding. Now I ask the Chair—

Mr. ROBINSON of Arkansas. Mr. President, a point of order.

Mr. SMOOT. I have asked unanimous consent that the roll call may be dispensed with.

Mr. ROBINSON of Arkansas. The clerk has no business making speeches to the Senator from Utah while the roll is being called.

Mr. SMOOT. I asked the clerk to inform me as to what the question was.

Mr. ROBINSON of Arkansas. I have no objection to the Chair stating the question.

The VICE PRESIDENT. The question is on the Senate committee amendment as modified, two modifications having been made this morning.

Mr. BLACK. Mr. President—

The VICE PRESIDENT. The Secretary will continue the calling of the roll. The Chief Clerk resumed calling the roll.

Mr. JONES (when his name was called). The senior Senator from Virginia [Mr. SWANSON] is absent on account of illness. I promised to take care of him during his absence, and therefore withhold my vote.

Mr. SIMMONS (when his name was called). I have a general pair with the junior Senator from Ohio [Mr. BURTON]. I transfer that pair to the junior Senator from Arkansas [Mr. CARAWAY] and vote "nay."

Mr. TYDINGS (when his name was called). I have a general pair with the senior Senator from Rhode Island [Mr. METCALF], who has been called away from the city. I transfer that pair to the senior Senator from Louisiana [Mr. RANSDELL], and vote "nay."

Mr. WATSON (when his name was called). I have a general pair with the Senator from South Carolina [Mr. SMITH], which I transfer to the Senator from Illinois [Mr. DENEN], and vote "yea."

The roll call was concluded.

Mr. CAPPER. I wish to announce that the junior Senator from Kansas [Mr. ALLEN] is necessarily absent. If he were present, he would vote "yea" on this amendment.

Mr. FESS. I desire to announce the following general pairs:

The Senator from Kansas [Mr. ALLEN] with the Senator from Montana [Mr. WHEELER];

The Senator from Indiana [Mr. ROBINSON] with the Senator from Mississippi [Mr. STEPHENS];

The Senator from Rhode Island [Mr. HEBERT] with the Senator from New York [Mr. COPELAND]; and

The Senator from Iowa [Mr. BROOKHART] with the Senator from Wyoming [Mr. KENDRICK].

The result was announced—yeas 28, nays 38, as follows:

So the committee amendment, as modified, was rejected.

Mr. REED. I move to reconsider the vote by which the last amendment was disagreed to.

* * * * *

Mr. REED. Mr. President, I doubt very much whether a majority of the Members of the Senate realized the question on which the vote was just taken. When I came into the Chamber at the beginning of the roll call I asked a number of my colleagues over here what the question was, and I was told that it was a vote upon the amendments to this section as a whole. I assumed that unanimous consent had been given that all of those amendments might be passed upon at once, and that that was what the vote was on. I know that that was the impression of many Senators who voted early on the roll call; in fact, I think it was the understanding of the Senator from Utah himself and that he had misunderstood a statement made by the clerk.

Mr. SMOOT. Mr. President, I did not misunderstand the statement made by the clerk. He advised me that the question was on the motion to insert the words "in a conspicuous place."

* * * * *

Mr. REED. I yield first to the Senator from Nebraska.

Mr. NORRIS. Mr. President, it seems to me we could clarify the situation by a statement from the Chair. If the Senator from Pennsylvania is right as to what we were really voting on, I would not have any contention with him whatever, but the Chair made a statement of the question on which we were voting, as I understand, that does not agree with the Senator's idea.

Mr. REED. Then let us have it cleared up at once.

The VICE PRESIDENT. The Chair stated that the question was on the Senate committee amendment, as modified. This morning the Senator from Utah offered two modifying amendments to the amendment, beginning in line 19, and the Chair was of the opinion that that was the amendment that has been considered all morning, which was perfected by two amendments offered by the Senator from Utah, and the Chair was submitting that amendment to the Senate.

* * * * *

Mr. ROBINSON of Arkansas. I was just suggesting that perhaps the Senator's request for unanimous consent should be that the vote by which the amendment was agreed to be reconsidered.

* * * * *

The VICE PRESIDENT. Is there objection to the unanimous-consent request submitted by the Senator from Nebraska? The Chair hears none, and it is so ordered.

MARKING OF IMPORTED ARTICLES

COMMITTEE AMENDMENT, AS MODIFIED, TO SECTION 304, REQUIRING THAT MARKING, STAMPING, ETC., OF IMPORTED ARTICLES BE AS NEARLY INDELIBLE AND PERMANENT AS THE ARTICLE WILL PERMIT, AND THAT THE SECRETARY OF THE TREASURY MAY, BY REGULATION, REQUIRE CONTAINERS ONLY BE MARKED IF MARKING WOULD INJURE THE ARTICLE.

[NOTE.—This vote was on the same question as the previous one concerning which there was much misunderstanding.]

(*Cong. Record, September 17, 1929; pages, Daily, 3833 and 3834; Permanent, 3693*)

The VICE PRESIDENT. The question is on agreeing to the committee amendment as modified, which the Secretary will state.

The CHIEF CLERK. The committee amendment as modified is as follows: Beginning on page 284, line 19, the committee proposes to strike out the words "prescribe and subject to such exceptions as may be made therein" and the period and to insert the words "prescribe. Such marking, stamping, branding, or labeling shall be as nearly indelible and permanent as the nature of the article will permit. The Secretary of the Treasury may, by regulations prescribed hereunder, except any article from the requirement of marking, stamping, branding, or labeling if such article is incapable of being marked, stamped, branded, or labeled or can not be marked, stamped, branded, or labeled without injury, or at an expense economically prohibitive of the importation, or if the marking, stamping, branding, or labeling of the immediate container of such article will reasonably indicate the country or origin of such article."

Mr. HEFLIN. Mr. President, is this the amendment that was voted on a little while ago, where it was sought to adopt the House provision instead of the Senate committee amendment?

The VICE PRESIDENT. It is a Senate committee amendment to the House provision.

Mr. FLETCHER. Why not vote on the other one at the same time, voting on the whole Senate committee amendment? The committee propose to insert the words "in a conspicuous place."

Mr. SMOOT. That amendment was passed over.

The VICE PRESIDENT. The question is on agreeing to the amendment as modified.

Mr. HARRISON. I ask for the yeas and nays.

The yeas and nays were ordered, and the Chief Clerk proceeded to call the roll.

Mr. HATHFIELD (when his name was called). I have a general pair with the junior Senator from Wisconsin [Mr. BLAINE], who is absent, I am informed that if he were present he would vote "nay." If I were permitted to vote, I would vote "yea."

Mr. JONES (when his name was called). Making the same announcement as before with reference to the necessary absence of the senior Senator from Virginia [Mr. SWANSON] and my pair with that Senator, I withhold my vote.

Mr. SIMMONS (when his name was called). Making the same announcement as to my pair with the junior Senator from Ohio [Mr. BURTON] and its transfer to the junior Senator from Arkansas [Mr. CARAWAY], I vote "nay."

Mr. WATSON (when his name was called). I have a general pair with the senior Senator from South Carolina [Mr. SMITH], which I transfer to the senior Senator from Illinois [Mr. DENEEN], and vote "yea."

The roll call was concluded.

Mr. PLESS. I desire to announce the following general pairs:

The Senator from Kansas [Mr. ALLEN] with the Senator from Montana [Mr. WHEELER];

The Senator from Iowa [Mr. BROOKHART] with the Senator from Wyoming [Mr. KENDRICK];

The Senator from Rhode Island [Mr. HEBERT] with the Senator from New York [Mr. COPELAND]; and

The Senator from Indiana [Mr. ROBINSON] with the Senator from Mississippi [Mr. STEPHENS].

Mr. TYDINGS. On this vote I have a general pair with the senior Senator from Rhode Island [Mr. METCALF]. Not knowing how he would vote, in his absence I withhold my vote, being unable to obtain a transfer. If permitted to vote, I would vote "nay."

The result was announced—yeas 40, nays 32, as follows:

COMMITTEE AMENDMENT TO STRIKE OUT THE HOUSE TEXT IMPOSING ON IMPORTED WHEAT MILLED INTO FLOUR IN BONDED WAREHOUSES, THE PAYMENT OF A DUTY EQUAL TO ANY REDUCTION OF DUTY GRANTED BY THE COUNTRY TO WHICH IT IS EXPORTED

(*Cong. Record, September 20, 1929; page, Daily 3975; Permanent 3826*)

The VICE PRESIDENT. They are separate amendments but related. So the first vote will be on the pending amendment of the committee to strike out lines 23, 24, and 25 at the bottom of page 294 and lines 1, 2, 3, and 4 at the top of page 295, in the following words:

No flour, manufactured in a bonded manufacturing warehouse from wheat imported after 90 days after the date of the enactment of this act, shall be withdrawn from such warehouse for exportation without payment of a duty on such imported wheat equal to any reduction in duty which by treaty will apply in respect of such flour in the country to which it is to be exported.

* * * * *
The VICE PRESIDENT. The Secretary will call the roll.

The Chief Clerk proceeded to call the roll.

Mr. HARRISON (when his name was called). On this question I am paired with the senior Senator from Colorado [Mr. PHIPPS] and withhold my vote.

WOULD RELIEVE SHIPOWNERS FROM LIABILITY WHEN GOODS

(*Cong. Record, September 23, 1929; page, Daily 4023; Permanent 3865*)

* * * * *

Mr. ROBINSON of Arkansas. Mr. President, the vote that was taken and the debate which has been had related, or should have related, to the amendments on page 447. In the paragraph on page 447 the subject of smoking opium, as stated by the Senator from Montana, is dealt with. On page 446 the amendments now under consideration relate to the question as to whether owners of vessels shall be held liable in case other property not manifested shall be found on their ships.

The House text was as follows:

It shall be unlawful to import into the United States any merchandise of foreign manufacture if such merchandise, or the label, sign, print, package, wrapper, or receptacle, bears a trade-mark owned by a citizen of, or by a corporation or association created or organized within, the United States, and registered in the Patent Office by a person domiciled in the United States, under the provisions of the act entitled "An act to authorize the registration of trade-marks used in commerce with foreign nations or among the several States or with Indian tribes, and to protect the same," approved February 20, 1905, as amended, and if a copy of the certificate of registration of such trade-mark is filed with the Secretary of the Treasury, in the manner provided in section 27 of such act, unless written consent of the owner of such trade-mark is produced at the time of making entry."

The Senate committee amendment was to strike out the comma and the words "unless written consent of the owner of such trade-mark is produced at the time of making entry."

(*Cong. Record, September 24, 1929; Page, Daily 4087; Permanent 3906*)

The VICE PRESIDENT. The question will be stated before the vote is taken so that there will be no mistake about it.

The CHIEF CLERK. The committee proposes, in section 526, page 428, in line 14, after the word "act," to strike out the words "unless written consent of the owner of such trade-mark is produced at the time of making entry."

The VICE PRESIDENT. The yeas and nays have been ordered, and the Secretary will call the roll.

The Chief Clerk proceeded to call the roll.

Mr. SMITH (when his name was called). I have a general pair with the senior Senator from Indiana [Mr. WATSON]. In his absence I withhold my vote.

The roll call was concluded.

Mr. FESS. I desire to announce the following general pairs:

The senior Senator from Massachusetts [Mr. GILLET] with the senior Senator from New York [Mr. COPELAND]; and

The senior Senator from New Hampshire [Mr. MOSES] with the junior Senator from Louisiana [Mr. BROUSSARD].

Mr. SHEPPARD. I desire to announce that the senior Senator from Arkansas [Mr. ROBINSON] and the senior Senator from Nevada [Mr. PITTMAN] are necessarily detained from the Senate on official business.

Mr. ROBINSON of Indiana. I have a general pair with the junior Senator from Mississippi [Mr. STEPHENS]. In his absence, not knowing how he would vote on this question, I withhold by vote.

Mr. SIMMONS. I have a general pair with the junior Senator from Ohio [Mr. BURTON]. That Senator is absent and I am unable to get a transfer. Therefore I withhold my vote. If I were at liberty to vote, I would vote "nay."

The result was announced—yeas 46, nays 31, as follows:

PRESIDENTIAL POWER

Equalization of Competitive Conditions (so-called flexible provisions)

MR. FLETCHER'S AMENDMENT (TO MR. SIMMONS'S SUBSTITUTE FOR MR. SMOOT'S SUBSTITUTE FOR SECTION 336, WITH REFERENCE TO THE FLEXIBLE PROVISIONS) TO MAKE EFFECTIVE BY PRESIDENTIAL PROCLAMATION, CHANGES IN RATES OF DUTY RECOMMENDED BY THE TARIFF COMMISSION SHOULD CONGRESS FAIL TO TAKE ACTION THEREON WITHIN THREE MONTHS

(*Cong. Record, October 2, 1929; page, Daily, 4376; Permanent, 4149*)

Mr. SIMMONS. Mr. President, the clerk has not read the first provision, which is a repeal of the present section of the tariff.

The VICE PRESIDENT. The Chair will announce that if the amendment is agreed to it repeals the provision referred to by the Senator from North Carolina.

Mr. SIMMONS. Very well. I want to have that understood.

The legislative clerk resumed and concluded reading Mr. SIMMONS's amendment, which is entire as follows:

In lieu of the matter proposed to be inserted by the amendment of Mr. SMOOT as a substitute for section 336 (p. 319, line 10, to and including line 12 on p. 320) insert the following:

SEC. 330. Recommendations for adjustment of duties: (a) Upon its own motion or upon application of any interested party showing good and sufficient reason therefor, the commission shall investigate and ascertain the differences in the cost of production of any domestic article and of any like or similar foreign article. If the commission finds it shown by the investigation that the duty imposed by law upon the foreign article does not equalize the differences in the cost of production of the domestic article and of the foreign article when produced in the principal competing country or countries, then the commission shall report to the President and to the Congress such increases or decreases in the duty upon the foreign article as the commission finds to be necessary in order to equalize such differences in the cost of production. Any such increased or decreased duty may include the transfer of the article from the dutiable list to the free list or from the free list to the dutiable list, a change in the form of duty, or a change in classification. The report shall be accompanied by a statement of the commission setting forth the findings of the commission with respect to the differences in costs of production, the elements of cost included in the cost of production of the respective articles as ascertained by the commission, and any other matter deemed pertinent by the commission.

The President, upon receipt of any such report of the commission, shall promptly transmit the report to the Congress with his recommendations, if any, with respect to the increase or decrease in duty proposed by the commission.

Any bill having for its object the carrying out, in whole or in part, of the recommendations made by the commission in any such report shall not include any item not included in such report; and in the consideration of such bill, either in the House of Representatives or in the Senate, no amendment thereto shall be considered which is not germane to the items included in such report.

(b) No report shall be made by the commission under this section unless the determination of the commission with respect thereto is reached after an investigation by the commission during the course of which the commission shall have held hearings and given reasonable public notice of such hearings, and reasonable opportunity for the parties interested to be present, produce evidence, and to be heard. The commission is authorized to adopt such reasonable rules of procedure as may be necessary to execute its functions under this section.

(c) In ascertaining the differences in costs of production under this section the commission shall take into consideration, in so far as it finds it practicable—

(1) The differences in conditions of production, including wages, costs of materials, and other items in cost of production of like or similar articles in the United States and in competing foreign countries;

(2) Costs of transportation;

(3) Other costs including the cost of containers and coverings of whatever nature, and other charges and expenses incident to placing the article in condition, packed ready for delivery, storage costs in the principal market or markets of the United States and of the principal competing country or countries, and costs of reconditioning or repacking wherever incurred;

(4) Differences between the domestic and foreign article in packing and containers, and in condition in which received in the principal markets of the United States;

(5) Differences in wholesale selling prices of domestic and foreign articles in the principal markets of the United States in so far as such prices are indicative of costs of production, provided such costs can not be satisfactorily obtained;

(6) Advantages granted to a foreign producer by a foreign government or by a person, partnership, corporation, or association in a foreign country; and

(7) Any other advantages or disadvantages in competition which increase or decrease in a definitely determinable amount the total cost at which domestic or foreign articles may be delivered in the principal market or markets of the United States.

The VICE PRESIDENT. The yeas and nays have been ordered.

Mr. FLETCHER. Mr. President, I desire to offer the following amendment to the amendment. At the conclusion of paragraph 2, page 2, strike out the period following the word "Commission" and insert a comma and the following language:

And if Congress fails or refuses to take any action thereon within three months and complete such action within four months thereafter, the President is authorized, by proclamation, to put into effect the changes in the rates of duty in accordance with his recommendation to Congress: *Provided*, Such changes in rates shall not exceed 50 per cent of the rates of duty provided in the law, either as to increases or decreases; but this proviso shall not apply to the free list.

