Michael,  
I will look into this. Our key champion for autism is not on this list, so I will discuss with him personally.  
Best regards,  
Joe

Joe,  
As per our conversation, it appears here have been some communication with Novartis regarding the autism product...(see attached communication). Can you check to see if it was handled properly because I have seen real time video showing amazing success. I will also send you the proposal they came to your NY representative.  
Please let me know and I plan on being in London at the end of September so I hope to see you there.
