1 Senator Danforth. Before we get to the R&D credit which
2 is the next item on the agenda, Senator Packwood has asked me
3 to raise the question of the possibility of reporting out the
4 nomination of Clayton Yeutter.

5 Now obviously it would be subject to an objection by
6 anybody who wants to object, but no notice; no quorum. But at
7 least we can start the process of taking the vote and polling
8 any absentees.

9 Senator Moynihan. Mr. Chairman, I propose that we take
10 up the nomination of Mr. Clayton Yeutter to be Special Trade
11 Representative.

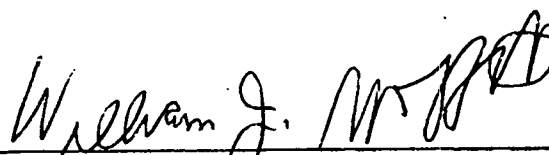

12 Senator Danforth. All right. Without objection, we will
13 vote. All members present here in favor of the Yeutter
14 nomination. Is that all right? And report the nomination
15 from the committee, subject to polling the Senators who are
16 not now here.

17 (Whereupon, at 9:37 a.m., the Executive Session was
18 concluded.)