Mr. SIMMONS. Mr. President, I am not able to accept the amendment offered by the Senator from Florida, because I think it violates the principle upon which Senators are favoring my amendment.

Mr. FLETCHER. Mr. President, I am not going to take time to discuss my amendment to the amendment. It is to meet a situation which I conceive will arise in two-thirds of the cases that may be submitted to Congress. The substitute provides that the Tariff Commission shall report to the President and that the President shall transmit that report to Congress with his recommendations respecting any increases or decreases in the rates of duty. Now, if that recommendation is satisfactory to the Congress, there is no need for any congressional action at all. The evidence that Congress finds it satisfactory will be established by the failure or declination of Congress to act within three months after the recommendation is made to it. I think that will meet probably two-thirds of the cases which will be presented. There is no need for congressional action in such cases. Congress will signify its acquiescence in the President's recommendation by simply declining to do anything for three months after the recommendation is laid before it.

The VICE PRESIDENT. The question is upon the amendment proposed by the Senator from Florida to the amendment of the Senator from North Carolina as modified.

Mr. MOSES. Let us have the yeas and nays.

The yeas and nays were ordered, and the legislative clerk proceeded to call the roll.

Mr. FESS (when Mr. BURTON's name was called). Upon this vote my colleague the junior Senator from Ohio [Mr. BURTON] is paired with the senior Senator from Minnesota [Mr. SHIPSTEAD]. If the Senator from Ohio were present and permitted to vote, he would vote "yea," and, I understand, that, if present and permitted to vote, the Senator from Minnesota would vote "nay."

Mr. ODDIE (when his name was called). On this question I have a pair with the Senator from South Dakota [Mr. NORBECK]. If he were present, he would vote "nay," and if I were permitted to vote I should vote "yea."

The roll call was concluded.

Mr. FESS. On this question the Senator from Kentucky [Mr. SACKETT] is paired with the Senator from Missouri [Mr. HAWES]. I understand the Senator from Kentucky, if present and permitted to vote, would vote "yea" and the Senator from Missouri, if present and permitted to vote, would vote "nay."

The result was announced—yeas 42, nays 47, as follows:

PRESIDENTIAL POWER

Equalization of Competitive Conditions (so-called flexible provisions)

MR. TRAMMELL'S AMENDMENT (TO MR. SIMMONS'S SUBSTITUTE FOR MR. SMOOT'S SUBSTITUTE FOR SECTION 336, WITH REFERENCE TO THE FLEXIBLE PROVISIONS) TO MAKE EFFECTIVE PRESIDENTIAL PROCLAMATION OF CHANGES IN RATES OF DUTY RECOMMENDED BY THE TARIFF COMMISSION SHOULD EITHER HOUSE OF CONGRESS, BY RESOLUTION, FAIL TO ACT WITHIN SIX MONTHS

(*Cong. Record, October 2, 1929; page, Daily, 4377; Permanent, 4150*)

Mr. TRAMMELL. Mr. President, I offer an amendment to the amendment.

The VICE PRESIDENT. The Senator from Florida will send it to the desk, and the Secretary will state it.

The LEGISLATIVE CLERK. In the amendment of the Senator from North Carolina [Mr. SIMMONS], as modified, on page 4, after line 25, it is proposed to add the following:

(d) That if Congress within six months after the date of the receiving of such report and recommendation from the President fails to act thereon, either by an act of both Houses or a resolution by either House of Congress, the President may, by proclamation, declare and fix such increase or decrease in rates of duty as recommended by him to Congress: *Provided*, That the total increase or decrease of such rates of duty shall not exceed 50 per cent of the rates specified in title 1 of this act, or in any amendatory act: *And provided further*, That 30 days after the date of such proclamation by the President the rates of duty so fixed by his proclamation shall be the duty thereafter imposed and collected upon the articles covered by his proclamation.

The VICE PRESIDENT. The question is on agreeing to the amendment of the Senator from Florida [Mr. TRAMMELL] to the amendment of the Senator from North Carolina [Mr. SIMMONS], as modified.

Mr. TRAMMELL. Mr. President, the amendment proposed by me to the amendment of the Senator from North Carolina in policy resembles that which was offered by my colleague [Mr. FLETCHER], but in its terms it is somewhat different. The amendment to the amendment provides that the President shall transmit his recommendation and the report of the Tariff Commission to Congress, and if the House or the Senate, acting alone, fails to adopt a resolution within the 6-month period, or if both Houses fail to pass an act upon his recommendation, that then the President may have the authority to issue his proclamation providing for the increase or decrease in the rate as recommended in his message to the Congress.

* * * * *
Mr. SIMMONS. Mr. President, I can not accept the amendment of the Senator from Florida to my amendment. It involves exactly the same principle as the amendment we have just voted down.

The VICE PRESIDENT. The question is on agreeing to the amendment offered by the Senator from Florida [Mr. TRAMMELL] to the amendment of the Senator from North Carolina [Mr. SIMMONS] as modified.

Mr. WATSON. Mr. President, on this question I demand the yeas and nays.

The yeas and nays were ordered, and the legislative clerk proceeded to call the roll.

Mr. FESS (When Mr. BURTON's name was called). On this question my colleague, the junior Senator from Ohio [Mr. BURTON] is paired with the senior Senator from Minnesota [Mr. SHIPSTEAD]. Were the junior Senator from Ohio present he would vote "yea," and the senior Senator from Minnesota, if present, would vote "nay."

Mr. ODDIE (when his name was called). On this question I have a pair with the senior Senator from South Dakota [Mr. NORBECK]. If he were present, he would vote "nay," and if I were permitted to vote I should vote "yea."

Mr. FESS (when Mr. SACKETT's name was called). On this question the senior Senator from Kentucky [Mr. SACKETT] is paired with the senior Senator from Missouri [Mr. HAWES]. If the senior Senator from Kentucky were present, he would vote "yea," and the senior Senator from Missouri, if present, would vote "nay."

The roll call having been concluded, the result was announced—yeas 41, nays 48, as follows:

PRESIDENTIAL POWER

Equalization of Competitive Conditions (so-called flexible provisions)

MR. SIMMONS'S SUBSTITUTE (FOR MR. SMOOT'S SUBSTITUTE FOR SECTION 336, WITH REFERENCE TO THE FLEXIBLE PROVISIONS) PROVIDING THAT THE TARIFF COMMISSION SHALL REPORT TO THE PRESIDENT AND CONGRESS AS TO NECESSARY CHANGES IN RATES OF DUTY TO EQUALIZE THE COST OF PRODUCTION; TO ELIMINATE THE POWER OF THE PRESIDENT TO PROCLAIM THEM, AND CONFINING BILLS TO CARRY OUT SUCH RATES EXCLUSIVELY TO THE ITEMS INCLUDED IN THE COMMISSION'S REPORT, ETC.

(*Cong. Record*, October 2, 1929; page, Daily, 4377; Permanent, 4150)

Mr. SMOOT. With no change. It is a substitute for section 336, beginning on page 319 of the bill.

The VICE PRESIDENT. The clerk will read the substitute amendment proposed by the Senator from Utah.

The CHIEF CLERK. Commencing on page 319, line 10, strike out down through page 326, line 12, and insert in lieu thereof the following:

Sec. 330. Equalization of costs of production: (a) In order to regulate the foreign commerce of the United States and to put into force and effect the policy of the Congress by this act intended, whenever the President, upon investigation by the United States Tariff Commission of the differences in costs of production of articles wholly or in part the growth or product of the United States and of like or similar articles wholly or in part the growth or product of competing foreign countries shall find it thereby shown that the duties fixed in this act do not equalize the said differences in costs of production in the United States and the principal competing country he shall, by such investigation, ascertain said differences and determine and proclaim the changes in classifications of increases or decreases in any rate of duty provided in this act shown by said ascertained differences in such costs of production necessary to equalize the same. Thirty days after the date of such proclamation or proclamations such changes in classification shall take effect, and such increased or decreased duties shall be levied, collected, and paid on such articles when imported from any foreign country into the United States or into any of its possessions (except the Philippine Islands, the Virgin Islands, American Samoa, and the island of Guam): *Provided*, That the total increase or decrease of such rates of duty shall not exceed 50 per cent of the rates specified in Title I of this act, or in any amendatory act.

(b) That in order to regulate the foreign commerce of the United States and to put into force and effect the policy of the Congress by this act intended, whenever the President, upon investigation by the United States Tariff Commission of the differences in costs of production of articles provided for in Title I of this act, wholly or in part the growth or product of the United States and of like or similar articles wholly or in part the growth or product of competing foreign countries, shall find it thereby shown that the duties prescribed in this act do not equalize said differences, and shall further find it thereby shown that the said differences in costs of production in the United States and the principal competing country can not be equalized by proceeding under the provisions of subdivision (a) of this section, he shall make such findings public, together with a description of the articles to which they apply, in such detail as may be necessary for the guidance of appraising officers. In such cases and upon the proclamation by the President becoming effective the ad valorem duty or duty based in whole or in part upon the value of the imported article in the country of exportation shall thereafter be based upon the American selling price, as defined in subdivision (f) of section 402 of this act, of any similar competitive article manufactured or produced in the United States embraced within the class or kind of imported articles upon which the President has made a proclamation under subdivision (b) of this section.

The ad valorem rate or rates of duty based upon such American selling price shall be the rate found, upon said investigation by the President, to be shown by the said differences in costs of production necessary to equalize such differences, but no such rate shall be decreased more than 50 per cent of the rate specified in Title I of this act upon such articles, nor shall any such rate be increased. Such rate or rates of duty shall become effective 15 days after the date of the said proclamation of the President, whereupon the duties so estimated and provided shall be levied, collected, and paid on such articles when imported from any foreign country into the United States or into any of its possessions (except the Philippine Islands, the Virgin Islands, American Samoa, and the island of Guam). If there is any imported article within the class or kind of articles, upon which the President has made public a finding, for which there is no similar competitive article manufactured or produced in the United States, the value of such imported article shall be determined under the provisions of paragraphs (1), (2), and (3) of subdivision (a) of section 402 of this act.

(c) That in ascertaining the differences in costs of production, under the provisions of subdivisions (a) and (b) of this section, the President, in so far as he finds it practicable, shall take into consideration (1) the differences in conditions in production, including wages, costs of material, and other items in costs of production of such or similar articles in the United States and in competing foreign countries; (2) the differences in the wholesale selling prices of domestic and foreign articles in the principal markets of the United States; (3) advantages granted to a foreign producer by a foreign government, or by a person, partnership, corporation, or association in a foreign country; and (4) transportation costs and any other advantages or disadvantages in competition.

Investigations to assist the President in ascertaining differences in costs of production under this section shall be made by the United States Tariff Commission, and no proclamation shall be issued under this section until such investigation shall have been made. The commission shall give reasonable public notice of its hearings and shall give reasonable opportunity to parties interested to be present, to produce evidence, and to be heard. The commission is authorized to adopt such reasonable procedure, rules, and regulations as it may deem necessary.

The President, proceeding as hereinbefore provided for in proclaiming rates of duty, shall, when he determines that it is shown that the differences in costs of production have changed or no longer exist which led to such proclamation, accordingly as so shown, modify or terminate the same. Nothing in this section shall be construed to authorize a transfer of an article from the dutiable list to the free list or from the free list to the dutiable list, nor a change in form of duty. Whenever it is provided in any paragraph of Title I of this act that the duty or duties shall not exceed a specified ad valorem rate upon the articles provided for in such paragraph, no rate determined under the provision of this section upon such articles shall exceed the maximum ad valorem rate so specified.

(d) For the purposes of this section any coal-tar product provided for in paragraphs 27 or 28 of Title I of this act shall be considered similar to or competitive with any imported coal-tar product which accomplishes results substantially equal to those accomplished by the domestic product when used in substantially the same manner.

(e) The President is authorized to make all needful rules and regulations for carrying out the provisions of this section.

(f) The Secretary of the Treasury is authorized to make such rules and regulations as he may deem necessary for the entry and declaration of imported articles of the class or

kind of articles upon which the President has made a proclamation under the provisions of subdivision (b) of this section and for the form of invoice required at time of entry.

(g) The term "transportation costs" means (1) in the case of an article wholly or in part the growth or product of competing foreign countries, the cost of transporting such article from the areas of substantial production in the principal competing country to the principal port of importation of such article into the United States; and (2) in the case of an article wholly or in part the growth or product of the United States, the cost of transporting such article from the areas of substantial production that can reasonably be expected to ship the article to the principal port of importation in the United States of the like or similar article wholly or in part the growth or product of competing foreign countries.

* * * * *
 Mr. SIMMONS. Mr. President, the clerk has not read the first provision, which is a repeal of the present section of the tariff.

The VICE PRESIDENT. The Chair will announce that if the amendment is agreed to it repeals the provision referred to by the Senator from North Carolina.

Mr. SIMMONS. Very well. I want to have that understood.

The legislative clerk resumed and concluded reading Mr. SIMMONS's amendment, which is entire as follows:

In lieu of the matter proposed to be inserted by the amendment of Mr. SMOOT as a substitute for section 336 (p. 319, line 10, to and including line 12 on p. 326) insert the following:

Sec. 336. Recommendations for adjustment of duties: (a) Upon its own motion or upon application of any interested party showing good and sufficient reason therefor, the commission shall investigate and ascertain the differences in the cost of production of any domestic article and of any like or similar foreign article. If the commission finds it shown by the investigation that the duty imposed by law upon the foreign article does not equalize the differences in the cost of production of the domestic article and of the foreign article when produced in the principal competing country or countries, then the commission shall report to the President and to the Congress such increases or decreases in the duty upon the foreign article as the commission finds to be necessary in order to equalize such differences in the cost of production. Any such increased or decreased duty may include the transfer of the article from the dutiable list to the free list or from the free list to the dutiable list, a change in the form of duty, or a change in classification. The report shall be accompanied by a statement of the commission setting forth the findings of the commission with respect to the differences in costs of production, the elements of cost included in the cost of production of the respective articles as ascertained by the commission, and any other matter deemed pertinent by the commission.

The President, upon receipt of any such report of the commission, shall promptly transmit the report to the Congress with his recommendations, if any, with respect to the increase or decrease in duty proposed by the commission.

Any bill having for its object the carrying out, in whole or in part, of the recommendations made by the commission in any such report shall not include any item not included in such report; and in the consideration of such bill, either in the House of Representatives or in the Senate, no amendment thereto shall be considered which is not germane to the items included in such report.

(b) No report shall be made by the commission under this section unless the determination of the commission with respect thereto is reached after an investigation by the commission during the course of which the commission shall have held hearings and given reasonable public notice of such hearings, and reasonable opportunity for the parties interested to be present, produce evidence, and to be heard. The commission is authorized to adopt such reasonable rules of procedure as may be necessary to execute its functions under this section.

(c) In ascertaining the differences in costs of production under this section the commission shall take into consideration, in so far as it finds it practicable—

(1) The differences in conditions of production, including wages, costs of materials, and other items in cost of production of like or similar articles in the United States and in competing foreign countries;

(2) Costs of transportation;

(3) Other costs including the cost of containers and coverings of whatever nature, and other charges and expenses incident to placing the article in condition, packed ready for delivery, storage costs in the principal market or markets of the United States and of the principal competing country or countries, and costs of reconditioning or repacking wherever incurred;

(4) Differences between the domestic and foreign article in packing and containers, and in condition in which received in the principal markets of the United States;

(5) Differences in wholesale selling prices of domestic and foreign articles in the principal markets of the United States in so far as such prices are indicative of costs of production, provided such costs can not be satisfactorily obtained.

(6) Advantages granted to a foreign producer by a foreign government or by a person, partnership, corporation, or association in a foreign country; and

(7) Any other advantages or disadvantages in competition which increase or decrease in a definitely determinable amount the total cost at which domestic or foreign articles may be delivered in the principal market or markets of the United States.

 The VICE PRESIDENT. The question now is upon the amendment, in the nature of a substitute, offered by the Senator from North Carolina [Mr. SIMMONS], upon which the yeas and nays have already been ordered. The clerk will call the roll.

The legislative clerk proceeded to call the roll.

Mr. FESS (when Mr. BURTON's name was called). On this question my colleague [Mr. BURTON] is paired with the Senator from Minnesota [Mr. SHIPSTEAD]. If my colleague were present and at liberty to vote, he would vote "nay," and if the Senator from Minnesota were present and voting he would vote "yea."

Mr. FESS (when Mr. SACKETT's name was called). Making the same announcement that I made a moment ago, the Senator from Kentucky [Mr. SACKETT] is paired with the Senator from Missouri [Mr. HAWES]. If they were present, the Senator from Kentucky would vote "nay," and the Senator from Missouri would vote "yea."

