**Notes:** Components may not sum to totals because of rounding.

Medicare provisions include interactions with MA payments, the effect on Medicare Part A and B premiums, and TRICARE.

(a) This provision would affect spending subject to appropriation but CBO has not yet completed that estimate.

\* = between -\$500,000 and \$500,000

CMS = Center for Medicare & Medicaid Services; MA = Medicare Advantage; TRICARE = the health plan operated by the Department of Defense.
