STATEMENT OF THE MANAGERS ON THE PART OF THE HOUSE.

The managers on the part of the House at the conference on the disagreeing votes of the two Houses on the amendments of the Senate to the resolution (H. J. Res. 82), extending the time during which certain domestic animals which have crossed the boundary line into foreign countries may be returned duty free, submit the following written statement in explanation of the effect of the action agreed upon by the conferees and recommend the accompanying conference report:

Amendment No. 1: This amendment makes a clerical change, and the House recedes.

Amendment No. 2: The House bill provides an authorization of moneys to make the refunds of duties provided by the resolution. The Senate amendment changed the authorization to an actual appropriation of an amount necessary to make such refunds. The Senate amendment also requires that applications for the refunds should be made within one year after the enactment of the resolution and that the refunds should be made under regulations prescribed by the Secretary of the Treasury. The Senate recedes.
