1           The Chairman. Could we go for just 30 seconds into  
2 Executive Session for this reason: the Joint Committee on  
3 Taxation wants to start printing things and we have not yet  
4 confirmed who the members of the Joint Committee are going  
5 to be.

6           Senator Dole has asked, for the duration of this  
7 Congress, not to be on it, and I have suggested Senator  
8 Hatch. That has been cleared with everybody on our side,  
9 and it is all set on your side. So I would like to move  
10 the substitution of Senator Hatch for Senator Dole, and  
11 then confirm the rest of the members of the Joint Committee  
12 on Taxation. Is there any objection?

13           Senator Rockefeller. Second. No objection.

14           The Chairman. I thank the committee.

15           Senator Moynihan. Mr. Chairman, do we have a Joint  
16 Committee on Taxation?

17           The Chairman. We still have a Joint Committee on  
18 Taxation. It has not yet ----

19           Senator Moynihan. It is in statute.

20           The Chairman. It is in statute.

21           Senator Moynihan. It's before the Rules Committee.

22           The Chairman. I know. When Senator Moynihan and I  
23 were before the Rules Committee, one of their suggestions  
24 was that we would abolish the Joint Committee on Taxation.  
25 We allowed as how we were not sure that was in their

1 jurisdiction to abolish a statutory committee.

2 [Whereupon, at 10:36 a.m., the meeting was concluded.]