Mr. SCHALL (when Mr. SHIPSTEAD's name was called). My colleague [Mr. SHIPSTEAD] is ill. If he were present and voting, he would vote "yea."

The roll call having been concluded, the result was announced—yeas 47, nays 42, as follows:

VALUE OF IMPORTED MERCHANDISE, UNITED STATES VALUE

MR. KING'S SUBSTITUTE (FOR SUBDIVISION D OF SECTION 402, DEFINING UNITED STATES VALUE) TO RESTORE THE DEFINITION CONTAINED IN THE TARIFF ACT OF 1922 (WHICH WAS BASED FOR ASSESSMENT OF DUTY ON THE FOREIGN VALUE OR THE EXPORT VALUE) IN LIEU OF THE HOUSE TEXT, WHICH WAS MODIFIED BY THE COMMITTEE AMENDMENT SO AS TO PROVIDE FOR AN ESTIMATED VALUE BASED ON MERCHANDISE COMPARABLE IN CONSTRUCTION OR USE, SHOULD IT NOT BE POSSIBLE TO APPLY THE FOREIGN VALUE OR THE EXPORT VALUE

(*Cong. Record*, October 7, 1929; page, *Daily*, 4501; *Permanent*, 4299)

The VICE PRESIDENT. The next committee amendment passed over is on page 342. The amendment will be stated.

The LEGISLATIVE CLERK. The next amendment of the Committee on Finance is, on page 342, line 18, after the word "value," to strike out "having regard for differences in quality and other differences, based on the price at which merchandise, whether domestic or imported, comparable in construction or use to the imported merchandise, is so offered for sale," and insert "based on the price at which merchandise, whether imported or domestic, comparable in construction or use with the imported merchandise, is so offered for sale, with such adjustments as may be necessary owing to differences in size, material, construction, texture, and other differences," so as to read:

(d) United States value: The United States value of imported merchandise shall be (1) the price at which such or similar imported merchandise is freely offered for sale, at the time of importation of the imported merchandise, packed ready for delivery, in the principal market of the United States to all purchasers, in the usual wholesale quantities and in the ordinary course of trade, or (2) if such or similar imported merchandise is not so offered for sale in the United States, then an estimated value, based on the price at which merchandise, whether imported or domestic, comparable in construction or use with the imported merchandise, is so offered for sale, with such adjustments as may be necessary owing to differences in size, material, construction, texture, and other differences.

The PRESIDING OFFICER. The clerk will state the amendment for the information of the Senate.

The CHIEF CLERK. On page 342, beginning with line 10, strike out all of subdivision (d), relating to United States value, and insert in lieu thereof the following:

(d) United States value: The United States value of imported merchandise shall be the price at which such or similar imported merchandise is freely offered for sale, packed ready for delivery, in the principal market of the United States to all purchasers, at the time of exportation of the imported merchandise, in the usual wholesale quantities and in the ordinary course of trade, with allowance made for duty, cost of transportation and insurance, and other necessary expenses from the place of shipment to the place of delivery, a commission not exceeding 6 per cent, if any has been paid or contracted to be paid on goods secured otherwise than by purchase, or profits not to exceed 8 per cent and a reasonable allowance for general expenses, not to exceed 8 per cent on purchased goods.

Mr. WALSH of Massachusetts. Mr. President, I desire to ask the Senator from Utah [Mr. KING] a question in order that his answer may appear in the RECORD at this point following the reading of his amendment. As I understand his amendment it provides for the restoration of the language of the present law in place of the provision inserted in the bill by the House and the amendment offered by the Senate Finance Committee?

Mr. KING. The Senator states the situation correctly.

* * * * *

The VICE PRESIDENT. The question is on agreeing to the amendment of the junior Senator from Utah.

Mr. HARRISON. I demand the yeas and nays.

The yeas and nays were ordered, and the Chief Clerk called the roll.

Mr. KING. I am paired for the day with the Senator from Illinois [Mr. DENEEN], who is unavoidably absent, but on this question I find that I can transfer the pair to the Senator from Arizona [Mr. ASHURST], which I do, and vote "yea."

Mr. CARAWAY. I have a pair with the junior Senator from California [Mr. SHORTRIDGE]. Being unable to obtain a transfer, I withhold my vote. If permitted to vote I should vote "yea."

Mr. MOSES (after having voted in the negative). I inquire if the junior Senator from Louisiana [Mr. BROUSSARD] is recorded as having voted?

In all proceedings instituted under this section an American manufacturer or producer or wholesaler, or a representative of an American labor organization or labor association shall, with the permission of the court, granted in its discretion, have the right to appear, to offer evidence, to cross-examine witnesses and to be heard, as a party in interest, under such rules as the United States Customs Court may prescribe.

* * * * *

The LEGISLATIVE CLERK. On page 308, line 11, after the word "producer," it is proposed to insert:

So that the amendment will read:

In all proceedings instituted under this section an American manufacturer or producer engaged in the production or sale of like or similar articles to those which are the subject of the inquiry.

Also in line 13—

Mr. REED. Oh, no, Mr. President; the Senator means, I think, that that language should be inserted after the word "wholesaler," in line 11.

Mr. BARKLEY. Yes; it should be inserted after "wholesaler." I thought "producer" was the last word.

The LEGISLATIVE CLERK. Also, in line 13, after the word "association," it is proposed to insert the following:

The VICE PRESIDENT. The clerk will report the amendment for the information of the Senate.

The CHIEF CLERK. The Senator from Mississippi [Mr. HARRISON] moves to strike out section 516, beginning on page 411, in the following words:

SEC. 516. Appeal or protest by American producers: (a) Value: Whenever an American manufacturer, producer, or wholesaler believes that the appraised value of any imported merchandise of a class or kind manufactured, produced, or sold at wholesale by him is too low, he may file with the Secretary of the Treasury a complaint setting forth the value at which he believes the merchandise should be appraised and the facts upon which he bases his belief. The Secretary shall thereupon transmit a copy of such complaint to the appraiser at each port of entry where the merchandise is usually imported. Until otherwise directed by the Secretary, the appraiser shall report each subsequent importation of the merchandise giving the entry number, the name of the importer, the appraised value, and his reasons for the appraisement. If the Secretary does not agree with the action of the appraiser, he shall instruct the collector to file an appeal for a reappraisement as provided in section 501 of this act, and such manufacturer, producer, or wholesaler shall have the right to appear and to be heard as a party in interest under such rules as the United States Customs Court may prescribe. The Secretary shall notify such manufacturer, producer, or wholesaler of the action taken by such appraiser, giving the port of entry, the entry number, and the appraised value of such merchandise and the action he has taken thereon. If the appraiser advances the entered value of merchandise upon the information furnished by the American manufacturer, producer, or wholesaler, and an appeal is taken by the consignee, such manufacturer, producer, or wholesaler shall have the right to appear and to be heard as a party in interest, under such rules as the United States Customs Court may prescribe. If the American manufacturer, producer, or wholesaler is not satisfied with the action of the Secretary, or the action of the appraiser thereon, he may file within 30 days after the date of the mailing of the Secretary's notice an appeal for a reappraisement in the same manner and with the same effect as an appeal by a consignee under the provisions of section 501 of this act.

(b) Classification: The Secretary of the Treasury shall, upon written request by an American manufacturer, producer, or wholesaler, furnish the classification of and the rate of duty, if any, imposed upon designated imported merchandise of a class or kind manufactured, produced, or sold at wholesale by him. If such manufacturer, producer, or wholesaler believes that the proper rate of duty is not being assessed, he may file a complaint with the Secretary of the Treasury setting forth a description of the merchandise, the classification, and the rate or rates of duty he believes proper, and the reasons for his belief. If the Secretary decides that the classification of or rate of duty assessed upon the merchandise is not correct, he shall notify the collectors as to the proper classification and rate of duty and shall so inform such manufacturer, producer, or wholesaler, and such rate of duty shall be assessed upon all such merchandise imported or withdrawn from warehouse after 30 days after the date of such notice to the collectors. If the Secretary decides that the classification and rate of duty are correct, he shall so inform such manufacturer, producer, or wholesaler, and shall, under such regulations as he may prescribe, cause publication to be made of his decision, together with notice that the classification of and the rate of duty on all such merchandise imported or withdrawn from warehouse after the expiration of 30 days after such publication will be subject to the decision of the United States Customs Court in the event that a protest is filed under the provisions of this subdivision. If dissatisfied with the decision of the Secretary, such manufacturer, producer, or wholesaler may file with him a notice that he desires to protest the classification or the rate of duty imposed upon the merchandise, and upon receipt of such notice the Secretary shall furnish him with such information as to the entries and consignees of such merchandise, entered after the expiration of 30 days after the publication of the decision of the Secretary, at the port of entry designated by the manufacturer, producer, or wholesaler in his notice of desire to protest, as will enable him to protest the classification of or the rate of duty imposed upon such merchandise when liquidated at such port. The Secretary shall direct the collector at such port to notify such manufacturer, producer, or wholesaler immediately upon the liquidation of the first of such entries to be liquidated. Such manufacturer, producer, or wholesaler may file, within 30 days after the date of such liquidation, with the collector of such port a protest in writing setting forth a description of the merchandise and the classification and the rate of duty he believes proper. Upon the filing of any such protest the collector shall notify the Secretary of the Treasury who shall order the suspension, pending the decision of the United States Customs Court upon such protest, of the liquidation, at all ports, of all unliquidated entries of such merchandise imported or withdrawn from warehouse after the expiration of 30 days after the publication of the Secretary's decision. All entries of such merchandise so imported or withdrawn shall be liquidated, or if already liquidated, shall, if necessary, be reliquidated, in conformity with such decision of the United States Customs Court. If, upon appeal to the Court of Customs and Patent Appeals, the decision of the United States Customs Court is reversed, the classification of the merchandise and the rate of duty imposed thereon shall be in accordance with the decision of the Court of Customs and Patent Appeals, and any necessary reliquidation shall be made. The provisions of this subdivision shall apply only in the case of complaints filed after the effective date of this act.

(c) Hearing and determination: A copy of every appeal and every protest filed by an American manufacturer, producer, or wholesaler under the provisions of this section shall be mailed by the collector to the consignee or his agent within five days after the filing thereof, and such consignee or his agent shall have the right to appear and to be heard as a party in interest before the United States Customs Court. The collector shall transmit the entry and all papers and exhibits accompanying or connected therewith to the United States Customs Court for due assignment and determination of the proper value or of the proper classification and rate of duty. The decision of the United States Customs Court upon any such appeal or protest shall be final and conclusive upon all parties unless an appeal is taken by either party to the Court of Customs and Patent Appeals, as provided in sections 501 and 515 of this act.

(d) Inspection of documents: In proceedings instituted under the provisions of this section an American manufacturer, producer, or wholesaler shall not have the right to inspect any documents or papers of the consignee or importer disclosing any information which the United States Customs Court or any judge or division thereof shall deem unnecessary or improper to be disclosed to him.

DEBENTURE, EXPORTS

MR. NORRIS'S AMENDMENT TO ADD AN AGRICULTURAL EXPORT DEBENTURE SECTION TO THE TARIFF BILL

(*Cong. Record, October 19, 1929; page, Daily, 4914; Permanent, 4694*)

Mr. NORRIS. Mr. President, the Chair has been reading the amendments as they appear on his desk. My understanding is that the debenture amendment is to follow. I now offer that amendment formally.

The PRESIDING OFFICER. The clerk will read the next amendment.

The CHIEF CLERK. The next amendment is that offered by the Senator from Nebraska [Mr. NORRIS], which is, on page 307, after line 7, to insert:

Export debentures: (a) Whenever the board provided for in the agricultural marketing act approved June 15, 1929, finds it advisable, in order to carry out the policy declared in section 1 of said agricultural marketing act, with respect to any agricultural commodity, to issue export debentures with respect to such commodity, said board shall give notice of such finding to the Secretary of the Treasury. Upon the receipt of such notice it shall be the duty of the Secretary of the Treasury, commencing and terminating at such time as the board shall prescribe, to issue export debentures to any farmer, cooperative association, stabilization corporation, or other person with respect to such quantity of the commodity or any manufactured food product thereof or any product manufactured from cotton or tobacco, if the cotton or tobacco out of which it is manufactured if exported in the raw material would have been entitled to receive a debenture therefor, as such person may from time to time export from the United States to any foreign country. The export debenture shall be in an amount to be computed under the direction of the Secretary of the Treasury, in accordance with such regulations as he may prescribe, at the debenture rate for the commodity or product that is in effect at the time of exportation. Any such computation shall be final.

(b) In order to procure the issuance of an export debenture, the farmer, cooperative association, stabilization corporation, or other person shall, in accordance with such regulations as the Secretary of the Treasury may prescribe, make application for such debenture and submit satisfactory proofs either (1) that the commodity to be exported was produced in the United States and has not previously been exported therefrom, or (2) that the commodity used in making the manufactured food product or any product manufactured from cotton or tobacco, if the cotton or tobacco out of which it is manu-

factured if exported in the raw material would have been entitled to receive a debenture therefor, to be exported was produced in the United States and the agricultural commodity and the manufactured food product or any product manufactured from cotton or tobacco if the cotton or tobacco out of which it is manufactured if exported in the raw material would have been entitled to receive a debenture therefor, have not previously been exported therefrom.

(c) An export debenture, when presented by the bearer thereof within one year from the date of issuance, shall be receivable at its face value by any collector of customs, or deputy collector of customs, or other person authorized by law or by regulation of the Secretary of the Treasury to perform the duties of collector of customs, in payment of duties collectible against articles imported by the bearer. Title to any export debenture shall be transferable by delivery. In order to prevent any undue speculation in the handling of such export debentures, the Secretary of the Treasury is authorized and directed, under such rules and regulations as he may prescribe, to provide for the redemption of such export debentures from any money in the Treasury derived from the payment of duties collectible against articles imported into the United States at a rate of not less than 98 per cent of the face value of such export debentures.

(d) Debenture rates in effect at any time with respect to any agricultural commodity shall be one-half the rate of duty in effect at such time with respect to imports of such commodity, except that so long as no import duty is imposed on cotton the debenture rate thereon shall be 2 cents per pound. The debenture rate in effect at any time with respect to any manufactured food product of any agricultural commodity or any product manufactured from cotton or tobacco if the cotton or tobacco out of which it is manufactured if exported in the raw material would have been entitled to receive a debenture therefor, shall be an amount sufficient, as nearly as may be, to equal the debenture that would be issuable upon the exportation of the quantity of the agricultural commodity consumed in the manufacture of the exported manufactured food product, or any product manufactured from cotton or tobacco if the cotton or tobacco out of which it is manufactured if exported in the raw material would have been entitled to receive a debenture therefor, as prescribed and promulgated from time to time by said board.

(e) Regulations requiring that metal tags or other appropriate markings be placed on all bales of cotton produced in foreign countries and allowed transit through the United States for exportation, may be prescribed by the Secretary of the Treasury. Every person who violates any such regulation of said board shall be liable to a civil penalty of \$100 for each such offense. Such penalty may be recovered in a civil suit brought by said board in the name of the United States.

(f) The Secretary of the Treasury shall prepare and issue all export debentures. Export debentures issued under authority of this act shall be obligations of the United States within the definition in section 147 of the act entitled "An act to codify, revise, and amend the penal laws of the United States," approved March 4, 1909, as amended (U. S. C., title 18, sec. 261).

(g) Any person who shall make any false statement for the purpose of fraudulently procuring, or shall attempt in any manner fraudulently to procure, the issuance or acceptance of any export debenture, whether for the benefit of such person or of any other person, shall be fined not more than \$2,000 or imprisoned not more than one year, or both.

(h) In order to prevent undue stimulation in the production of any debenturable agricultural commodity, whenever said board finds that the production of any debenturable agricultural commodity during any crop year has exceeded the average annual production of such debenturable agricultural commodity for the preceding five years said board shall by proclamation prescribe that during the next succeeding year the export debenture rates for such commodity shall be reduced by the percentage hereinafter fixed. Such reductions shall become effective on the date fixed in such proclamation, not less than 60 days from the date of the issuance thereof, and shall remain in effect throughout such succeeding crop year. The term "crop year," as used in this section, means a 12 months' period beginning at a time designated by said board.

Reductions in debenture rates under this section shall be made in accordance with the following percentages:

- (1) For an increase in production of less than 20 per cent, there shall be no reduction.
- (2) For an increase in production of 20 per cent but less than 40 per cent, there shall be a reduction of 20 per cent.
- (3) For an increase in production of 40 per cent but less than 60 per cent, there shall be a reduction of 50 per cent.
- (4) For an increase in production of 60 per cent but less than 90 per cent, there shall be a reduction of 75 per cent.
- (5) For an increase in production of 90 per cent or more, there shall be a reduction of 90 per cent.

