## Reasons why Medicare Advantage might be right for you

- You need routine hearing, vision and/or dental care
- You want to live healthier with a free fitness membership, 1-on-1 fitness consultation, group fitness classes, online brain games, and more<sup>†</sup>
- You would like prescription drugs included in your plan
- You want the ability to have medications delivered to your home
- You want access to trusted providers within the UnitedHealthcare nationwide network
- You would like a plan with a low or no monthly premium<sup>††</sup>

<sup>†</sup> Fitness benefits vary by plan and/or area.

<sup>††</sup> You must continue to pay your Medicare Part B premium if not otherwise paid for under Medicaid or by another third party.

Medicare Advantage plans are not available in AK, GU, MP or VI.
