Dear Mr. Bishop,

Further to my letter of July 7, 2016, I am attaching an article that appeared in yesterday's Orlando Sentinel which speaks to the issue of reorganization and downsizing a bloated government structure. This is one of several mayor problems affecting the long term viability of a functioning government in Puerto Rico.

Once again, I would welcome the opportunity of sharing my ideas and suggestions to the oversight Board or representative.

Sincerely,

Roger P. Gonsalves