CALCIUM CARBIDE

ON AGREEING TO THE COMMITTEE AMENDMENT TO REDUCE THE RATE OF DUTY ON CALCIUM CARBIDE FROM 1 CENT TO ONE-HALF OF 1 CENT PER POUND. THE COMMITTEE RECONSIDERED THEIR ACTION AND RECOMMENDED THAT THE REDUCTION BE DISAGREED TO, AND THE 1-CENT RATE RESTORED

(*Cong. Record, October 23, 1929; page, Daily, 5026; Permanent 4821*)

Mr. SMOOT. On page 7, paragraph 16, the amendment relative to calcium carbide was passed over. I ask that it be now considered by the Senate.

The VICE PRESIDENT. The amendment will be stated.

The LEGISLATIVE CLERK. In paragraph 16 on page 7, line 1, after the word "carbide," it is proposed to insert "one-half of," so as to read:

Calcium carbide, one-half of 1 per cent per pound.

The VICE PRESIDENT. The question is on agreeing to the amendment.

Mr. SMOOT. Mr. President, I have been instructed to ask that that amendment be rejected.

I understand that the Senator from West Virginia [Mr. Goff] desires to be heard upon the question. I will simply state that the present law provides a duty of 1 cent per pound on calcium carbide. In view of the amount of importations, it was originally agreed by the members of the committee that one-half cent per pound would be sufficient to protect the industry. That view was based upon the importations and the costs as submitted to the committee at that time. Since that time a development has been brought to the attention of the members of the committee, and a vote was taken, and I was asked as chairman of the committee to have the committee amendment rejected. If that action is taken the rate will be 1 cent per pound, as the existing law provides.

* * * * *

The question is on agreeing to the Senate committee amendment, on page 7, line 1, to insert the words "one-half of" before the figure "1," so as to make the paragraph read:

PAR. 16. Calcium carbide, one-half of 1 cent per pound; calcium exalate, 4 cents per pound.

Mr. SMOOT. I ask for the yeas and nays.

The yeas and nays were ordered, and the legislative clerk proceeded to call the roll.

Mr. BRATTON (when his name was called). I have a general pair with the Senator from Pennsylvania [Mr. REED], who is necessarily absent. If the Senator from Pennsylvania were present, I understand he would vote "nay." If I were permitted to vote, I should vote "yea." In these circumstances I withhold my vote.

Mr. CARAWAY (when his name was called). I have a pair with the senior Senator from Illinois [Mr. DENEEN], which I transfer to the senior Senator from Minnesota [Mr. SHIPSTEAD], and vote "yea."

Mr. SIMMONS (when his name was called). I transfer my general pair with the junior Senator from Ohio [Mr. BURTON] to the junior Senator from Montana [Mr. WHEELER] and vote "yea."

Mr. TYDINGS (when his name was called). On this vote I have a pair with the senior Senator from Rhode Island [Mr. METCALF]. If he were present and I were permitted to vote, I would vote "yea" and he would vote "nay."

Mr. WATSON (when his name was called). I have a pair with the senior Senator from South Carolina [Mr. SMITH], which I transfer to the senior Senator from Kentucky [Mr. SACKETT], and vote "nay."

The roll call was concluded.

Mr. ROBINSON of Indiana. I have a general pair with the junior Senator from Mississippi [Mr. STEPHENS]. In his absence I withhold my vote.

Mr. WALSH of Montana. I desire to announce that my colleague [Mr. WHEELER] is absent on account of illness.

Mr. FESS. The junior Senator from New Jersey [Mr. KEAN] is paired with the senior Senator from Arkansas [Mr. ROBINSON]. These Senators are necessarily absent from the Chamber.

MR. BLAINE'S MODIFIED AMENDMENT TO MR. SHORTRIDGE'S AMENDMENT TO THE COMMITTEE AMENDMENT IN PARAGRAPH 19, FIXING THE RATE OF DUTY ON CASEIN OR LACTARENE AND MIXTURES THEREOF NOT SPECIALLY PROVIDED FOR OTHERWISE. THE HOUSE RATE WAS 2½ CENTS PER POUND. THE COMMITTEE FIXED THE RATE AT 3½ CENTS PER POUND. MR. SHORTRIDGE PROPOSED 8 CENTS AND MR. BLAINE'S MODIFIED AMENDMENT PROPOSED 5½ CENTS PER POUND

(Cong. Record, October 24, 1929; page, Daily, 5071; Permanent, 4867)

The Secretary will state the amendment indicated by the senior Senator from Utah [Mr. SMOOT].

The CHIEF CLERK. In paragraph 19, on page 7, line 12, the committee proposes to strike out "2½ cents" and insert in lieu thereof "3½ cents," so as to read:

Casein or lactarene and mixtures of which casein or lactarene is the component material of chief value, not specially provided for, 3½ cents per pound.

Mr. SHORTRIDGE. Mr. President, on page 7, line 12, I move to amend the proposed amendment by striking out the figures "3½" and inserting in lieu thereof "8," so that the paragraph would read:

Casein or lactarene and mixtures of which casein or lactarene is the component material of chief value, not specially provided for, 8 cents per pound.

* * * * *

The PRESIDING OFFICER. The Senator from Wisconsin modifies his amendment and now proposes a rate of 5½ cents per pound. The yeas and nays have been ordered, and the clerk will call the roll.

Mr. SMOOT. Mr. President, I understand this is an amendment substituting 5½ cents for the 8 cents proposed in the amendment of the Senator from California, and after we have voted on this amendment to the amendment, then, of course, we shall have to vote on the amendment of the Senator from Wisconsin, if it shall be adopted, substituting 5½ cents for the 3½ cents reported by the committee.

The PRESIDING OFFICER. The Senator is correct. The Clerk will call the roll.

The Chief Clerk proceeded to call the roll.

Mr. SIMMONS (when his name was called). I transfer my pair with the junior Senator from Ohio [Mr. BURTON] to the Senior Senator from New York [Mr. COPELAND] and vote "yea."

Mr. SMITH (when his name was called). I have a general pair with the senior Senator from Indiana [Mr. WATSON]. In his absence I withhold my vote.

Mr. SWANSON (when his name was called). I have a pair for the day with the senior Senator from Maine [Mr. HALE]. I transfer that pair to the junior Senator from Mississippi [Mr. STEPHENS] and vote "yea."

Mr. TYDINGS (when his name was called). I have a pair on this vote with the senior Senator from Rhode Island [Mr. MERCALF], who is ill. I understand, however, that if the Senator from Rhode Island were present he would vote as I desire to vote. I therefore ask that my vote may be recorded. I vote "yea."

The roll call was concluded.

Mr. HAWES. I have a pair with the senior Senator from Kentucky [Mr. SACKETT]. I have not been advised as to how he would vote if present. If permitted to vote, I should vote "yea."

(Cong. Record, October 28, 1929; page, Daily 5198; Permanent 4977)

The next amendment was on page 24, line 14, where the committee proposed to strike out "8½ cents" and to insert in lieu thereof "7½ cents," so as to read:

OLIVE OIL IN CONTAINERS LESS THAN 40 POUNDS IN WEIGHT

MR. GOLDSBOROUGH'S AMENDMENT TO THE COMMITTEE AMENDMENT TO INCREASE THE DUTY ON OLIVE OIL IN CONTAINERS, WEIGHING LESS THAN 40 POUNDS, FROM 7½ TO 9½ CENTS PER POUND

(*Cong. Record*, October 28, 1929; page, Daily, 5198; Permanent 4978)

Mr. SMOOT. Mr. President, on further examination into the amendment to strike out the duty of 8½ cents provided by the House and to insert 7½ cents, as recommended by the Senate Finance Committee, I am convinced that the spread between 6½ and 7½ cents is not sufficient. The bulk olive oil carries a rate of 6½ cents a pound. When the oil is put into containers, into bottles, and small cans, the differential given by the Senate Finance Committee is only 1 cent a pound. I think the House was correct in making it 2 cents, and providing a rate of 8½ cents, and as far as I am personally concerned I think the rate should be made 8½ cents, and that the Senate committee amendment, therefore, should be rejected.

* * * * *
The VICE PRESIDENT. The amendment offered by the Senator from Maryland [Mr. GOLDSBOROUGH], as modified, would make the rate 9½ cents.

SHINGLES OF WOOD

ON AGREEING TO THE COMMITTEE AMENDMENT STRIKING OUT PARAGRAPH 403, WHICH AS CHANGED BY MR. JONES'S AMENDMENT PROVIDED A DUTY ON SHINGLES OF WOOD OF 10 PER CENT AD VALOREM

[NOTE.—The House text placed a duty of 25 per cent ad valorem on them, which was reduced to 10 per cent by Mr. Jones' amendment, and the committee amendment would strike out all protection and leave them on the free list.]

(*Cong. Record, November 13, 1929; page, Daily, 5759; Permanent, 5509*)

The VICE PRESIDENT. Is there objection? The Chair hears none, and it is so ordered. The clerk will report the first amendment.

The LEGISLATIVE CLERK. On page 118, line 9, the committee proposes to strike out paragraph 403, as follows:

PAR. 403. Shingles of wood, 25 per cent ad valorem.

The VICE PRESIDENT. The question is on the amendment of the Senator from Washington to the amendment of the committee. [Putting the question.] The yeas seem to have it.

Mr. JONES. I ask for a division.

On a division, the amendment to the amendment was agreed to.

The VICE PRESIDENT. Eighty-one senators have answered to their names. A quorum is present. The question is on agreeing to the committee amendment, on page 118, line 9, to strike out paragraph 403, relating to a tariff on shingles.

Mr. JONES. Mr. President, I am going to propose an amendment to the text of the bill if I may do so. I desire to strike out "25" and insert "10," if it is the proper way to perfect the text of the paragraph first.

The VICE PRESIDENT. The amendment is in order.

Mr. JONES. Then I move to strike out "25" and insert "10." I shall not take time to discuss my amendment.

The VICE PRESIDENT. That is correct. The question is to strike out the whole of paragraph 403 as amended.

Mr. GLASS. It is to strike out, and those who vote "yea" vote to keep shingles on the free list?

The VICE PRESIDENT. That is correct.

Mr. DILL. Mr. President, will the Chair state in language we can understand, because of the parliamentary mix-up, that a vote "yea" strikes out all of the tariff and leaves shingles on the free list, while a vote "nay" grants a 10 per cent ad valorem rate?

The VICE PRESIDENT. The Senator is correct. The clerk will call the roll.

The Chief Clerk proceeded to call the roll.

Mr. EDGE (when his name was called). I have a general pair with the senior Senator from South Carolina [Mr. SMITH]. I transfer that pair to the senior Senator from Delaware [Mr. HASTINGS] and vote "nay."

Mr. OVERMAN (when his name was called). I have a general pair with the senior Senator from Wyoming [Mr. WARREN]. He not being present, I withhold my vote.

The roll call was concluded.

Mr. PEBS. I desire to announce the following general pairs:

The Senator from Kansas [Mr. ALLEN] with the Senator from Utah [Mr. KING];

The Senator from Indiana [Mr. WATSON] with the Senator from Arkansas [Mr. ROBINSON];

The Senator from Nevada [Mr. ODDIE] with the Senator from Virginia [Mr. SWANSON]; and

The Senator from Maine [Mr. GOULD] with the Senator from Arkansas [Mr. CARAWAY].

I wish also to state that my colleague the junior Senator from Ohio [Mr. McCULLOCH] is necessarily detained from the Senate.

Mr. SHEPPARD. I desire to announce that the Senator from Arkansas [Mr. CARAWAY], the Senator from Mississippi [Mr. STEPHENS], the Senator from Virginia [Mr. SWANSON], and the Senator from Georgia [Mr. GEORGE], are absent because of official business.

I also desire to state that the Senator from Utah [Mr. KING] is absent on account of illness.

Mr. BARKLEY. I desire at this time to offer the amendment to paragraph 367, which I had printed a day or two ago.

Mr. SMOOT. I want to ask the Senator from Kentucky a question in order that Senators may know precisely what the Senator's amendment is. As I understand, the Senator from Kentucky now offers an amendment as a substitute for paragraph 367, which is precisely the existing law.

CLOTHESPINS, SPRING

MR. THOMAS'S (OF OKLAHOMA) AMENDMENT TO THE COMMITTEE AMENDMENT TO REDUCE THE COMMITTEE'S RATE OF DUTY ON SPRING CLOTHESPINS FROM 20 CENTS PER GROSS TO 10 CENTS PER GROSS. THE COMMITTEE HAD INCREASED THE HOUSE RATE FROM 15 CENTS TO 20 CENTS PER GROSS

(*Cong. Record*, November 14, 1929; page, Daily, 5801; Permanent, 5544)

The VICE PRESIDENT. The Secretary will state the next amendment.

The next amendment was, on page 120, line 18, after the word "clothespins," to strike out "15 cents" and insert "20 cents," so as to read:

Spring clothespins, 20 cents per gross.

* * * * *
Mr. WALSH of Massachusetts. Is not the question before the Senate now the committee amendment to strike out "15 cents" and to insert "20 cents"?

The VICE PRESIDENT. That is the amendment now pending.

Mr. WALSH of Massachusetts. It relates alone to the item of spring clothespins. I believe the Senator from Oklahoma has an amendment to it which he would like to offer.

* * * * *
Mr. THOMAS of Oklahoma. Mr. President, I offer an amendment to the committee amendment, on page 120, line 18, to strike out "20 cents" and insert "10 cents" in lieu thereof, which would reduce the tariff on spring clothespins from 20 cents per gross to 10 cents per gross.

The VICE PRESIDENT. The question is on agreeing to the amendment proposed by the Senator from Oklahoma [Mr. THOMAS] to the committee amendment. [Putting the question.] The yeas seem to have it.

Mr. SIMMONS. I ask for the yeas and nays.

The yeas and nays were ordered and taken.

TOBACCO (WRAPPER, LEAF, ETC.)

MR. SACKETT'S AMENDMENT TO THE COMMITTEE AMENDMENT TO REDUCE THE HOUSE TEXT RATES IN PARAGRAPH 601 ON WRAPPER AND LEAF TOBACCO FROM \$2.50 PER POUND TO \$2.10 PER POUND ON UNSTEMMED AND FROM \$3.15 TO \$2.75 ON STEMMED. THE SENATE COMMITTEE HAD STRICKEN OUT PARAGRAPH 601 AND INSERTED A SUBSTITUTE. FOLLOWING THE ADOPTION OF MR. SACKETT'S AMENDMENT, WHICH RESTORED THE RATES OF EXISTING LAW, THE SENATE DISAGREED TO THE COMMITTEE SUBSTITUTE

(*Cong. Record, November 18, 1929; pages, Daily, 6007 and 6008; Permanent, 5715*)

The VICE PRESIDENT. The first amendment is to the title. Without objection, the amendment to the title will be agreed to. The clerk will state the next amendment.

The CHIEF CLERK. On page 1, line 3, after line 2, the committee proposes to strike out:

PAR. 601. Wrapper tobacco, and filler tobacco when mixed or packed with more than 35 per cent of wrapper tobacco, and all leaf tobacco the product of two or more countries or dependencies when mixed or packed together, if unstemmed, \$2.50 per pound; if stemmed, \$3.15 per pound; filler tobacco not specially provided for, if unstemmed, 35 cents per pound; if stemmed, 50 cents per pound.

And to insert:

PAR. 601. (a) Leaf tobacco consisting of wrapper tobacco not mixed or packed with filler tobacco or of filler tobacco mixed or packed with more than 35 per cent of wrapper tobacco, and all leaf tobacco the product of two or more countries when mixed or packed together, if unstemmed, \$2.10 per pound; if stemmed, \$2.75 per pound.

The VICE PRESIDENT. The clerk will report the amendment proposed by the Senator from Kentucky.

The CHIEF CLERK. On page 123, paragraph 601, line 7, the Senator from Kentucky proposes to strike out "\$2.50" and insert "\$2.10," and in the same line to strike out "\$3.15" and insert "\$2.75."

The VICE PRESIDENT. The question is on the amendment offered by the Senator from Kentucky [Mr. SACKETT] to the portion of the House text proposed to be stricken out. [Putting the question.] By the sound the "ayes" seem to have it.

Mr. GEORGE. I ask for the yeas and nays.

The yeas and nays were ordered.

Mr. SIMMONS. Mr. President, there seems to be some mistake about the form of the question upon which we are voting. As I understand, a vote "yea" is to retain the rate of the present law?

The VICE PRESIDENT. That is correct. The clerk will call the roll.

The Chief Clerk proceeded to call the roll.

Mr. BLEASIE (when his name was called). I have a pair with the Senator from Maine [Mr. GOULD]. Not knowing how he would vote, I withhold my vote.

