Subject: South Dakota Medicaid Letter

Dear Senator Thune and Senator Rounds,

Medicaid matters significantly to me and my family. My great grandson Skyler was born with spastic quadriplegia cerebral palsy and epilepsy. Medicaid provides his liquid food, feeding supplies, therapies, medications, and several specialists in Sioux Falls to keep him healthy and safe at home. His quality of life continues to improve because of Medicaid. Without it he surely would have died at birth.

I urge you to vote no on the Better Care Reconciliation Act!
