GENERAL STATEMENT

This joint resolution follows the pattern of previous legislation enacted by the Congress in connection with various international exhibitions, expositions, and fairs held in the United States, including that of Public Law 85-22, 85th Congress, which provided for the entry, free of duty, of articles for the purpose of exhibition, at the Washington State Sixth International Trade Fair, Seattle, Wash.

duties and charges under safeguarding regulations of the Secretary of the Treasury.

The Washington State Seventh International Trade Fair is to be held at Seattle, Wash., from April 11 to April 20, 1958, inclusive, by the International Trade Fair, Inc. This corporation, in the interest of greater international collaboration in the interchange of newly developed products, will assemble a number of products from the Far East for the purpose of educating the American people concerning these items.

The joint resolution provides that the imported articles shall not be subject to marking requirements of the general tariff laws, except when such articles are withdrawn for consumption or use in the United States. Articles so admitted may be lawfully sold at any time during or within 3 months after the close of the trade fair, subject to such regulations for the security of the revenue and for the collection of import duties as the Secretary of the Treasury shall prescribe.

Your committee is unanimous in urging the enactment of this legislation.