The VICE PRESIDENT. That Senator has not voted.

ADJOURNMENT, FINAL

[71st Cong., 1st sess.]

VOTE ON THE PASSAGE OF SENATE CONCURRENT RESOLUTION 19, BY MR. WALSH OF MONTANA, PROPOSING FINAL ADJOURNMENT OF THE PRESENT SESSION OF CONGRESS ON NOVEMBER 22, 1929

(*Cong. Record, November 20, 1929; pages, Daily, 6115 and 6116; Permanent, 5832*)

The VICE PRESIDENT. The clerk will read.

The Chief Clerk read the concurrent resolution (S. Con. Res. No. 19), as follows:

Resolved by the Senate (the House of Representatives concurring), That the President of the Senate and the Speaker of the House of Representatives be authorized to close the

present session of the Congress by adjourning their respective Houses on Friday, November 22, 1920, at the following hours, namely: The Senate at the hour of 10 o'clock p. m., and the House at such hour as it may by order provide.

The Senate proceeded to consider the concurrent resolution.

The VICE PRESIDENT. The question is on agreeing to the concurrent resolution.

Mr. ALLEN. I demand the yeas and nays.

The yeas and nays were ordered, and the Chief Clerk proceeded to call the roll.

Mr. BRATTON (when his name was called). I have a general pair with the Senator from Pennsylvania [Mr. REED], but I am informed that if he were present he would vote as I intend to vote. I therefore am at liberty to cast my vote. I vote "yea."

Mr. OVERMAN (when his name was called). I transfer the general pair which I have with the senior Senator from Wyoming [Mr. WARREN] to the junior Senator from Utah [Mr. KING] and vote "yea."

Mr. SMITH. I have a pair on this question with the senior Senator from New Jersey [Mr. EDGE]. I transfer the pair to the Senator from Pennsylvania [Mr. REED] and vote "yea."

Mr. TYDINGS. I have a general pair with the senior Senator from Rhode Island [Mr. METCALF]. I transfer the pair to the junior Senator from Maine [Mr. GOULD] and vote "yea."

The roll call was concluded.

Mr. SCHALL. My colleague [Mr. SHIPSTEAD] is still ill.

Mr. SHEPPARD. I wish to announce that the junior Senator from Utah [Mr. KING] is unavoidably detained by illness.

I also desire to announce that the Senator from Montana [Mr. WHEELER] is necessarily detained from the Senate on official business.

Mr. FESS. I wish to announce that the senior Senator from Indiana [Mr. WATSON] has a general pair with the senior Senator from Arkansas [Mr. ROBINSON].

I also wish to announce that the senior Senator from Illinois [Mr. DENEEN] and the junior Senator from Illinois [Mr. GLENN] are absent in attendance at the funeral of the late Secretary of War.

I wish further to announce that on this question the junior Senator from Illinois [Mr. GLENN] is paired with the junior Senator from Montana [Mr. WHEELER]. If present and voting, the junior Senator from Illinois would vote "nay," and the junior Senator from Montana would vote "yea."

WOOLS (IN THE GREASE OR WASHED)

ON AGREEING TO THE COMMITTEE AMENDMENT TO PARAGRAPH 1102 REDUCING THE DUTY FROM 34 CENTS TO 31 CENTS PER POUND OF CLEAN CONTENT OF WOOLS IN THE GREASE OR WASHED

(*Cong. Record, November 21, 1929; page, Daily, 6204; Permanent, 5904*)

The next amendment was, on page 171, line 19, before the word "Wools," to strike out "(b)" and insert "Par. 1102," and in line 21, after the word "washed," to strike out "34 cents" and insert "31 cents," so as to read:

PAR. 1102. Wools, not specially provided for, and hair of the Angora goat, Cashmere goat, alpaca, and other like animals, in the grease or washed, 31 cents per pound of clean content.

* * * * *
Mr. STEINER. Am I correct in my understanding that a vote "yea" means 31 cents, and a vote "nay" means 34 cents?

The VICE PRESIDENT. The Senator is correct. The clerk will call the roll. The Chief Clerk proceeded to call the roll.

Mr. BRATTON (when his name was called). I have a general pair with the Senator from Pennsylvania [Mr. REED], who is necessarily absent from the Chamber. I understand that if he were present he would vote as I intend to vote. I will therefore vote. I vote "nay."

Mr. FRAZIER (when Mr. BROOKHART's name was called). The junior Senator from Iowa [Mr. BROOKHART] is unavoidably absent. If he were present, he would vote "nay."

Mr. OVERMAN (when his name was called). I transfer the pair which I have with the senior Senator from Wyoming [Mr. WARREN] to the junior Senator from Utah [Mr. KING] and will vote. I vote "yea."

Mr. SMITH (when his name was called). I have a pair with the senior Senator from New Jersey [Mr. EDGE]. In his absence, not being able to secure a transfer, I withhold my vote. If I were at liberty to vote, I should vote "yea."

Mr. TOWNSEND (when his name was called). I have a general pair with the senior Senator from Tennessee [Mr. McKEELAR]. I am informed that if he were present he would vote as I intend to vote. Therefore I am at liberty to vote. I vote "nay."

Mr. TYDINGS (when his name was called). On this question I have a general pair with the senior Senator from Rhode Island [Mr. MERCALF]. As he would vote, if present, so I shall vote. I ask that my vote be recorded. I vote "yea."

The roll call was concluded.

Mr. SMITH. Mr. President, I want to inquire if the confirmation of Mr. Edge this morning resulted in his seat being vacated?

The VICE PRESIDENT. It did not.

Mr. SMITH. Some one suggested that the confirmation obliterated the necessity of his taking the oath here, and therefore that his seat was automatically vacated. I want to keep faith with the Senator, but do not want to do the vain thing of pairing with one who is no longer a Member of the Senate.

Mr. SHEPPARD. Mr. President, the senior Senator from Iowa [Mr. STRECK] is necessarily detained from the Senate by his attendance in the committee of the Senate appointed to attend the funeral of the late Secretary of War, the Hon. James W. Good. The Senator from Iowa has a general pair with the Senator from Maine [Mr. GOULD]. I am not informed how either of the Senators would vote on this amendment.

Mr. WALSH of Montana. Mr. President, I inquire whether the Senator from South Carolina, after the statement made, has recorded his vote?

The VICE PRESIDENT. Did the Senator from South Carolina vote?

Mr. SMITH. I did not. The Chair ruled that the Senator from New Jersey is still a Member of the Senate.

Mr. WALSH of Montana. I inquire if the Vice President has made any inquiry into that matter?

The VICE PRESIDENT. The Vice President asked whether the Senator from New Jersey had either taken the oath of office as ambassador or had resigned from the Senate, and was advised that neither had been done. The Vice President is of the opinion that until the Senator takes the oath of office he remains a Member of the Senate, unless he resigns in the meantime.

Mr. WALSH of Montana. This is a very important matter. The Constitution expressly provides that—

No person holding any office under the United States shall be a Member of either House during his continuance in office.

I take it that these offices are regarded by the Constitution as inconsistent offices, and the acceptance of one necessarily operates to vacate the other.

The VICE PRESIDENT. The Chair has in mind the action of Senator Kenyon, of Iowa, when he was appointed a judge. He served in the Senate for some little time before he accepted the position as judge.

Mr. NORRIS. Unless the Senator from New Jersey has been sworn into his new office, there is no conflict.

The VICE PRESIDENT. That is the understanding of the Chair.

Mr. NORRIS. All that has gone on so far may have gone on without the knowledge or consent of the Senator from New Jersey.

Mr. BINGHAM. Mr. President, I am informed by the secretary of the Senator from New Jersey that it will be impossible to communicate with the Senator until 6 o'clock to-day. Therefore he has not learned what took place in the Senate this morning.

Mr. FESS. I desire to announce that the senior Senator from Indiana [Mr. WATSON] has a general pair with the senior Senator from Arkansas [Mr. ROBINSON]. I do not know how either Senator would vote if present and free to vote.

I also desire to announce that the Senator from Vermont [Mr. GREENE] and the Senator from Pennsylvania [Mr. REED] are necessarily absent. I am advised that if present these Senators would vote "nay."

Mr. SHEPPARD. I desire to announce that the junior Senator from Alabama [Mr. BLACK] has a pair with the senior Senator from West Virginia [Mr. GORE] on this question. If present, the junior Senator from Alabama would vote "yea," and the Senior Senator from West Virginia would vote "nay."

Mr. BRATTON. I desire to announce that the Senator from Tennessee [Mr. McKELLAR] and the Senator from Nevada [Mr. PITTMAN] are detained on official business. If present, they would vote "nay."

Mr. GEORGE (after having voted in the affirmative). I have voted, but upon this matter I have a pair with the senior Senator from Colorado [Mr. PIERCE]. I have been unable to obtain a transfer, and I therefore withdraw my vote.

Mr. SHEPPARD. I desire to announce that the junior Senator from Utah [Mr. KING] is detained from the Senate on account of illness.

Mr. WALSH of Montana. On this question I am paired with the Senator from Nevada [Mr. PITTMAN]. If at liberty to vote, I would vote "nay," and the Senator from Nevada [Mr. PITTMAN] would vote "yea."

The result was announced—yeas 26, nays 44, as follows:

The amendment to the amendment was, before the word "cents," to strike out "30" and insert "22."

* * * * *
The VICE PRESIDENT. The question is on agreeing to the amendment offered by the Senator from Wisconsin [Mr. BLAINE], as modified, to the amendment of the committee.

The roll call was concluded.

Mr. ROBINSON of Indiana. I have a general pair with the junior Senator from Mississippi [Mr. STEPHENS]. In his absence, not knowing how he would vote, I withhold my vote.

Mr. WALSH of Montana. The senior Senator from Wyoming [Mr. KENDRICK] is unavoidably absent. If he were present, he would vote "nay."

Mr. SHEPPARD. I wish to announce that the junior Senator from Arkansas [Mr. CARAWAY] is necessarily detained on official business.

Mr. FESS. I desire to announce the following general pairs:

I desire also to announce that the Senator from Virginia [Mr. SWANSON], the Senator from Louisiana [Mr. RANSDELL], the Senator from Oklahoma [Mr. THOMAS], and the Senator from Maryland [Mr. TYDINGS] are necessarily detained on official business.

The result was announced—yeas 22, nays 53, as follows:

(*Cong. Record, December 10, 1929; page, Daily, 366; Permanent, 377*)

The VICE PRESIDENT. Does the Senator from Utah propose the amendment?

Mr. SMOOT. Yes. I propose to strike out "23" and insert "25." It is simply carrying out the plan of providing a differential between 31 cents and 34 cents on the scoured content.

The VICE PRESIDENT. The amendment will be stated.

The CHIEF CLERK. On page 172, line 25, the original amendment is to strike out the word "and" and insert "23 cents per pound." The Senator from Utah proposes to strike out "23" and insert "25," so it will read:

Thread or yarn waste, 25 cents per pound.

The VICE PRESIDENT. The question is on the amendment of the Senator from Utah to the amendment of the committee. The yeas and nays have been demanded. Is the demand sufficiently seconded?

The yeas and nays were ordered, and the Chief Clerk proceeded to call the roll.

BLAINE'S AMENDMENT TO THE COMMITTEE AMENDMENT TO REDUCE THE RATE ON CARD AND BURR WASTE, CARBONIZED, FROM 23 TO 16 CENTS PER POUND, TO REDUCE THE RATE ON THAT WHICH IS NOT CARBONIZED FROM 16 TO 10 CENTS PER POUND, AND TO REDUCE THE DUTY ON ALL OTHER WOOL WASTES NOT SPECIALLY PROVIDED FOR, FROM 24 TO 20 CENTS PER POUND

(*Cong. Record, December 10, 1929; pages, Daily, 367 and 368; Permanent, 378*)

Mr. SMOOT. On page 172, line 25, after the semicolon following the word "pound," insert the following:

Card and burr waste, carbonized, 23 cents per pound; not carbonized, 10 cents per pound.

Mr. ROBINSON of Indiana (when his name was called). I have a general pair with the junior Senator from Mississippi [Mr. STEPHENS]. Not knowing how he would vote, I withhold my vote.

The roll call was concluded.

Mr. GEORGE (after having voted in the affirmative). I transfer my pair with the senior Senator from Colorado [Mr. PHIPPS] to the junior Senator from Kentucky [Mr. BARKLEY] and allow my vote to stand.

Mr. FESS. Mr. President, I wish to announce the following general pairs:

WOOL RAGS

MR. METCALF'S SUBSTITUTE FOR MR. WATSON'S AMENDMENT TO THE COMMITTEE AMENDMENT. MR. WATSON PROPOSED A RATE OF 18 CENTS PER POUND ON WOOL RAGS IN LIEU OF THE COMMITTEE RATE OF 24 CENTS PER POUND. THE PROPOSAL OF MR. METCALF PROVIDED FOR 3 CLASSIFICATIONS BASED ON VALUE WITH A RANGE IN DUTY FROM 8 TO 16 CENTS PER POUND

(*Cong. Record*, December 11, 1929; page, Daily, 461; Permanent, 459)

The VICE PRESIDENT. Eighty-two Senators have answered to their names. There is a quorum present. The question is on agreeing to the amendment which the Secretary will report.

The CHIEF CLERK. The Senator from Rhode Island [Mr. METCALF] moves, on page 178, line 4, after the first semicolon, to strike out the remainder of line 4 and to insert in lieu thereof the following:

Wool rags, valued at not more than 80 cents per pound, 8 cents per pound; valued at more than 80 cents per pound but not more than 50 cents per pound, 12 cents per pound; valued at more than 50 cents per pound, 16 cents per pound.

Mr. WALSH of Massachusetts. Mr. President, I would like to address a suggestion to the Senator from Rhode Island. During the course of the debate it has been pointed out that the great volume of wool rags are worth less than 30 cents per pound; therefore that the large percentage of the imported wool rags would fall within the lower bracket, and carry a rate of 8 cents per pound.

I suggest to the Senator that he perfect his amendment by striking out the figures "30" on lines 3 and 4 and inserting "25." That would assure the great bulk of the imported rags based upon present values coming in under the 12-cent rate, and that is about the ad valorem rate which the Senator from North Carolina [Mr. SIMMONS] pointed out in his able address earlier in the day.

Mr. METCALF. I agree to that suggestion.

The VICE PRESIDENT. Does the Senator modify his amendment?

Mr. METCALF. I modify the amendment as suggested.

The VICE PRESIDENT. The question is on agreeing to the amendment as modified.

Mr. SIMMONS. I ask for the yeas and nays.

The yeas and nays were ordered, and the Chief Clerk proceeded to call the roll.

Mr. HEFLIN (when Mr. BLACK's name was called). My colleague [Mr. BLACK] is absent on account of illness in his family. If he were present, he would vote "yea." He is paired with the Senator from Pennsylvania [Mr. REED], who would vote "nay" if present and at liberty to vote.

Mr. HATFIELD (when Mr. GOFF's name was called). My colleague [Mr. GOFF] has a general pair with the junior Senator from North Carolina [Mr. OVERMAN]. If my colleague were present, he would vote "nay."

Mr. TOWNSEND (when Mr. HASTINGS's name was called). My colleague [Mr. HASTINGS] is paired on this vote with the senior Senator from Arkansas [Mr. ROBINSON]. If my colleague were present, he would vote "nay," and, I understand, the Senator from Arkansas, if present, would vote "yea."

Mr. WALSH of Montana (when Mr. KENDRICK's name was called). The senior Senator from Wyoming [Mr. KENDRICK] is unavoidably absent. If he were present, he would vote "nay."

Mr. ROBINSON of Indiana (when his name was called). I have a pair with the junior Senator from Mississippi [Mr. STEPHENS]. I do not know how he would vote if present, and in his absence I withhold my vote.

The roll call was concluded.

Mr. SHEPPARD. I desire to announce that the senior Senator from Arkansas [Mr. ROBINSON] is necessarily detained on official business. His pair has been announced.

I also desire to announce that the senior Senator from Louisiana [Mr. RANSELL] is necessarily absent on official business, and that the junior Senator from Utah [Mr. KING] is detained from the Senate by reason of illness.

Mr. FESS. I desire to announce the following general pairs:

The Senator from Wyoming [Mr. KENDRICK] with the Senator from Minnesota [Mr. SHIPSTEAD]; and

The Senator from Illinois [Mr. DENEEN] with the Senator from Utah [Mr. KING].

Mr. SCHALL. I would like to announce the unavoidable absence of my colleague [Mr. SHIPSTEAD]. He has gone South for his health by order of his physician. He is paired on this question with the Senator from Wyoming [Mr. KENDRICK].

The result was announced—yeas 35, nays 46, as follows:

WOOL RAGS

ON AGREEING TO THE COMMITTEE AMENDMENT AS AMENDED
BY MR. WATSON'S AMENDMENT TO INCREASE THE DUTY ON
WOOL RAGS FROM 8 TO 18 CENTS PER POUND

(*Cong. Record, December 11, 1929; page, Daily, 463; Permanent, 461*)

The VICE PRESIDENT. The question now is on agreeing to the amendment proposed by the Senator from Indiana [Mr. WATSON] to the committee amendment.

The amendment to the amendment was agreed to.

The VICE PRESIDENT. The question now is upon agreeing to the committee amendment as amended.

Mr. BLAINE. Mr. President, I understand that the amendment proposed by the Senator from Indiana [Mr. WATSON] to the committee amendment cutting the rate from 24 cents to 18 cents has been agreed to?

The VICE PRESIDENT. The Senator from Wisconsin is correct.

* * * * *
Mr. WALSH of Massachusetts. Mr. President, I understand that by a viva voce vote the Senate has approved the amendment offered by the Senator from Indiana [Mr. WATSON] to the committee amendment.

Mr. SMOOT. Yes.

Mr. WALSH of Massachusetts. That means that the committee rate of 18 cents has been substituted for the committee rate of 24 cents. In order that those of us who are opposed to the 18-cent rate contained in the amendment of the Senator from Indiana to the committee amendment may go on record, I ask for the yeas and nays upon the committee amendment as amended.

The VICE PRESIDENT. The question is on agreeing to the committee amendment as amended, on which the yeas and nays have been asked for.

The yeas and nays were ordered, and the Chief Clerk proceeded to call the roll.

Mr. HATFIELD (when Mr. GOFF's name was called). My colleague the senior Senator from West Virginia [Mr. GOFF] has a general pair with the junior Senator from North Carolina [Mr. OVERMAN]. If my colleague were present, he would vote "yea."

The roll call was concluded.

Mr. HEFLIN. My colleague [Mr. BLACK] is absent on account of illness in his family. He is paired with the Senator from Pennsylvania [Mr. REED]. If my colleague were present, he would vote "nay," and the Senator from Pennsylvania would vote "yea."

Mr. SACKETT (after having voted in the affirmative). I have a general pair with the Senator from Missouri [Mr. HAWES] and have just been informed that he has not voted. Therefore I withdraw my vote.

Mr. FESS. Mr. President, I desire to announce the following general pairs:

The Senator from Wyoming [Mr. KENDRICK] with the Senator from Minnesota [Mr. SHIPSTEAD].

Mr. SHEPPARD. I wish to announce that the senior Senator from Arkansas [Mr. ROBINSON] is necessarily detained on official business.

Mr. WAGNER (after having voted in the negative). I have a general pair with the Senator from Missouri [Mr. PATTERSON]. I do not know how he would vote on this question. I transfer that pair to the Senator from Arizona [Mr. ASHURST] and let my vote stand.

So the amendment of the committee, as amended, was agreed to

WOOL AND HAIR (ADVANCED BEYOND WASHING)

MR. HAYDEN'S AMENDMENT TO THE COMMITTEE AMENDMENT IN PARAGRAPH 1106 TO REDUCE THE SPECIFIC PART OF THE RATE OF DUTY ON WOOL AND HAIR THAT HAS BEEN CARBONIZED OR ADVANCED BEYOND WASHING, INCLUDING TOPS, BUT NOT FURTHER ADVANCED THAN ROVING, FROM 34 TO 33 CENTS PER POUND. THE COMMITTEE RATE OF 34 CENTS WAS BELOW THE HOUSE RATE OF 37 CENTS

[NOTE.—Following this vote, the Senate disagreed to the Committee amendment leaving the rate at 37 cents per pound and 20 per cent ad valorem.]

(*Cong. Record, December 12, 1929; pages, Daily, 539 and 540; Permanent, 523*).

The next amendment was, on page 173, line 17, before the words "per pound," to strike out "37 cents" and insert "34 cents," so as to make the paragraph read:

PAR. 1106. Wool, and hair of the kinds provided for in this schedule, if carbonized, or advanced in any manner or by any process of manufacture beyond the washed or scoured condition, including tops, but not further advanced than roving, 34 cents per pound and 20 per cent ad valorem.

Mr. BINGHAM. Mr. President, I ask the chairman of the committee whether he does not want to have the amendment disagreed to.

Mr. SMOOT. I ask that the amendment on line 17 be rejected.

Mr. HAYDEN. Mr. President, I offer an amendment to the amendment.

The PRESIDING OFFICER. The Senator from Arizona offers an amendment, which the clerk will report.

The LEGISLATIVE CLERK. On page 173, line 17, to strike out the numerals "34" and insert in lieu thereof the numerals "27½."

* * * * *

Mr. HAYDEN. It would seem to me, Mr. President, that 33 cents ought to allow sufficient leeway, so that there could be no possibility of making a mistake. Therefore, in order to be perfectly safe and to be perfectly fair, I ask leave to modify my amendment by making the rate 33 cents, instead of 27½ cents, as originally submitted.

* * * * *

Mr. HAYDEN. That is desirable. I ask for the yeas and nays.

The yeas and nays were ordered, and the Chief Clerk proceeded to call the roll.

Mr. HATFIELD (when Mr. GOFF's name was called). My colleague the senior Senator from West Virginia [Mr. GOFF] has a general pair with the junior Senator from North Carolina [Mr. OVERMAN]. If my colleague were present, he would vote "nay."

The roll call was concluded.

Mr. BINGHAM (after having voted in the negative). Has the Senator from Virginia [Mr. GLASS] voted?

The PRESIDENT pro tempore. That Senator has not voted.

Mr. BINGHAM. I have a general pair with that Senator. I transfer the pair to the senior Senator from Vermont [Mr. DALE] and permit my vote to stand.

Mr. TYDINGS. On this vote I have a general pair with the senior Senator from Rhode Island [Mr. METCALF]. If he were present and I were permitted to vote, I should vote "yea," and he would vote "nay."

Mr. FESS. I desire to announce the following general pairs:

The Senator from Illinois [Mr. DENEN] with the Senator from Utah [Mr. KING].

Mr. SMITH (after having voted in the affirmative). I have a general pair with the Senator from Indiana [Mr. WATSON]. I transfer that pair to the Senator from Nevada [Mr. PITTMAN] and let my vote stand.

Mr. STEIWER. The junior Senator from Idaho [Mr. THOMAS] was called out of the Chamber on account of illness in his family. I understand that if he were present he would vote "nay."

The result was announced—yeas 34, nays 45, as follows:

YEAS—34

The VICE PRESIDENT. The question is on agreeing to the committee amendment in paragraph 1107, page 173, line 25.

[NOTE.—A later vote was had on March 5, 1930, on a modified form of this amendment.]

The PRESIDING OFFICER. The Clerk will state the next committee amendment.

The LEGISLATIVE CLERK. On page 121, line 17, after the word "proportion," strike out the semicolon and the words "testing by the polariscope 94 sugar

degrees, 2.75 cents per pound, and for each additional sugar degree shown by the polariscopic test, one hundred and twenty-five one-thousandths of 1 cent per pound additional, and fractions of a degree in proportion."

Mr. HOWELL. Mr. President, in connection with the committee amendment which has just been stated I offer the amendment which I send to the desk.

The PRESIDING OFFICER. The clerk will state the amendment.

The LEGISLATIVE CLERK. In lieu of the language proposed to be stricken out, beginning in line 17, on page 121, and extending to and including line 21, on page 121, it is proposed to insert:

(a) Subject to the limitations hereinafter specified, there shall be paid, out of the proceeds of issues of customs warrants, allowances upon sugar produced by domestic manufacturers from sugar beets or sugarcane grown within the continental United States. Such allowances shall be at the following rates: For each pound of sugar testing by the polariscope above 88 sugar degrees and not above 90 sugar degrees, 0.305 cent, and for each additional sugar degree shown by the polariscope test, seventy-five ten-thousandths of 1 cent additional, and fractions of a degree in proportion. After making the deduction provided for in subdivision (b), 90 per cent of the remainder of the allowance upon any sugar shall be paid to the grower of the sugar beets or sugarcane from which the sugar is produced and 10 per cent of the remainder of the allowance shall be paid to the manufacturer producing the sugar.

(b) The Secretary of the Treasury is authorized and directed to issue and sell from time to time customs warrants in amounts sufficient to meet allowances payable under this paragraph. If any customs warrants to meet allowances payable upon sugar produced from sugar beets or sugarcane of any crop year are issued and sold for less than par value, the amount of the difference between the par value and the amount for which issued and sold shall be deducted from the allowances to be paid upon such sugar, in accordance with such regulations as the Secretary of the Treasury shall provide. Claims for allowances upon any quantity of sugar are authorized to be filed at any time within six months after the production of the sugar and shall be paid promptly by the Secretary of the Treasury.

(c) Title to customs warrants shall be transferable by delivery. A customs warrant when presented by the bearer thereof within one year from the date of issuance shall be legal tender at its par value for payment of duties on imports. The Secretary of the Treasury shall prepare and issue all customs warrants. Customs warrants shall be obligations of the United States within the definition in section 147 of the act entitled "An act to codify, revise, and amend the penal laws of the United States," approved March 4, 1909, as amended (U. S. C., title 18, sec. 261).

(d) No allowance shall be paid upon any sugar which has at any time been imported into the continental United States or upon which an allowance has previously been paid under this paragraph.

(e) No manufacturer shall be eligible to receive any allowance upon sugar produced from sugar beets or sugarcane of any crop year unless such manufacturer files with the Secretary of the Treasury, prior to July 1 of such year, a notice of an intention to claim the benefits of this paragraph. Such notice shall be in such form as the Secretary of the Treasury shall by regulation prescribe and shall include an estimate of the amount of sugar proposed to be produced by the manufacturer from sugar beets and sugarcane of such crop year. No allowance shall be paid to any manufacturer upon sugar produced from sugar beets or sugarcane of any crop year unless the manufacturer produces at least 2,000 pounds of sugar from sugar beets and sugarcane of such crop year.

(f) No allowance shall be paid to any person unless he files claim therefor and maintains books, records, accounts, and memoranda necessary for the purposes of this paragraph, in such form and manner as the Secretary of the Treasury shall by regulation prescribe, nor unless such person permits the examination of and produces such books, accounts, records, and memoranda in accordance with such regulations as the Secretary of the Treasury shall prescribe.

(g) Any transaction of the Treasury Department in issuing or receiving customs warrants or in paying allowances under this paragraph, shall be final and conclusive upon all officers of the Government; except that all such transactions shall be examined by the General Accounting Office at such times and in such manner as the Comptroller General of the United States may by regulation prescribe. Such examination shall be for the sole purpose of making a report to the Congress and to the Secretary of the Treasury of expenditures in violation of law, together with such recommendations with respect thereto as the Comptroller General deems advisable.

(h) Any person who knowingly or without the exercise of due diligence makes any statement or representation that is false in any substantial particular with respect to any claim of himself or any other person under this paragraph, or who knowingly receives any allowance under this paragraph to which he is not entitled, or who knowingly files a claim for any such allowance shall, upon conviction thereof, be subject to a fine of not more than \$1,000.

HATS, ETC., OF FUR

THE AMENDMENT OF MR. WALSH OF MASSACHUSETTS TO PARAGRAPH 1526 TO REDUCE THE DUTY ON HATS, CAPS, BONNETS, AND HOODS FOR MEN, WOMEN, BOYS, OR CHILDREN, COMPOSED WHOLLY OR IN CHIEF VALUE OF FUR OF THE RABBIT, BEAVER, OR OTHER ANIMALS, THAT ARE VALUED ABOVE \$24 AND NOT MORE THAN \$30 PER DOZEN, FROM \$12 TO \$10 PER DOZEN; AND WHEN VALUED ABOVE \$30 AND NOT MORE THAN \$48, TO REDUCE THE DUTY FROM \$13 TO \$10 PER DOZEN

(*Cong. Record, February 26, 1930; page, Daily, 4464; Permanent, 4290*)

Mr. WALSH of Massachusetts. Mr. President, on page 219, paragraph 1526, in line 1, I move to strike out "\$12" and insert "\$10," and in line 2 I move to strike out "\$13" and insert "\$10," so as to read:

Valued at more than \$24 and not more than \$30 per dozen, \$10 per dozen; valued at more than \$30 and not more than \$48 per dozen, \$10 per dozen.

The amendment deals with hats in chief value of fur of the rabbit, beaver, or other animals. It is the common so-called felt hat popularly worn to-day in the United States. The committee saw fit to increase the protective duty on hats valued at more than \$24 and not more than \$30 per dozen from the present rate of \$10 per dozen to \$12 per dozen. This is an equivalent ad valorem rate of 65 per cent. They also increased the duty upon hats valued at more than \$30 and not more than \$48 to \$13 per dozen, the present rate being \$10. This is an ad valorem equivalent of 52 per cent.

SUGAR, BOUNTY

VOTE ON MR. HOWELL'S AMENDMENT TO PROVIDE A BOUNTY PAYABLE IN CUSTOMS WARRANTS, EQUIVALENT TO FORTY-FOUR ONE HUNDREDTHS OF 1 CENT PER POUND ON SUGAR PRODUCED IN CONTINENTAL UNITED STATES ONLY, TO BE ISSUED BY THE SECRETARY OF THE TREASURY AND SOLD BY THE FEDERAL FARM BOARD, TO APPLY TO THE 1929 CROP, AND 80 PER CENT TO GO TO THE GROWERS AND 20 PER CENT TO THE MANUFACTURERS

[NOTE.—A somewhat similar amendment was offered by Mr. HOWELL on January 17, 1930.]

(*Cong. Record*, March 5, 1930; page, Daily, 4979; Permanent, 4780)

The VICE PRESIDENT. The amendment will be again read for the information of the Senate.

The CHIEF CLERK. On page 121, between lines 21 and 22, insert the following:

(a) Subject to the limitations hereinafter specified, there shall be paid by the Federal Farm Board, out of the proceeds of issues of customs warrants, allowances upon sugar produced by domestic manufacturers from sugar beets or sugar cane grown within the continental United States. The rates of such allowances shall be determined by the Federal Farm Board but shall not be in excess of the following rates: For each pound of sugar testing by the polariscope above 88 sugar degrees and not above 90 sugar degrees, 0.365 cents, and for each additional sugar degree shown by the polariscope test, seventy-five ten thousandths of 1 cent additional, and fractions of a degree in proportion. After making the deduction provided for in subdivision (b), 90 per cent of the remainder of the allowance upon any sugar shall be paid to the grower of the sugar beets or sugar cane from which the sugar is produced and 10 per cent of the remainder of the allowance shall be paid to the manufacturer producing the sugar.

(b) Whenever hereafter, and for the crop year 1929, the Federal Farm Board determines that the growers of sugar beets or sugar cane are entitled to Federal aid for any crop year, and the board shall, from time to time, call upon the Secretary of the Treasury to issue customs warrants in amounts sufficient to meet allowances payable under this paragraph. Customs warrants so issued shall be sold from time to time by the Federal Farm Board. If any customs warrants so issued to meet allowances payable upon sugar produced from sugar beets or sugar cane of any crop year are sold by the Federal Farm Board for less than par value, the amount of the difference between the par value and the amount for which such warrants are sold shall be deducted from the allowances to be paid upon such sugar, in accordance with such regulations as the Federal Farm Board shall provide. In the event that customs warrants are issued as herein provided, claims for allowances upon any quantity of sugar are authorized to be filed at any time within six months after the production of the sugar and shall be paid promptly by the Federal Farm Board.

(c) Title to customs warrants shall be transferable by delivery. A customs warrant, when presented by the bearer thereof within one year from the date of issuance, shall be legal tender at its par value for payments of duties on imports. The Secretary of the Treasury shall prepare and issue such warrants whenever requested by the Federal Farm Board. Customs warrants shall be obligations of the United States within the definition in section 147 of the act entitled "An act to codify, revise, and amend the penal laws of the United States," approved March 4, 1909, as amended (U. S. C., title 18, sec. 261).

(d) No allowance shall be paid upon any sugar which has at any time been imported into the continental United States or upon which an allowance has previously been paid under this paragraph.

(e) No manufacturer shall be eligible to receive any allowance upon sugar produced from sugar beets or sugarcane of any crop year unless such manufacturer files with the Federal Farm Board, prior to July 1 of such year, except in the case of the crop year 1929, a notice of an intention to claim the benefits of this paragraph. Such notice shall be in such form and shall be filed for the crop year 1929 as the Federal Farm Board shall by regulation prescribe, and shall include an estimate of the amount of sugar proposed to be produced by the manufacturer from sugar beets and sugarcane of such crop year. No allowance shall be paid to any manufacturer upon sugar produced from sugar beets or sugarcane of any crop year unless the manufacturer produces at least 2,000 pounds of sugar from sugar beets and sugarcane of such crop year.

(f) No allowance shall be paid to any person unless he files claim therefor and maintains books, records, accounts, and memoranda necessary for the purposes of this paragraph, in such form and manner as the Federal Farm Board shall by regulation prescribe, nor unless such person permits the examination of and produces such books, accounts, records, and memoranda in accordance with such regulations as the Federal Farm Board shall prescribe.

(g) Any transaction of the Treasury Department in issuing or receiving customs warrants or of the Federal Farm Board in paying allowances under this paragraph shall be final and conclusive upon all officers of the Government, except that all such transactions shall be examined by the General Accounting Office at such times and in such manner as the Comptroller General of the United States may by regulation prescribe. Such examination shall be for the sole purpose of making a report to the Congress and to the Secretary of the Treasury of expenditures in violation of law, together with such recommendations with respect thereto as the Comptroller General deems advisable.

(h) Any person who knowingly or without the exercise of due diligence makes any statement or representation that is false in any substantial particular with respect to any claim of himself or any other person under this paragraph, or who knowingly receives any allowance under this paragraph to which he is not entitled, or who knowingly files a claim for any such allowance, shall, upon conviction thereof, be subject to a fine of not more than \$1,000.

(i) The proceeds from the sale of all customs warrants shall be covered into a special fund to be administered by the Federal Farm Board for the purpose of paying allowances as provided in this paragraph.

(*Cong. Record, March 6, 1930; page, Daily, 5073; Permanent, 4871*)

The VICE PRESIDENT. Is there objection? The Chair hears none, and it is so ordered.

The Secretary will state the amendment.

The LEGISLATIVE CLERK: On page 31, lines 22 and 23, as in Committee of the Whole, the Senate disagreed to the committee amendment striking out "Sodium

Mr. SIMMONS. I have a general pair with the senior Senator from Massachusetts [Mr. GILBERT]. I transfer that pair to the senior Senator from Missouri [Mr. HAWES] and will vote. I vote "yea."

Mr. HASTINGS. I transfer my pair with the senior Senator from New Mexico [Mr. BRATTON] to the junior Senator from Kentucky [Mr. ROBINSON] and will vote. I vote "nay."

MUSTARD SEED

**VOTE ON MR. GOLDSBOROUGH'S AMENDMENT (IN THE SENATE)
TO THE AMENDMENT MADE IN THE COMMITTEE OF THE WHOLE
IN PARAGRAPH 779, TO REDUCE THE DUTY ON MUSTARD SEEDS
FROM 3 TO 1 CENT PER POUND**

(*Cong. Record, March 13, 1930; page, Daily, 5391; Permanent, 5162*)

The VICE PRESIDENT. Without objection, the amendment will be passed over. The next amendment on which a separate vote was reserved was that relating to mustard, which the secretary will state.

The CHIEF CLERK. In paragraph 779, page 145, line 15, the Senate, as in Committee of the Whole, struck out "2 cents" and inserted in lieu thereof "3 cents," so as to read:

Mustard seeds (whole), 3 cents per pound.

Mr. GOLDSBOROUGH. Mr. President, I send an amendment to the desk which I desire to offer.

The VICE PRESIDENT. The clerk will state the amendment.

The CHIEF CLERK. The Senator from Maryland offers the following amendment. On page 145, line 15, to strike out "3 cents" and insert in lieu thereof "1 cent," so as to read:

Mustard seeds (whole), 1 cent per pound.

* * * * *

Mr. WALSH of Montana. Mr. President, for the benefit of those Senators who came into the Chamber on the quorum call, I want to state the question which is involved. The present law imposes a duty of 1 cent per pound on mustard seed; the House bill carries a duty of 2 cents a pound. That rate was approved by the Senate Finance Committee. On the floor the duty was raised to 3 cents per pound. Now, it is proposed to put it back to 1 cent per pound. The product involved is one which is grown in California and Montana.

* * * * *

The VICE PRESIDENT. It is now too late to offer such an amendment. The roll call was resumed.

Mr. GLENN (when his name was called). I have a special pair for the day with the Junior Senator from Arkansas [Mr. CARAWAY] and therefore withhold my vote.

Mr. OVERMAN (when his name was called). I have a general pair with the Senator from Illinois [Mr. DENEEN] and therefore withhold my vote.

The roll call was concluded.

Mr. BLEASE. Mr. President, I just came into the Chamber, and find myself in the position that I do not know exactly how to vote. Some of my friends are voting one way and others are voting the other. May the question be stated?

The VICE PRESIDENT. A vote "yea" is to vote for the imposition of a duty of 1 cent a pound.

Mr. BLEASE. How is it if a Senator shall vote "nay"?

The VICE PRESIDENT. That would be for the imposition of a duty of 3 cents a pound.

Mr. BLEASE. Then I vote "yea."

Mr. SIMMONS. I have a general pair with the Senator from Massachusetts [Mr. GILLETT]. In his absence I withhold my vote.

Mr. BINGHAM. Has the junior Senator from Virginia [Mr. GLASS] voted?

The VICE PRESIDENT. He has not.

Mr. BINGHAM. I have a general pair with the junior Senator from Virginia and therefore withhold my vote.

Mr. WATSON. I transfer my pair with the Senator from South Carolina [Mr. SMITH] to the Senator from Kentucky [Mr. ROSSION] and vote "nay."

Mr. FESS. I desire to announce the following general pairs:

The Senator from Pennsylvania [Mr. REED] with the Senator from Arkansas [Mr. ROBINSON];

The Senator from Maine [Mr. GOULD] with the Senator from Utah [Mr. KING]; and

The Senator from Minnesota [Mr. SHIPSTEAD] with the Senator from Wyoming [Mr. KENDRICK].

Mr. MOSES (after voting in the affirmative). I transfer my general pair with the Senator from Louisiana [Mr. BROUSSARD] to the Senator from Oregon [Mr. McNARY] and let my vote stand.

The result was announced—yeas 28, nays 39, as follows:

YEAS—28

SHOES, LEATHER

VOTE ON MR. HOWELL'S AMENDMENT (MODIFIED) TO MR. ODDIE'S AMENDMENT TO PARAGRAPH 1530 RECLASSIFYING THE DUTY ON SHOES, BOOTS, ETC., SO AS TO REDUCE THE DUTY FROM 14 CENTS PER PAIR AND 10 PER CENT AD VALOREM TO 14 CENTS PER PAIR; EXCEPTING, HOWEVER, THE MCKAY TYPE OF FOOTWEAR FOR WOMEN, WHICH IS REDUCED TO 8 CENTS PER PAIR AND 20 PER CENT AD VALOREM. ALSO TO PLACE CHILDREN'S SHOES ON THE FREE LIST

(*Cong. Record, March 17, 1930; page, Daily, 5621; Permanent, 5382*)

The PRESIDING OFFICER. The amendment to the amendment will be stated.

The LEGISLATIVE CLERK. In the amendment of the Senator from Nevada [Mr. ODDIE], on page 4, lines 11 and 12, it is proposed to strike out the figures and words "14 cents a pair and 10 per cent ad valorem" and to insert in lieu thereof:

Other than footwear for children and for women of the McKay type of manufacture, 14 cents per pair; footwear of the McKay type of manufacture for women, 8 cents per pair and 20 per cent ad valorem.

Mr. SMOOT. Mr. President, may I call the Senator's attention to the matter to which I referred a few moments ago?

Mr. HOWELL. Yes.

Mr. SMOOT. I think if the Senator would adopt this wording that it would cover what he desires:

Other than footwear of the McKay type of manufacture for women and other than footwear for children, 14 cents per pair; footwear of the McKay type of manufacture for women, 8 cents per pair and 20 per cent ad valorem.

That would prevent the children's shoes falling in paragraph 1531 as manufactured leather not specially provided for.

Mr. HOWELL. Would that place a 14 cents a pair duty on children's shoes?

Mr. SMOOT. No; the amendment I have suggested says: "Other than children's shoes."

Mr. HOWELL. Very well; I will accept the modification proposed by the Senator from Utah.

The PRESIDING OFFICER. The question is on agreeing to the amendment of the Senator from Nebraska [Mr. HOWELL], as modified, to the amendment offered by the Senator from Nevada [Mr. ODDIE]. The yeas and nays have been ordered, and the clerk will call the roll.

The legislative clerk proceeded to call the roll.

Mr. OVERMAN (when his name was called). I again announce my pair with the Senator from Illinois [Mr. DENEEN]. I transfer that pair to the Senator from Arizona [Mr. ASHURST] and will vote. I vote "yea."

Mr. WATSON (when his name was called). I am unable to secure a transfer of my pair with the Senator from South Carolina [Mr. SMITH] and therefore withhold my vote.

The roll call was concluded.

Mr. STEPHIENS (after having voted in the affirmative). Has the junior Senator from Indiana [Mr. ROBINSON] voted?

The PRESIDENT pro tempore. That Senator has not voted.

Mr. STEPHIENS. I am paired with the Senator from Indiana, but I understand that if he were present he would vote as I have voted. Therefore I will let my vote stand.

COAL, COUNTERVAILING DUTY

VOTE ON CONCURRING IN THE AMENDMENT MADE IN THE COMMITTEE OF THE WHOLE, STRIKING THE PROVISIO IN PARAGRAPH 1650, KNOWN AS THE COUNTERVAILING DUTY ON COAL, OUT OF THE BILL

[NOTE.—This vote restored the provision.]

(*Cong. Record*, March 17, 1930; *page, Daily*, 5651; *Permanent*, 5412)

The VICE PRESIDENT. The Clerk will state the next amendment reserved for a separate vote.

The LEGISLATIVE CLERK. On page 253, the Senate, as in Committee of the Whole, struck out the proviso beginning in line 12, down to and including the word "government," in line 18.

Mr. JONES. Mr. President, is that the retaliatory provision relating to coal?

The VICE PRESIDENT. That is the countervailing duty on coal; yes.

* * * * *
Provided, That if any country, dependency, province, or other subdivision of government imposes a duty on any article specified in this paragraph when imported from the United States, an equal duty shall be imposed upon such article coming into the United States from such country, dependency, province, or other subdivision of government.

The yeas and nays were ordered.

Mr. SWANSON. A parliamentary inquiry.

The VICE PRESIDENT. The Senator will state it.

Mr. SWANSON. A vote "nay" is in favor of continuing the existing provision of law as to a countervailing duty on coal against Canada, does it not; and a vote "yea" is in favor of abolishing it?

The VICE PRESIDENT. That is a correct statement. The Secretary will call the roll.

The Chief Clerk proceeded to call the roll.

Mr. WATSON (when his name was called). I have a general pair with the Senator from South Carolina [Mr. SMITH], which I transfer to the Senator from Pennsylvania [Mr. GRUNDY], and vote "nay."

The roll call was concluded.

VOTE ON MR. BROUSSARD'S AMENDMENT TO MR. SMOOT'S AMENDMENT TO SECTION 305 TO INCLUDE IN THE PROHIBITION AGAINST IMPORTATION OF IMMORAL ARTICLES ANY BOOK, WRITING, PRINT, PAMPHLET, CIRCULAR, ETC., "CONTAINING ANY MATTER ADVOCATING OR URGING TREASON OR INSURRECTION AGAINST THE UNITED STATES, OR FORCIBLE RESISTANCE TO ANY LAW OF THE UNITED STATES"

Mr. WATSON. Let us have the yeas and nays.

The yeas and nays were ordered, and the Chief Clerk proceeded to call the roll.

Mr. LA FOLLETTE (when Mr. SHIPSTEAD's name was called). The senior Senator from Minnesota [Mr. SHIPSTEAD] is paired with the junior Senator from Tennessee [Mr. BROOK]. If the senior Senator from Minnesota were present, he would vote "nay."

Mr. SIMMONS (when his name was called). I have a general pair with the senior Senator from Massachusetts [Mr. GILLET]. That pair, as I understand it, stands upon the amendment now pending, but not upon the main amendment. Therefore I shall have to observe the pair, but if I could vote I would vote for the pending amendment to the amendment.

CEMENT, FOR PUBLIC USE

VOTE ON MR. BLEASE'S AMENDMENT TO ADMIT DUTY FREE CEMENT TO BE USED FOR PUBLIC PURPOSES. TO PARAGRAPH 1644 OF THE FREE LIST, WHICH READS "CEMENT OR CEMENT CLINKER: ROMAN, PORTLAND, AND OTHER HYDRAULIC," MR. BLEASE PROPOSED TO ADD "IMPORTED BY OR FOR THE USE OF, OR FOR SALE TO, A STATE, COUNTY, PARISH, CITY, TOWN, MUNICIPALITY, OR POLITICAL SUBDIVISION OF GOVERNMENT THEREOF, FOR PUBLIC PURPOSES"

(*Cong. Record, March 19, 1930; page, Daily, 5822; Permanent, 5570*)

The VICE PRESIDENT. Is there objection? The Chair hears none, and it is so ordered.

The Secretary will state the pending amendment.

The CHIEF CLERK. On page 252, after line 21, in the amendment heretofore adopted as in Committee of the Whole, the Senator from South Carolina proposes to insert the following:

Imported by or for the use of, or for sale to, a State, county, parish, city, town, municipality, or political subdivision of government thereof, for public purposes.

The VICE PRESIDENT. The question is on agreeing to the amendment offered by the Senator from South Carolina to the amendment made as in Committee of the Whole.

Mr. HALE. Mr. President, may the amendment be stated again?

The VICE PRESIDENT. The amendment will be restated; and the Senate will please be in order, so that it will not be necessary to state amendments twice.

The Chief Clerk restated the amendment.

The VICE PRESIDENT. The question is on the amendment offered by the Senator from South Carolina [Mr. BLEASE] to the amendment made as in Committee of the Whole.

Mr. HARRISON. I call for the yeas and nays.

The yeas and nays were ordered, and the Chief Clerk proceeded to call the roll.

Mr. BLEASE (when his name was called). I have a pair with the Senator from Connecticut [Mr. WALCOTT]; but he informed me that on this amendment he would vote as I shall vote. Therefore I am at liberty to vote. I vote "yea."

Mr. GOULD (when his name was called). I have a general pair with the Senator from Utah [Mr. KING], and therefore withhold my vote. If at liberty to vote, I should vote "nay."

Mr. JOHNSON (when his name was called). Upon this question I am paired with the Senator from South Dakota [Mr. NORBECK]; but inasmuch as both of us would vote in like fashion, I cast my vote "yea."

Mr. OVERMAN (when his name was called). I again announce my general pair with the senior Senator from Illinois [Mr. DENEEN]. I transfer that pair to the Senator from Florida [Mr. FLETCHER] and will vote. I vote "yea."

Mr. SCHALL (when Mr. SHIPSTEAD's name was called). My colleague [Mr. SHIPSTEAD] is unavoidably absent. I ask that this announcement may stand for the day.

Mr. LA FOLLETTE. I desire to announce that the senior Senator from Minnesota [Mr. SHIPSTEAD] is unavoidably absent. He is paired with the junior

Senator from Tennessee [Mr. Brock]. If the senior Senator from Minnesota were present he would vote "yea."

Mr. BINGHAM. Mr. President, I think there is some misunderstanding about the vote of my colleague [Mr. Walcott]. He had a pair with the Senator from South Carolina [Mr. Blease]. I understand that in view of the fact that this amendment is offered by the Senator from South Carolina, my colleague released him from the pair. If my colleague were present he would vote "nay," but the Senator from South Carolina is released from the pair.

Mr. BLEASE. My understanding was that the Senator would vote as I have voted on this particular amendment. I may have misunderstood him, but that was my understanding.

Mr. THOMAS of Idaho. I transfer my pair to the junior Senator from Connecticut [Mr. Walcott] and will vote. I vote "nay."

Mr. HARRISON (after having voted in the affirmative). Has the senior Senator from Oregon [Mr. McNary] voted?

The VICE PRESIDENT. That Senator has not voted.

Mr. HARRISON. I have a pair with the senior Senator from Oregon and therefore withdraw my vote. If at liberty to vote, I should vote "yea."

Mr. KEAN (after having voted in the negative). I desire to change my vote from "nay" to "yea."

Mr. FESS. I desire to announce that the Senator from Pennsylvania [Mr. Reed] has a general pair with the Senator from Arkansas [Mr. Robinson].

The question is on agreeing to the amendment proposed by the senior Senator from Oklahoma [Mr. PINE].

The VICE PRESIDENT. On this question the yeas are 26 and the nays are 20, with the following Senators present who are paired, thus constituting a quorum: Senators WATSON, THOMAS of Idaho, SULLIVAN, CAPPER, METCALF, TOWNSEND, STEPHENS, and MOSES. So the amendment is agreed to.

Mr. WALSH of Montana. Mr. President, did the Chair state that there were 26 yeas and 20 nays, and the other Senators were paired, making a quorum?

The VICE PRESIDENT. That was the statement of the Chair.

TIMBER, LUMBER

VOTE ON THE AMENDMENT OF MR. WALSH OF MASSACHUSETTS TO MR. JONES'S MODIFIED AMENDMENT TO SO MODIFY THE COUNTERVAILING PROVISIO AS TO MAKE IT APPLY TO ALL KINDS OF LUMBER INSTEAD OF ONLY TO ROUGH

(*Cong. Record, March 20, 1930; page, Daily, 5934; Permanent, 5687*)

Mr. WALSH of Massachusetts. I now move that there be stricken from the pending amendment—the amendment offered by the Senator from New York having been accepted by the Senator from Washington, now becomes his amendment, and I can offer an amendment to it—the words “in the rough or not further manufactured than planed or dressed on one side.”

The effect of that amendment will be to make our countervailing duty include all kinds of lumber, not merely the rough lumber but the dressed lumber as well.

* * * * *

The VICE PRESIDENT. The question is upon the amendment proposed by the Senator from Massachusetts [Mr. WALSH] to the amendment of the Senator from Washington [Mr. JONES], as modified.

Mr. JONES. Mr. President, I express the hope that the amendment to the amendment will be defeated.

Mr. LA FOLLETTE. Mr. President, I desire to make a brief explanation of my vote on the amendment offered by the Senator from Massachusetts [Mr. WALSH]. I am opposed in principle to countervailing duties, but if they are to be applied it seems to me they should be applied upon all kinds and classes of commodities affected. I shall therefore vote for the amendment offered by the Senator from Massachusetts to the amendment.

The VICE PRESIDENT. The clerk will call the roll.

The legislative clerk proceeded to call the roll.

Mr. OVERMAN (when his name was called). I have a general pair with the senior Senator from Illinois [Mr. DENEEN]. Not knowing how he would vote, I withhold my vote.

Mr. LA FOLLETTE (when Mr. SHIPSTEAD's name was called). I desire to announce the unavoidable absence of the senior Senator from Minnesota [Mr. SHIPSTEAD]. He is paired with the junior Senator from Oklahoma [Mr. THOMAS].

Mr. SULLIVAN (when his name was called). I have a general pair with the junior Senator from Tennessee [Mr. BROCK]. If at liberty to vote, I would vote "nay."

Mr. THOMAS of Idaho (when his name was called). I have a pair with the junior Senator from Montana [Mr. WHEELER] and therefore withhold my vote. The roll call was concluded.

Mr. WATSON. I transfer my pair with the senior Senator from South Carolina [Mr. SMITH] to the senior Senator from Massachusetts [Mr. GILLET] and vote "nay."

Mr. GLASS (after having voted in the affirmative). Has the senior Senator from Connecticut [Mr. BINGHAM] voted?

The VICE PRESIDENT. That Senator has not voted.

Mr. GLASS. I am paired with that Senator, and therefore withdraw my vote.

Mr. TOWNSEND. On this vote I am paired with the senior Senator from Tennessee [Mr. McKELLAR]. If at liberty at vote, I would vote "nay."

Mr. FESS. I desire to announce the following general pairs:

The Senator from Pennsylvania [Mr. REED] with the Senator from Arkansas [Mr. ROBINSON];

The Senator from Maine [Mr. GOULD] with the Senator from Utah [Mr. KING]; and

The Senator from Connecticut [Mr. WALCOTT] with the Senator from North Carolina [Mr. SIMMONS].

The result was announced—yeas 32, nays 38, as follows:

The legislative clerk proceeded to call the roll.

Mr. OVERMAN (when his name was called). I again announce my pair with the senior Senator from Illinois [Mr. DENEEN] and therefore withhold my vote.

COMPETITION, DOMESTIC

VOTE ON MR. NORRIS'S AMENDMENT ADDING A NEW PARAGRAPH, TO PROTECT DOMESTIC CONSUMERS BY MAINTAINING CONDITIONS OF COMPETITION, WHEREBY ANY CITIZEN OR PEOPLE'S COUNSEL MAY FILE COMPLAINT IN THE UNITED STATES CUSTOMS COURT; AND GIVING THAT COURT JURISDICTION TO DETERMINE AND REPORT FINDINGS TO THE PRESIDENT, WHO SHALL, IF COMPETITIVE CONDITIONS DO NOT EXIST, OR THAT AGREEMENTS HAVE BEEN MADE WHICH PREVENT COMPETITION, ISSUE A PROCLAMATION ONE MONTH THEREAFTER SUSPENDING THE TARIFF DUTIES APPLICABLE THERETO, WHICH SHALL CONTINUE IN FORCE UNTIL COMPETITION IS LATER ASCERTAINED AND PROCLAIMED

(*Cong. Record, March 20, 1930; page, Daily, 5945; Permanent, 5698*)

Mr. NORRIS. Therefore I offer the amendment. The Secretary has it on the desk. It has once been read, but perhaps it ought to be read again.

The VICE PRESIDENT. The amendment offered by the Senator from Nebraska will be stated.

The CHIEF CLERK. The Senator from Nebraska offers the following amendment. At the end of the bill add the following:

(1) That in effectuating the purpose of this act to encourage domestic industries, etc., by the imposition of duties upon imports from other countries it is also the purpose to protect domestic purchasers and consumers against the exaction of excessive or artificial prices in respect to any and all the articles, commodities, and things subject to such duties by the maintenance of full conditions of unrestrained competition among domestic producers and distributors. That in order to assure the maintenance of such conditions of competition any citizen of the United States or the people's counsel established in this act shall be entitled to file a complaint in the United States Customs Court alleging that such conditions of competition do not prevail with respect to the production, distribution, or sale of any such dutiable article or commodity and setting forth the facts and circumstances supporting the allegations in such complaint which shall be verified by the oath of the complainant or others.

(2) Upon the filing of such complaint the said court shall have jurisdiction to hear and determine the truth and merit of such complaint and shall immediately cause public notice to be given by publication in the Treasury Decisions of the Department of the Treasury and the Commerce Reports of the Department of Commerce to all persons and corporations or associations concerned in the domestic production, distribution, or sale of such article that it will hold a hearing on the questions of fact and law contained in such complaint upon a day to be named therein when relevant testimony and argument may be offered to determine whether such full conditions of domestic competition prevail and to what extent, if any, price-fixing agreements or practices, or production-limiting agreements or practices obtain in the production, distribution, or sale of such article or commodity—and following such testimony and hearing the said court shall report its findings to the President.

(3) That upon the receipt of such findings if it be shown thereby that the full conditions of competition contemplated by this act do not prevail with respect to the dutiable article, commodity, or thing described in such complaint then it shall be the duty of the President within one month to issue a proclamation suspending the imposition and collection of the duty or duties levied in this act upon such article, commodity, or thing and declaring such duty or duties inoperative until and unless it shall be established before such court, and such court shall make findings to the effect, that the full conditions of competition aforesaid do prevail and shall report such findings to the President who shall then proclaim a cessation of the suspension of such duty or duties.

(4) The said court shall be governed by the preponderance of the evidence in making its findings and shall have power to make reasonable rules and regulations to govern its procedure in such cases: *Provided*, That nothing herein and no proceeding brought hereunder shall be held to weaken or otherwise adversely affect the laws of the United States applicable to conspiracies in restraint of trade or the enforcement thereof.

* * * * *

Mr. BRATTON. The point I have in mind is that the language quoted by the Senator refers to the text of the President's proclamation. What would the Senator think about adding this in line 16, following the period:

Such court shall have jurisdiction upon the filing of a petition by any domestic producer or other interested person to hear, determine, and make findings that full conditions of competition have been restored and do prevail.

Mr. NORRIS. I have no objection to that. If there is any doubt about my language, I think that clarifies it.

Mr. BRATTON. It expressly confers jurisdiction upon the court to hear and determine the second proceeding; that is, whether full competition has been restored.

Mr. NORRIS. Exactly. I am willing to and do accept the amendment suggested by the Senator from New Mexico, to come right after the period, a new sentence, line 16, page 3, of the proposed amendment.

* * * * *
The VICE PRESIDENT. The question is on the amendment of the Senator from Nebraska [Mr. NORRIS].

Mr. SMOOT. I call for the yeas and nays.

Mr. SHEPPARD. Mr. President, I offer an amendment.

The PRESIDING OFFICER. The amendment will be stated.

The CHIEF CLERK. On page 264, lines 22, 23, 24, and 25, the Senator from Texas proposes to strike out the words "olive, palm-kernel, rapeseed, sunflower, and sesame oil rendered unfit for use as food or for any but mechanical or manufacturing purposes by such means as shall be satisfactory to the Secretary of the Treasury and under regulations to be prescribed by him."

OIL, PETROLEUM

VOTE ON THE AMENDMENT OF MR. THOMAS OF OKLAHOMA TO STRIKE PARAGRAPH 1734 FROM THE FREE LIST, THUS CARRYING PETROLEUM AND ITS DISTILLATES TO PARAGRAPH 1558, WHICH WOULD PLACE A DUTY OF 10 PER CENT UPON THE CRUDE AND A DUTY OF 20 PER CENT ON THE REFINED PETROLEUM

[NOTE.—Paragraph 1734 is as follows:
"PAR. 1724. Oils, mineral: Petroleum, crude, fuel, or refined, and all distillates obtained from petroleum, including kerosene, benzene, naphtha, gasoline, paraffin, and paraffin oil, not specially provided for."]

(*Cong. Record, March 22, 1930; page, Daily, 6201; Permanent, 5946*)

Mr. THOMAS of Oklahoma. As a basis for the presentation of this information, I now move that paragraph 1734, on page 265, be stricken from the free list. If that amendment should be adopted, petroleum and the refined products of petroleum would be stricken from the free list. They would probably fall within the provision of paragraph 1558, which would place a 10 per cent duty upon the raw products, which would be petroleum, and a 20 per cent duty on the refined products, which would be gasoline.

CONFEREES RELEASED ON DEBENTURE

VOTE ON AGREEING TO THE FIRST PART OF SENATE RESOLUTION 270 (BY MR. SMOOT), RELEASING THE CONFEREES ON H. R. 2667, THE TARIFF BILL, FROM THEIR PROMISE WITH REGARD TO THE EXPORT DEBENTURE

(*Cong. Record*, May 19, 1930; pages, Daily, 9493 and 9494; Permanent, —)

The VICE PRESIDENT. The Chair lays before the Senate a resolution coming over from a previous day, which will be read.

The resolution (S. 270) submitted by Mr. SMOOT, May 16, 1930, was read, as follows:

Resolved, That it is the sense of the Senate that the majority members of the conference committee on the part of the Senate on the tariff bill (H. R. 2667) be relieved from the promise made by them that no agreement in conference on the export debenture or flexible tariff would be made until opportunity was afforded in the Senate for a separate vote on such items.

* * * * *

Mr. ROBINSON of Arkansas. The unanimous consent which I requested is—and I am submitting it at the suggestion of a number of Senators, as the Senator from North Carolina well understands—that the Senate proceed without further debate to vote, first, upon the question, Shall the Senate majority conferees be relieved from their promise relative to a separate vote in the Senate on the export debenture provision; and, second, Shall the Senate majority conferees be released from their promise relative to a separate vote in the Senate on the flexible tariff provision; and that in the event the affirmative prevails as to one of the questions and not as to both, a third vote be taken on the resolution itself as modified?

Mr. SIMMONS. As amended.

Mr. ROBINSON of Arkansas. As modified.

Mr. WALSH of Montana. Mr. President, I can see no good purpose to be subserved by the third vote.

Mr. SMOOT. I do not either, Mr. President.

Mr. WALSH of Montana. If the vote should be in the affirmative, if the conferees should be released as to one, and the vote should be not to release them as to the other, it would seem as though that would settle the matter.

Mr. ROBINSON of Arkansas. The only reason why I made the suggestion was that it would seem a parliamentary necessity to conclude the resolution. I am entirely willing to take these two votes as decisive of the resolution.

Mr. SMOOT. That is all that is necessary.

The VICE PRESIDENT. Is there objection to the unanimous-consent agreement proposed by the Senator from Arkansas? The Chair hears none, and it is so ordered. The question is on the first provision of the resolution.

* * * * *

Mr. WATSON. Mr. President, may the first provision be stated for the information of the Senate?

The VICE PRESIDENT. It will be stated.

The Chief Clerk read as follows:

Shall the Senate majority conferees be relieved from their promise relative to a separate vote in the Senate on the export-debenture provision?

Mr. HARRISON. I call for the yeas and nays.

The yeas and nays were ordered, and the Chief Clerk proceeded to call the roll.

Mr. BLEASE (when his name was called). I have a pair with the senior Senator from West Virginia [Mr. GORR]. If I were at liberty to vote, I should vote "nay."

Mr. BRATTON (when his name was called). On this question I have a pair with the Senator from Maine [Mr. GOULD]. The Senator from Rhode Island [Mr. METCALF] is paired with the Senator from Maryland [Mr. TYDINGS]. For the purpose of a double transfer, so that the Senator from Rhode Island [Mr. METCALF] and myself may vote, I transfer my pair with the Senator from Maine [Mr. GOULD] to the Senator from Maryland [Mr. TYDINGS], and the Senator from Rhode Island [Mr. METCALF] transfers his pair to the Senator from Maine [Mr. GOULD], leaving us both free to vote; and the Senator from Maine [Mr. GOULD] stands paired with the Senator from Maryland [Mr. TYDINGS]. I vote "nay."

Mr. BRATTON (when Mr. CUTTING's name was called). On this question my colleague [Mr. CUTTING] has a pair with the Senator from Florida [Mr. FLETCHER]. If the Senator from Florida were present, he would vote "yea," and if my colleague were present he would vote "nay."

Mr. KING (when his name was called). I am paired with the senior Senator from New Hampshire [Mr. MOSES] and therefore withhold my vote.

Mr. KEYES (when Mr. MOSES's name was called). My colleague [Mr. MOSES] is unavoidably absent. He is paired with the junior Senator from Utah [Mr. KING]. If present, my colleague would vote "yea."

Mr. McMASTER (when Mr. NORBECK's name was called). I desire to announce that my colleague the senior Senator from South Dakota [Mr. NORBECK] has a pair upon this question with the junior Senator from Pennsylvania [Mr. GRUNDY]. If my colleague were present, he would vote "nay," and if the junior Senator from Pennsylvania were present he would vote "yea."

Mr. WATSON (when his name was called). I have a pair with the senior Senator from South Carolina [Mr. SMITH]. I transfer that pair to the junior Senator from West Virginia [Mr. HATFIELD] and will vote. I vote "yea."

The roll call was concluded.

Mr. HALE. My colleague [Mr. GOULD] is absent from the city. If present, he would vote "yea." He is paired.

So Mr. SIMMONS's resolution (S. Res. 108) as modified was agreed to, as follows:

Resolved, That the Committee on Finance is directed forthwith to request the Secretary of the Treasury, pursuant to the authority vested in it under the internal revenue laws, to furnish the committee, at the earliest practicable date, a statement in

detail for each of the taxable years 1922 to 1928, inclusive, of the profits or losses, as the case may be, and a separate statement for each of said years of each of the following items:

Gross sales from trading or manufacturing less goods returned, and any allowances or discounts from the sale price, and

(a) Inventory at beginning and close of each year;

(b) Merchandise bought for sale for each year;

(c) Cost of manufacturing or otherwise producing goods, separately (1) salaries and wages, exclusive of compensation of officers (2) material and supplies, and (3) compensation of officers, of the taxpayers whose names the committee, or the majority or minority members thereof, may from time to time during the consideration by the Congress of the pending tariff legislation transmit to the Secretary as being the names of taxpayers whose business is, in the opinion of the committee, or of the majority or minority members thereof, affected by the pending tariff legislation—in so far as such profits or losses are contained in or shown by the income tax and capital-stock tax returns of such taxpayers, segregated, so far as may be practicable, to show the profits or losses, as the case may be, in the several branches or departments of the business of such taxpayers.

Mr. McNARY. Mr. President, late in the afternoon yesterday I received a wire from the senior Senator from California [Mr. JOHNSON] asking to be paired on the resolution offered by the Senator from North Carolina [Mr. SIMMONS]. I ask unanimous consent that in the permanent RECORD the RECORD of yesterday's proceedings may show that the senior Senator from California [Mr. JOHNSON] was absent on account of illness in his family, and that had he been present he would have voted for the resolution.
